## H. S. C. STUDENTS WILL PARTICIPATE IN SECOND ANNUAL WORK DAY FRIDAY

### Women's Work Day Committees Named

For their part of work day the girls have undertaken the task of feeding the laborers, cleaning the grounds of Sunset Hall, giving the Alumni Dance, and cleaning the girls' rest room and smoker.

According to Helen Connick, the general chairman of the girls part in Work Day, it will be necessary that each girl watch the bulletin board and find out what she is to provide for the lunch. Sandwiches, cookies, and doughnuts for the lunch will be furnished by individual girls while the rest of the lunch will come from WAA funds.

(Continued to Page 4)

### Work Day Movies Are To Be Taken

Work Day will be well recorded again this year according to the General Chairman as Mr. C. E. Graves, college librarian and movie photographer, today stated that he would take movies of Work Day. These movies will be in technicolor and it is hoped they will even surpass the outstanding film of last year. According to Mr. Graves it is recommended to wear bright colors in order to make a more beautiful color film.

Jim Hall will be the other member of the Work Day Photography staff, taking camera shots for an exhibit and also for the 1939 SEMPERVIRENS.

### W. A. A. Will Serve Lunch On Work Day

According to Helen Connick, women's chairman of Work Day, a delicious, wholesome lunch will be provided by the women Friday noon in the college commons. The W. A. A. appropriated \$15 for hot dishes, salad, coffee and desert to be prepared by the commons staff under the direction of Mrs. Ellen Walter. Sandwiches, cookies, doughnuts, and cakes will be brought by various women thus completing a well balanced meal.

NOTE -- Women watch the bulletin for duties and food to bring.

On Friday April 22, festivities will reign at Humboldt State College. Weather permitting the annual Campus Work Day will be held and that evening the Alumni Association will hold their annual Spring Banquet in the college commons. Following the banquet the Associated Students will give a big ALUMNI WORK DAY dance which will honor the Alumni and Work Day. Realizing that many Humboldt Alumni and former students have drifted away from college functions, the Campus Work Day promoters have mailed letters to about eighteen alumni group leaders. It is hoped that they will round-up groups of former students of the college and come to the dance. Working on the theory "Give the Alumni and friends of the college a good time and they will wish they were still in college" it is believed greater Alumni-Student spirit will develop and thus both Alumni and the Students will benefit. In order to entertain those Alumni and Students who do not care to dance the whole evening special novelty numbers are being arranged and will be given every twenty minutes. Music for the dance will be contributed by a group of students who will alternate through out the evening. Miss Jayn Harville is chairman for the dance while Carl Owen and Dan Oliver are arranging the music. RAIN OR SHINE THE ALUMNI DANCE WILL BE HELD.

### EXTRA! EXTRA! JACKSON TO HULU

Last minute reports before going to press state that Freddy Jackson, famous hulu dancer and impersonator will be featured at the Alumni-Workday dance. Mr. Jackson states his dance will equal none as yet given.

### Gist Will Name New Coach Soon

More than twenty-five applicants are being considered to fill the position left open at Humboldt State by the year's leave of absence granted Fred Telonicher and the resigning of Coach Charlie Erb. The chosen coach will fill both positions, with baseball and track being sacrificed if necessary to football and basketball.

President Arthur S. Gist will not be ready to announce the name of the new coach until the end of the week, but latest reports show that Gene Shields, Oregon State line coach is the last one under consideration.

Humboldt State will have a heavy football schedule next year, including games tentatively scheduled with San Jose State, Southern Oregon Normal, Oregon State, Santa Clara and St. Mary's frosh, and Cal. Poly.

Fellow Students:

During the past year you have given wonderful support to student activities. But during this week greater support than ever before is being asked. The purpose of Campus Work Day is "to beautify the campus and its surroundings and create a day of work, play, and fellowship which will be long remembered."

This year besides the regular projects we are giving a dance in honor of the alumni. I believe it is our duty to help develop a greater Alumni-Student spirit and I am certain that if we make this day a real success that Alumni-Student spirit shall reign forever.

Note the program outlined and you can readily see that Campus Work Day could develop into a Campus Home Coming within a year or two. So please do your utmost to develop such a spirit that next year a greater number of alumni and friends of the college will want to enjoy the festivities of Campus Work Day. May we at Humboldt have the best spirit and greatest pride of the State Colleges.

BOB MADSEN  
Pres. Associated Students

### Assemblyman Burns Here For Work Day

Word has been received that Assemblyman Michael J. Burns will be on the campus work Day, Fri. April 22. Assemblyman Burns and Senator Quinn will be guest at the noon lunch and will each give a five minute talk.

Frank Turner, Humboldt College student, spent Easter week visiting friends in Los Angeles.

## WORK DAY

Work Day, sometimes called Campus Day, was founded at Humboldt State by President Bob Madsen. He inaugurated the idea last year, and it was so successful he has brought it to us again this year. The purpose of Work Day is to give all the students in College a chance to get out and work around the campus in order to beautify it. The work that is to be done has been divided into three types: repair work, clean-up work, and new-project-work.

There is much opportunity for repair work here. The broken-down furniture in the Social Unit, and the worn benches that are scattered about the campus are eligible for attention on Work Day. The road that circles around the back of our college offers another wonderful opportunity for repair work. Along with the roads, the sidewalks leading to the campus afford us another job on Work Day.

Less important than the repair work, but still recognizable is the value of the clean-up work in and about the buildings. Such work as the washing of windows in the various classrooms, the cleaning of the fish-pond as a reception for the class of '42, the clearing of the debris out of the trails that wind through the woods in back of the football field remain to utilize the energies of the Work Day committee.

Most important, however, of all the jobs that are to be done on Work Day is that of the beautification of our campus. Two or possibly three things stand out in this consideration. First, the wood piles that are between the dormitory and the College proper are real eyesores. I have often wondered if a stranger upon entering this campus ever mistook it for a lumber camp. The only way for us to remedy this condition is to petition in opposition to it. The demand for the removal of these woodlots is a job for us students. The greatest of all work for the beautification of our campus, however, is the planting of trees, shrubs, and flowers about the grounds. There are unknown quantities of wealth available in the forms of wild flowers such as rhododendron gardens, patches of wild azalea, and wild currant. Here in Humboldt County, we have a large variety of wild flowers and trees; there is no reason why we can't make some very beautiful wild flower gardens on our campus that might easily become places of pilgrimage for the beauty-lovers in this vicinity.

Work Day is a student project and should, therefore, have the backing of every student in college. With the material that we have to work on, we should be able to make the coming Work Day even more successful than last year's. Let us do what we can to improve our plans for a more constructive Work Day next year.

Donald Falk

## CAMPUS COMMENTATOR

Hello and good morning to you, Now it looks more like a taxi. We my fine feathered friends, we hope that you all had a grand and glorious vacation, and are quite ready at this point to once again, settle down to the trials and tribulations of college "stoogents."

Among the various individuals "Vacance-de Pacqu-ing," (the French equivalent to our Easter vacationing) away from Arcata, Eureka and other county points, are the following: "Chief" Dondero who spent her time in Lakeport, that little town in Lake Co., where the Dondero originally hails from. How were all the folks, Toni???? Dan Oliver and Pedro Elmore vacationed in San Fran and then hied themselves to Los Angeles, in the new black and white job that once-upon-a-time, was the Oliver gray and red Willys....

## Sigma Epsilon Rho Will Go To Chico

All students who desire to make a trip to the Sacramento Valley on May 5, 6, 7, and 8 sponsored by the Sigma Epsilon Rho must sign up by four o'clock today according to Fred Jackson, president of the organization.

Following is a tentative schedule for the trip: Thurs., May 6, leave college in the morning traveling to Redding the first night.

Friday, May 6-leave Redding in the morning and arrive in Chico in the early afternoon with a visit to the Sierra foothills. Spend the night in Chico.

Saturday, May 7—Visit such points of interest around Chico as the Hooker Oak, Iron Canyon, and the Chico State College Campus. The afternoon includes a visit to the Government Plant Introduction Garden and a swim, leaving in the late afternoon for Sacramento or Davis.

Sunday, May 8, visit points of interest in Sacramento and Davis.

The trip will cost \$7, \$2 of which are due 3 days after notification. The remaining being due not later than Friday, April 29. Withdrawal of funds can be made up to 4 p. m. on May 2.

## True Dolson's Pigs Bring Home Ribbons

True Dolson, Humboldt State's pig raiser, brought four ribbons home with her from the Eleventh Annual Junior Inter-state Livestock Show held in South San Francisco during Easter Vacation.

Miss Dolson won a first and a second in the single cross-bred barrow 4-H class. She won first place on a pen of cross-bred barrows. One of her pure bred Poland-China barrows won a fifth place.

Six states, Idaho, Montana, Utah, Nevada, Oregon, and California, were represented in the show. There were eight hundred exhibitors at the show besides eighteen hundred pigs and varying in numbers of other live stock. Miss Dolson's cross-bred barrows won first and second prizes out of a field of fifty hogs.

visit to their homes...both of them looked rather bedraggled, but glad to get back to HSC.

Enough of Easter vacationers. Sunday night the night when the State Theater is usually overrun with HSC-ers, we saw Marian Goss with Don Parker and Bruce Wiley with a new girl in these here parts, Ruth Hornbrook of Eureka. Also we would like to impart a little moral to you at this time, inasmuch as we are talking about shows. When you take it upon your self to wear new Easter shoes that are not exactly broken in to a movie, never, never, take them off.....because you'll never get them on. At least that is what happened to a certain member of the Lumberjack staff Sunday night.

Wanted a good cook—by the Daly Brothers, Joe and Bill. Sunday night saw the departure of their mother for her home in Germany, so the Daly lads are now batching. If some good cook who has a few idle hours they would like to spend in domesticity, beyond any doubt Joe and Bill would appreciate the gesture.

And so for another week, this is Station HSC signing off and wishing you all a pleasant Work Day with a few don'ts to offer to you....Don't work too hard; Don't let your "Boss" boss you too strenuously; Don't be too tired out for the doin's after the day of labor is o'er.

## Arcata Hi Featured On College Program Over Radio Tonight

The regular college radio program tonight will feature: "Arcata High School," and all numbers on the program will be performed by students of Arcata High School or past graduates of Arcata High who are now attending Humboldt State College.

The program will consist of the following musical numbers: saxophone duet, Wallace Naye and Arthur Holton; and a vocal solo by Erlyn Jepsen, of Arcata High School; vocal number by the college men's trio; and a vocal solo by Marion Macpherson. Darrel Sundquist, student body president of the Arcata Hi will speak, Audrey Kjer will tell of some of the accomplishments of Arcata High School students and Violet Susan will give a reading.

The past student body presidents of Arcata Hi who are now attending Humboldt State, will also speak.

## Faculty Fails To Furnish Facts To Staff Sleuths

The Lumberjack's skilled staff of super-sleuths were temporarily relieved from the exhausting search for Carl Owen's middle name and put to work ferreting out the details of the faculty program to be put on as their contribution to Work Day. A deep dark silence surrounds the facts of the program, broken only by the mysterious chortles and chuckles of faculty members resolved to keep the whole thing a complete secret from a curious and impatient student body.

Not even the snoopest of super-sleuths can disclose the slightest bit of news about the program. Badgered faculty members, cornered by a desperate sleuther reply with a sphinx-like gleam in their eyes: "Wait until Friday morning at eight."

## Music Department To Give Program

On Tuesday, May 3, the Humboldt State music department under the leadership of Edmund V. Jeffers will present a program at eight o'clock in the college auditorium. The A Cappella Choir, the college chorus and the Little Symphony Orchestra will all take part in the program.

## Grade Students In Assembly Program

The third grade students presented the play "How Beneficial Birds Are to Us," in which the students acted as birds, at the regular College Elementary school assembly Thursday April 7.

The second grade students presented a play, on "Taking Care of Flowers," and the fourth grade presented a play on "Wild Life Conservation."

Miss Bestor, Mrs. Pinkerton, and Miss Dickson directed the plays which were suggested by the students.

Students participating in the plays were: Maurice Elmore, Marian Pittman, Dorothy Griffin, Aldyne Bennett, Patsy Spellenberg, Nancy Cocman, Joyce Flams, Hughlette and Nancy Clark, Son Wilson, Peggy Brookins, Phyllis Sequist, Beverly Thompson, Virginia Anderson, and Alma Arnold.

## DOUBLE CUT PENALTY

A double cut will be charged to any student who does not report to his project on Work Day. Roll Call will be taken by the various professors. (Last year there was 99 per cent participation and everyone had a swell time.)

## Women's Clubs Hold Tulip Tea Thursday

The County Federation of Women's Clubs will present their annual Tulip Tea in the Social Unit Thursday afternoon, April 21 following a program at two o'clock in the college auditorium. There will be a charge for the program, which is given in order to raise money for music scholarships offered here at Humboldt in voice, vocal and piano. For four years the Federation has been offering these scholarships, three or four each of fifty dollars, which covers music instruction for one year.

The program is as follows: Tulip Dance, by ten little girls from Scotia; Two vocal selections, Karen Loft; Concerto for two violins, Doris Gunderson and Myron Schussman; Reading, Mrs. Gordon Manary, Scotia; Vocal numbers by Mrs. Barriet Briggs, Loleta; and selections by the A Capella Choir.

Mrs. Edmund Jeffers is in charge of the program. Mrs. Maurice Hicklin is tea chairman and Mrs. Walter Wood is handling the decorations.

There will be three tea tables, each presided over by a representative chosen from the clubs of Fortuna, Ferndale and Eureka. Miss Constance Clemens of Garberville is president of the Federation.

## Books Not To Be Left In Library

A number of students have formed the habit of leaving their textbooks or notebooks on the library tables at the end of the day's work, there to remain till the owners remember to look for them. This habit has been carried to such an extent that some steps must be taken to remedy the situation. At the end of the last day before the Easter vacation, thirty-one such books were found on the reading room tables. The librarian therefore wishes to announce that in the future the library janitor will be given instructions to gather up such books at the end of each day and deposit them in some place for safe keeping. It will then be necessary for the owners of such books to inquire at the library desk as to where they may be found.

## Men's Ass'n Plans Annual Barn Dance

Committees have been appointed and all plans are completed for the Men's Association Annual Barn Dance to be held Friday April 29.

General Chairman Harvey Harper and other committee heads have held several meetings and they say that this year's Barn Dance will be bigger and better than ever before.

The Committee Chairman are as follows: Decorations, Jack Walsh; Door, Nick Barbieri; Entertainment, Richard Jarboe; Publicity, Keith Emenegger; Clean-up, Jack Ellis; and Music, Dan Oliver's orchestra.

## Arcata High Girl Wins Contest At Senior Dance

On Saturday evening the Humboldt Seniors presented their "Bunny Hop" in conjunction with the Arcata Firemen in their hall here in Arcata. The special feature of the evening was a song contest to which the county high schools were to send representatives, however Arcata and Eureka were the only ones represented. The winner was Erlyn Jepsen of Arcata High School. The music for dancing was furnished by Jim Fasullo and his orchestra.

## Students At Dorm Enjoy Easter Week

Students staying at the dormitory who did not go home over Easter vacation spent Monday evening at the home of Mrs. Elma Folsom. The evening was spent with music and talk. Dessert was served.

Thursday evening the same students held a waffle party in the Social Unit. Miss Zula Ballew was present and Mary Handshy's sister Eleanor, from Watsonville who visited Mary over vacation was also a guest.

—H—  
Baseball has been chosen as the spring sport for women. Practices will begin next week in the gym classes and after school practices the following week. The poor condition of the athletic field prevents its use for field ball or speed ball.

## USF Also Holds Annual Work Days

Student work day was staged at the University of San Francisco on March 31 when the entire student body united to clean up the campus as their share of the citywide campaign to beautify San Francisco for the world fair.

This was the first time that such a project was undertaken at the Hilltop. The system has been used with wide spread success in eastern colleges. This idea was proposed by the students, who are backing the program. Six sections of the campus were assigned to various units of the student body, under the direction of John Guinee, chairman. The athletic department furnished the tools and necessary equipment, which were obtained from the Market Street Railway company.

## Janitor To Number Plants And Shrubs At Training School

Elmer V. Nordquist, janitor at College Training School estimated the number of different varieties of shrubs in that neighborhood to be four hundred.

Mr. Nordquist is numbering the shrubs and registering them in a book. This will make it possible to find out the names of the shrubs when such information is wanted.

Mr. Nordquist has planted the shrubs around the school and his work will improve the appearance of both the school and the college.

## Chico Will Present "The Young Idea" At Play Festival

Word has been received by Garff Bell Wilson, head of the dramatic department that Chico will present Noel Coward's "The Young Idea" as their contribution to the play festival to be staged here May 19 and 20.

Eighteen or twenty Chico students will make the trip, with their director Douglas Hume. Thursday night the Humboldt State Players will put on "Spring Dance." Chico will rehearse their play Friday and present it Friday night.

## Gist Visits Studio While Attending Convention In L.A.

President Arthur S. Gist who attended a college presidents' convention in Los Angeles last week was given a rare opportunity to visit the Walt Disney studio. They gained entry to the studio through Dr. F. W. Thomas, president of Fresno State College, whose son is one of the chief animators.

President Gist reports that he saw the whole process of creating the cartoon comedies and was presented with an original sketch of Snow White and The Seven Dwarfs drawn by Walt Disney.

One of the most interesting meetings at the convention was the meeting of affiliations between the state college presidents and high school principals. The members achieved a complete understanding of each other's problems with the result that there is to be a better set up for high school students entering colleges.

Leo G. Schussman also attended the convention as a representative from Humboldt State's department of education.

## Water Heater To Be Installed At Dorm

The campaign put on by the dormitory girls will culminate successfully Friday when a modern gas heater will be installed at Sunset Hall.

The money was the result of contributions from friends, from the dormitory girls and the profits from the Dorm Dance given recently. One other social activity will be given to fill out the amount. It will probably be in the form of a benefit bridge party and will be held sometime this week or the next.

## Seniors Warned To File Records Before Monday

Unless the "June" seniors file their credential fees and oath of allegiance at the Dean's office this week they may find they will be "August" seniors, Maurice Hicklin announced yesterday. Monday April 25, is the last day for filing.

From past experience it has been discovered that it takes considerable time before the applications for graduation sent from Humboldt are returned from Sacramento, and the office here has found it necessary to send down these forms at least six weeks ahead of time. The state fee of \$3 must accompany each credential application; incidentally this sum must be in the form of a postoffice order or a cashier's check or draft, since personal checks are not accepted.

Although they have been twice notified it is said, only four seniors have filed both checks and applications in the dean's office.

Besides their credential fee of \$3 and their filling out the oath of allegiance and application for credential, which will be mailed to Sacramento next Monday, April 25, seniors have several other formalities to comply with.

A diploma fee of \$2.50 is to be paid to Mrs. Jessie T. Woodcock, financial secretary, and the receipt filed in the Dean's office.

## Rough, Tough, and Nasty

Three men seen standing at the bar in a rough, tough saloon: "What'll you gents have?" asked the bartender.

"I'll take a sassafrilla," asserted the first.

"Make mine a coke," said the second.

With a disgusted look he glanced inquiringly at the third member of the party. "Make mine a glass of water, I have to do the driving."

## Next Week Deadline To Drop Any Class

Next week is the last week a student can drop a class and still receive the grade of "Withdrawal," since it will be the twelfth week of the semester.

During this period a student may drop a course without prejudice to his record, according to catalog regulations, the dropping is done with the approval of his advisor and is due to the state of the student's health, pressure of outside work, or other matters for which he is not held culpable. Otherwise the dropping of a course during this interval will be recorded as a failure.

During the final six weeks of any semester, the dropping of a course will result in a record of failure or incomplete, depending upon whether the work has been of passing grade up to the time of withdrawal.
