LUMBERJACKS ACCEPT GAME WITH RAMBLERS

At yesterday's Executive Council meeting it was decided that the Humboldt State Lumberjacks would accept a game with the California University Ramblers for November 3, 1940.

The Ramblers are the fourth and fifth team of the University of California Varsity and one of the best Junior teams on the Pacific coast. If Humboldt State is lucky enough to upset this team, it will be a big boost for the school.

V. Barker Receives Scholarship Award

At a meeting of the Faculty Women's Club on Monday, Miss Valerie Barker was unanimously elected to receive the cash award of ten dollars offered by the Faculty Women to the Senior woman who has the highest scholastic average and who has been at least partially self-supporting. Miss Barker has the highest scholastic average of any four-year student ever to attend Humboldt State College, her index at the close of last semester being 2.81. In addition to establishing this enviable record, Miss Barker has been entirely self-supporting and has also engaged in a great many extra-curricular activities. The award was transmitted to Miss Barker with the following letter:

May 28, 1940.
Miss Valerie Barker,

Arcata, California.

Dear Miss Barker:

Chevrons were awarded. Virginia Hill and Karen Wester provided the program.

Courses Based On Child Observation

The Elementary School Curriculum Laboratory course to be presented at summer school is a two-unit course based upon observation of work in the demonstration school and participation in excursions with children from the school. The demonstration school will be planned as a one-teacher school. Miss Belle Dickson will be the teacher. Students will be given an opportunity in this course to make a critical study of purposes, methods and values of the modern elementary school. At the bi-weekly conferences thorough discussion of the procedures observed will be discussed.

Hazel Hagne and Muriel Yaley will spend the summer at Laytonville. Miss Hagne has accepted a position as a telephone operator, and Miss Yaley will operate the soda fountain in the general store.

Carl Owen will spend the summer conducting Humboldt Motor Tours with the Humboldt Motor Stage Company.

COMMENTATOR

Off in the distance a bird was heard calling, at least 'twas thought the sound came from a bird. On further investigation the sound was traced to one Fred Teloncher out making wooden whistles behind the dorm. He claims the perspiration on his brow was a result of the hard work he had been doing while making a path and clearing the road. . . . What do you think?

We wonder who was most surprised Friday—the motorists who stopped down by the Humboldt College sign upon being flagged, or Grant Gerguson and pal who were doing the flagging just for the fun of it?

When Karen got up to lead the Alma Mater yesterday everyone who knew watched to see how she would use that left hand of hers. She disappointed us all by putting it in her pocket, but we knew there was a diamond on the fourth finger and that Pedro Elmore had placed it there.

George Hartman was gleefully fulfilling the softest Work Day job there was, that of driving the station wagon. On Tuesday he was seen making out a bid for the Senior Ball. Of course, we wouldn't suggest the gal's name was Ida Ivancich.

Bud Villa got a little ahead of himself in years yesterday morning by declaring that he considered it an honor to have been elected president of Humboldt State. . . . What a faux pas!

HSC Student Body Votes 1940 Budget

The Humboldt State Student Body yesterday unanimously voted to accept the preliminary 1940 budget as prepared by the Executive Council. They also voted to accept an additional budget prepared by Carl Owen for the purpose of purchasing band uniforms and equipment for next year.

Before the new student body officers took the oath of office basketball awards were made to Maurice Ayala, Bill Lee, Leonard Longholm, Jim Savage, Curt Wilson, Haven Howatt, and Rod Belcher by Coach Harry Griffith. Junior Varsity Coach Francis Givins read the names of those eligible for J. V. awards. Those winning the Circle H's were Ivan Olsen, Clifford Olson, Howard Goodwin, Bob Duff, Fred Duff, Vic Lorenz, Lee Flink, Ted Speier, and Howard Lee.

It was announced that honor sweaters were also to be awarded to Bill Lee and Curt Wilson. A manager's award was made to Louis Hibser.

Miss Helen Garvin of the music department will spend her summer in the San Joaquin Valley. She plans to attend summer school but has not definitely decided which one as yet.

State. . . . What a faux pas!

Have you ever stopped to think how hard it is to give \$50 away now a days? Just think. . . a \$50 scholarship offered and no applicants! What must the Musicians' Union think of us!

It wasn't bad enough for his car not to run but Len Moseley also had to get a ticket for leaving the Mayflower parked out on the highway so long. Such luck.

Recently heard: Marthabel Scott: "I have an itching to get to directing a choir."
Maxine Maxwell: "Why can't you scratch it?"

Puppets to Appear In Show Tonight

The Bumsteads are coming to Humboldt in an original play tonight at 7:30 in the college auditorium. These Bumsteads belong to a puppet family and will appear with other creations of the Humboldt State puppetry class under the direction of Mrs. Stella Little.

Other plays being produced include a Mammy play, and that of a circus barker in which will be featured Confucius, Hitler, a crystal gazer, and possibly several other characters. There will be no charge.

Members of the puppetry class include Bessie Boehne, Harry Foster, Norma Kinkela, Marian Swap, Ardys Goff, Hazel Hagne, Charles Harrison, Oriol Poscic, Vernon Lewis, and Barbara Urquhart.

COLORED MOVIE MADE BY H. MOHR

Henry Mohr, freshman student, plans to spend the summer on a ranch near Ukiah where he will build fences and roads. Later in the summer Mohr would like to make a colored movie.

Last summer he and Clifford Nelson, a color photographer, made a 2500 foot colored film, "Sierra Nevada," of the John Muir Trail which extends from Yosemite National Park to Sequoia National Park. The film has been shown at University of California several times. In the fall Mohr plans to attend Stanford University.

TRANSFER REQUISITES

Any student who expects to transfer to another institution next semester should make arrangements at the registrar's office before the end of school in order to have his transcripts sent. They must also make arrangements themselves to contact their high school principals and have their high school transcripts sent away.

Senior Class Has Full Schedule

According to Senior Week chairman Marian Swap, the senior class has a full schedule for the coming weekend and week.

The group will start the festivities off with a weekend party at Big Lagoon this Friday and Saturday. They will be at Humboldt Sunday for Baccalaureate services. On June 4 they will attend a skating party and on June 3 a theatre party has been planned after which the group will be entertained at the home of Dr. and Mrs. Raymond Fisher.

Wednesday afternoon all seniors are invited to the President's Tea at the Gist home. Thursday evening is the night of the banquet and senior ball. Senior week will end Friday night with commencement.

Tolle To Teach Vocation Course

A study of the meaning and nature of Vocational Guidance and the practical procedures in Vocational Guidance will be the features of a course being taught by Vernon Tolle at summer school. Consideration will be given to the organization and the administration of Vocational Guidance programs, to the part that the vocational counselor plays in such a program, and to examples of programs of guidance now in operation in various parts of the U. S. and in foreign countries.

Some of the phases to be considered in this course are as follows: The study of individuals, the use of tests and measurements in a guidance program, sources of occupational information with job placement and follow-up.

This course should appeal to those who are especially interested in helping pupils to decide on the vocation that they should pursue.

Completion of this course will entitle one to two units of credit toward the administration credential.

Karen Wester will spend the summer with her folks at Spokane, Washington.

SENIORS NOTE!
Caps and gowns will be given out at one o'clock, Friday, May 31, at window 131. Since the Baccalaureate sermon is being held Sunday, it is quite important that every senior secure his gown before that time.

Library Annex Slated Next Year

A new library annex is being planned for next year, according to C. Edward Graves, librarian, in order to provide more book space and study tables.

Although all arrangements are not yet definite, Mr. Graves plans to place the more commonly used magazines and newspapers in the annex to provide a reading room for students. Books of lesser demand will be stored on the shelves within the annex.

Room 114, the probable place, is at present used as an office by Dr. Doris Gillespie Niles, biology professor. This room, Mr. Graves states, will seat approximately 20 or 30 students and will shelve 3,000 books. Present plans are to keep the annex open from 8 to 4 o'clock each school day.

Villa New Leader

Continued From Page One

Vice-president Clarence Edsall has again been elected to the position which he has held for the past year. During the past he has served as vice-president of the Men's Association and as a member of the Board of Control. He was awarded an honor sweater this spring for his participation as varsity football player, a member of the junior varsity basketball team, and a member of the track team.

Homer Jones, treasurer for the coming year, is a graduate of Eureka High School. Last year he was a member of the Lumberjack football team.

Karen Wester was elected song leader and Vernon Smith cheer leader. Karen has appeared with the Collegians orchestra during the past year as well as at numerous other social functions. Not only did she appear in the dramatic production "Brother Rat" but also in a number of one-act plays. Smith transferred to Humboldt from San Francisco State this spring.

Forrest Waters was a write-in candidate who will assume the duties of publicity manager next year. He is at present president of the freshman class.

Those elected to the Board of Control were Lois Wrigley, Hazel Hagne, Virginia Larsen, George Hartman, Chan Jenkins, and Haven Howatt.

Football Practice To Start Early

Coach Hart plans to start football practice a few days early this fall so that the players will have more time to get into condition before the first game. This will be necessary because school does not take up until September 10, and the first game will probably be only a few days later.

Humboldt State is expected to turn out a strong team this season as the squad will lose only five men through graduation. These men are Edsall, Hibler, McGrath, Givins, and Langdon. Although these men will be missed there will be many veterans returning to fill their shoes. The team will be composed entirely of lettermen. Besides this nearly every man on the squad will be a veteran of last year's squad.

It is not certain that Humboldt State will be in the Far Western Conference football schedule this season, but it is almost certain that she will play at least two Conference teams.

Hibler Appointed

Continued From Page One

Bob Madsen, this year's Graduate Manager, resigned from the post to undertake other plans which he has made. While in office Madsen did a great deal towards publicizing Humboldt State. The increased interest manifested is a proof of his work. He has made several trips to the high schools in Northern California showing movies of Humboldt State and informing the students about the educational opportunities offered. He has also furnished all publicity for both the local and other newspapers throughout Northern California besides handling all details pertaining to football, basketball, and track events.

This year Madsen established the perpetual Graduate Manager Scholarship Trophy. As a student he was founder and chairman of Campus Work Day. He has served as student body vice-president, president, and publicity manager. Drama, football, and track were also included in his activities.

Two H. S. C. Students Win Scholarships

Two Humboldt State music students, Maxine Maxwell and Allan Lowry, were the winners of voice scholarships given by the Humboldt County Federation of Women's Clubs. Dorothy Todd of Arcata was the winner of the piano scholarship.

Tests were given at the college auditorium Saturday morning, May 25. Judges were Mrs. Nathan Hauck of Alton, Mrs. W. B. Crane of Fernbridge, Mrs. M. Smith and Mrs. F. R. Anthony of Eureka, Mrs. Gordon Manary of Scotia, Mrs. Bruce McIntoch of Samoa, Mrs. H. B. Stewart of Arcata.

The committee decided to award a general scholarship before the fall semester opens. Those who wish to apply are to get in touch with Mrs. Robert Dickson of Loleta, chairman of the club.

NEEDS HELP BADLY

Have you seen a car parked near the Arcata city limits? It is Leonard Moseley's. Many of you Humboldt students have ridden in this car (or should we say "gadabout?"), and some of you have probably even driven it. Now the car has stopped completely because it has a flat tire, a leaky radiator, and a worn-out battery.

Leonard would probably appreciate a little help in getting the car back to normal, or at least in running order again.
