

# Humboldt Lumberjack

HUMBOLDT STATE COLLEGE in the REDWOOD EMPIRE

HUMBOLDT LUMBERJACK, WEDNESDAY, FEBRUARY 11, 1942

## Public Showing Of One-Acts Tonight

### COMPETITIVE SKI CONTEST FEBRUARY 22

Humboldt State College Students will have a competitive ski slalom sponsored by the Humboldt Ski Club on Sunday, February 22, at the Grouse Mt. ski area. The contest is open to colleg students and the winner will awarded the Eddie Koskela Ski Shop perpetual trophy, while second and third place awards will be a silver medal and a bronze medal.

Dayton Murray is chairman of the college event and an entrance fee of thirty five cents has been set. The college contest is set for 12 o'clock noon. Other contests include the Carson Cross Country Race open to men and women, a slalom open to 1942 beginners, the Milton Pellegrini High School Slalom, the Betty Cralle Slalom, for women only, the Hirsch-Weis Perpetual Trophy Slalom which is open to men only, with five awards being made.

College students planning to enter the collegiate contest have been requested to report to Chairman Dayton Murray anytime before the race and make payment of the entrance fee. Judges for the contest will be Supervisor Fred Anderson, Wes Hotelling of the U. S. Forest Service and Dr. Ben Matson of Arcata.

### W. A. A. Meeting Scheduled Thursday

W. A. A. members will meet Thursday at 11 a. m. in the auditorium, with Nadine Swan, presiding. Chevrons and sweaters will be awarded for women's athletic activities.

Chevrons and sweaters will be awarded to women with a minimum of 300 points. Jean Bolger is program chairman, and will take charge after the business session.

All members are urged to attend.

### S. Ranta Becomes Mrs. Kenneth Wood In Reno Elopement

The announcement of Sadie Ranta's marriage to Kenneth Woods, of Eureka, came as a surprise to her many campus acquaintances. Married Saturday at Reno, Nevada, they arrived back in Humboldt county Monday evening.

Mrs. Woods is taking a special physical education course and has previously resided at Nelson Hall. Kenneth Woods is now employed by Fluhrer's Bakery of Eureka, and formerly attended Humboldt.

They plan to live in Eureka. Mrs. Woods will finish the semester at Humboldt State.

### "IN THE ZONE"

Davis tells Driscoll that Smitty "was standing right there, in the middle of the fo'c'sle, see, with no shoes on, mind!"

A scene from "In the Zone," with Thurston Womack (left) as Driscoll, and Sheldon Reaume as Davis.

Lumberjack Photo by Stan Pedley.

## Second Performance Of Four Plays Presented at 8:15 p. m.

The second event of the current drama season, an evening of four one-act plays, was presented last night to an enthusiastic student audience in the college auditorium. The same program of plays will again be presented tonight at 8:15 to a public audience.

Three of the plays were directed by Don W. Karshner, director of drama at Humboldt, and the final play, "Storm in a Penthouse," was directed by Richard Jarboe, former Humboldt student and thespian.

#### FIRST OFFERING

First on the program was Eugene O'Neill's tense "In the Zone," one of the short plays from which the picture "The Long Voyage Home" was adapted. The characters were all hard-bitten sailors on an ammunition ship. Standout performer of the piece was probably Thurston Womack as Driscoll, king-pin of the fore-castle, while Oscar Sequist, Don Hurst, Sheldon Reaume, Dean Galloway, among others, were competent.

Second came the Dorothy Parker dialogue play "Here We Are," with Bill McMillan and Donna Garland comprising the cast. Give Dorothy Parker a newtywed couple and her dialogue will always draw laughs from an audience, and of course this one was

no exception. Both performers were excellent in their portrayals of the sometimes-blissful, sometimes-bickering couple.

#### ANTI-NAZI PLAY

"David's Return" a sombre, anti-Nazi play dealing with the persecution of Jews, was the third offering of the evening's program. The play was dark and moody with little chance for individual characterization except through voice. Standouts were Clarke Neilist, Robert Olivera, Marilyn Brown, and Lillian Granich.

#### WELCOME RELIEF

The last play, "Storm in a Penthouse" was a welcome relief from the static, tense "David's Return." The principals, Ellen Petersen and Jack Sutherland, as a continually acting stage couple, gave the highlight performances of the evening. Ellen Petersen, a newcomer to Humboldt drama, was a pleasant surprise in her role. Stanley Roscoe and Patricia Bartlett were competent in shorter roles.

#### DON'T DELAY

If you haven't signed up for the Student Varieties Show, don't delay any longer! Contact Mr. Donald Karshner in Room 104.

### Mutsuhito Group Changes Club Name To "Favonians"

According to word received Monday from Chico State College chapter, the Mutsuhito Club name has now been officially changed to the Latin "Favonians." Shirley Kirkpatrick, president of the Humboldt club, made this known Tuesday, and at the same time she announced that the regular business meeting of the club is scheduled for Tuesday night, February 17, at 8 p. m.

Plans for the St. Patrick's Day Breakfast, and the Founders' Day celebration will be discussed.

New pledges will be considered at this time. Members are asked to bring lists of proposed new members.

### 102 Students Have Signed for Show; Acts Outlined

To date one hundred and two student have registered for work on the production of the Student Show. This figure was the result of tabulation of the orange sheets, by a small group that met at Mr. George Murphy's at Trinidad Saturday.

#### TWO ACTS

The general outline of the show, which is now tentatively planned in two acts, was completed. Details for many of the scenes were assigned.

Dinner was prepared and served by Mr. and Mrs. Don Karshner and Mr. Murphy. Those present were Dean Galloway, Stan Roscoe, Helen Hartsook, Sheldon Reaume, Wally Look, Thurston Womack, Mr. and Mrs. Karshner, and the host, Mr. Murphy.

### Council Appoints Scholl To Post

Lolly Scholl was the unanimous choice of the Executive Council to fill a vacancy on the Board of Control at Monday's regular meeting. She is a senior student, and will replace Rosie Ivancich, who has accepted a teaching position.

Warrene Elmore's resignation as secretary of the student body was accepted. No action was taken by the council to fill the vacancy.

#### SOCIETY EDITOR TO ATTEND STAFF MEET

Mrs. Jane Maggard Speck, society editor of the Humboldt Times, will speak to members of the Lumberjack staff Thursday noon at Nelson Hall.

Mrs. Speck will also visit various clubs during the day, and will attend a tea tomorrow afternoon given by Mrs. Arthur Gist.

## Chi Sigma Epsilon To Name New Members February 17; Program To Feature Choir

An unusual program of entertainment will feature Chi Sigma Epsilon's Annual Scholarship Benefit Assembly Tuesday, February 17. Of special interest is the news that the College A Cappella Choir will make its first appearance before the student body at this time. Mr. Edmund Jeffers will direct.

#### TO ANNOUNCE NEW MEMBERS

At this time the new members of both Chi Sigma Epsilon and Rho Sigma will be announced.

Susan Wilson, president, states that the order of the program has not yet been arranged, but the following numbers will be presented:

A reading by Mr. George Murphy; songs by a trio composed of Katherine Swap, Ellen Petersen, and Nancy Crane; trombone solos by Jack Sutherland; presentation of the Graduate Manager's Cup for Inter-House Scholarship; clarinet solo by Muriel Yaley.

Norma Villa has been appointed secretary of the society by Susan Wilson, succeeding Mrs. Miller, who is no longer at Humboldt. Other officers are Mary Borneman, vice-president, and Frances Larsen, treasurer.

Urge your parents to attend the One-Act plays tonight. Worthwhile entertainment!

### Council Ousts Yearbook Manager

Climaxing hectic discussion, the Executive Council vacated the office of the Sempervirens' Business Manager last Thursday in a special meeting. Maury Ayala has held the office for the last two months. Complete text of the resolution was, "In view of the fact that the business manager of the Sempervirens has failed to function, the Executive Council declares the office vacant."

### Yearbook Staff Plans 'Best One Yet'

Past the barred door of 106 comes word that the biggest and best Sempervirens yet will be out on schedule this semester.

Re-scheduling of the junior and Mutsuhito pictures will continue this week and next, and members are urged to cooperate. Editor Williams stated.

Assisting Wallace Williams on the staff are Stan Pedley, Eleanor Matthews, Dick Elkington, Pat Patterson, Jack Sutherland and Helen Hartsook.

# Humboldt Lumberjack

EDITOR.....HELEN HARTSOOK  
ASSOCIATE EDITOR.....SHELDON REAUME  
BUSINESS MANAGER.....PAT PATTERSON  
SPORTS EDITOR.....DON HURST  
RE-WRITE.....WALLACE LOOK  
FEATURE EDITOR.....ROD BELCHER

GENERAL STAFF: Mary Westbrook, Fred Smith, Ruby St. John, Dolly Toole, Jack Kellogg, Thurston Womack, Eleanor Matthews, Barbara Conoly, Maury Ayala, Dean Lansing, Elizabeth Witte, Del Goodyear.

The Humboldt Lumberjack strives at all times to serve the best interests of Humboldt State College.

Editorials express solely the views of the writer, and do not claim to express the views of the editor, the Associated Students, or of the College Administration.

Some time ago the Executive Council passed a resolution stating that any organization that published an event before receiving permission to hold the event would not be granted permission. The Lumberjack carried this notice to all the students at that time. However, lately the students have entirely neglected to observe this rule.

It is exceedingly important for every student who is connected with any organization of the Associated Students to take notice of this resolution NOW. It is for the benefit of your organization! Please observe it!

—Fred Slack,  
President.

## College "Y" Buys Piano For Dorm

The College "Y", has bought a piano for the little dining room at Nelson Hall.

The piano, which was placed there just before Christmas, is an upright, and was purchased for use in all students activities at the Commons.

To start the spring semester, the "Y" has planned a series of meetings on "The Christian's Outlook on War." Two speakers will present opposite views on the idea of conscientious objectors, and the third week will be a panel discussion on what was presented.

The College "Y" meets every Wednesday noon at Nelson Hall in the little dining room for lunch, singing, music and a speaker or forum. All students of the College are invited to the meetings.

Listening Session

TUESDAY, FEB. 17—  
Chi Sigma Epsilon Assembly  
at 11 A. M.  
Mutualite Meeting, 8 P. M.

## Out Of The Fog

### BASKETBALL MEMOS

"Two-Gun" Godwin goin' Western with the waitresses along the line—Rod Belcher giving out with venomous language at four ayem following a "rendevouz" with I. W. Harper—the all night black-jack game—the players staying on the eleventh floor of the San Francisco YMCA—twelfth floor, women only!—Bill "Henpecked" Lee spending quiet evenings at the Y (eleventh floor) while who was tripping what light fantastic Friday night? National Defense again!—what's this about the new athletic manager of the Basketball squad? Well, Harv, how's about it?

### OFF THE COB

Look on page one for our candidate for Atlas' next experiment—high point of the pancake feed head Tuesday by "Chief" Jenkins for his pottery class was a side remark by Elmo Giulieri—"C'mon, kids, get your cakes hot off the girdle!"—Spring has sprung judging from Schmidt-Reaume romance—Howard Goodwin piling off the 12:30 bus from Fortuna.

### HABIT FORMING, ISN'T IT??

Repeated re-scheduling of what certain prom sponsored by what two upper classes is becoming monotonous? Last dance was the Post Mortem, held after finals, and, although the war condition still prevails, there's no reason for this danceless interlude. Certain headless classes should try pulling together for a change.

Bringing World War II close to home, Humboldt Staters battled with war time. Groping down "10-wattted" halls, was one student viciously muttering, "I like President Roosevelt but . . . (deleted) Len Longholm opened the door to his Econ. class and met the members coming out. President Gist,

difficult to the last, insisted on eating at 1:00—"How can I tell my stomach it's twelve when it isn't?" quoth he . . .

Now after three strenuous mornings, students are getting used to this abnormal condition. Sleepy and groggy, they realize that we're "going to have to slap those dirty little japs" to revive our good old pacific standard time.

\*\*\*\*\*

### SUGAR AND SPICE

"Sugar and spice and everything nice—that's what little girls are made of." In other words, this is strictly for the feminine 60 per cent of our population.

Highly successful was the Freshman Tea given for the new freshmen women last Thursday. The council really gave the new girls a welcome. Hostesses were the members of the council and the Dean of Women, Mrs. Griffith. Not bad girls, in fact, pretty nice!

What we see when it rains—Jean Quarnhelm with her cherub totting a halo—Daffodils and camellias growing in the hair instead of the good earth—sure signs of Spring, don't you think?—Nice work if you can do it, though.

\*\*\*\*\*

Pink definitely the mood, or so seems. Saw Janie Morrow flitting to classes the first week in a strawberry sweater that was definitely on the go. Some one else in a pink and brown tweed who wouldn't turn her head for identification but the suit was cute.

New and clever—the Mumbo-jumbo that Jackie Levey was packing around on the lapel of a plaid suit. The fellow carries enough brass rings around the neck to win the war—poor fellow.

## Radio Class Gives Two Broadcasts

Two broadcasts were made from KIEM this week by the Radio Production Class, "plugging" the four one-act plays. A record of the last broadcast will be studied and criticized by the class.

Those taking part in the broadcast were Marilyn Brown, Marella White, Stan Roscoe, Jack Sutherland and Don Karshner.

# BULL SESSION

BY S. E. REAUME

"There are more things in heaven and earth, Horatio, than are dreamt of it your philosophy."—Shakespeare.

And under the heading of undreamt things comes this: Nick Nickerson is in the Army Air Corps! No kiddin'!

To those of us who know Nick and his unpredictable ways this was scarcely a surprise; after all, he had told us he was going to join the navy—At any rate, good luck, Nick Remember: Kleep'em flying—buy a bond—Remember the Alamo, the Maine, Pearl Harbor and Bundles for Congress — (P. S. He's in the ground crew)

\*\*\*\*\*

### BOUQUETS

To the faculty for voting to buy defense stamps and bonds to the limit of their ability—to the faculty member who offered his services to the U. S. O. for a year, sans pay—To Olivera for a swell performance last night — To the hundred-odd students who signed up for the Student Show.—

\*\*\*\*\*

### DISHONORED ROLL

Wm. Randolph Hearst's double page spread in his "journal" last Sunday, attacking the Russian Government) In spite of what we may think of Communism, it's worth remembering that the "Bloody Reds" are the one nation in the world that is successfully checking the axis and "making the world safe for democracy"—The committee in charge of a certain unmentionable dance — for inefficiency and apparent disinterest.

\*\*\*\*\*

### RANDOM NOTES

Don't know if she has recorded it yet, but Dina Shore's rendition of "Blues in the Night" is one of the best of best.

\*\*\*\*\*

### NOTES

To those who would be interested in the life of one of the lesser known geniuses of our time is recommended a series of articles appearing in the Saturday Evening Post, starting Jan. 17. Lee De Forrest is the man; failure and disillusionment form the narrative background—

\*\*\*\*\*

Soft lights and sweet music dept: Decca's recent release of three albums of sophisticated popular music cut by Carmen Cavallaro. "Dancing in the Dark" (one of the triad) is a best seller in San

Francisco—soon will be here—

Board of painless education: If you are like I am and like your information "drawn in pitchers," may I offer this little gem: Problems in Modern Europe. Bird's eye view of European problems sans pain, sans grind, and almost sans reading—

\*\*\*\*\*

### I PAUSE TO INQUIRE

What C.E.S. director has been attending Salvation Army Revivals and Spit and Whittle meets?—His answer is that he's viewing the Socratic method in action, but—

\*\*\*\*\*

### CORRESPONDENCE

Dear Sir:  
Appropos of your mention last week of the lack of an Associated Student's meeting, here is another omission I'd like to point out: There's been no financial report at a Student Body meeting for almost two months. I feel as you do that students should be kept informed of the uses to which their money has been put.

Perhaps Mr. Carlson will oblige next time.

(signed)

P. D. G.

(Dear P. D. G.—My squib was answered last week—but quickly—let's see how promptly this brings results. S. E. R.)

\*\*\*\*\*

### ADVICE

In case of an air raid, if you should be the victim of a direct hit, don't go to pieces—just lie quietly and the sanitation department will take care of you.

S. E. R.

Lumberjack staff members will meet at Nelson Hall Thursday noon in the small dining room. Important.

## Student Body Meet Has Play Preview; Faculty Praised

In a sparkling preview, three students presented a scene from "Storm in a Penthouse" at the regular Associated Students meeting Thursday, February 5. The farce, one of the four one-acts presented last night, was directed by Richard Jarboe.

### FACULTY LAUDED

Enthusiastic applause was accorded the faculty when President Arthur Gist presented a detailed report of their participation in twenty-five kinds of defense activities.

Eddie Ruud's piano solo "The Man I Love," started off the program. It followed a brief business meeting, during which the minutes were read and Fred Slack presided.

## Frost Lectures To Rifle Club

Safety rules, types of rifles, and cartridges were covered in a lecture by Mr. Jack Frost to the Rifle Club at its regular meeting Tuesday, February 10, in the Social Unit.

President Herb Christie presided at the short business meeting which preceded the lecture. After some discussion it was decided that while the Rifle Club will function as a club, any member so desiring may receive a half unit of physical education credit for participation.

## President Gist Hears From Naval Ensign Jack Lawyer

The following letter from Naval Ensign Jack Lawyer, stationed at Pensacola, Florida, was received by President Gist earlier this week, Tuesday, January 27.

"It is now 1:50 A. M. I am writing this while on watch. But before I start talking about myself I want to thank you for the card. It was a very welcome surprise.

"I didn't know whether or not to address this little note to the student body so I'm just sending it to you and if you want to you might say hello to all the fellows there. Also tell Mr. Arnold that I think of him often.

"Well, since July 18, '41 I have been an instructor in the patrol bomber squadron here. We call our planes "P boats" or Big boats" or flying boats" whichever is easiest to visualize. You have no doubt heard of the "Catalina"—well, that is what we fly here. Fifteen to sixteen tons of airplane powered with 2—1150 horsepower engines. They are about 85 feet long and have a 104 foot wingspread. They are too heavy for their power so they will only cruise at about 120 knots.

"But that's too much talk about myself. I know some of the fellows are interested in this place, especially Lyle Alkire, so I will outline the course briefly. There are 12 weeks of ground school which includes radio procedure etc., airplane structure, engines, navy procedure and all that dry stuff. In Squad No. 1 the students fly our smallest plane, namely Stearman or navy built trainers with 225 horsepower. In Squad No. 1 he learns how to fly and included in that is stunts, circle shooting and a lot of precision work. In Squad No. 2 he flies heavier ships (4000 to 7000 lbs.) and learns to fly formation. In Squad No. 3 he wonders why he ever took up flying. That is the instrument squadron where he learns the fundamentals of instrument flying and radio beam flying. From Squad No. 3 he will go to Squad 4 or 5 or to the fighter squad where he finishes up and gets the wings. Squad No. 4 is my squad which I have al-

## Mutsuhito Club Has Special Session

Mutsuhito Club members met in a special session Tuesday noon, February 3. The group discussed changing the name of the club, and it was decided that definite action will be taken at the next regular meeting. Shirley Kirkpatrick presided.

Attending were Phyllis Gray, Sarah Southworth, Mary Westbrook, Gilberto Negro, Vivienne Nelson, Dolores Scholl, Carolyn Crane, Pat Bartlett, Sadie Ranta, Jean Bolger, Nadine Swan and Mona Taubman.

The next regular meeting is scheduled for Tuesday night, 7:30 to 9 p. m., February 17.

## Brass Shortage Hits Dogs

DETROIT.—The bite is being put on Fido at last—by the defense program. Because of shortages of brass and aluminum, now specified for dog licenses by ordinance, the Detroit City Council will be asked to approve the substitution of metals not required for defense purposes.

### NAVAL BASE

Humboldt, in an effort to further its policy of "every student in some defense activity," presented last Friday night in the Samoa gymnasium, for the Naval Base, a joint program from the Drama and Music Departments.

Lumberjack staff members will meet at Nelson Hall Thursday noon in the small dining room. Important.

ready explained. Squad No. 5 is small seaplanes of the type used by battleships.

"When I flew to the coast in November I stopped in Corpus Christi and saw Tom Amen and Herb Gomes. It sure was good to see them and I understand there are several more there. I would like to see more of the fellows get in. I'll guarantee they'll never regret it.

"I would like awfully much to see you again and hear the news from good old H. S. C. Also if any of the fellows want any information tell them to be sure and write me and I'll tell them what I know."

## "Pop" Jenkins Has Letter From Former Student Now In U. S. Marine Corps

Dear Pop:

I guess you are wondering what became of me. Right now I am down in San Diego in what is called "Boot Camp" of the United States Marines. I joined the Marines on the 10th of last month and arrived here on the eleventh of January.

Well, this is quite a change from the type of life I have been used to. At times it is pretty good and at others I sure get tired. It will be much better when we get out of "Boot Camp" which will be in about three weeks.

They feed us pretty well here, but the hours are a little long. We get up at 4:20 in the morning and go to bed at 9 or 10 at night. We are kept pretty busy most of the time.

Sunday is the easiest day for us here. The reason it is so tough for us is that we have to complete in five weeks what they used to do in three months. The longer I am here the better I like it. I just signed for the duration of the war, but if I could really get into something pretty good I will sign up again. If not, I still plan to go to Stanford for my Masters Degree.

How are things at Humboldt, Pop? I guess there are a lot of the boys missing that used to be there. How about Chan and Harold? Are they still working and going to school, or did the draft get them?

I wrote to some of the kids at College but since then I have been transferred so I haven't got their mail yet—if they wrote any. My platoon used to be the 63rd but now it is the 114th. If you see Miss Platt or any of the others give them my regards.

Well, Pop, I guess I'll have to close now so 'bye and hello to your wife for me. Take care of yourself.

Sincerely,

Bill Farber.

## Taylor Urges New National Anthem

BOSTON, — Composer Deems Taylor believes the war will produce a "singable" national anthem.

Until such an anthem is written he suggested that the "Battle Hymn of the Republic" should be substituted for the "Star Spangled Banner" which is "too difficult to sing."

### TRY IT

## "Victory and Peace Shelf" in Libe Now

It's your "Victory and Peace Shelf"! If you want to know more about air raid shelters, blackout precautions and how to precaution, civilian nutrition, war factory efforts, plans for peace after war, just visit the shelf right behind the librarian's desk—there's where you'll find your information.

And if you have any literature that you feel should be added to the shelf, just take it to Mrs. Everett or Mr. Graves. Meantime, get acquainted with the shelf!

—Jean Bolger.

## Baseball Prospects To Meet Thursday

All men interested in having a baseball team and a collegiate baseball schedule this year are requested to meet at 11 o'clock Thursday morning in room 136. Coach Harry Griffith will sign up those interested and will talk over prospects for the season.

If not enough interest is shown, plans for baseball will be disbanded.

# HUMBOLDT SQUAD SPLITS ON SOUTHERN TRIP

-- TIMBER LINES --

—By DON HURST—

Last Monday Humboldt lost one of its first string basketball players, Ted Speier, to the U. S. Army. Ted has been starting for most of the season. He is not the first one to be called as we already have lost several. Speier also starred on last season's football team. Bye, Ted, and with you go our well wishes and the knowledge that this is the Army's gain and our loss.

## LEE—LITTLE ALL AMERICAN

When the last game of the recent four game series was over and the smoke of battle cleared away, Bill Lee had passed the 1000 point mark in points scored in basketball games! Bill made 20, 23, 26, and 23 points in the four games in just that order! This record is more astonishing due to the fact that in his first year on the team Bill only chalked up a total of 51 points. Congrats, Bill!

## BROKE HIS OWN RECORD

Looking over the above item, you can plainly see that Bill Lee did something else in the first game with San Francisco State. He broke his personal record of points scored in a single game. Also I heard, from a reliable source, that the papers around town made a mistake in the matter of Bill Lee being put out of the first game at Cal-Poly because of a head injury.

## 92 POINTS IN 4 GAMES

In that first game with Polytech, Bill played around three quarters. There were plenty of spills and no one in particular was hurt—they all got their share. Also, just as a grand finale on Bill Lee, he

## SPEIER DRAFTED

Ted Speier, regular Lumberjack guard, was inducted into the army via the draft Monday and of course will be lost to the squad for the year. Speier was presented with a gold basketball inscribed "to Ted, from the 1941-42 Team" before he left.

made a total of 92 points in the four game series. That's an average of 23 points a game. Looks like little Bill is THE player in the Far Western Conference—why not on the Pacific Coast?!!

"Hey, Grif, how we stand in the conference?"  
"Humboldt's in the lead—first place! No, wait a minute—College of the Pacific just won two games last Thursday and Saturday nights. That should place us in a tie for first place with the Tigers."

## VERSUS CHICO AGAIN

The Lumberjacks play their next two game series over in Chico. When the Wildcats were here, the boys took them two games straight but on the home court the Chico boys should have a better chance. Never-the-less it is not the chances that win the game but the points—and the Green and Gold will have the most in the end.

That's all for this week but don't forget—BEAT CHICO—Bill Lee for the highest honors that a basketball player can get—GOOD LUCK to Ted Speier—and goodbye.

## WIN TWO FROM POLY; DROP PAIR TO GATERS

Winning twice rather handily from Cal Poly then dropping two close contests to San Francisco State, Humboldt's cagers returned Sunday evening from their southern road trip to San Luis Obispo and San Francisco. They won 48-41 and 58-41 from the Mustangs and then lost by scores of 59-54 and 54-48 to the fast-breaking San Francisco team.

## SCORING FEAT BY LEE

Outstanding achievement of the trip was little Billy Lee's feat of not scoring less than 20 points a game in any of the four contests. Against Cal Poly he got 20 and 23, while against S. F. State he tanked 26 and 23. In tallying 26 points he broke his own Humboldt record of 23 set last year. With his 23 points in the last game he brought his individual total for four years to 1000 points on the nose.

Against Cal Poly, Humboldt took an early lead, then after a second half scare, pulled out to win 48-41. The second night the Lumberjacks ran wild in the second half to win 58-41. Outstanding for the losers were Goodbody and Lieb.

## FIRST LOSS

In the first San Francisco contest, Humboldt held a 31-30 lead at half but were nosed out a late rally 59-54. Lee and Len Longholm scored heavily but had little support from the rest of the Lumberjack five. The Gaters' superiority was accentuated when Rod Belcher fouled out with ten minutes to go.

## WRONG BREAKS

The second night the S. F. team held an eight-point advantage at half-time, had it reduced to four with five minutes to play, then Humboldt lost Billy Lee by fouls and Len Longholm via a turned ankle and the Lumberjacks went scoreless in the final minutes. The Gaters got two free throws more and won 54-48.

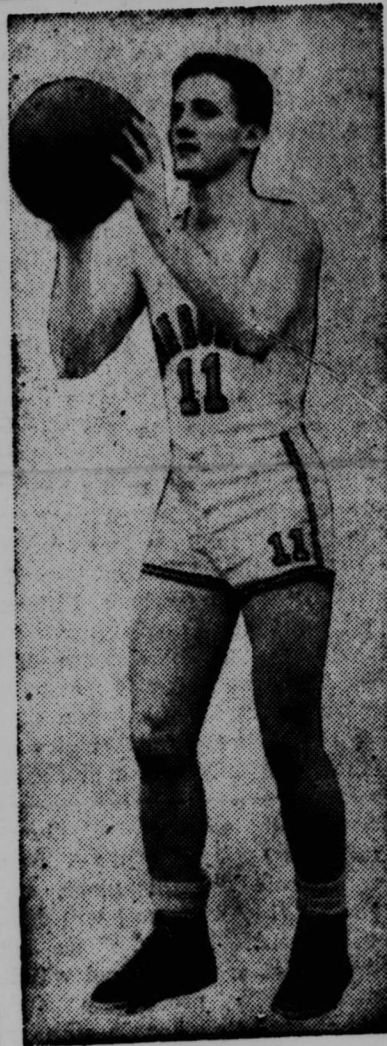

The Gaters were led by smallish Tom McCarty and Emil Fanfelle at forwards, cool Norm Keller at center, and rugged Jim Keating, ace rebound man. McCarty tanked 20 and 15 points, Keller got 13 before fouling out in the second game.

## STATION WAGON USED

The trip was made in the college station wagon and in Ted Speier's car. Making the trip were Bill Lee, Len Longholm, Darrel Brown, Rod Belcher, Del Good-

(BILLY LEE)

Billy Lee, Humboldt's ace forward, has not scored under 20 points in the last five games played. He broke his own record of 23 points set last season by scoring 26 against S. F. State last week. He also hit the 1000 point mark for his collegiate career in the San Francisco State series.

year, Ted Speier, Serge Stashuk, Harvey Del Fatta, Howard Goodwin, Fred Iten, and coach Harry Griffith.

## Lumberjacks Leave For Return Chico Series Friday

Humboldt's Lumberjacks, somewhat deflated by two defeats at the hands of S. F. State, but still determined to take the Far Western Conference Title, will leave for Chico Friday morning to meet the Chico State Wildcats in a return series Friday and Saturday nights.

Already holding two close victories over the Wildcats, the Lumberjacks will be out to make it four straight over last year's champions of the F. W. C.

**SPEIER LOST**  
The Humboldt team lost first string guard Ted Speier to the army Monday and again the reserve strength of the Lumberjacks is reduced. He will be replaced by the steady freshman, D. Goodyear.

Probable starting lineup against the Wildcats will be Billy Lee and Len Longholm at forwards, Darrel Brown at center, and Rod Belcher and Goodyear at guards.

## TYPISTS NEEDED!

Two typists are needed on the Lumberjack staff to type copy on Mondays and Tuesdays. Any student interested is asked to call at the Lumberjack office (Room 105), or put a note in Box 124.
