Chas. Fulkerson Will Solo And Baton College Band In "Rio Grande" Concert

For the first time, the college band will make an appearance at a college concert. It will open the tenth annual "Spring Concert" of the music department on May 12 with two compositions by J. S. Bach—"Come, Softening Death" and "Jesu, Joy of Man's Desiring"—and will complete the first group with Brahms' "Hungarian Dance, No. 6."

Under Charles Fulkerson's direction, the band, though small, is leaving behind the tradition of being merely a pep band and is on its way to symphonic standards. It will continue to play for college athletic events as well as for concerts.

The college little symphony orchestra is an organization of college students and community people. For years' musicians from Ferndale, Fortuna, Eureka, Samoa, and Arcata have come to the college for weekly rehearsals of music chosen from the best literature of the past and present.

Particular recognition should go to the William B. Cranes of Ferndale, Meta Johnson of Leta, and Brighita Leskinen of Eureka, who have played in the orchestra for eight years.

The orchestra will play the "Fugue in G Minor" by J. S. Bach and the symphonic poem, "The Moldau," by Smetana.

The latter is reminiscent of the beauties of Czechoslovakia, now under the control of Axis power. The music depicts the impressions of the river Moldau from its

source to the broad flow of the river toward Prague. Hunting scenes, a peasant wedding and the revels of wood and water nymphs are parts of the picture.

The orchestra also has the difficult job of playing "The Rio Grande," a composition for chorus, orchestra, and piano soloist. Only strings, brass, and percussion instruments are used. It may safely be said that "The Rio Grande" is the most colorful music ever to be presented at Humboldt.

"Stage Door" Cast Will Hold Outing

Members of the cast of "Stage Door," the play currently in rehearsal by the drama department, will hold a "meet-your-brother-in-arms" picnic Sunday, May 3, at Trinidad.

According to Director Don Karshner, is felt that there is a need for acquainting the thirty-odd members of the cast with one another—hence the outing. "With such a large and catholic group, it is essential that everyone know everyone else in order to get the necessary feeling of friendliness and willingness to cooperate," he said.

Following the scheduled rehearsal Sunday afternoon, "Stage Door" actors will meet at 6 p. m. in front of the main entrance and will leave from there for the picnic.

Creative Assembly With HSC Talent Scheduled May 7

Original and unusual talent of some of the students will be reviewed by Humboldt at the first annual Creative Assembly to be held in the auditorium on Thursday, May 7.

Demonstrations by the physical education, music, and English departments will comprise the All-HSC program at this newest of ideas in Humboldt activities.

Chairman of the creative Assembly is Mrs. Stella Little, and members of her committee are George Murphy, Edmund Jeffers, John Van Duser, and Miss Prue Illingworth.

Scheduled for the program from Mr. Murphy's English 1-A section

A.S.B. Officer Nominations Now Open

Humboldt students will have until May 11 to nominate prospective members of the political machine which will guide college affairs for the 1942-43 school year.

In accordance with the constitution, the primaries will be held Tuesday, May 14, and the finals on May 19, at which time the offices of Student Body President, Vice-President, Secretary and Treasurer, and six members of the Board of Control will be filled. Petitions for all nominations must be signed by 25 members of the student body and filed with the Executive Council.

To be eligible for the above offices, a student must have at least 30 units and not be on probation.

A committee composed of Fred Smith, Bill Jackson and Dolores Scholl arranged the election details.

In a statement to the "Lumberjack," Smith urged, "that students making nominations abide by the constitutional rules governing such procedure. This is particularly essential with regard to obtaining the necessary signatures on the nominating petitions."

is the choral reading of Vachel Lindsay's "The Congo" and "A Family Drum Corps" by Malcolm Douglas. From Mr. Jeffers comes the report that four original compositions by members of the music department will be heard. The neophyte composers are Nancy Crane, Joyce Bruner, Katherine Swap, and Darwin Belfils.

George Murphy Presents Play

This afternoon, Mr. George Murphy and a selected group of students from Humboldt State College will present Mr. Murphy's original play "Marionettes" before the Women's Club in Eureka. This play was presented at a recent English teachers' convention in Berkeley and was a success. Several companies have offered to publish it, but it will not be published at all, according to Mr. Murphy, because of necessary changes that must be made each time it is performed.

Those students who will take part are Rae Bengston, Kay Swap, Nell Dickson, Lillian Granich, Jean Bolger, Stanley Eisner, Jack Sutherland, Jack Kellogg, John Cooper, Les Barzelton, Jerry Falor, and Thurston Womack.

Mr. Murphy will also read a part of "My Name Is Aram" by William Saroyan. The rest of the program will be the reading of "opi" from the Creative Writing class.

Get tickets for the annual Spring Concert early. Tickets may be had from musical organization members or the Student Body office. Watch for announcement of their issuance.

Creative Writing Contest is chosen by this time, he will read his prize composition. In any event some creative writing will be read.

Promptly at nine p. m. Friday night the "S. S. Antelope," disguised in red, white and blue streamers, pushes off from the "F" Street pier in Eureka for three hours of fun, entertainment, and dancing with a background of sweet music and a full moon. On board will be the first sixty W.A.A. members who secured bids for the long awaited "Steamboat Shuffle," and their invited guests.

"Victory Boat" was announced as the theme yesterday by decorations chairman Pat Dillon. Patriotic streamers and the letter "V," she admitted, would be used, but the rest is "a military secret."

INFORMAL

Informal dress is the rule for the occasion with girls wearing slacks or sailor outfits and bringing box lunches to provide refreshments for appetites sharpened by the fresh sea breeze.

"Bally may sing us a Greek song as he did last year" announced Sarah Southworth, "Shuffle" chairman, as she waxed enthusiastic over the program. "Spud" Murphy is scheduled to tell one of his inimitable ghost stories. Other entertainment includes vocal duets by Nancy Crane and Merritt Neale, and a faculty skit.

SLACK WILL M. C.

A goodly number of novelty and mixer dances are being planned by the committee in charge, and there will be a community sing to top off the program. Fred Clack, student body president, will be master of ceremonies.

FACULTY CREDITS DRAFTEES UNDER NEW REGULATION

The following regulation was passed by the faculty on February 19, 1942, regarding the giving of college credit to men who leave before the close of a semester to enter military service:

Units of credit to be received at the end of:				No. of scheduled units in course
6 weeks	10 weeks	14 weeks	18 weeks	
0	1/2	1/2	1/2	1/2
0	1/2	1	1	1
0	1	2	2	2
1	2	3	3	3
1 1/2	3	4	4	4
2	3	4	4	5

Credit for courses of more than 5 units is to be determined by the instructor.

Such credit will be granted provided that (a) the student's work is of passing grade at the time of leaving and (b) he continues in attendance up to the time he must leave for induction into military service.

If a student is failing in a course at the time of leaving, he is to receive an "F" in that course.

2. All such units granted in accordance with the above table shall be classified credit, except in those courses which are essential and pre-requisite to subsequent courses or advanced work in the field. In such instances the units are to be considered as unclassified elective credit.

3. At the discretion of the instructor, credit for the next higher time-period may be given provided the student does the extra work necessary to meet the requirements of the next higher time-period.

4. This regulation goes into effect immediately and also is retroactive to September 15, 1941.

Trimester Plan Is Highlight Of Student Meeting

In an effort to clear up certain matters pertaining to the three semester plan, Dr. Raymond Fisher spoke at the regular student body meeting last Tuesday, elucidating on the ballot to be used in determining student opinion on the plan Friday. Voting was held from 9 A. M. to 4 P. M. in the social unit.

Wallace Williams, "Semper-virens" editor, reported that work on the yearbook was progressing rapidly, and that he hoped to have it out by May 20.

Jack Sutherland read a selection from "Seventy Thousand Assyrians" and the preface to "Young Man on the Flying Trapes," both by Saroyan, for the program.

The Humboldt Lumberjack strives at all times to serve the best interests of Humboldt State College.

Editorials express solely the views of the writer, and do not claim to express the views of the editor, the Associated Students, or of the College Administration.

In accordance with the By-laws of the Constitution of the A.S.H.S.C., the "Lumberjack" herewith presents Section 1 (Paragraphs 1-5, incl.) of the By-laws:

"Section 1. Elections"

"1. The officers of this Association shall be elected by secret ballot.

"2. Voting polls shall be open from 8:00 A. M. to 4:00 P. M. There must be two inspectors at the polls at all times. The votes shall be counted by the Executive Council and the results shall be posted the next day.

"3. The nomination of officers shall be by signed petition of twenty-five members of the Associated Students. Petitions for nomination shall be filed with the Executive Council not less than one week nor more than three weeks prior to the primary elections, during which time a notice to the effect that nominations are in order shall be posted on the official bulletin board, and shall be published in the "Lumberjack." Such notice shall include a copy of this section, a list of the officers to be nominated, and the date of the primary election.

"4. There shall be two elections, primary and final. The primary election shall be held at least one week prior to the last meeting of the Associated Students in the school year.

"5. The final election shall be held three school days after the primary election. Candidates who receive the majority of the total votes cast at the primary election shall be declared elected. Whenever a final election shall be necessary to choose the president, vice-president, secretary, or

treasurer, the ballot for such election shall contain the names of the two candidates receiving the highest number of votes for the office to be filled. Whenever a final election shall be necessary to choose members of the Board of Control, the ballot shall contain one more candidate than the number of such members, either men or women necessary to fill the office. The candidates for such election shall be those receiving the highest vote at the primary. The candidate receiving the lowest vote at the final election shall be eliminated."

Nominations are now in order for A.S.H.S.C. president, vice-president, secretary, treasurer, and Board of Control members. The nominations will close May 11, 1942. The date of the primary elections has been set as Tuesday, May 14, and the final election will be held Friday, May 19, 1942.

Remember these dates! They represent the dates on which you, as members of a democratic student body, have the opportunity to select your representatives in your student government.

It is obvious that under these conditions you must act wisely and well in the current nominations. Your responsibility lies in choosing the men and women best fitted for the jobs and most capable of fulfilling the duties of office. This is not a task to be taken lightly and dismissed with a shrug. No democracy—student or otherwise—can function properly without full participation of its members.

Nominate and elect those students whom you feel will execute their duties in the most intelligent, liberal and efficient manner possible.

BOIL IT IN OIL

Nominations are now open for the officers of our student government for the scholastic year 1942-43.

These nominations must be made with the fact in mind that, in the coming year, the Associated Students will be facing problems to tax the ability of the most competent of student heads. We must exercise the greatest discretion and soundest judgement in choosing leaders so that they may best cope with our problems.

I urge each and every student to study in detail the requirements and to weigh carefully the merits of each prospective candidate. Success or failure of the various

college activities next year will depend upon the judgement you display now.

MEMOS OF A WEARY COLUMIST

It is midnite and I am getting sleepy.

I got a huge bang out of MBS commentator Jim Doyle tother peyem. Suggests that Gen'l Yamashita take the hint from his predecessor in the Philippines—commit hara-kiri. I, too, think this is a noble though and one worthy of becoming a tradition among Jap Gen'ls.

According to a recent Cal Daily, former HSC'er Verne Cooperrider has been appointed editor of the Cal "Engineer"—official Mad Engineer mag. Local boy, etc., etc. . . Buckets of blooms, buddy.

More local boy stuff—Neb Roscoe will leaving sometime during the next two weeks for Sitka, Alaska! Seems he got himself a job with a contracting company building an army air base—for the duration. From what I hear, his salary ain't hay, either. . .

About this time of evening (12:37:21 ayem) I remember little things like Jaxon Sutherland's "Age of Frustration"—which, he says, "began, roughly, with 1914 and is characterized by Hollywood, dictators, draft boards and Varga." Amen.

Speaking of draft boards reminds me of the Army which reminds me of Tennyson's lines, i. e., viz. and to wit:

Rae Bengston took the long (and poisonous) route on a recent excursion into the wilderness with the creative writing class recently and is now regretting it sorely. She also took the long uphill (up-cliff, really) way up from the beach and ended her climb painfully. Murphy, the instigator of the whole affair, just laughs. And the rest of the class feels fine.

Pat Patterson, after a cherubic spell, returned to form Monday in the library by coyly dropping a piece of ice down Len Longholm's neck when he wasn't looking. Not long afterward, Pat was seen frolicking in the fish pond with the rest of the goldfish. Come on in, the water's fine.

Temianka Great Violin Artist Says LJ Critic

By W. Somerset Look

There is one musical experience I have always wished to have. That wish has been fulfilled. Last Friday, Henri Temianka appeared to play the "Mendelssohn Concerto in E Minor." I saw it done.

It is one thing to hear Menuhin and Kreisler soar with exalted sound in the Concerto, and another to see an artist transfer the soul of the music into the hearts and ears of his audience. In my opinion, there should have been no more to the program.

No artist wishes to be compared with another, so I cannot say that I thought Temianka was as great as Menuhin or Kreisler, but I will say that he is great, and that he made me feel more emotion than I will readily admit.

The length of the program made it wearisome, because Temianka's first two parts should have been last.

His accompanist was able, but there was no place for anything on the program but Temianka. He was magnetic, and his temperament drew me to watch him, oblivious of all else.

In my own estimation, this was the greatest concert of any season.

Former Arcata Girl Is Wedded

Miss Marjorie Straka Green, former Arcatan, and James Lewis Savage were married at Boulder City, Nevada, on April 1 with Rev. Eymann reading the ceremony. Attendants at the wedding were Mr. and Mrs. C. Savage, parents of the bridegroom.

The bride is the daughter of Mr. and Mrs. Martin Green of San Francisco and the granddaughter of Mrs. A. Aggeler of Arcata. For several months past Mrs. Savage has been employed at the Union League club in San Francisco.

The groom graduated from Humboldt State College last June and is enrolled now at University of Southern California. Following the wedding trip through Nevada, Arizona and Utah, the young couple will make their home in Los Angeles.

"Y" Bike Trip Is Great Success

If you've been around the dorm the last week you've noticed the nice sunburn Dolly Toole and Dick Elkington have. If you went up to school and saw that Warren Haughey's and Dave Samons' faces were red and peeling too, you begin to wonder. But you'd have wondered a lot more if you'd seen Dick and Dolly riding to Eureka on their bikes early that Saturday morning; or if you'd seen Dolly, Dick, Warren, and Dave (plus their bikes) on the ferry to Samoa.

Then if you'd seen the four on the sands of Samoa you'd have ceased wondering about the sunburn at least. And when you saw the poor kids ride in later from Samoa—tired but happy—you'd have known it was just the "Y" bike trip—too bad more didn't go.

All Student comment is welcomed by the Lumberjack. Send your opinions to "Get It in Oil"

"Youth In a World at War" will be the topic of Reverend Ellis Shaw of Los Angeles, lecturer at young people's gatherings in California and throughout the nation, when he speaks at the College "Y" assembly Thursday at 11:00. Reverend Shaw is Field Secretary of the California State Christian Endeavor Union, an organization of over 50,000 members.

Gladys Roberts is chairman for the assembly, which is held each semester under the sponsorship of the local college "Y." Millie Ann Koger and Richard Elkington have charge of decorating the stage.

Four musical solos are on the program for the assembly, including "Meditation" from Massenet's "Thais" played as a violin solo by Marianne Lambert; "Star Dust" by Jack Sutherland on his trombone; piano numbers by Warren Haughey; and a trumpet solo by Ardith Anderson.

Mr. George Murphy will give a reading, probably in dialect, and group singing under the direction of Mr. Jeffers will complete the program.

"The assembly is free and everybody is welcome" is the invitation extended to college students by the "Y."

FINAL PLANS UNDERWAY FOR SENIOR CARNIVAL

Final preparations are underway for the Senior Carnival to be held May 8th in the College Gym. The attractions offered by the various organizations of Humboldt State will be many and varied.

It is rumored that a "smooching booth" will be conducted by a certain unconventional group. That's pure rumor of course.

Be that as it will, there's bound to be amusement for all at this greater-than-ever, yearly Senior Carnival on May 8th, in the gym, for TEN cents.

Rules for organizations with concessions in the carnival are as follows:

1. The concession fee of \$2 must be paid to the Senior Class by May 1.
2. Each organization is to assume full charge of decorating, managinig, and cleaning up after its booth. Booths will be built by the Senior Class.
3. The fee plus the profits will be returned to the organization after its booth is cleaned up.
4. General admission will be 9 cents plus 1 cent tax, and 1 cent concession tickets are to be sold at the door. These concession tickets are to be accepted by the booths instead of cash.
5. Fifty per cent of the profits of each booth will go to the Senior Class.

Humboldters Meet Famous Authors

"The Role of the English Teacher in Wartime" was the theme of a convention held last weekend at the Claremont Hotel in Berkeley and attended by four Humboldt State representatives.

Associate professor of English George Murphy, Thurston Womack, Mrs. Helen Everett, and Miss Nance O'Neill had the experience of meeting many famous authors at a luncheon in connection with the convention. Among the writers were such well-known personages as George Stuart, Howard Fast, Boris Gator, and Elldegards Hawthorne.

W. A. A. NOMINATES NEXT YEAR'S OFFICERS

Neophyte Writers, Attention! Gist Contest Closes Soon!

You budding Steinbecks, Saroyans and O'Neills have until Friday noon to get your short stories, poems and plays in to the "Gist Creative Writing Contest." Everyone in school is eligible to enter. Entries should be typed double space and given to George Murphy of the English Department.

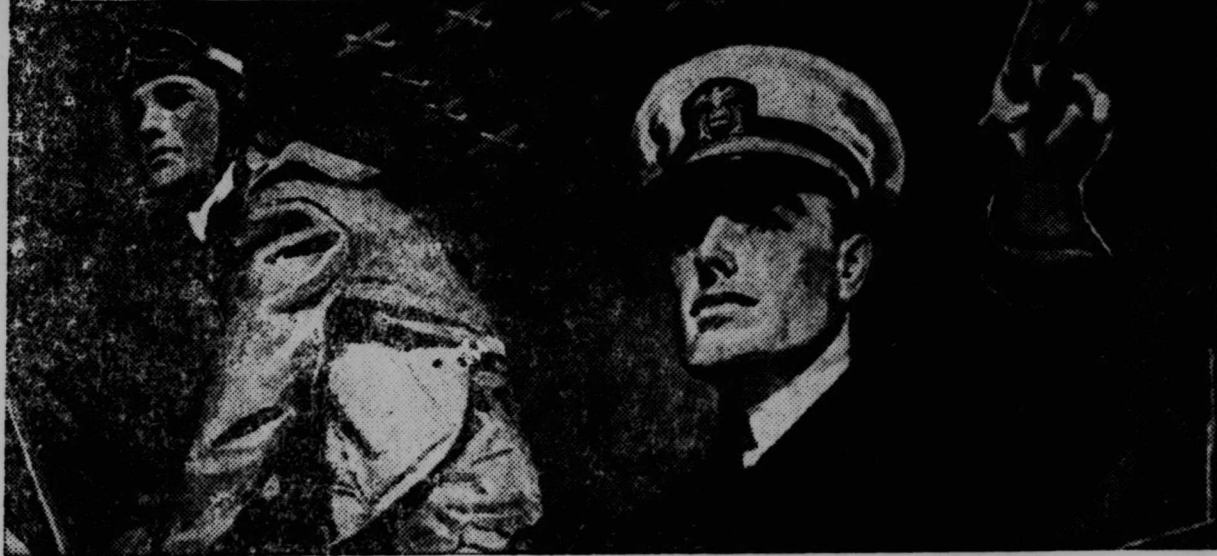

This year for the first time the results will be known before commencement. This is being done in order to stimulate an interest in creative writing. The "Gist Creative Writing Contest" furnishes an opportunity for students to gain some recognition in writing. It gives students a chance to have their writing judged; it offers the chance for students to express themselves in any type of writing they like.

It gives the freedom necessary to be creative. This is not an essay contest, wherein strict adherence to grammar, the balanced sentence, the split infinitive is observed, but a chance where you can say what you want to and in the language you want to say it.

DON'T QUIT COLLEGE

if you are 17^{THRU} 19 and want to become a Naval Officer!

You can serve your country best by acting on this new Navy Plan now!

YOU WANT to fight for your country! Are you willing to work for it? To toughen yourself physically? To train yourself mentally for a real job in the United States Navy? If you are, the Navy wants you to enlist now. You don't have to quit college. You can stay in college, continue your studies to prepare for active duty in the air or on the sea.

And your college will help you do it! In cooperation with the Navy, it offers all freshmen and sophomores who are seventeen and not yet twenty, special training that may win for you the coveted Wings of Gold of a Naval Aviation Officer or a commission as a Deck or Engineering Officer.

How to Become an Officer

To get this special Navy training, you enlist now as an Apprentice Seaman. Then you may continue in college, but you will include special courses stressing physical development, mathematics and physics. After you successfully complete 1½ calendar years in college, you will be given a classification test.

Aviation Officers

If you qualify by this test, you

may volunteer to become a Naval Aviation Officer. In this case, you will be permitted to finish the second calendar year of college work before you start your training to become a Flying Officer.

However, at any time during this two-year period, you may have the option to take immediately the prescribed examination for Aviation Officer...and, if successful, be assigned for Aviation training. Students who fail in their college courses or who withdraw from college will also have the privilege of taking the Aviation examination. Applicants who fail to qualify in this test will be ordered to active duty as Apprentice Seamen.

Deck or Engineering Officers

Those who qualify in the classification test and do not volunteer

for Aviation will be selected for training to be Deck or Engineering Officers. In that case, you will continue your college program until you receive your bachelor's degree, provided you maintain the established university standards.

Those whose grades are not high enough to qualify them for Deck or Engineering Officer training will be permitted to finish their second calendar year of college. After this, they will be ordered to duty as Apprentice Seamen, but because of their college training, they will have a better chance for rapid advancement. At any time, if a student should fail in his college courses, he may be ordered to active duty as an Apprentice Seaman.

Pay starts with active duty. It's a real challenge! It's a real opportunity! Make every minute count by doing something about this new Navy plan today.

Not much sports to write about this week, so I could just let my sponsor, the Alpha Beta Soup Co., take over, but no, I'll tear out my heart with sobs and bemoan my position—a sports writer without a sport to write about!

Nope, that's no flea circus, it's only Humboldt 100 pound backfield whipping down the field. If power won't do it, versatility should! This featherweight, four mousepower backfield is guaranteed to infiltrate any enemy line in time of emergency.

A find on the athletic field this year is Grant Ferguson. Although a little short on the weight end, he could be another Longholm in the realm of swishing around—running.

I had a swell article whipped up on a thumb nail sketch of a footballer but then the bright lights beckoned and another sterling linesman was lost to the H.S.C. team. Yes, folks, I am writing of the man of courage and the spark plug of last year's ping pong team—Elmo Guilleri! (He wanted his name in the paper!)

The two Bill's (DuMond and

MacMillan) were seen high (?) jumping a recent daylight-savings-time-promotion evening. Try their best, these two gentlemen of the winged foot could not better the mark of 5 feet 4 inches—Fie on you! Last year Bill DuMond was recorded as clearing 6 feet and 1½ inches—oh, well, try, try again, fellas.

Ex-Council Reports To The Students

At the last regular meeting of the Executive Council the resignation of Helen Hartsook as editor of the "Lumberjack" was accepted.

Following this action, "It was resolved that the Executive Council, through their secretary, express to Miss Hartsook is some tangible manner their appreciation for the excellent work which Miss Hartsook has done as Editor of the Lumberjack and to wish her many years of happiness."

The Lumberjack was subsidized \$20 from the Lumberjack fund for an extra issue of the paper.

Permission was given the AWS to transfer \$10 from their "Freshman Roundup" fund to the "Mother's Day Tea" fund.

Bill Jackson reported that the coming Student Body elections would be held May 14 and 19 in accordance with the constitution.

In compliance with the by-laws of the Constitution, the Men's Association Barn Dance will not be a public affair.

The bid system will prevail.

Anyone having the address of a former Humboldt Student in the service and not receiving the college paper is urged to contact the Lumberjack office.

Belcher Rates Anti-Nazi Film As "Interesting"

Propaganda perhaps? Sure! But still a very good movie.

This describes "The Invaders," the much-publicized picture about the tracking down of six Nazi sailors who are stranded in Canada when their submarine is bombed and destroyed.

It is an exciting, suspense-filled drama, and while it waves the flag at times a little strongly, it is not nearly as bad in this respect as many other pictures in recent years. Main criticism is that Laurence Olivier, Leslie Howard and Raymond Massey are given top billing, when in reality each has one comparatively short episode in the drama, and it is the Nazi "invaders" who are the stars.

Olivier plays a French-Canadian trapper, and while his accent leaves something to be desired, still he turns in an interesting performance. Howard is an author, living among the Indians in the Canadian Rockies. Massey is a Canadian doughboy who has gone A.W.O.L.

Each has a hand in the capture or killing of the Germans, with Massey having the satisfaction of pounding h— out of the one surviving Nazi, Eric Portman, who is the leader of the group and star of the picture. Olivier is killed when he yells into a radio, giving away the whereabouts of the party. Howard (and one cannot quite feature him doing this) beats up and captures single-handedly another Nazi.

Portman and Niall MacGinnis, as a luke-warm Nazi who wants to quit, are outstanding, as is Anton Walbrook as the leader of a Hitlerite colony in the wheat fields of Canada.

Not a great picture, "The Invaders" is interesting fare nevertheless, and well worth the "moola" required for a ticket.

—Rod Belcher.
