Favonians' Big Fall Dance Friday

"Heart Of A City" Fall Vehicle For HSC Players

"Heart of a City" by Leslie Storm, the story of London in the shadow of the blitz, will be the first production at Humboldt State College this fall. The play dramatizes the experiences of the actors in the former Windmill Theater in London and has many qualities of the current movie, Mrs. Miniver.

The cast has been announced by Don W. Karshner, head of the speech and drama department, and rehearsals have been started. Some of the parts have been double cast in order to give more students a chance to participate.

Mary Gilmore, prominent in dramatics at the college last year, will play the part of Rosalind, while the second feminine lead goes to a newcomer, Rosanne Hill.

EXPERIENCED CAST

Other veterans in the cast include Marjorie Cloney, Patricia Dillon, Doris Hanson, Janet Aggeler, Howard Goodwin, Nellie Mae Dickson and Jaqueline Levey.

The complete list of those in the play include: Rosalind, Mary Gilmore; Judy, Rosanne Hill; Toni, Marjorie Cloney; Valerie, Jackie Levey and Marion Yost; Gert, Opal Shull; Mrs. Good, Janet Aggeler and Ellen Purse; Bubbles, Donna Garland and Margaret Ackerman; Anna, Gilberta Negro; Daisy, Mary McClelland; Joan, Marjorie Clark; Frenchie, Nellie Mae Dickson; Patsy, Barbara Conoly and Doris Hanson; Lila Saddle, Patricia Dillon; Tommy, Jim Wheeler and Howard Goodwin; the captain, Bob Bell and Bill Poe; and Paul, Dave Tolle and Don Wilson.

The play will be directed by Don Karshner, and Janie Morgan is student production manager. The stage sets will be made and set up by the dramatic workshop crew under the supervision of John Van Duzer.

PLANS ARE MADE BY COLLEGE "Y" FOR BUSY YEAR

This semester the College "Y" is again having its Wednesday noon meetings in the small dining room at the college commons. A program of a variety of speakers and activities is being planned by the group for the fall semester.

On December 3 the "Y's" fall assembly is to be presented as a high spot of the year's activities.

Choral Music To Feature Concert At Christmas

A Christmas concert is being planned by Dr. Edmund V. Jeffers, of the Humboldt State College music department, featuring mostly choral music with the addition of orchestra and brass choir. The chorus now numbers 50 voices and reaches the total of 81 together with the choir.

A few more men and women are still needed for the chorus, Dr. Jeffers stated, and one first bass and one second bass opening exist in the choir. There are no tryouts for the chorus; anyone may join. The class, which offers a half unit of credit, meets on the following days: men, Monday noon; women, Tuesday noon; both men and women, Thursday noon. The singing begins at 12:20 and ends at 1 o'clock.

MADRIGAL GROUP

A madrigal group specializing in the singing of polyphonic music of the sixteenth and seventeenth centuries has been organized, and consists of the following ten voices; first sopranos, Jean McMillan, Joyce Bruner; second soprano, Kay Swap; altos, Nancy Crane, Jackie Levey; tenors, Merritt Neale, Chester Bosch; first bass, Edmund Jeffers; second bass, Bob Oliveira, Charles Fulkerson.

LISTENING HOUR

Listening hours for the "music as a literature" class, and to which any other interested students may come, are held in the social unit, or room 101, from 11 to 12 o'clock on Monday, Wednesday and Friday, and from 3 to 4 o'clock on Wednesday, Thursday and Friday. The music heard here ranges from the classics to the modernists.

Listening Hours Are Scheduled On Thursdays

Listening hours every Thursday night are scheduled for Humboldt State College students this fall, the first three having already taken place. The first and third evenings of music were spent in the lounge at Nelson Hall and the second enjoyed at the home of Mr. George Murphy. Tomorrow evening's hour will be held at the Charles Fulkerson home.

Have a gay time at the Favonian Fall Frolic Friday night! Dance from 9 to 12 to Jimmy Fasullo's orchestra for fifty cents (stag) or seventy-five cents (couple.)

No Changes In Programs After Next Friday

From the registrar's office comes the warning that day after tomorrow, Friday, October 9, is the last day for program changes, and that classes may not be dropped after that date.

AND ALSO THIS

The following plan has been adopted by the presidents of State colleges:

- A. The present weighting system shall be continued; i. e.
 - A. 3 points per unit.
 - B. 2 points per unit.
 - C. 1 point per unit.
 - D. 0 points per unit.
 - F. (-1) point per unit.

B. A student receiving any grade below "C" may repeat the course and may be given the grade and grade points earned in the repeat providing he receives permission from the proper college authority.

C. In computing total "units attempted," the student shall be charged only once for the units of a repeated course, and his grade point average shall be calculated in accordance. (Thus if a student gets an "F" in a three unit-course, then repeats it with a "C" grade, his number of "units attempted" for his course shall be 3 instead of 6.)

D. The application of the provisions in items B and C above shall be retroactive to all student programs at present incomplete. All repeated courses shall be starred on the student's permanent record and a footnote shall be inserted on the permanent record stating that all starred courses are not included in computing the total units attempted.

The effect of this change will be to eliminate part of the present penalty for grades of "F." It will be essential for us to know when students are repeating courses. We shall ask them to star such courses on their study list, but we shall appreciate it if you help to keep us informed of such cases and to impress students with the change in regulations.

Myrtle M. McKittrick
Registrar.

Every bond-invested dollar's gonna make the Axis holler!

PHYSICAL EXAMS

All freshmen and new students must have a physical examination. Anyone who received an appointment please see Mrs. Hadley in the health unit, room 208.

HEALTH EXCUSES

All freshmen missing a class because of illness must get a "health excuse" from Mrs. Hadley or Dr. Jenkins within 48 hours after their return to school. These are given out at room 208 from 11:45 to 12:15 daily.

"Nylons And Neckties" Are Specified For Fall Frolic

Where were you on the night of October 9, 1942, from the hours of nine to twelve at night??? (That's next Friday night.)

Well, if you-all know what's what, you'll be able to say next week, "I was at the Favonian Fall Frolic, you bet!" At least, according to the committee in charge it's slated to be one of the affairs of the year.

"Dressy sport" this year instead of the strictly informal setup of former years, the order of the evening will be "Nylons and neckties"—for the girls, this means date dresses and high heels, and for the boys sport suits and ties. And it's definitely not a formal affair.

Jimmy Fasullo's orchestra will be on hand to provide the sweet (or hot) music, and the admission price has been set at fifty cents for stags and seventy-five cents a couple.

A special invitation has been issued to twenty-five or thirty service men from the air corps, the committee has announced. The bid system will prevail—that is, outsiders are welcomed, but must have bids placed for them in the bid box in the hall.

Music chairman is Pat Bartlett, who also has charge of the tickets. Working on posters to advertise the dance have been Sarah Southworth, Nadine Swan and Mary Westbrook. Vicky Petrovich is decoration chairman.

This frolic is now sponsored annually for the third year by the Favonians, a girls club within the college. President of the club is Mary Westbrook; vice-president, Sarah Southworth; secretary, Vicky Petrovich; treasurer, Ilene Jensen.

HSC Library Has Three New Books Of Current Note

Among new books in the Humboldt State College library which should be of interest to students, according to Mrs. Helen Everett, are the following: "Shooting the Russian War" by Margaret Bourke White; "Assignment in Brittany" by Helen MacInnes; and "The Sea-Gull Cry" by Robert Nathan.

"Shooting the Russian War" by Margaret Bourke White, American photographer who arrived in Moscow in 1941, contains about a hundred of her best pictures of the fierce bombings of Moscow. Not all the pictures are of war, however, but of the Russian people in general.

"Assignment in Brittany," by Helen MacInnes, author of "Above Suspicion," is the story of Martin Hearne, a British intelligence officer who has landed in the small village of St. Deodat in Brittany to find out how and when the

SEVEN NEW HSC FACULTY ARE INTRODUCED

The relationship of college life to the world conflict was stressed by President Arthur Gist in his annual message to the student body of Humboldt State College at its first regular meeting on September 24. The contribution of the college to the war effort, he said, is to make the students understand world conditions and to develop the right personal qualities, especially unselfishness and tolerance.

Pat Bartlett and Ellis Williamson were recently appointed to fill vacancies on the board of control, the following additions to the faculty were introduced: Mrs. Charles Fulkerson, Mrs. George Murphy, Coach Martin Mathiesen, Miss Ilean Koyner, Miss Warren Elmore, Jeanette Christianson, and Francis L. Drag.

Murray Elected Prexy Of Sophs At Tues. Meet

Tuesday at eleven the Sophomore class held a meeting at which Dayton Murray was elected president; Don Hurst, vice; Guy Kieth secretary and Hank Frank, treasurer. A committee was appointed to see about the Freshman initiation—Jack Piersall, chairman; Janice Peers, Marge Clark and Merritt Neale. Nancy Crane was appointed to see about dances.

OSTRANDERS IS SCENE OF WAA PICNIC PARTY

Due the the ever-present problem of transportation the W.A.A. was unable to hold their semi-annual swimming party. This year they had picnic at Marie Ostrander's outdoor fireplace. Everyone enjoyed "free eats" and entertainment from 4 to 6 on Monday, Oct. 5.

The General Chairman for the affair was Ethel French. Ardith Andersen was in charge of the food and Mary Westbrook and Sarah Southworth for the publicity. Alice Wilkinson is President of the Women's Athletic Association this year.

Nazis are going to use the coast of France as an invasion base.

"The Sea-Gull Cry" by Robert Nathan is a novel telling how Louisa and Jeri came over from Europe to Cape Cod, and of the home they find in America.

Humboldt Lumberjack

EDITOR BARBARA CONOLY
 BUSINESS MANAGER DES SHANAHAN
 SPORTS EDITOR BOB BELL
 EXCHANGES AND GIRLS' SPORTS FLORENCE GETCHELL
 RE-WRITE BERT JOHNSON
 GENERAL STAFF JOAN ROTH, JANE MORGAN, JEAN BOL-
 GER, LILLIAN GRANICH, OPAL SHULL,
 PAT WRIGHT, DICK ELKINTON, CHET
 BOSCH, HENRY FRANK, EARL BICKER.

The Humboldt Lumberjack strives at all times to serve the best interests of Humboldt State College, without favoritism or partiality to any group or individuals within or outside of the college. Editorials express only the views of the writer, and not necessarily those of the editor, the Associated Students or the College Administration.

Funny how a thing like that can impress you. I stood in the upper hall looking down into the library on the last day of college and thought, with not a little nostalgia, "It'll never be the same."

It looked so cold and sort of dead with no people there. The chairs were all lined up like they'd never been sat in, and the books were all on the shelves with their faces to the wall. Do books have faces? Well if they had, that's the way it would have been. I felt so bad I wondered if I wanted to come back.

But I did come back, and so did a lot of other people; and new people came and it is the same again. Or, rather, not exactly the same but with the same differences there are in life itself. The vitality is the same.

It's the people who make this college. Not the rooms, or chairs, or books. Sure, they're here. They are the tools and the background. But it's the people, the boy who plays football or commando, the girl on the scholarship society, the kid with the magic touch for music, the budding young scientist, the people who are just people without doing anything particular, your roommate, you and I. And why are we here?

We're here because there are things to be done. There's

a war to be won, and after the war a peace to make and our lives to live. So we're learning to live while we're winning the war—because we are winning the war every time we go to a class in first aid, every time we save the precious rubber on our tires, every time we invest a quarter in a war stamp—and someday, not too far away we hope, we can say, "The War is over. My friends are all about me. I am prepared to take up my life once more in a sane world."

—ye ed.

Scholarships Of Women's Clubs Are Now Grants

That this year's scholarships in music given by the Humboldt County Federation of Women's Clubs will return to actual grants instead of the loans given for the past two years has been announced by the organization.

Awards of scholarships in piano, voice and cello will be made at an 11 o'clock contest to be held on October 31. Applications should be made to Miss Davies by October 17.

The contest is decided on the basis of performance at the contest, the student's scholastic record, and by personal references. The scholarships will pay for a full year's study in private lessons under the following instructors: students of voice, Dr. Edmund V. Jeffers; piano, Charles Fulkerson or Miss Faye Jackson; cello, Mrs. Charles Fulkerson.

Among winners of the Federation of Women's Clubs scholarships in past years have been Carla Peterson Butler, Kenneth Samuelson, Charles Fulkerson,

Many Former HSC Men Now In Armed Forces Of U. S.

Everyday more and more young men of our country are being called into the service of the United States. It is only natural that some of these should be our friends, the ones we have known all our lives and gone to school and college with.

The following list of names of men who have attended Humboldt State College at one time or another and are now with the Armed Forces has been compiled over a period of some time by the president's office. If there are any incorrect addresses, or if anyone knows the address of a boy for whom we have none, they are requested to turn in the name and address to the Lumberjack office as soon as possible. The Lumberjack is mailed free of charge to any Humboldt men in the service.

WITH THE ARMED FORCES

(Ed. note: The following letter was recently received by the Lumberjack from Pvt. Wallace Look, former Humboldt student, and also active on the Lumberjack.)

"Camp Berkeley, Texas
U. S. Army
Sept. 24, 1942.

"Dear Editor (or Barbara, if it's you),

"President Gist told me to keep you guys and gals informed as to the latest address, etc., so here's what is.

"This Army life has returned to good again. Life was as I had heard about Texas: 'You stand in the mud up to your ankles while the sand blows in your face.' Typical, yeah!

"But now I'm a clerical student. School life in the Army is just like college, only—easier! We march to classes, we only have two books to carry, two study periods a day, and civilian women for teachers, besides our Army officers. It's really good! Drill and

routine are cut to a minimum. We carry on just like college Joes—known in the Army as 'G.I. Joes' except there's nothing very co-educational.

"But the sheltered life is good enough for me." There're two huge recreation halls right outside our door. Pianos, radio, phonographs, lounges like those in the Dorm, desks, magazines—coke machines! Everything's good, kiddies. Especially the food, here!

"Rush Lumberjack as soon as published! That's one of the many things about Humboldt I don't want to forget!

"What we Californians wouldn't do to see one redwood on the plains of Texas. The mesquite trees here are 8 feet at their tallest! And I saw my first cotton fields one morning from 8 to 12 when we were on a lovely little 10-mile hike.

"My regards for the duration, and please, don't anyone kill himself working in the L. office.

"Regards,
Wally.

CORNERED BEEF

KINTERGARDEN COLLEGE

These kiddies who scribble all over the bulletin boards in the halls! It makes our college look like a kindergarden, and did you ever stop to think that maybe just maybe the person whose name you are writing won't like it either.

CAKES AND ALE

Come on gals and guys lets turn the Libe into a picnic ground. We'll all bring our cakes and ale into the Libe and throw a gigantic party. No one wants to study anyway—oh no!

TIME COUNTS

One last word. If you are in the cast of "Heart of the City," get there on time.

FARCE

Trying to be smart at nominations for class officers isn't a good idea. Remember those officers serve us for a year. Incidentally no gals at meeting.

NO COMMENT

We had a beef last year—but it's been fixed—new pencil sharpeners.

MORALE

People's smiles—morale—bringer-upper—Pleasant classroom — — — — — Murph's.

Anyone knowing the address of a former Humboldt State man now in the Armed Service of the United States who would like to receive the Lumberjack is requested to turn in those addresses to the Lumberjack office or box 253.

LOOSE ENDS -

BY SNOOPERWOMEN

Here's about kids 'n things . . . Pat Wright and Don Wilson dated one Saturday night . . . fun. Another Sat. night two-sum equals Sally Westbrook and Bob Bell.

What's this about the Ackerman-Kemper blackout?

Those steadies Jean and Gene phonetalk for hours from boys' to girls' dorm, and vice versa.

The Navy is another gal's guy—Faith Hope. With the name, Faith, you can't lose.

The new Mrs. Franklin Allen is back to school. She was the former Fern Cox.

Virginia Hill and Dean Lansing I - dood - it this summer.

Seems there are more Mrs. than hits nowadays.

Margie Nellist and Joe Conrad have agreed—and it's an elegant diamond.

Helen Anne Neale and her A-1 Dan McClure were seen in the halls during the past week. Proud as can be and we don't blame her.

One Sunday afternoon who should we see but Katie Morgan and Grant Ferguson buzzing about in a car with four good tires.

Has Charley Vogel found Lila? Ilene and Bill—Bill and Ilene. What's Cookin'?

We've heard confidential like, that Janey Morrow is majoring in Marine life.

Do you spell it Carol or Caryl, Vernon?

That popular Mr. Murphy looks happy as can be and we know why, too.

We saw the kids admiring your driftwood pin, Mary Westbrook. It was a date the other night for Lala Grove and Don Cameron.

Rosanne Hill and Dayton Murray seen around the halls of late.

Wisdom teeth are being pulled at H.S.C. Normal Kinkela and Mary McClellan went through it already and Marion Yost is slated to have her's out.

DORM GOSSIP

What happened to those Second Lieutenants . . . Oh, I forgot, Nelson Hall girls never talk out of the windows.

I hear that next week Alice Wilkinson's heart will be at the Salton Sea (in So. Calif).

Gwyneth Langdon is very happy for it is rumored that Ed Burgess will be in Arcata for a week or so before he leaves for the armed services.

?????

Why does a certain fellow whose initials are Charlie Moore call up the Women's Dormitory every night at 10:00?

Why is it that half the mail for the women's side is addressed to Sweet or Hovey.

(Ed Note:—This is where Snooperwomen were officially squelched.)

Several Scholarships And Loans Offered To Students

Each year at Humboldt State College a certain number of scholarships and loans are given by various foundations and organizations to students chosen by them as most deserving of the awards.

Scholarships in music are given by both the Humboldt County Federation of Women's Clubs and the Musicians' Union, and music loans are made by the Sequoia Music Club. Other scholarships are the John F. Craig scholarship, the Edith R. Craig scholarship, the Chi Sigma Epsilon scholarship, the Humboldt Association Loan fund, the South Fork Union high school P.T.A. scholarship, the Business and Professional Women's Club of Eureka loan, the Ferndale Junior Women's Club scholarship, and the Men's Association scholarship.

MUSIC SCHOLARSHIP

The County Federation of Women's Clubs awards are made from the proceeds of the annual Tulip Tea given by the organization. Recipients must enroll in college and be a music major or minor students. Awards by the Sequoia Music Club are in the form of a fifty dollar a year loan to students who try out successfully; those eligible for awards are students from Humboldt County high schools, and must attend Humboldt State College during the time of the award. The Musicians' Union scholarship is awarded to men only; winner for 1940-41 was Jack Sutherland.

THE CRAIG AWARDS

Winners of the John F. Craig scholarship in past years have been: Helen Woodcock, 1939-40; Dorothy Hunt, 1940-41; Mary Silva, 1941-42; and June Fountain, 1942-43. Miss Fountain was alternate for Fred Slack, original winner, who did not return to college this fall.

Winners of the Edith Craig scholarship have been Frances Nye, 1939-40; Zelma Woodcock, 1940-41; Floyd Marchi, 1941-42; and Oscar Sequist, 1942-43.

CHI SIGMA EPSILON

The Chi Sigma Epsilon scholarships are given on the basis of scholarship, character and participation in student activities. Winners from 1937 up to this year have been (in order): June McCombs, Frances Nye, Mary Silva, Jean Bolger, Colleen Murray.

Recipients of the South Fork Union high school P.T.A. scholarship have been Alice Wilkinson, 1940-41, and Bernice Brown, 1941-42, and of the Ferndale Junior Women's club, Ronald Becker, 1940-41. The Arcata Business Girls' scholarship has gone to Jacqueline Naggair, 1939-40; Joyce Abbott, 1940-41; and to Marilyn Stouder, 1941-42.

Men's Association scholarship winners in past years have been Kenneth Newell, Ivan Olsen, Kenneth Wood, Frank Frieden-

Personnel Board Has Openings On Its Own Staff

SACRAMENTO, OCTOBER 6—The State Personnel Board today announced a series of examinations for positions on its own staff with entrance salaries ranging from \$155 to \$230 a month. There are positions open on both the recruiting and examining and on the classification staff.

The salary for Junior Personnelist is \$155 a month. The entrance requirements are graduation from college and experience in one of the following types of work: six months in public or private personnel work, six months in interviewing or referring applicants in a public employment office, or one year in a recognized profession, or four units of graduate work in personnel administration.

The entrance salary for Assistant Personnelist is \$185 a month. The experience requirement is one year of experience in work comparable to that for Junior Personnelist.

OTHER JOBS OPEN

The entrance salary for Associate Personnel Examiner and Associate Personnel Technician is \$230 a month. The entrance requirement for Associate Personnel Examiner is in the preparation of written and practical tests, in placement interviewing, in one of the recognized professions, or in making occupational analyses. The experience requirement for Associate Personnel Technician is one year in position classification work, in developing and maintaining a pay plan, in making occupational analyses, in placement interviewing or in one of the recognized professions.

Additional experience of the required character may be substituted for education in any of these examinations on the basis of one year of experience being equivalent to one year of education.

Applications for all these positions must be filed by October 19, 1942. Applications and information concerning the examinations may be obtained by writing to or calling at the offices of the State Personnel Board in San Francisco, Sacramento, or Los Angeles.

Q—Is oil on a garage floor dangerous, outside of the fact that one might step in it and slip and fall?

A—Oil on a garage floor is not only dangerous but a positive danger to the life of tires. Oil soon rots the best tire. An old mop should always be handy around a garage to wipe any oil that leaks and drops to the floor.

bach (did not enroll), and Wallace Scott.

BASKETBALL PRACTICE TO START SOON

the SPORT SCENE

—BY BOB BELL—

COMMANDO

Although football at Humboldt has been dropped for the duration of the war, the boys in the Commando class may get a little taste of the sport after all. Coach Mathiesen has been trying to schedule a few games for the Commando team and has been getting pretty good results. Games hoped to be played are with the Eureka High team, United States Coast Guard Station, and with the several Army Camps around Arcata.

This Physical training program at Humboldt was organized by Marty Mathiesen and based on the Navy's Pre-Flight Training course at St. Mary's College. It is being backed enthusiastically by both the faculty and the men students, and consists of a large variety of sports combined with barrier and obstacle races. Some of the sports are football, wrestling, boxing, baseball and track events. Those of you that think you are pretty fit should come out and see just how you stack up with the other fellows.

College authorities are now making plans for a compulsory physical fitness program at Humboldt which will probably start next semester. This program is now being carried out by many other colleges and universities, and is meeting with the approval of the military authorities.

POSSIBLE FRIDAY GAME

Since inter-collegiate football is out for the durations, the hunkies at Humboldt are not going to do out of it altogether. The commando training class, coached by Marty Mathiesen, has got to-

gether a pretty fair football squad and may play the Eureka High School team this Friday.

Pittsburg High, which was scheduled to play the High School this Friday, will probably have to cancel its game due to transportation difficulties—sounds familiar.

The commandos were issued their equipment last Thursday and practice started the same day. With only one week of practice and with a scarcity of reserve players this reporter is giving odds they will give the High School its toughest game.

HERE'S OUR SQUAD

The names of the players for the college team are: Jack Ackerman, Lyle Alkire, Tom Bartlett, Bob Bell, Earl Biehn, George Carpenter, Wiley Cousins, Fred Iten, Elvin (Fin) Jackson, Herb McKane, Bill McMillen, Harold Narvon, Bill Poe, Dave Tolle, Jim Wheeler, and Bud Windsor.

DON'T MISS IT!

Coach Mathiesen has made a game with the United States Coast Guard Station at Eureka for sometime in the near future. These Coast Guard fellows have some pretty good men playing for them and they are not midgets by any means. This game should be tough for the commandos, and your reporter says "don't miss it."

Other games hoped to be scheduled are with the Army Stations around Arcata and Eureka. These games can be played without cost to the college because there will be no transportation cost, no living cost for the players and no insurance or guarantees to be promised to the visiting teams.

Q—How often should tire inflation be checked, and why?

A—Tire inflation should be checked at least once a week. And one should not be too lazy to unlock the rear compartment of the car and also check the spare tire air pressure. Tires, when underinflated, deteriorate out of all proportion and such damage is unpatriotic and needless.

MARTY MATHIESEN NEW COACH AT HUMBOLDT STATE

Humboldt State College has added to its faculty this year Martin "Marty" Mathiesen, who has taken over the job of athletic coach, replacing both Harry Griffith, now in the Armed Forces, and Earl Hoos.

Coach Mathiesen graduated from San Jose State College, where he played on the varsity football team and was chosen on the All Western Conference team in basketball. He later did post-graduate work at the University of California.

Marty has had eight years of valuable coaching experience as athletic director at Marysville, Chico and last year coached at Eureka High School.

In the recent council meeting regarding whether or not Humboldt State College was to have inter-collegiate football, Marty expressed his views and gave the facts on both sides of that question. After stressing the facts at the student council meeting Marty said, "I am not trying to swing this issue one way or the other, and if football is voted out at Humboldt State it will be through no fault of mine. But if I have to take any of the blame I am big enough to take it." Everyone knows that it was no under-statement, as Mart stands six feet five and one half inches high and weighs two hundred and twenty-five pounds on a clear day. He is married and has two exemptions. Marty hopes to be with us for a little while at least.

Marty has already made preparations for an active athletic program in accordance with the restrictions on certain sports due to present war conditions.

"Le Jazz Hot" In Regular Session At Nelson Hall

BY CHET BOSCH

We recently had the pleasure of interviewing one of Humboldt's most select musical groups, the Nelson Hall Chamber Music Society, also known as the unholy Five. The members—Dayt Murray, piano; Chet Bosch, bass; Gene Blackburn, drums; Don Wilson, Clarinet; Pat Grazoli, accordion—gave us the following confidential information:

The style is the every-man-for-himself-and-try-to-end-together type. This is rather difficult because of the versatility of the musicians (they have been known to play in two tempos and three keys at the same time.) They abhor written music—mainly on account they can't read. At least one piece in their repertoire is slightly recognizable. A dispute, however, has arisen as to whether it is the Johnson Rag or Franck's Symphony in D Minor.

If you have strong nerves and are not afraid of being reduced to a state of violent frustration, come to the dorm some night and sit in on the session. Music hath charms—

California State institutions last year deported to other States 540 mental patients and juvenile delinquents at a long-term saving to taxpayers of \$1,300,000.

Four Lettermen Back; Nine Games Tentatively Slated

According to the Athletic Department, basketball practice will start sometime in the middle of this month, probably October 19. The four returning lettermen at Humboldt State are Fred Iten, Darrel Brown, Howard Goodwin, and Grant Ferguson.

The team has a large schedule this year but all the games are not definite because of TRANSPORTATION PROBLEMS.

The game schedule is as follows: Ashland—December 11 and 12. San Jose—January 8 and 9. Cal. Poly—January 15 and 16. Col. of Pacific—January 22 and 23. Chico State—January 29 and 30. San Francisco State—February 5 and 6. Chico (there)—February 12 and 13. Ashland (there)—February 19 and 20. Cal Aggies—February 26 and 27.

The Athletic Department says they also hope to get a game with the Naval Training Station at St. Mary's College sometime during the Basketball season.

Hockey Games Will Begin Soon -- Girls Urged To Try Out

Mrs. Monica Hadley is urging all girls to try out for hockey teams this fall at Humboldt State College. The physical education classes for hockey meet on Tuesday mornings from 10 to 11 o'clock and from 4 to 5 o'clock on Tuesday afternoons. The first games will take place in about a month.

Vickie Petrovich, general manager for hockey, has announced the following class managers: Jeanne Sweet for the freshmen; Carolyn Merryman for the sophomores; and Gilberta Negro for the upper classmen.

Q—I have been instructing my young daughter how to safely and correctly operate a motor vehicle. As yet she has no license. Occasionally she goes on an errand to the store and uses the car. Is that permitted by the law?

A—By permitting your daughter to drive, when she does not hold a license, you are subject to prosecution for violation of Section 335 of the Vehicle Code.
