Humboldt Lumberjack, Wednesday, January 17, 1940

Strong Turnout Predicted For State Track Team

The Executive Committee of the Associated Students of Humboldt State College have approved a track meet to be held between Humboldt State and the California Aggies for April 20th at Davis. Preliminary negotiations for the meet were made by Coach Herbert L. Hart while he was attending the Far Western Conference. The Humboldt track team will also meet Southern Oregon College of Education in a dual meet sometime next May.

Prospects that Humboldt State would have a strong track team were verified by Coach Hart yesterday when he brought out the fact that Humboldt has many prospective track candidates.

Among the many track candidates are: Don Mahan, Ernie Chiodo, Richard Davis, Ledo Matteoli, Henry Trione, sprinters; Rod Belcher, Harold Walton, Cliff Olson, Marshall Rousseau, Bill DuMond, and Bill Brown, distance men; Bob Frakes, Louis Walton, Mel Eskelson, and Fred Hibler, quarter milers; Snooky Edsall, half-miler; Len Longholm and Ted Speier, pole vaulters; Norman Belfils, Lee Flink, and Bill DuMond, high jumpers; Franny Givens, high jumper, discus thrower, and broad jumper; Vernon Thornton, high jumper, shot putter, discus and javelin thrower; Ivan Olson, Don Mahan, Jim Savage, and Paul Thorne, hurdlers; and many others.

Coach Hart will start track about March first.

TWO GAMES PLAYED IN W. A. A. TOURNAMENT

Two volley ball games were played in the large gymnasium last Thursday afternoon in the W. A. A. after-school tournament.

In one game the upperclassmen defeated the Sophomores by a score of 42-39, while the Freshman I team defeated the Freshman II team 47-8.

Mrs. Monica Hadley refereed the Upperclassmen - Sophomore game, and Marion Kemp and Jean Hood refereed the Freshman game.

TRACK CALL

Coach Herb Hart announces the first call for track Thursday at 12:15. All candidates are asked to turn out at this time. The announcement has been placed on the bulletin board.

PLANS PROVIDE FOR STANDARD FIELD

Last week when President Arthur S. Gist was in Sacramento he conferred with William K. Bartges of the State Architect's Office concerning Humboldt's new athletic field. The plans as drawn provide for a standard field in every respect.

As much of the work as possible will be done with the present funds Humboldt has available. This work will include completion of the excavation and moving of dirt and possibly drainage.

Work which will be done at a later date includes installation of bleachers, planting of a sod field, completion of the parking space, and installation of a fence around the entire field.

Faculty Announces Curriculum Change

"The English Language," an upper division English course will be given instead of the course in Shakespeare next semester on Tuesdays and Thursdays from 11:10 to 12:15. The course will carry three units of credit.

On the spring schedules, which were used this fall for tentative spring registrations, the course in Shakespeare was included. However, a number of upper-division students needing three more units to complete their minors have already taken the Shakespeare course.

The first few weeks of "The English Languages," according to Maurice Hicklin, instructor who will teach it, will be devoted to an outline of the relation of modern English to the earlier forms of the language. The rest of the semester will be devoted to tendencies which have changed, or are still changing, the language: such phases as meaning of words, spelling, pronunciation, the reasons behind "rules of grammar."

According to Mr. Hicklin, the aim of the course is to give the student some background in the history of the language so that he may have some basis for deciding what is "good English."

WASSERMAN RESULTS MAY BE OBTAINED

A total of 92 Humboldt State students took the Wasserman test which Dr. Harry Jenkins gave recently in the health office at college.

These tests were sent to the State Laboratory at the University of California where they were checked. Students who took the test may obtain the results of their tests in the health office from Mrs. Hadley.

EMENEGGER TO LEAVE

Keith Emenegger will leave Arcata on January 26 for Columbia, Missouri, where he will enroll in the School of Journalism. Emenegger was formerly business manager of the Lumberjack. He worked in the advertising department of the Humboldt Standard in Eureka until last October when he returned to college then to take some prerequisites for the School of Journalism.

Special Meeting Fri. For Vote On F. W. Conference

A special student body meeting will be held Friday according to President Sherman Washburn. This meeting will be called for the purpose of discussing and acting upon the application of Humboldt State College for admission into the Far Western Conference.

At an Executive Committee meeting held Monday noon, the Committee recommended that Humboldt State College apply for membership into the Far Western Conference. At a faculty meeting held yesterday the members voted in favor of entering the Far Western Conference. Final action by Humboldt State College will be taken at the special student body meeting to be held Friday.

Coach Herbert L. Hart stated recently that he believes that the student body should either accept or reject applying for admission to the Conference before the beginning of the spring semester. The reason for this, Hart continued, is that Humboldt might be included in the football conference championship rating should Humboldt State College be voted into the Far Western Conference.

Choir Membership To Close Friday

G. Dana Kinsman, director of the College A Cappella Choir, has accepted 23 persons to sing in that organization next semester. He also has announced that any person desiring membership in the choir must come to him for a voice test before registering for the course.

Most of the vacancies in the 32 voice membership are for women, although there are still one or two openings for male voices. The ability to carry a tune is the only prerequisite to the voice test. As the membership will be closed Friday noon of this week, anyone wishing to sing in the choir next semester should see Mr. Kinsman before that date.

STUDENT ENTERTAINS

Barbara Urquhart, freshmen student, entertained at a Tripoli party at her home one evening recently for eight students. After the game was completed, refreshments were served to the following guests: Marian Goss, Betty Morrell, Margie Barnes, Phil Coons, Frank Creighton, Forrest Waters, Jim Cady, and the hostess, Barbara Urquhart.

Students Entertain

Henry Trione and Glenn Goble entertained a group of Humboldt State students after the dance last Friday night at their apartment on College hill. Refreshments were served to the following guests: Warren Elmore, Mary Eleanor Parks, Frances Nye, Elinor Buck, Gladys Grove, Alfa Gastman, Don Pozzo, Bud Villa, Keith Henderson, Channing Jenkins, Henry Trione and Glenn Goble.

DOROTHY BARNES NEW STAFF MEMBER

Miss Dorothy Barnes, who has in recent months been employed at the Humboldt Standard, has been selected to become a new member of the staff. Her position will be that of secretary to Dr. Vernon O. Tolle, director of the College Elementary School. She will also act as mimeographing clerk for the entire college.

Miss Barnes started work this morning. She is a June, '38 graduate of Humboldt State.

Her position as switchboard operator at the Standard has been taken by Mary House, June, '39.

Li Mi Quacks His Way To Fame

An evening of one act plays and pantomimes was presented by the Humboldt College Players in the college auditorium last Wednesday night. Season ticket holders and members of the student body found a variety of entertainment in the experimental plays which were directed by Vivian Larson and Elinor Buck of the Play Production class.

The most outstanding feature of the first play, "On The Lot," was the combining of pantomime with youthful chatter to tell the story of two struggling extras, Karen Wester and Bill Madsen, who were striving for a stardom which they could never obtain.

Following the first play, a unique pantomime of a misbehaving school boy was presented by Rodrick Belcher. Despite the fact that the spoken word was not used, Mr. Belcher put artistry, humor, and realism into his interpretation of the character, even to the fine points of sitting on a tack and shooting spit-balls.

A colorful array of oriental costumes and a novel interpretation of Chinese dialect and music made the second play, "A Play In The Chinese Manner," more of a farce than the author must have intended it to be. By far the outstanding character of this Chinese Opus was Li Mi, the duck, as portrayed by Sheldon Reaume. The rest of the cast, as follows, added to the hilarity of the presentation.

Chorus, Betty Fay; Property Man, Sheldon Reaume; Wing Lee, Continued on page four

HART AND HODGES TOURNAMENT CHAMPS

In a golf tournament held by the golf class last Monday, Jennie Hart came in first for the girls and Bill Hodges was first for the boys. Runner-ups were second, Hazel Hagne and Cedolph Johnson; third, Frances Nye, Vonnice Dunston and Ernest Johnson.

The tournament was conducted on the basis of medal play.

ILLUSTRATED BULLETIN SPRING PUBLICATION

Late in the spring the Humboldt State College administration are going to put out an illustrated bulletin for high school students and other prospective Humboldt students.

This bulletin will contain pictures of student life and educational opportunities at Humboldt. Similar bulletins have been issued by other state colleges.

Large Enrollment Causes Increase In Commerce Staff

The large enrollment of commercial students has for the second time in two years increased the faculty of the Commerce Department of Humboldt State College. Two years ago, due to the heavy registration in this department, Miss Imogene Platt, formerly of the administrative staff, took over some commercial classes.

The continued increase in commercial student registrations has now necessitated the addition of another member to the staff. When the Spring semester opens Miss Sarah Davies, secretary to President Arthur S. Gist, will be the instructor in the first-year shorthand classes. Miss Davies has recently returned from the Hawaiian Islands where she did graduate work in the University of Hawaii.

Students at Humboldt will be given a distinct advantage by the new arrangement. Four classes in shorthand will be taught instead of the two which are now offered each semester. These additional classes will enable the student to advance as rapidly as his progress warrants.

The addition of a new member to the faculty will make it possible for Professor Bert F. Wilson to devote a greater portion of his time to subjects now being offered for the A. B. degree in Economics and Business.

DECORATIONS FEATURE HAWAIIAN DANCE

The Hawaiian "Haole" dance was given last Friday night in the big gymnasium from 9 till 12 by the A. W. S. The Collegians orchestra played during the evening.

Trees and palm branches were attractively arranged around the gymnasium. There was a large painted image of a Hawaiian god at the east end of the gym. The orchestra pit was decorated with palm branches and looked similar to a branch covered hut. The lighting was focused on the left side of the orchestra pit and also on the center of the gym.

Betty Fay, who collected tickets at the door, wore a Hawaiian outfit of a grass skirt, bright colored blouse, and leis. Helen Freidenbach was general chairman of the dance and Maxine Maxwell was chairman of the decorations. Rosie Ivancich is president of the A.W.S.

KINDERGARTEN CLUB MENDS PLAYTHINGS

Members of the Kindergarten Club mended toys and kindergarten equipment at the College Elementary School when they met there Tuesday afternoon from three o'clock until five. They also sewed on doll clothes for the dolls in the kindergarten and first grade rooms.

Refreshments were served by Bessie Boehne and Virginia Fredrickson.

No Radio Program

There will be no radio program either this week or next week according to Rod Belcher, radio announcer. The programs will continue after the new semester is started.

HUMBOLDT LUMBERJACK

Published weekly by the Associated Students of Humboldt State College at Arcata, California.

Editor.....Frances Nye
Business Mgr.....Martin Cabalzar
Reporters.....Marjorie Barnes, Billie Bunch, Betty Anne Carlson, Howard Goodwin, Frances Larsen, Marguerite Lawrence, Donald Mahan, Susan Wilson.

YEAH, HUMBOLDT

Doubtlessly all of you have heard of a "viscious circle." We have one at Humboldt. This is the way in which it works.

We want to have more dances, educational courses, a larger paper and annual, and a larger cash outlay for sports. We can't expand because we haven't the students. We haven't the students because we haven't the means of attracting them.

Therefore, in order to get out of our present circle and into a new one, it is necessary for the students themselves to get others interested in Humboldt State. Then there will be more money, and we can get more of the things we want. It's as simple as that, but in order to get that larger student body all of us must be enthusiastic H. S. C. fans. We have a fine school; let's let others know about it!

Nearly 14 Millions Allotted N. Y. A.

Approval of allocations totaling \$13,971,155 to finance the College and Graduate Aid Program of the National Youth Administration for the current fiscal year 1939-40, were announced here by Administrator Aubrey Williams.

The college aid quota for each state is determined on the basis of 10 percent of the total college enrollment of students between 16 and 24 years of age, inclusive, as of October 1, 1938.

All non-profit-making, tax-exempt educational institutions in operation on October 1, 1938 are eligible to participate in the NYA Student Aid Program and through the establishment of work projects, to provide employment for NYA students.

Selection of the NYA student recipients is the responsibility of the school authorities, who also devise and supervise the types of work upon which NYA students are employed.

MOMENT IN PEKING ON RENTAL SHELF

A new panorama of contemporary China covering nearly forty years is viewed in Lin Yutang's new book, "Moment in Peking," now on the library rental shelf.

This is the story of two daughters of a Peking high middle-class family—Mulan, quiet voiced gentle and practical, more womanly Mochow. Three strikingly contrasting daughters-in-law help depict the intimate and fast-changing family life of modern China.

"This tale of people shows how they adjust themselves to the circumstances in this earthly rage where men strive but the gods rule," is Lin Yutang's own comment on his book.

KARL'S

CAREER COLUMN**Journalism**

Foreign correspondents — press conferences at the White House — ringside seats at events of local, state, or nation-wide importance — inside stories of happenings behind the headlines! No wonder journalism as a career has its appeal to the youth of today. It is easy to overlook the other side of the picture—the dull routine of humdrum assignments, the long night hours at the copy desk, the grueling drive to meet a deadline, the hard competition for daily "scoops."

Background counts much in the training of the journalist. There is much to be learned in the schools of journalism about every phase of editing and managing a newspaper. But the reporter who expects to climb in his profession must be an educated man, whether he has obtained his education in the hard school of experience or in the university classroom. He must be trained to write fluently and well, to think clearly and swiftly, to use words with precision and accuracy as a skilled mechanic uses tools. But more than that, he must have an understanding of psychological, political, economic, and social forces of historical influences and current problems.

There are newspaper men in the United States who have built fortunes in this field. There are columnists who are listed in the higher salaried brackets. But the newspaper man who makes five thousand a year is exceptional. Most of them must be content with salaries that range from \$20.00 to \$40.00 per week.

If you are interested in journalism as a career, you will find at Humboldt an opportunity to build up a cultural background, to improve your use of English, to study the techniques of news writing, and to gain practical experience through service on campus publications. Many successful journalists have had their preliminary training at Humboldt. Notable among them is Herbert A. Yocom, whose name frequently appears over important stories, and who attends the President's press conferences as a representative of the Associated Press in Washington, D. C.

Consult the "Career" monograph on "Journalism in the library if you are a prospective journalist. Ask the librarian to show it to you.

Humboldt Freshman Has Interesting Odyssey En Route to United States

Serge Stashunk, freshman student at Humboldt State college, experienced an interesting and rather harrowing period while en route from his birthplace to the United States.

Serge was born in 1920 in Vladivostok on the northeastern coast of Siberia. Serge's father, who was a bookkeeper for a large store, and his family, his uncle and his uncle's family all left Russia when Serge was a year and a half old. They locked their doors and told townsfolk they were merely going on a little trip. If the townspeople had known that they were planning to leave the country they could have reported the two families and put them up for execution. This suspicion was placed on everyone in the country, since it was during the time of the Russian Revolution and no one was allowed to leave without permission. There were many spies throughout the country watching for anything suspicious looking. Since that was the case, it was dangerous for people to talk very much or plan anything that would be against anyone higher in rank than themselves.

After leaving their homes in Siberia, they took the train to China. This trip took one week. Mr. Stashuk walked instead of going on the train because it would stop suspicion if the entire family was not altogether on the train. It took him a little over a week because he walked steadily and the train stopped very frequently for inspections. It was very expensive to travel because Russian money had depreciated in values so much. Sometimes a weekly wage would be as high as two thousand dollars, but potatoes would then raise in price to nearly one thousand dollars a sack. The water supply at that time was limited and the food was also distributed carefully to everyone since the troops required a large amount for supplies.

It was necessary for the group to spend one year in China before they were allowed to leave. During that time, they traveled extensively throughout the country and also in Korea. When the year

expired, they went to Japan by boat and remained there for six months. During the time they were in Yokohama, Japan, three-year-old Serge was nearly kidnapped by a Japanese while he was in a city park. The hotel where they stayed in that city was completely demolished in an earthquake a week after they had left for Hawaii. They stayed in Honolulu for three weeks until the next boat left for San Francisco. When they arrived in San Francisco, they realized it had taken them nearly two years to complete their trip from Russian soil to the United States.

Work of Gilman Is Music and Drama

Clark Gilman of Blue Lake, Humboldt State College graduate, is now teaching at the Crescent-Elk School in Crescent City. This school has ten teachers, and its enrollment is approximately 300.

Gilman is teaching music in all grades. His music teaching consists of regular classroom work which he is augmenting with chorus, band and orchestra, a harmonica band, and a toy orchestra. He also has charge of all dramatic work in the school.

In addition he teaches sixth grade geography and reading.

Elise Heggi, who received a junior high school credential from Humboldt State College in May, 1934, is also teaching in the Crescent-Elk School.

CAMPUS COMMENTATOR

Well, folksies, here I am again.

The Hawaiian Hop last Friday night was really a success...congratulations to Helen, Maxine and Rosie. I enjoyed it all very much, but I lost out in being in any of the pictures...why don't you sound a siren before taking any of those shots, Jim?

Dancing couples were Lois Wrigley and Bill Madsen...Barbara Crnich and Loy Montgomery...Dorothy Fountain and former student Jack Schmidt...Alfa Gastman, another former student, and Glenn Goble...Wiggs' Elmore and Don Pozzo (did you know that Wiggs is coming back to school next semester?) Jean Schussman and Bill Brown...Sadie Crnich... and Sherman...Joy Stockton and Snooky Edsall...and lots of other couplets. And a good time was had by all.

Say, those one act plays last Wednesday night certainly revealed some new talent around here. Karen was a riot in her little girl act and she wasn't so bad in her scene with that bashful boy, Bill Madsen, either. Rod must have had some REAL experience with the rubber bands and the spitballs during his grammar school days. I thought I'd die laughing at Stan Roscoe who was rolling in laughter himself. And last but not least...the Property Man, Sheldon Reaume, who was a character. (Villa still comes first, though.)

Well, pipples, we are one week nearer to the "FINAL WEEK"...so let's study. We'll take important historic facts first. Remember these facts cuz they will undoubtedly be asked in your history final...er sumpin. The wife of a marquis is a mayonnaise, the wife of a duke is a ducky, Wm. Tell invented the telephone, revolution is a form of government abroad, Confucius was something like a loud noise, the male inhabitants of Paris are called Parasites, the Spartan boys were beaten to death sometimes to see if they could stand it.

Barbieri, Lennox Now Citizens

American citizenship credentials were awarded to Nick Barbieri and Jack Lennox, both students at Humboldt State College, when the naturalization class was presented December 13, 14, and 15 at the county court house in Eureka.

Both Barbieri and Lennox came to the United States as children because their parents felt that this country offered more economic opportunities than the homeland.

Barbieri came from Italy with his family when he was eight years old. The family made their home in Weed, Siskiyou county, where he went to grammar school. Since the only language he knew how to speak was Italian, he had to learn English before he could start to school. This he accomplished with the help of the school teacher and the children he played with. Although he was nine years old when he started the first grade, he later caught up in school by taking the fourth to the seventh grades in one year.

Lennox came to Eureka with his family from Scotland when he was three years old. The family has lived here ever since. He took out his first citizenship papers in Eureka three years ago; Barbieri got his in Sacramento about the same time.

Neither attended the citizenship school where government and constitution are taught because each had received the instruction as part of the regular curriculum in the public schools.

When the candidate for citizenship is examined, he is asked if he is willing to renounce loyalty to his homeland and swear allegiance to the United States. He is

Sophs Win 40-37 Over Frosh 1

The Sophomore girls' volleyball team defeated the Freshman I team 40-37 in an exciting game played last Tuesday afternoon in the small gymnasium.

Those playing on the Sophomore team were Dorothy Watkins, Dorothy Renfro, Susan Wilson, Mary Borneman, Frances Larsen, Mary Caprile, Eleanor Shaw and Jean Muir.

The Freshmen I team consisted of Betty Sue Wilson, Betty Jane Atwood, Nadine Swan, Hilda Alto, Lena Caprile, Jeanne Spetz, Fern Cox and Rose Dare.

Rosie Ivancich and June McCombs refereed the game, and Mrs. Hadley was the scorer.

STUDENT TEACHERS COMPLETING WORK

A number of college students will complete their student teaching at the College Elementary School at the end of the present semester.

Those now teaching are Betty McWhorter, eighth grade morning; Martin Cabalar, eighth grade afternoon; Fred Jackson seventh grade morning; Ardys Goff, seventh grade afternoon; Marion Swap, sixth grade morning; Marjorie Cropley, sixth grade afternoon; Robert Browne, fifth grade morning; Marjorie Wing, fifth grade afternoon; Charles Glenn, fourth grade morning; Irene Hinkley, fourth grade afternoon; Valerie Barker, third grade morning; Mary Flocchini, third grade afternoon; Virginia Frederickson, second grade morning; Bessie Boehne, second grade afternoon; Ida Mae Inskip, first grade morning; Virginia Belloni, first grade afternoon; Myrtle Boehne, kindergarten.

also asked whether he believes in a democratic form of government. Several question on the Constitution and government are then put to the candidate and the judge decides whether his answers to these and the first two shall entitle him to American citizenship.

Each candidate must have two witnesses who declare that they think the candidate is worthy of citizenship. Barbieri's witnesses were Bill Farber, Humboldt State student, and Miss Imogene Platt, member of Humboldt State faculty. Lennox's were his uncle, Bob Airth and V. Barnes, a neighbor.

Bill Lee Leads Scoring In Tilt

The Humboldt State College basketball five dropped two closely contested hoop games to Chico State College last Friday and Saturday nights by the scores of 43 to 39 and 36 to 30, respectively.

Two five minute overtime periods were necessary to break a deadlock Friday night. Led by forward Bill Lee, Humboldt piled up an early lead of 20 points in the first half, to 14 for Chico. The Lumberjacks ran into difficulties in the second half, however, as the Chico defense tightened. Whitmer, a Chico guard, went on a scoring spree to help boost his team's score to a 33 to 33 tie with Humboldt at the end of the regular playing time. At the end of the first overtime period the score was still deadlocked at 37 to 37.

During the second night Chico forged into the lead just before halftime. Both teams battled on even terms throughout the second half. Art Whitmer, Chico guard, and Bill Lee, Humboldt forward, were top scorers in both games.

Trip For Team Following Finals

The Humboldt State Lumberjack basketball team will have a short vacation next week, due to final examinations. However, on the opening day of the spring semester, Monday, January 29th and on Tuesday, the Lumberjack five will meet the Oregon College of Education in a two game series.

On Friday and Saturday of the same week (Feb. 2-3) the Lumberjacks will play a return game series with the Monmouth team at the Oregon College of Education gymnasium. Coach Harry E. Griffith and his Varsity will rest on Sunday and then travel south to Ashland, Oregon, where the Lumberjacks will meet the Southern Oregon College of Education, SONS, in a return series on Monday and Tuesday, February 5th and 6th.

Humboldt and the Southern Oregon team divided a two game series played on the Humboldt court just after the Holidays.

Helen Woodcock Hostess At Party

Miss Evelyn Lehrman, student at Humboldt State last year, was the honored guest at a party given by Helen Woodcock at her home last evening.

Miss Lehrman is visiting her parents in Eureka this week from Merritt Hospital in Oakland where she is in training. She received her cap at an exercise held at the hospital last Friday.

Games were played by the guests, and later refreshments were served by the hostess.

Those attending the party were Doris Waldron, Shirley Kirkpatrick, Rosie Ivancich, Catherine Caltoft, Dorothy Fountain, Marguerite Lawrence, Jane Cotter, Jean Hood, Evelyn Lehrman, the honored guest, and Helen Woodcock, the hostess.

S. AFFAIRS COMMITTEE BEING REORGANIZED

The Humboldt State faculty adopted at their last meeting a resolution to recommend the Student Affairs Committee to draw up a plan regulating participation in extra-curricular activities. The plan of limiting participation would eliminate the present state of "too many things for too few people to do" and also tend to bring up the scholarship of some students who can not give sufficient time to studies due to outside activities.

The Student Affairs Committee is being reorganized and will probably include three faculty members and two students.

Finishing Touches For H.S.C. Ski Hut

In order to get the "Lumberjack Ski Lodge" completed in time for use during the snow season, members of the College Ski Club put in two day's work on the cabin over the weekend.

On Saturday, a group went up to the North Fork camp of the California Barrel Company to tear down some old buildings for the lumber, donated by the company. This lumber, about 1000 board feet, was hauled up to Grouse Mountain the next day.

The group of boys who went up to work on Sunday finished sheathing the sides of the cabin, put on three feet of siding, and completed shingling the roof.

A stove which was made from an oil drum by John Boggess, instructor in the metal work department at Arcata High School, was taken up on Sunday. Twenty-eight window frames were donated by H. Domeyer, and a committee of club members is now cutting panes from scrap glass and putting them into the frames.

Those who worked on the cabin over the weekend were Pete Domeyer, Jim Cady, Bob Madsen, Merlyn Allen, Jack Lawyer, Bob Frakes, Jack Lennox, Harold Langdon, Bob Bryan, Milton Carlson, Earl Hotelling, Frank Grant, Al Wright, Ted Speier, and Paul Thorne. Non-members who helped were Darrell Wing, H. Domeyer, and L. A. German.

Members Learn Origin of Club

At a recent meeting of the Kampus Ko-eds the origin of the club was explained to the members. The club was formed several years ago by a group of girls who often met with Reverend R. L. Waggoner. These girls, Alberta Starkey, Irma Hugnin, Verda German, Helen Arnold, and Dorothy Fountain based the organization on personal development with awareness, appreciation, aspiration, adjustment and achievement as their primary principles.

Later the following girls, who form the present club, were chosen by secret and unanimous ballot: Marion Kemp, Joy Stockton, June McCombs, Evelyn Lehrman, Dorothy Hunt, Beth Nixon, Carol Hine, Ada Dean Regli Mary House, Jane Anderson, Shirely Kirkpatrick, Rose Dare, Jacqueline Nagliar and Elizabeth Ann Bartlett.

The Constitution was dated and accepted on November 6, 1938.

H

Li Mi Quacks

Continued from page 1

Fern Blakely; Long Fo, Bob Pinches; Nurse, Helen Arnold; Hi Lee, Pedro Elmore; Li Mo, Len-naire Locke; Joy, Stanley Roscoe; Soldier, Emory Sitts; Orchestra, Edith Davis, Elsie Anderson, and Mary Caprile.

Karen Wester, appearing for the second time during the evening, gave a refreshing interpretation of "Mary Had A Little Lamb." Throughout her performance, she uniquely sustained the character of a bashful little girl, inserting many "cute" mannerisms, and climaxing her act by "forgetting" her recitation and dashing from the stage in tears.

The third play, "Bachelor Boy," was a humorous exaggeration of domestic infelicities, presented in the form of a pseudo-lecture. Brief scenes showing the contrast between courtship days and later married life were enacted by Maxine Maxwell and Casper Torp. The lecturer, Richard Jarboe, inserted explanatory remarks throughout the play, and frequently interrupted the actions to emphasize his theory that bachelorhood was ideal. This play called for more acting than either of the other two, and, from her first appearance on the stage, Maxine Maxwell showed capabilities which would warrant better roles in the future. Casper Torp, as the "mooning" lover and later belligerent husband, gave a creditable performance. Richard Jarboe, as the cynical bachelor, inserted his quips with dexterity and, throughout the play, showed a good sense of comedy and timing.

Humboldt Men Now Doing Actual Flight Work

(Courtesy of Humboldt Standard)

Shown standing in front of the 65-horse power Aeronica Chief in which they are receiving their training are (left to right) Robert Mitchell, Darrell Wing, Glenn Goble, Merwyn Riddle, Casper Torp, Harold Langdon, Tom Amen, Herb Gomes, and Louis Walton. Bud Villa who is also enrolled in the course, is not in the picture.

To date ground school material covered includes the history of aviation, and rules and regulations of the civil aeronautics code. The twelve hours of instruction taken have been under the direction of Homer Arnold, Humboldt instructor.

During Christmas vacation several members of the class were able to get in some of their required hours of actual flight instruction, which cover the elementary maneuvers of flying prior to solo flight. Regulations in the aeronautics code set a minimum of eight hours and a maximum of fifteen hours for solo flights. A minimum of thirty-five hours of solo flight is required before one can receive a private pilot's license. Hours for those taking the course are Tom Amen 7½; Glenn Goble, 2; Herb Gomes, 2; Harold Langdon, 5; Robert Mitchell, 3; Merwyn Riddle, 3½; Casper Torp, 3½; Darrell Wing, 5½; Bud Villa, 5; Lewis Walton, 1½.

An added incentive for hard work is that the government has announced its intention to select those showing the most promise this spring for advanced training with a view to awarding limited commercial licenses.

INSTRUCTOR ILL

Maurice Hicklin, instructor in English, is confined to his home with a cold. He will probably return within a few days.

RICHARD BALDRY AT MILITARY ACADEMY

Richard Baldry, Humboldt graduate of last spring, has recently been appointed to a position as teacher of the seventh and eighth grades and physical education at San Raphael Military Academy.

Prior to his appointment Baldry had been working with M. G. M. as a stunt man. His picture is in December Theatre Arts monthly in a mob scene of "The Hunchback of Notre Dame." He has appeared in more than 250 movies as a stunt man.

Baldry is a graduate of Rice Institute, San Antonio, Texas. He came to Humboldt last year to take post graduate work and here received a special credential in physical education. He has an unusual background for work in this field being co-holder of the decathlon pole vault record and is an expert fencer and archer. At Humboldt State he taught fencing and tennis.

H

Scotia Visitor

Betty McWhorter visited last weekend with Mrs. Viola Lozensky of Scotia. Mrs. Lozensky was the former Viola Stansberry who graduated from Humboldt State last year.

Healthful, Slenderizing, Recreation. Every night from 7 to 10:30. Matinee Sat. and Sun. 2—5 p. m.

Rousers Complete Plans For Future

Plans for the Honor Assembly and for the Chi Sigma Epsilon initiation dinner to be held in the near future were made at the Rousers meeting held Thursday noon in Miss Adella Johnson's room at the college.

Mary Borneman was appointed chairman of the committee to make arrangements for the assembly and for the honor luncheon which is to be held immediately following the program.

Susan Wilson is to head the committee in charge of decorations for the Chi Sigma Epsilon initiation dinner.

Plans were also completed for work on a scrap book that is to contain clippings and pictures of Chi Sigma Epsilon and Rousers' activities from about 1933 to the present day.

H

'WATCH FOR THE DAWN' TALE OF SOUTH AFRICA

"Watch for the Dawn" by Stuart Cloete, a love story is one of the new rental books at Humboldt. It is a tale of South Africa and the struggle of the free Boers against the English about 1816. Kasper van der Berg, a young Boer of good family is the hero of the story while Aletta is the girl he loves. Kasper become a hunted man after he killed an English soldier and escapes into the unexplored region far from white settlements. Eventually it was to these dangerous sections that Kasper and Aletta return in an attempt to find a home.

sleep.

The length of absence ranged from one class to ten school days.

True Originality In Absence Excuses

Many and varied are the reasons given for absences from classes by Freshmen students at Humboldt State according to Mrs. Monica Hadley who issues excuses to them.

Out of the 82 excuses given so far this semester for illnesses, 33 have been issued for colds and influenza. Dental treatment and headaches mainly due to eye trouble are next on the list with six each. Stomach indigestion with three and rheumatic pains with two are next in prominence in the list of illnesses.

Each of the following reasons were only given once: Cosmetic poisoning, infection, nose bleed, blood poisoning, minor operation, pneumonia, ear infection, injury, gland infection, canker sores, and impetigo. And one person just felt bad and another simply needed
