Humboldt To End Season At Chico On Armistice Day

Humboldt State College's injury-riddled Lumberjacks will journey to Chico this weekend to wind up their 1940 football season when they meet the Chico State Wildcats on Armistice Day.

Maury Ayala, who played an outstanding game against the Cal Remblers, received a badly bruised hip in the contest and is definitely out of the final game. His loss may be compensated for by the return of Bill Lee, who has been out of action with a shoulder injury, but Lee will not be in the best shape for the game.

With three victories against three defeats, the Lumberjacks are determined to wind up their season with a win to stay above the 500 percentage mark for the year.

Chico has its usual strong team, headed by Frank Morgan, whose running was a feature of last year's Humboldt-Chico game. Chico downed San Francisco State (who in turn defeated Humboldt) in the only game with a common opponent this season.

The team will leave Sunday and

New H. S. C. Club Elects Officers

The Home Economic Club, under the leadership of Mrs. Horace Walters, was organized last Thursday at Humboldt State. Officers of the club are: Betty Ann Carlson, president; Arabella Carpenter, vice president; Ruth Sequist, secretary-treasurer.

The president appointed a committee including Patricia Bertrand, Marian Goss, and Marilyn Cloney to draw up a constitution to submit to the student council for a petition to charter. Mrs. George Delp was appointed publicity chairman.

Students who are eligible are home economics majors or minors, and those interested in home economics.

SCHOLARSHIP AWARD GOES TO MEN'S DORM

The Men's Dormitory, according to Fred Hibler, graduate manager of Humboldt State, has the highest scholarship rating for the spring semester of 1940. They were awarded the graduate manager's inter-house scholarship award which is a gold cup now on display in the men's wing at Nelson Hall.

Those competing for this award are the Men's Dormitory, the Women's Dormitory, the House of Wiley, the House of Rice, and the House of Elmore. The House of Elmore won the award for the Spring semester of 1939, and the House of Wiley won it for the fall of 1939.

REPORT FOR MEDICAL EXAM

All former students of Humboldt who have enrolled again are requested to report to the Health Office for a medical examination, according to Monica Hadley, director of health service.

Only those students who have not attended for two years or more need report for their examination.

MUSIC CLUB TO GIVE ANNUAL AMATEUR HOUR

Mu Epsilon Psi, music club of Humboldt State, will give their annual "Amateur Hour" in the 11 o'clock assembly on Thursday, December 5. The winner, who will receive a prize, will be chosen by the applause of the audience. Judges will be Miss Helen Garvin, sponsor of the club, Miss Dorothy Williams, Miss Sarah Davies, and Edmund V. Jeffers.

Anyone who can sing, play an instrument, dance, or give any form of entertainment is urged to tryout for this event on November 26 and 27, Tuesday and Wednesday noons in Room K.

Electric Scorer For Cage Games

An electric scoreboard procured for Humboldt State College by the graduating class of 1940 will be ready for use for the first home game scheduled for the latter part of December.

Jake Relac, mechanic at the college, has been working assembling the unit and will install it on the wall of the east end of the gymnasium.

The only complete electrical scoreboard in this locality, the unit will have a large clock on which can be seen the exact time left to play. The score of each team will be shown, and a number to represent which half of the game is being played, can also be seen.

In the space not used for figures concerning the score, space is provided in which lighted advertisements can be flashed.

The factory price of the device is \$150, and it is offered for rent at \$10 per year. Last year's graduating class gave, as a present to the college, the cost of installation and rent for three years.

The unit will be controlled by an operator in the gymnasium.

J. McGRATH TEACHES THREE GRADES AT HOOPA

John McGrath, graduate of the Humboldt 1940 class, is now a teacher in the Hoopa Valley Unified School in Hoopa, California. He is teaching the fourth, fifth and sixth grades, and some junior high school physical education.

McGrath writes that he lives right next door to the school, and "I'm nearer the ski hut than you are."

H. S. C. JUNIOR GIVEN SHOWER AT BIG FOUR

A miscellaneous shower was given at the Big Four Inn for Dorothy Belle Watkins, junior at Humboldt State, who is to be married November 20 to Robert Mullen, attorney in Eureka.

Those from the college who attended were Patricia Bartlett, Rowena Ammer, Shirley Kirkpatrick, Barbara Bird, Warren Elmore, Doris Gunderson, Marjorie Ohman, Marian Goss and Dorothy Barnes.

GIVES TALK AT C. E. S.

Dr. Doris Niles of the science department at Humboldt State, gave a talk Thursday afternoon on seed dispersal to the fifth and sixth grades of the College Elementary School who are studying seeds.

'Margin For Error' To Open Season For College Drama

Claire Boothe's play, "Margin for Error" will be given on November 14 at the Humboldt State auditorium and will be the first performance either amateur or professional, of this play in the west, according to Garff Wilson, director.

The final cast is: "Otto B. Horst," Allan Lowry; "Max von Alvenstor," Clark Nellist; "Moe Finkelstein," Zane Nichols; "Frieda," Nancy Jo Birnie; "Dr. Jennings," Richard Jarbo; "Karl Baumer," Roderick Belcher; "Sophie Baumer," Marcella White; "Tom Denny," Bill Madsen.

This satirical melodrama production deals with the killing of the German council in a large American city and developments in the case are dramatic and humorous.

Five New Pledges To Mutsuhito Club

Pledges of the Mutsuhito Club of Humboldt State College were selected by members of the organization at a recent meeting held in the Social Unit of the college. They are Lois Wrigley, Vivienne Nelson, Helen Hartsook, Muriel Yaley, and Jean Schussman.

Before a woman is pledged, her scholarship, personality, and character are taken into consideration. Because of a limited membership, only a few of the campus women are selected.

A luncheon was given at Tiny's in Eureka Saturday afternoon in honor of the new pledges who, at this time, received a Mutsuhito pledging pin. They are to wear this pin for six weeks, after which time they will be formally taken into the club.

PRESIDENT GIST'S NEW AUTO STOLEN

President Arthur S. Gist's new Buick sedan, which he had only a few days, was stolen from his garage some time Monday night, probably during the wind storm, as no unusual noises were heard. Just before the Lumberjack went to press, it was reported that the car was found in Eureka.

N. Y. MUSIC DIRECTOR TO VISIT HUMBOLDT

Charles H. Miller, director of music of the Rochester, New York city schools, according to Miss Helen Garvin of the music department of Humboldt State, will visit the college either this week or next to speak to the students on his established theory of teaching music to children without the use of syllables. The schedule of time and place will be put on the bulletin board.

'CINCH NOTICES' OUT SOON

"Cinch Notices" will be given out, according to Mrs. Myrtle McKittrick, registrar of Humboldt State, during the tenth week of school following mid terms which end the ninth week.

These notices are a warning to students who are doing "D" or failing work.

COLLEGE 'Y' TO GIVE ASSEMBLY PROGRAM

The "Y" of Humboldt State College has invited Rev. Robert Rice of the Eureka Methodist Church to speak on "The Place of Religion in Education" at the 11 o'clock assembly Thursday, November 7, at the college. Musical numbers will be given by Allen Lowry and Karen Loft, vocalist.

This assembly is open to the general public as well as college students, and all are urged to attend.

Archery Students See Demonstration

H. C. Macquarrie, expert archer representing the Potter and Macquarrie Company, gave instructions and demonstrations before the archery class of Humboldt State College in the gymnasium Thursday morning.

He emphasized the fact that a person must stand absolutely motionless in order to get the correct alignment necessary for a bull's-eye shot.

In his demonstrations, Mr. Macquarrie showed the group an arrow with a tip of solid steel about two inches long. He said that this type of arrow was used in old-time wars to pierce the enemy's armor and pin his to his horse. When the horse was killed, it would tend to trip the following riders, thus delaying the attack.

He also demonstrated a fishing outfit. A common reel with a line attached to a featherless arrow was fastened to the bow, which was equipped with line guides. The fish is speared by the arrow, and is landed by converting the bow into use as a fish-rod.

A hunting bow, which sends the arrow at a higher speed, was shown in use.

NEW COMMONS READY TO SERVE DINNERS

The College Commons at Nelson Hall is now ready to serve dinners to faculty and students of Humboldt State College. Meal tickets, according to Mrs. Jessie Woodcock, financial secretary, are on sale in Room 130, and every resident of the dormitory is to purchase one.

The tickets are based on the number of days in the month, with each number or day representing one dinner, the cost of which is forty-five cents. Special arrangements will be made for those who are absent over the weekends. The dinner price without a ticket is fifty cents.

MISS ADELLA JOHNSON IN ARCATA HOSPITAL

Miss Adella Johnson of the language department of Humboldt State College is recovering from an infection in the Arcata hospital. From reports, Miss Johnson will be back the latter part of the week, and meanwhile, her classes are conducted by students.

The dedication ceremonies of Nelson Hall, which was under the supervision of the Humboldt County Federation of Women's Clubs, was attended by the largest number of people at any college function, according to President Arthur S. Gist. Those from the college who took part in the affair were as follows:

President and Mrs. Arthur S. Gist, Milton Villa, president of the Associated Students, and Walter Schocker, president of the Alumni Association, were among those in the receiving line.

Tea was served under the direction of Mrs. Ellen J. Walter, with the assistance of members of her hostess class, including Eleanor Mathews, Betty Ann Carlson, Marilyn Cloney, Phyllis Gray, Sarah Southworth, Ruth Sequist, Ilene Jensen, Joan Ogle, and Virginia Hill.

Mrs. Myrtle McKittrick, registrar, was in charge of publicity; Miss Imogene Platt, and Dr. Garff Bell Wilson, head residents of the women's and men's wings, respectively.

Hawaiian Program Presented by WAA

The Women's Athletic Association of Humboldt State, held a meeting on Thursday, October 31, in the auditorium under the direction of Mary Caprile, president.

Reports were given by Rosie Ivancich, general chairman of play day; Nadian Swan, point chairman, and Jean Hood, delegate to a convention at Stanford last year. Mrs. Monica Hadley, advisor, spoke on the awarding of women's Honor Sweaters which are awarded annually.

A program prepared by Karen Wester was presented consisting of the following numbers: Vocal solos by Mildred Lewis and Katherine Jean Pratt; exhibition of the hula by Jean Fredholm, student from Hawaii, and a showing of pictures of Hawaii narrated by Miss Sarah Davies, who had filmed them.

SENIOR CLASS ELECTS OFFICERS FOR YEAR

Members of the senior class met recently for the purpose of electing officers for the coming year.

Newly elected officers are the following: Haven Howatt, president; Robert Goss, vice president, and Earl Meneweather, secretary-treasurer. Mrs. Monica Hadley has been asked to serve as class advisor.

HAIL AND FAREWELL

The Humboldt-Chico football game will wind up the 1940 football season and will also wind up two brilliant Humboldt Football careers. Frank Saunders and Bus Foster will be playing their last games for Humboldt when they meet Chico on Armistice Day.

Saunders, the biggest little man in Humboldt's football history, will be missed in more ways than one on the gridiron. No one whom he ever played with or against had anything but a compliment for "Zeke"—and that sums up what can be said for him. It's hard to think of a Humboldt team without "Zeke."

Foster, never spectacular, but always in their plugging, has played consistently good football during his four years at Humboldt. Bus has had a tough time between his restaurant, his studies, and his football, but for four years he has come through with flying colors, and his loss will be keenly felt.

Dormitory Students Subject To Rules

The women and men students of Humboldt State who are living at Nelson Hall are subject to certain regulations.

From Sunday through Thursday the doors to the hall are locked and lights out at 10:45 p. m., and on Friday and Saturday at 1:30 a. m.

The women students have nights out, which means if a student is not in by 7:30 or entertains guests after 7:30, this is considered a night out. Studying in the library or scheduled practice and activity meetings are excepted at which time the hours shall be 9:30.

Freshmen are allowed out two nights a week, preferably on Friday and Saturday; sophomores, three nights out, preferably Friday, Saturday, and one other; and upperclassmen are to use their own discretion.

CES HAS ASSEMBLY, HALLOWE'EN PARTIES

A Hallowe'en assembly was given at the College Elementary School last Thursday morning following parties held by various grades. A skit, based on James Whitcomb Riley's poem, "Little Orphan Annie," was presented under the direction of Miss Eleanor McKay of the teaching staff, and Miss Helen Howard, student teacher.

Employed in Attorney Huber's office in Eureka is Estred Pellas, two-year graduate from the commercial department.

H. S. C. Five Hopes For Mexico Trip

With added enthusiasm and spirit as a result of the news of a possible trip to Mexico City for the basketball team this year, Humboldt's aspirants to the cage team started practice last week under the watchful eyes of Coach Harry Griffith.

Griffith has been in correspondence with officials in Mexico City for several months, and now the trip can be called "probable." After further details are worked out between the college and the National Federation of Basketball of Mexico, the trip will definitely be set. Ten players and Griffith would make the journey, playing games with colleges along the coast on the way south and on the trip home. Six days will be spent in Mexico City, where Humboldt will meet several top teams of the National Federation of Basketball. The trip is set to be taken during the Christmas holidays, lasting over until the 12th of January. In all, about 20 to 25 days will be spent on the trek.

During the first week of practice last week, twenty-five men turned out for the team, and several more will be out after the close of football season. Among those who came out last week with previous experience at Humboldt were Curt Wilson, Jim Savage, Rod Belcher, Howard Lee, Howard Goodwin, Don Mahan, Gene Flocchini, and Leon Flink. Others were mostly freshmen. Bill Lee, Maury Ayala, Len Longholm, and Ted Speier are other veterans who will be out after football.

New men out for the team include George Brenner, Don Cloney, Richard Tonini, Bob Campbell, Ledo Matteoli, Jack Morton, Ed Ruud, Herb Gomes, Charles Vogel, Charles Sweet, Dean Lansing, Louis Kotick, Gerald Coeur, Ed Burgess, Kenneth Hosier, and Bevis Mahan.

ATTEND BOY SCOUT EXECUTIVE SCHOOL

Harold Langdon, graduate of Humboldt State College in June, 1940, has received word that he has been selected from this section to attend the official school for training boy scout executives, which will be held in New York.

Langdon is a district commissioner of this area and has left for the east to enroll in the course

Yes, sir, pappy, we shore had this year on the dance floor. This is especially true where three certain girls are concerned, a platinum blonde, a tall brunette, and another girl mentioned earlier in the column. . . . More notes on the SADIE HAWKINS DANCE: The Cal Ramblers came to the dance, and all of the girls were agog over a certain blond Apollo by the name of TED SHIELDS. . . . NANCY JO BRINIE and CHUCK GORDET walked away with the prizes as Mammy Yokum and Hairless Joe. . . . EDGAR JONES who was definitely not going to wear funny clothes certainly went to town on his abbreviated costume. . . . The boys were rather worried last week wondering if they'd get dates for the dance. Not being sarcastic, but did you ever think how the girls might worry. (Incidentally, the girls same thru in fine style. They didn't have a STAG line either.)

Another man bit the dust (I should say mud) as Coach Hart's Suicide Squad took the field Saturday. Best luck MAURY AYALA, another one of the many convalescents. . . . What's this we hear about the HOUSE OF WILEY entertaining royally at a Hallowe'en party last week? . . . Can't think of any bit of wisdom with which to end so as GEORGE BRENNER would say "Reservoir."

NEW RUSSIAN STORY

Nina Fedorova's "The Family," is a new novel in the Humboldt State College library rental collection. This novel, written by a White Russian, was chosen by "The Atlantic" as its \$10,000 prize novel for 1940. The story concerns a family of five white Russians and is laid in China during the Japanese invasion in 1937

Humboldt Tap Club To Organize Soon

Organization of Humboldt's Tap Club will begin soon, according to Mrs. Monica Hadley, club advisor.

The club is composed of students who are interested in tap dancing and who have had some experience. An annual program is presented for the students and public by the members.

Any student who is interested in joining may attend the meeting to be held on Thursday, November 7 at 11 o'clock in the Health Unit.

Members of the tap club last year were Susan Wilson, Helen Arnold, Barbara Bird, Frances Ensign, Barbara Heasman, Kay Nelson, Rosie Ivancich, and Bill Lee.

'NELSON HALL BOYS' NEW CLUB ORGANIZED

Men who are staying in the new college dormitory have organized a club called "Nelson Hall Boys."

Although they have no regular time to meet, they have elected a president and a representative in persons of Dave Williams and Herb Gomes. The advisor is Dr. Garff Bell Wilson.

The purpose of this club is for these boys to get better acquainted with each other and to help each other along, socially. They are planning several social events in the future.

The boys have all purchased white "T" shirts with the name "Nelson Hall" and their own name crocheted across the front in green and gold thread.

Last Home Game Comments By Davis

The Lumberjacks came out of last week's game with only one serious injury. That was to Maurice Ayala, who injured his hip. He will probably be out for the rest of the season. . . . The Humboldt team, although outclassed by the heavy Ramblers, was hitting harder than it has in any game this season. Every member of the team was using a lot of drive in tackling and blocking. . . . The only man to play the full 60 minutes of the game was Ernie Caro, stellar center. Ernie played a hard game on both offense and defense. . . . Frank Saunderson did a great job of backing up the line and made some of the finest tackles seen here in a long time. . . . Sedg, Stashuk also did some fine tackling, from the right halfback position. He will be ineligible for the coming Chico contest. . . . Arlo Murray did a fine job on defense also. He showed a lot of headwork in breaking up many Rambler plays. . . . Coach Hart used every man on the Lumberjack squad for this game and some of the boys who have not played much this season showed a lot of promise for next year's varsity. They were Christie, Randle, Ferguson, and Daigan. . . . Due to the extremely muddy field neither Waters nor Longholm, two of Humboldt's fastest backs, could shake lose for any long runs. However, they will probably both do alright at Chico, providing the field is dry. . . . The game at Chico next Monday will be the last for the Lumberjacks this year. If they win against the fast Chico eleven, the standings for this season will be four wins and three losses.

SADIE HAWKINS SKIT AT PEP ASSEMBLY

A pep rally in preparation for the Cal Rambler football game was held on Thursday, October 31, under the direction of Louis Kotick, yell leader.

The college band under the direction of Warren Elmore played several selections. Karen Wester, Louis Kotick, and Ed Ruud led the students in yells and songs; Art McGrath, captain of the football team, spoke on the coming game, and a skit advertising the Sadie Hawkins dance was presented by Marthabel Scott and Wallace Look.

Football Players At Humboldt State Have Their Pet Superstitions

Coach Herbert Hart of Humboldt State believes that if a team goes out and does its stuff, it need have no other worry. However, almost everyone of the players on the Lumberjack team this year are inclined to disagree with him. This does not mean that they do not try their hardest, but it does mean that they believe in good-luck omens. Here are the superstitions of the players:

McGrath won't eat before a game. Mosely meditates before the game. Iten wears a freshman "dink" to the game.

Longholm always shaves before a game. F. Waters won't get a haircut the same day of game. Del Fatti takes his finger ring off during the game.

Daigan wears gray to the game. Speier ties square knots in laces of his football shoes. Caro eats a "T-bone steak on the day of the game.

Brown sings in the locker room while dressing C. Waters says a silent prayer. Ayala tapes sweat

socks to his legs.

Murray doesn't talk to anyone while dressing. Fitzpatrick sleeps at least twelve hours the night before the game. Randle crosses his fingers on the kick-off.

Christie gets a hair-trim before the game. Davis will not get a hair cut before the game. Ferguson wears a lucky ring during the game.

Stashuk, Montgomery and Saunderson claim that they do not try to propitiate "Lady Luck".

Snooky Edsall, who is assisting Coach Hart this season, also has his pet superstition. He has a ring made from a horseshoe nail and believes it gives the team good luck if he wears it during the game.

PTA WILL SPONSOR CES NOON LUNCHEON

At a recent meeting of the Parent-Teacher Association of the College Elementary School, it was decided that the serving of noon luncheon to the pupils, student teachers, and regular teachers is to be sponsored by the Association. It was also decided that each classroom should be open one-half hour before the regular evening meetings, which are held each month, so the supervisors and student teacher may meet the parents and show them the work of the students.

PARTIES TO CLOSE WITH FORMAL DANCE

Details for several parties are being planned which will be brought to a close by a formal dance to be held at the Fortuna Monday Club during Thanksgiving holidays.

Students from Humboldt State attending the series are: Pat Patterson, Thelma Link, Elinor Bird, Audrey Townsend and Bob Campbell.

Former Graduate Near Crescent City

Mary Flocchini, a graduate of Humboldt State College with the 1940 class, is teaching at the Lake Earl Elementary School, which is about six miles north of Crescent City. It is a rural, one-teacher school. There is an enrollment of twenty-six pupils, from grades one to eight.

"The pupils," Miss Flocchini writes, "have organized a club whose activity is writing news for the 'Crescent American,' a weekly paper in Crescent City. I have had the pleasure of meeting another H. S. C. graduate, Elise Henggi, teacher at the Crescent-Elk School."

Miss Flocchini is living at 762 G Street in Crescent City.

Campus Highlights By A Co-Ed

We mustn't forget to congratulate those responsible for the "Sadie Hawkins" dance Saturday night. It was really "something to write home about, and to put it in the vernacular of some of the students, "they laughed till their sides hurt." Now aren't you girls sorry that you didn't ask a date?

. . . Joe College's about the campus, take a hint from Maury Ayala who wears that hip-length "copy-cat" coat of rainproof fabric, if you want to be taken note of by the other "copy-cats" of the campus. . . . We're here t Humboldt must be slipping a la Emily Post especially when a faculty member (and she is cute, too) has to call our attention to the fact that a gentleman always opens the door for the ladies. Need we say more. . . . Fellow co-eds take a hint, and journey over to the Inn Saturday night to give the visiting YMCAers a treat. For once, maybe, they'll see beauty what is beauty."

And don't be afraid to wear that dressy hat and dress you've been saving. . . . They say that gum should only be chewed in the boudoir, where are found the other short-cuts to beauty used by the feminine side of the campus. So tsk, tsk, to those who violate this etiquette hint. . . . Corduroy seems to have practically taken the co-eds by storm, judging by the snappy looking dresses we see flitting about campus. They're all practical and durable, too. . . . Some of the students who are planning to travel to Chico with the football team will no doubt have a time for themselves because Chico is noted for their hospitality. Am I right, fellows?

Hawaiian Trip 'Off' This Season

The prospective trip to the Hawaiian Islands for the football team was declared "off" last week when Coach Herb Hart said the University of Hawaii, which had shown interest in bringing Humboldt for a game, was not able to give a large enough guarantee, and Humboldt could not make up the deficit.

However, Hart said that negotiations may be made soon for a possible game next year between Humboldt and Hawaii, and that chances are good for the deal to go through.

Such a trip would be the biggest athletic event in the history of Humboldt State College, and would undoubtedly give more publicity and prestige to the college than any other activity ever has.

If the next year's trip is scheduled, it will probably be either at Christmas or on Thanksgiving day.

JENKINS' CLASS HAS WAFFLE FEED, SKATE

Horace Jenkins' industrial education group at Humboldt State held a waffle feed Tuesday evening in the social unit. Following the feed, the group held a skating party at the Wintergarden rinks. Those attending were Rice Bongio, Martin Stockel, Ben Vonah, Wilda Tomlinson, Hilda Alto, Ilene Jense, Dorothy Fountain, Vernon Lewis, Grant Ferguson, Fern Blakey, Rowena Ammer, Bill Farber, Norma Kinkela, and June Fountain.

'No Joe College,' Says Instructor

News articles, advertisements, and Hollywood to the contrary, there is no such typical student as "Joe College" or "Betty Co-ed," says Pauline Locklin, assistant professor of English literature at Pennsylvania State College.

"There is no more a student type," she asserted, "than there is a student nose. No two students can be depended upon to think alike about anything. Students are all kinds of young people who happen to be attending college."

Collecting generalizations about college students as a hobby, Miss Locklin has concluded that the public's image of "the average college student" is based on mere superficialities. "College students are no more alike in what they eat or drink or wear or think than any other group of young people anywhere," she said.

Miss Locklin objects to articles that claim to show what the college man drinks or wears. "He drinks what he is thirsty for and can pay for. It may be Benedictine or buttermilk, but it is frequently lemon cake," she declared. As for clothing styles, Miss Locklin said the college student is affected no more or no less than other people, and often is purposely indifferent just to preserve his individual personality. She cited the case of two students on the morning after a dance. One came to class in a tuxedo, the other in overalls.

"The so-called collegiate type of humor is another myth," said Miss Locklin. "Most of such humor is imitative and is copied as much in towns and cities as on a college campus. The very fact that college graduates have different degrees of success proves that they react in their own individual way to college life and studies."

U. C. L. A. To Offer 'General Major'

Introduction of a new curriculum for the mass of students who do not desire to specialize, effective for the fall semester on the Los Angeles campus of the University of California, was announced by Dr. Earle Raymond Hedrick, vice president, of U. C. L. A.

The curriculum, to be known as the general major in the college of letters and science, is designed to give the student a cultural background. Upper division courses for the major may be chosen from three departments in letters and science.

Thirty-six units in the three chosen departments are required, with not more than 15 units in any one department allowed. The flexible general course is planned for students who are interested in elementary teaching, law, journalism, or librarianship, as well as those who have no professional objective.

GAME BIRD CLASS FIRST IN CALIFORNIA

The construction of twenty-four brooders, with a capacity of 450 birds, will begin soon under the W. P. A. to be completed in time for the spring class in Game Bird Management at Humboldt College, Mrs. Myrtle McKittrick, registrar of the college, announced. This class is to be offered for the first time in California, under a new course, in Wild Life Management outlined for Humboldt College.

University Makes Changes In Course

The new liberalized curriculum in the College of Letters and Science on the Los Angeles campus of the University of California, designed to broaden the liberal arts student's background, will include changes in the foreign language, science, and year-course requirements.

The science requirement has been changed so that rarely will it be mandatory for a student to take a laboratory course in the university. Students may now offer toward required science credits high school courses in the biological sciences as well as in physics or chemistry. Three units of the science requirement may be fulfilled by a college mathematics course.

Students are still required to have at least fifteen units in not more than two languages, but may take for credit no less than two semesters of any language. The grade of "B" is necessary for any high school credits applied to satisfy the language requirement. The language credits may also be satisfied by passing a proficiency test.

Psychology, art, and music have been added to the list of courses that may be chosen to satisfy year-course requirements of the freshman and sophomore years. To encourage a wider choice of electives among honor students, who may tend to overspecialize, the college will allow such students to take one course each semester in which they shall be marked passed or not passed. The grade will not affect his grade average.

OPERA MUSICAL DIRECTOR

Charles Fulkerson, who attended Humboldt State for two years and who transferred to San Jose State, was recently appointed the musical director of the San Jose Opera Company.

Nelson Hall Has Hallowe'en Party

Nelson Hall, Thursday evening, was the scene of a Hallowe'en party given by Miss Imogene Platt, women's head resident. After several games were played, a lunch was served.

Members of the dormitory are Marilyn Cloney, Marjorie Correll, Carolyn Crane, Edra Emerson, Jean Fredholm, Phyllis Gray, Gladys Grove, Helen Hartsook, Helen Hawk, Betty Hess, Jean Hood, Elaine Johnson, Marian Kemp, Juanita Kennedy, Gwyneth Landgon, Maxine Maxwell, Gilberta Negro, Clare Ostrander, Sadie Ranta, Dolores Scholl, Marthabel Scott, Joy Stockton, Marella White, Alice White, Alice Wilkerson, George Brenner, Hobart Davis, Clarence Edsall, William Fiedler, Richard Fitzpatrick, Herbert Gomes, Fred Iten, Louis Kotick, Richard Tonini, John Van Duzer, Charles Vogel, David Wheeler, and Williams.

Dr. Garff Wilson, men's head resident, and Bill Farber were also present at the party.

BOMBS WON'T TERRIFY STUDENTS AT N. D. U.

An ideal hide-out in case of an air raid is the new practice mine at the University of North Dakota, at Grand Forks.

Located on the edge of the campus, the mine is reached by a temporary pontoon bridge which spans English coulee. One of the two shafts descends 50 feet below the earth's surface; the other is 40 feet deep. There are also two tunnels. The first is a block long, and the second, at the 40-foot level, extends for 80 feet. A university engineering teacher ventured that an aerial bomb such as is used in the war would affect the lower tunnel.
