

# Humboldt Lumberjack

HUMBOLDT STATE COLLEGE in the REDWOOD EMPIRE

HUMBOLDT LUMBERJACK, WEDNESDAY, OCTOBER 21, 1942

## A. W. S. Holds Semester's First Forum

### MEN'S ASSEMBLY TO BE CALLED NEXT MONDAY

Another men's assembly will be called on Monday, October 26. Representatives from the three branches of the Armed Forces will be present to answer further questions pertaining to the Reserve program.

Navy Examining boards will be visiting the college to check the qualifications of those men who desire to enter one of the Navy's Reserve programs.

All men have been urged to be thinking seriously about their plans concerning future military service. These programs should be the answer to many a doubt as to what to do—they bear the markings of a "good deal!"

Remember — October 26 — the "swearin' in" day!

—Bert Johnson.

### HSC BROADCAST IS ON AT 6:30 THIS EVENING

"The Deans Talk It Over" was the title of the first weekly Wednesday evening broadcast sponsored by the radio committee of Humboldt State College at 7:15 p. m. on October 14 over station KIEM in Eureka. The program, written by George Murphy, was m.c'd by Barbara Conoly and arranged by Pete Schmitt.

Taking part in the dramatization were George Murphy, Mrs. Monica Hadley, Mary Gilmore, Patricia Bartlett, Janey Morrow and Barbara Conoly. Radio committee for the college is Don W. Karshner.

This evening the Humboldt State broadcast will be from 6:30 until 6:45 p. m., and the theme will be "The College in the War Effort." A large number of students are scheduled to take part.

### T. B. Tests Show Five Positives From 109 Tests

From the health office comes the report that of 109 tuberculin tests given on Monday, Oct. 12, with second strength tests given on Wednesday, final reading of the results showed five new positive reactives.

Those reacting positive to the tuberculin test this year will be given a chest x-ray by Dr. J. S. Woolford in Eureka. Past reactors will also be given this x-ray.

Mrs. Hadley urges that all students between the ages of 15 and 25 years either be x-rayed or tested yearly at least for the duration. Tuberculin tests will be given again during the spring semester.

### Dr. Jeffers And Chas Fulkerson To Give Recital

CHARLES FULKERSON

Dr. Edmund Jeffers and Charles Fulkerson have announced a recital to be given by them on Sunday afternoon, November 1 at 4 o'clock in the college auditorium.

The program, to be announced later, will be both vocal and instrumental, with Dr. Jeffers, baritone, singing German lieder of the nineteenth century and English and American songs. Mr. Fulkerson will accompany Dr. Jeffers, and will play a program of piano solos.

### Editor Elkinton Reports On '43 College Annual

When asked about the status quo, or whatever it is, of the Sempervirens, Humboldt State College yearbook, 1943 Editor Dick Elkinton had this to state:

"This is going to be a fearful but wonderful year for the college annual. Because of present conditions the theme of the book, as planned so far, is going to be centered around the war and subjects directly related.

"Our budget has been mercilessly clipped, as it most everything else, but if you can stand it we'll sure do our best to put out the best book possible.

"With a staff which shows unlimited talent, the editor is beginning to get a pulse beat now and then, after numerous harrowing experiences at the first of the year. But . . .

"WANTED . . . Class A, B or Z photographer!"

### Council Orders All Accounts Kept In Office

It has been announced by the board of control that henceforth all accounts of organizations chartered by the associated students must be kept with Mrs. Brookins, comptroller of the student body funds.

Another matter being looked into by the board is the value of the station wagon to college organizations. Reports were given by the editor of the Sempervirens and the Lumberjack editor at last Monday noon's meeting.

### New HSC Faculty Feted At Dinner At Nelson Hall

New faculty members of Humboldt State College were feted at a formal dinner party Friday evening in the college commons at Nelson Hall. Guests of honor were Mr. and Mrs. Francis L. Drag, Miss Warrenne Elmore, Miss Jeanette Christensen, Miss Ilean Koyner, and Mrs. George Murphy.

Charles Fulkerson acted as toastmaster during the dinner, and new faculty members gave skills and stunts for the entertainment of the group. A wedding gift was presented to Mr. and Mrs. George Murphy who were married last summer. The tables were decorated with autumn leaves.

After dinner the party adjourned to the lounge of Nelson Hall for games of bridge and Tripoli.

Mrs. Ellen Walter was general chairman for the affair.

### Fireside Planned For Frosh Girls By Faculty Club

Invitations were issued last week to all freshman women by the faculty women to a "Freshman Fireside" to be held Sunday night in the college social unit from 7 to 10 o'clock.

The freshman women are urged to wear slacks to the party, and also to give their replies as to whether or not they will attend the party as soon as possible this week at the president's office.

Mrs. Helen Everett and Miss Sarah Davies are general chairmen for the party.

FIGURE IT OUT YOURSELF: Take your age; multiply by 2; add 5; multiply by 50; subtract 365; add the change in your pocket under a dollar; add 115; the first two numbers are your age and the last two the change in your pocket.

Every bond-invested dollar's gonna make the Axis holler!

### Engagement And Marriage In Wartime Is Discussed

BY MARGIE CLARK

The pros and cons of becoming engaged and married in wartime were taken up in an open forum with panel discussion sponsored by the Associated Women Students last Thursday at an 11 o'clock assembly in the auditorium.

Joyce Bruner, A.W.S. president, turned the meeting over to Mr. George Murphy, who acted as chairman for the discussion. Mr. Murphy introduced the following people, who composed the panel: Mrs. Don Karshner, Barbara Conoly, Mr. Francis Drag and Jim Wheeler.

#### THE "PRO" ARGUMENTS

On the pro side the following ideas were advanced during the hour:

First, the welfare of the nation should reign supreme at this time. That is, (a) A strong generation is needed for after the war. (b) A soldier is more aware of what he is fighting for if he knows there is someone waiting for him when he comes back. (c) The soldiers would be less apt to indulge in dissipating activities, especially those involving venereal diseases, if they were already happily married.

The second idea brought forward on the pro side was that marriage is good for the individuals' welfare. That is, (a) It is a steadying and sustaining influence for a soldier to know he has something for which to come back. (b) Marriage and adjustment before the long separation is advocated because lovers are apt to day-dream about their loved one, and it is quite a shock to have to change your ideals to human reality after a long period of being apart. (c) For the girls, marriage should be now if they are truly in love, because after the war chances for marriage will be much reduced. It is every boy's and girl's right to have had experience and maturity that marriage brings, and after the war we will need mature

men and women for reconstruction. (d) Young people who marry now, truly in love, have faith in our power and love of our nation. (e) If the two young people have analyzed the guideposts of a successful marriage and have found these basic qualities in each other, then marriage now will be all right. These "guideposts" are sound economic thinking, common sense of value and similar hopes and desires. (g) Marriage should be now, because if the two people are separated without the necessary adjustment, the changes in the person who comes back may be too great a shock.

#### THE "CON" IDEAS

On the con side of the argument the following ideas were given:

(a) Statistics show that there are more divorces prevalent after a war. These divorces are caused by too hasty marriages. (b) People aren't rational now. Girls are too easily swayed by the glamour of a uniform, military music, and the "now or never" philosophy. (c) Young people should take hold of their emotions and calmly weigh all the facts. Serious thinking on their appraisal of a mate for life should be made. (d) The raising of a family should be put off until after the war. Every child deserves a normal home life.

It was suggested that there should be courses given on marriage and family life and for the fathers and mothers of the young people as well. It was also suggested that a Junior Hostess group be organized for girls on the personal relationships of marriage.

These were all ideas given by the speakers and the people in the audience. No definite conclusion was made, as the aim of the forum was to stimulate new ideas on opinion on the subject. It was generally agreed, however, that the problem was highly individualistic, and that it was up to each boy and girl to think it out for himself.

### A Cappella Choir Records Song; To Sing At Assembly

Although Dr. Edmund Jeffers has been seriously hampered by a lack of male voices since the Armed Forces have taken so many of the men, he has not given up hope for a really good choir this year.

Last Thursday on the auditorium stage the a cappella choir recorded the song "Salvation is Created" which it has been working on since school started. It was an experiment to see how far the group had progressed.

The first performance will be for an assembly sometime in the near future.

Reader comment is welcomed by the Lumberjack. Send it to "Corned Beef."

### REV. HESSEL IS SPEAKER AT "Y" SESSION WED.

Each Wednesday noon the college "Y" meets in the small dining greatest aim of the club, as stated in the constitutions and bylaws is to promote a Christian spirit into college life.

There will be either a speaker or discussions on some subject which will be close to the interests of the college student. Heard at last Wednesday's meeting was the Rev. Dr. C. P. Hessel with an address on "War, and Then?" Music and singing concluded the program.

Everyone in college is invited to attend the meetings.

Reader comment is welcomed by the Lumberjack. Send it to "Corned Beef."

## Humboldt Lumberjack

EDITOR BARBARA CONOLY  
 BUSINESS MANAGER DES SHANAHAN  
 SPORTS EDITOR BOB BELL  
 EXCHANGES AND GIRLS' SPORTS FLORENCE GETCHELL  
 RE-WRITE BERT JOHNSON  
 GENERAL STAFF: JOAN ROTH, JANE MORGAN, JEAN BOLGER, LILLIAN GRANICH, OPAL SHULL, PAT WRIGHT, DICK ELKINTON, CHET BOSCH, HENRY FRANK, EARL BICKER.

The Humboldt Lumberjack strives at all times to serve the best interests of Humboldt State College, without favoritism or partiality to any group or individuals within or outside of the college. Editorials express only the views of the writer, and not necessarily those of the editor, the Associated Students or the College Administration.

Well, we're at war.

So what? So no tires, no football games, no play trips, smaller enrollment, fewer student body card sales, less funds. . . but not less fun. Whatever we do, let's not have less fun. We need it more now than ever before.

The thing is, we've got to have our fun closer to home. That's not hard. Look at our girls' organizations so far. Here the W.A.A. pops up with their regular swimming party . . . and since they can't go to the swimming hole, they have an outdoor picnic practically in our own back yard, thanks to the permission of one of the college's good neighbors, and have more fun than ever before; they sponsor a fun fr'all noon dance in the small gym, with waltzes and polkas and everything.

Or take the A.W.S. and their forum on war engagements and marriages . . . not fun in the strict sense of the word, but stimulating discussion and argument, and something to set the students to thinking. And the faculty women's freshman fireside is being planned to solve transportation difficulties by having as many as possible of the girls spend the night with Arcata friends. You just can't get us down, when we're determined.

They've set a precedent. It's up to every organization in school to add to the stay-at-home fun this year by planning interesting and novel events for the student body as a whole. And it's up to each one of us, as a member of our organization, to start the ball rolling and help make each activity a success. . . ye ed.

## JANUARY 18 IS SET FOR FIRST CONCERT DATE

The first of the community concerts will be heard on January 18, with Mossaye Boguslawski, pianist. He will be heard at the Eureka High School auditorium.

Scheduled second is Carla Goya, Spanish dancer, and she will be accompanied by her harpist. This is to be held the evening of February 23.

Climax of the 1943 concert series will be Paul Robeson, the American negro baritone, who will perform on the evening of March 9, 1943.

## Mens Association Change Picnic To Fall Semester

BY CHET BOSCH

At a meeting held Monday noon in the college commons, the Men's Association decided to hold their annual picnic in the fall instead of the spring, as in past years. President Finn Jackson appointed Dayton Murray, Jack Piersall, Lyle Alkire and Howard Goodwin to make all necessary arrangements.

A delegation from the "Women's Auxiliary" was present. Miss "Lilybelle" Alkire, chairman, stated the aims of the group, after which the "ladies" were called upon to donate to the slightly depleted treasury. (Present state: \$3.14 and one lead slug, according to Wilson).

The Nelson Hall Chamber Music Society then enthralled the audience with their brilliant interpretation of such masterpieces as "Darktown Strutters' Brawl" and "Beat Me, Gilly, Twelve-to-the-Bar."

## W.A.A. SPONSORS FIRST FRIDAY NOON DANCE

## Exams Announced For Many Jobs By State Board

SACRAMENTO, Oct. 20 — The State Personnel Board today announced examinations for clerks, stenographers, and typists with salaries ranging from \$95 to \$125 a month.

Clerks, typists, and stenographers are needed in all the state offices throughout the state. In order to accommodate applicants these examinations will be given throughout the state wherever suitable facilities are available and the number of applicants is sufficient to warrant the expense.

For those competitors who must take a typing test, the State Personnel Board will make arrangements to have typewriters available. The written test will be given before any typing test is given and the typing tests will be open only to those who qualify in the written.

Entrance requirement for Junior Stenographer is completion of the 12th grade. For all other junior positions, completion of the 10th grade is all that is required. For the intermediate positions, at least one year experience is required in addition to completion of the 12th grade. However, additional experience may be substituted for the educational requirement.

Applications may be obtained in any of the United States Employment Service offices or by writing to the State Personnel Board offices in San Francisco, Sacramento, or Los Angeles. All applications must be filled by October 26, 1942.

## GEOLOGY CLASS TAKES SUNDAY MORNING TRIP

Members of the geology class of Humboldt State College went on a field trip Sunday morning, Oct. 11. The purpose of the trip was to collect rocks and minerals in the Horse Mountain area. Members of the class making the trip were Dr. Harry MacGinitie, Lyle Alkire, Earl Gossard, Brett Melendy, Dayton Murray, Jack Piersall and George Wilson.

After arriving at the Horse Mountain Mine the party collected several specimens common in the vicinity. During their stay Dr. MacGinitie lectured on the geologic structure of the terrain. While at the mine a snow flurry came up and drove the party to the cars. After lunch they explored a little more and then started for home.

W.A.A. Friday.

It is hoped by the organization that other noon dances may be held in the future, if the idea proves popular with the students. This first affair, W.A.A. president Alice Wilkinson emphasized, was for the purpose of getting up interest in the project.

Six practices must be had by girls wishing to trout for the hockey teams on Nov. 3. Mrs. Hadley is urging all girls to get in these practices as soon as possible.

## List Of Former HSC Men In U. S. Service Is Continued

In the first issue of the Lumberjack an article appeared listing the names and addresses, if known, of former Humboldt State men now in the Armed Forces of the United States. This list is continued below.

Any student knowing of a man for whom our address is now obsolete, or knowing the address of a man for whom we have none, is requested to notify Florence Getchell, Miss Davies, or Barbara Conoly. The president's office is striving to keep an up-to-date file, and the Lumberjack is sent to any former student in the service free of charge.

## WITH THE ARMED FORCES

(Ed Note: following is printed parts of a letter from Lt. Allan Lowry, former Humboldt State College student who has for some time been with the Army Air Corps, and is at present stationed somewhere in England. The letter was passed by an Army censor before reaching the U. S.)

Somewhere in England.  
Sept. 17, 1942.

"No doubt you are mildly surprised at the heading of this letter. As a matter of fact it scares me when I look at it—but here I am! We traveled clear across the United States in our own special train and it was really a swell trip. I got to see a lot of beautiful country which I would not have seen under ordinary circumstances. We were stationed on the east coast for a while and then shipped overseas—landing in Scotland. We were then shipped by train to England, and I guess we'll be stationed here for a time.

"I was surprised on the trip across the ocean that I didn't get sea-sick, but even though the ship rolled quite a bit I felt perfectly all right the entire trip. I'm afraid that I'd never make a good sailor though, because for a couple of days after I got on dry land I could still feel the roll of the ship, and I often caught myself leaning as if I were still rolling with the ship. I think I'll stick to my airplane, as I think that I know what I'm doing in that.

"And speaking of flying, the last I heard of George he was still flying the same ships as he was, but was at Tucson, Arizona. He left there about the same time I left the west coast, and I haven't heard of him since. He may be going overseas soon, I don't know. Earl left for overseas duty about a week before I did, but I don't know where he went or where he is now. Maybe I'll hear from him again some of these days.

(Ed. note: Lt. George Lowry and Earl Lowry, both brothers of Allan, are also in the air corps.)

"You notice how I have omitted all names and places and dates connected with my organization, and it is necessary to do this because of strict censorship of mail leaving England. I can't tell you where I am because it is necessary to keep the location and identity of this organization secret.

"I'm getting in some good exercise around here because distances around the post here are quite great and we haven't got jeeps to check out when we want a ride from one place to another. Therefore we have bicycles to ride and it really gives me some good exercise. I'm not used to riding them yet and my legs get

a little lame if I ride very far—but I'll get used to it, I guess, eventually.

"Another thing I'll have to get used to is the British monetary system. All these different coins they have, ha'penny, penny, half schilling, schilling, 2 schilling (or bob), half crown, crown, 10 schilling note and pound note, have me all mixed up and I have to stop and think what their value is each time I go to buy anything. But then we can buy very little as everything is rationed here and any non-essentials are almost impossible to buy. We can't get gum, coke, chocolates, cookies or anything like that, and even soap, razor blades and stuff like that which we need are sort of hard to get.

"Well, the British have made out with that for several years, so I guess if they can, I can too." Lt. Allan W. Lowry, 0-661513. A.P.O. 875, 91st Bomb Gp. Sq. 324—C-O Postmaster, New York City, N. Y.

## Oliveira, Piersall Head Men's Dorm; Personnel Listed

The boys' end of Nelson Hall was filled within three weeks of registration. At a dorm meeting, John Van Duzer enumerated and explained the Nelson Hall rules and regulations (as well as the penalties for disobedience of same).

In a business meeting the following officers were elected: Bob Oliveira, president; Jack Piersall, secretary-treasurer; Bert Davis, upstairs representative; Jack Williams, downstairs representative.

The present personnel of the men's dorm is as follows:

Jack Ackerman—Honolulu.  
Brad Barnes—Bayside.  
Bob Bell—Los Angeles.  
Gene Blackburn—Eureka.  
Chet Bosch—Fortuna.  
Bert Davis—Cummings.  
Perry Delaney—Eureka.  
Bill Dorsey—Scotia.  
Bob Downing—Willow Creek.  
Dick Elkinton—Orinda.  
Wally Elliott—Eureka.  
Hank Frank—Hydesville.  
Wes Graham—Rio Dell.  
Pat Grazoli—Trinidad.  
Fred Iten—Fort Jones.  
Elvin Jackson—Eureka.  
Bill Jensen—Fortuna.  
Wally Johnston—Bridgeville.  
Vern Lewis—Garberville.  
Herb McCain—Yale, Oklahoma.  
Dayton Murray—Eureka.  
Harold Narron—Eureka.  
Merritt Neale—Eureka.

## Weekly Programs Planned By HSC Radio Committee

The radio committee of Humboldt State College, with the cooperation of radio station KIEM, is inaugurating a series of weekly broadcasts to be given every Wednesday evening. The time will be flexible—6:30, 7:15 or after 8 o'clock.

Pete Schmitt and Don W. Karshner are handling programs at the present time. Students are needed to help dramatize these shows. There is also opportunity to write shows. No previous experience is necessary, but applicants should see Pete Schmitt or Mr. Karshner as soon as possible.

Following is the outline of the broadcasts to be presented between now and Christmas vacation:

Oct. 15—Mrs. Hadley and Mr. Murphy, "The Deans Talk It Over."

Oct. 21—Barbara Conoly, Campus Commentator and seven students in a series of dramatizations on the college war efforts.

Oct. 28—Mrs. Walter, Talk on nutrition.

Nov. 4—Nelson Hall, Program on dorm life.

Nov. 11—Mrs. Everett, Christmas books for children.

Nov. 18—Cast of "Heart of a City." Dramatization about the play.

Nov. 25—Dr. Fisher. Talk on the international problem.

Dec. 2—Pete Schmitt in charge of a quiz program on international situation.

Dec. 9—Dr. Balabanis, Talk on economic problems of today.

Dec. 16—Dr. Jeffers and Choir.

## Ask Mr. Wilson About A Civil Service Job

The Civil Service is interested now, more than ever, in offering qualified men and women a chance for well-paying positions in many branches of government employment. The types of positions are greatly varied so as to include the interests of almost everyone. Civil Service jobs pay a basic salary of from \$120 to \$170.

Humboldt State College is co-operating with the government in filling these positions. The bulletin board at the north end of the hall near the auditorium contains information about a few of the positions. If you find that you wish to look further into the matter, and the work in which you are interested is not listed on the board, Mr. Bert Wilson will be glad to answer any questions you might have as to the nature of the examination, application for the examination, and other facts that might be of interest to a prospective applicant.

Replies to the faculty women's invitation to the Freshman Fireside should be turned in to the president's office this week; the party is next Sunday from 7 to 10 p. m. in the college social unit. Wear your slacks!

Clarke Nellist—Eureka.  
Bob Oliveira—Fortuna.  
Jack Piersall—Blue Lake.  
Jack Reid—Trinidad.  
Jim Roscoe—Eureka.  
Don TerBush—Compton.  
Dave Tolle—Redlands.  
Charley Vogel—Concord.  
Jim Wheeler—Van Nuys.  
Jack Williams—Fort Jones.  
Kenny Williams—Crescent City.  
Charley Carpenter, a former dorm resident, recently withdrew from college to join the U. S. Merchant Marine.

## Student Manager Knows All, Tells Some, About The Play

BY JANE MORGAN

How'd you like to know some personal reactions of a student manager? You would? Okay.

"Erbert, you come 'ere . . . PEGGY PURSE doin' a super-duper job with 'er cockney accent . . .

JIM WHEELER, that tall new student with that shining personality, struggling hard to be a dissipated piano player with a poetic soul. . . .

Flash! MARY McCLELLAN'S gum chewing comes into its own . . . rehearsing for part of the bar maid . . . Daisy.

ROSANNE HILL is surprising herself with her acting ability . . . her new-found poise on the stage. . . . JACKIE LEVEY . . . casting aside her inhibitions and delightfully tossing about her hips . . . as Valerie . . . hum . . . C'm up and see me sometime. . . .

MARY GILMORE . . . Looking very sweet and gentle in spite of her bi-focals (you know, glasses). . . .

MARGIE CLARK . . . hmmm . . . there's more military there than just military tap these days. . . .

Swish! . . . What was that? . . . only tiny Opal Shull dashing in and out as Gert.

Oui, oui, comment allez-vous? . . . oh, Meester Karshner, I cannot do this French moans petite Nellie Mae Dickson. . . .

Hurray! At last Pat Dillon comes of age . . . and acts like a grown-up . . . as Lila Saddle . . . she is forced to be matronly. . . .

We can sure see the Hawaiian influence (hula to you) in Margaret Ackerman's interpretation of Bubbles. . . .

Goody Goodwin's torn between duty to his country and loyalty to the stage. . . .

And that's that from the manager's point of view.

## Organizations Of College Listed Here For Students

Let's have a look at the different organizations that make life interesting around Humboldt State:

\* THE ASSOCIATED STUDENTS. . . headed by President Clarke Nellist. . . composed of all HSC stude . . . democratic way of deciding college business.

\* BOARD OF CONTROL . . . bigwigs that meet Monday noons at Nelson Hall to decide major HSC matters . . . includes Pat Dillon, student body secretary; Clarke Nellist; Marge Cloney, Ellis Williamson, Wiley Cousins, Don Hurst, Nadine Swan.

\* ASSOCIATED WOMEN STUDENTS. . . women of HSC are organized into this . . . they sponsor forums and good works generally . . . Joyce Bruner is prexy.

\* WOMEN'S ATHLETIC ASSOCIATION . . . she-athletes of the campus gather under this banner . . . their frosh swimming party is something . . . they award the chevrons . . . Alice Wilkinson presides

\* MEN'S ASSOCIATION . . . they who sing so lustily on Monday noon meets . . . the men's picnic is a highlight (for the men) and their barn dance after work-day is a highlight for everybody.

\* CHI SIGMA EPSILON . . . here's where the brains abound. . . upper division honor society (only 5 members here now) . . . always a super-duper honor assembly . . . now scheduled for Oct. 29 . . . Mademoiselle Johnson is advisor.

\* FAVONIANS . . . Mary Westbrook is president of this small but active group . . . their was the Fall Frolic . . . and theirs is the annual campus queen contest in the spring.

\* COLLEGE "Y" . . . a branch of the Y.M.C.A. . . meets Wednesday

nesday noons at the commons . . . has as its ideals the spreading of Christian spirit in college. . . Ar-dith Anderson presides.

\* MU EPSILON PSI . . . mu is for music, and this is the music club . . . a yearly amateur contest for the aspiring among us is their idea . . . all ye music lovers gather 'round.

## Listening Hour Time Changed To Wednesday

Mrs. Helen Everett was hostess at her apartment for the regular listening hour held Wednesday evening. The weekly date for the affair has been changed from Thursday night to Wednesday night. Assisting Mrs. Everett was Miss Sarah Davies.

Mozart's Quintet for Clarinet and Strings, his Italian Symphony, Folk Songs of Central Europe by the Trapp Family Choir, and Beethoven's Quartet No. 16 in F Major made up the evening's recordings.

Next Wednesday evening the listening hour is to be held at the Arthur Gist home with Mrs. Gist as hostess.

## the SPORT SCENE

—BY BOB BELL—

There is sure a lot of difference between a sport editor on a city paper and one on a college paper during wartime. The city editor is troubled with too much news on hand while the college ed. hasn't enough.

The MEN from the dorm have challenged the commando training class to a football game this Friday afternoon at about three o'clock. The game will be played on the Humboldt football field. It hasn't been decided whether it will be a six man football game or whether it will be the regular eleven man game.

Playing for the Commandos will be: Wiley Cousins, Bill McMillan, Tom Bartlett, Earl Biehn, Don Hurst, Bill Joe "Bub" Winsler, Lyle Alkire.

Playing for the dorm are: Jack Piersall, Perry Delaney, Don Terbush, Clark Nellist, Bob Bell, Elvin Jackson, Jim Wheeler, Jack Ackerman, Hank Frank, Harold "Sweetpea" Narron, Dave Tolle, Wallace Elliot, and Bill Jensen.

By the way, did you know that All American Halfback Frankie Sinkwich was refused admission to the R.O.T.C. at the University of Georgia because his feet were too flat. Trainer Lutz says these same flat feet gave Frankie the traction to cut at full running speed something few running backs can do.

Note to the cast of "Heart of a City:" watch the bulletin board outside room 104 (Mr. Karshner's office) for rehearsal schedules; remember, if you are not on time at practice, you waste the time of the other people in the scene.

## Mu Epsilon Psi Eleds Officers At Supper Meet

A light supper was served at the Jeffers Fireplace last week for the first meeting of the fall semester for Mu Epsilon Psi, music club. Election of officers was held, with Bob Oliveira elected president and also the following: vice president, Katherine Swapp, secretary-treasurer, Katherine Morgan.

No definite plans were made for the semester, but the club is trying to secure outside musical groups or artists for assemblies.

Within a short time the club is going to have a drive for more members. You don't have to have any special ability in music, just a liking for it, and for what it stands.

For the winner of the music scholarship watch the bulletin boards if you desire information.

## Mary Westbrook Chosen Prexy At Senior Meet

Dr. Raymond Fisher was chosen by the senior class as its advisor at a meeting called to order by Nadine Swan, past secretary Tuesday morning. Elections for the coming year were held, with the office of president going to Mary Westbrook; vice-president to Ruth Sequist; and secretary-treasurer to Ilene Jensen.

Plans were made for a potluck supper to be held on Wednesday, November 4, in the social unit. The affair will begin at 5 o'clock in the evening.

There will be a Lumberjack staff meeting Friday noon in the small dining room at Nelson Hall; all staff members should be there, as important plans will be discussed. Bring or buy your lunch.

## Hockey Games Are Scheduled For November

Tryouts will start on November 3 for the four teams to be organized in girls hockey this year. There will be two freshman teams, a sophomore team and an upper classman team. Manager for the frosh is Jeanne Sweet, for the sophs, Carolyn Merryman, and for the upper classmen, Gilberta Negro. All sophomores must have a physical recheck before trying out.

Games are scheduled as follows: November 10—Frosh 1 vs. Frosh II.

November 12—Sophs vs. Frosh I.  
November 16—Up. Cl. vs. Sophs.  
November 18—Up. Cl. vs. Frosh I.

Six practices are necessary in order to qualify for the team, so girls are urged to get in these practices as soon as possible.

## HSC WITNESSES TURNABOUT IN CAMPUS ATTIRE

Humboldt State College was shocked on the morning of October 19 to see fifteen of its male students attend classes attired in the apparel of the fair sex. This confusion of costumes started the preceeding Friday when ten pretty girls blossomed out in gentlemen's "levis" and logger shirts.

So today, basing their action on "turnabout's fair play" these fifteen male students donned skirts, sweaters and pink slips. Asked for their opinions, the fellows all agreed that they would keep their pants and the girls could have their levis if they wanted them.

## HAROLD NARRON PLUS CRUTCHES EQUALS MISHAP

The ominous silence maintained by all the students in the school library last Friday morning was broken when a heavy thud echoed through the room. The six-foot frame of Harold Narron came tumbling down the stairs accompanied by the clatter of a pair of crutches.

Ever since Harold acquired his crutches—the result of a strenuous football game—he has had difficulty in learning to manipulate them. He admits that they have caused him several embarrassing experiences, but every one who witnessed his upset in the library needs only to recall the crimson glow of his face to say that Harold was then a very embarrassed fellow.

Anyone knowing the address of a former Humboldt State man now in the Armed Service of the United States who would like to receive the Lumberjack is requested to turn in those addresses to the Lumberjack office or box 253.

## Scheduled Practice Began Monday At Four O'Clock

More than twenty men turned out for the first basketball practice of the season late last Monday afternoon. Coach Mathiesen gave the boys the low-down on the game schedule and practice hours, and then put them through a light warmup for the first day.

Practice hours are from four to six on Mondays, Wednesdays, and Thursdays, and from seven to nine on Wednesdays.

The names of the fellows turning out are: Bill McMillan, Earl Biehn, Homer Arnold, Curt Spinaz, Wiley Cousins, Don Wilson, Jim Morrow, Jack Williams, Elvin Jackson, Kenny eGiger, George Brazil, Daryll Brown, Grant Ferguson, Tom Bartlett, Alan Hill, Charles Roscoe, Charles Sweet, Tom Turbush, Harold Narron and Jack Ackerman.

Reader comment is welcomed by the Lumberjack. Send it to "Corned Beef."

Drop a line to your favorite gob or doughboy. See page 2 for list of names and addresses of former Humboldt men in the Armed Forces.

Come to the student body meeting tomorrow at 11 a. m. if you want a chance to made democracy work.
