BREAKFAST AT COUNCIL CREST THURSDAY

AMS Sponsors Popular Event

Thursday morning from 7:30 till 9 the Men's Association will hold their first breakfast of the year at Council Crest. These breakfasts have become almost traditional at HSC and both students and faculty look forward to them very much.

Plenty to eat for everyone and all for twenty cents. Where can you get better service than that?

Scholarships Given At HSC

Each year the Humboldt County Federation of Women's Clubs offers scholarships at Humboldt in music. This year, in addition to the music scholarships, they also offered a scholarship to a nursing student. Tryouts were held for piano, organ and cello in the college auditorium on October 6. Judges were Miss Helen Crozier and Miss Elva Hansen of Fortuna and John Duzer of Humboldt State College.

Winners in the tryouts were Nancy Crane, organ; Jo Bruner, piano; Frances Brizard, cello, and Elizabeth Wilson, nursing. The scholarships consist of fifty dollars each. Mrs. Robert Dickson of Lolo is chairman of the scholarship funds for the Federation.

Frosh Initiated By W. A. A.

The Women's Athletic Association gave their new members a warm welcome by a spectacular initiation September 25, 1944.

Each new member was given a list of initiation rules that were to be carried out to an exact degree. Among the list of rules were: Wear slacks rolled above knees, blouses backward, no hair pins, no cosmetics, carry some sports equipment, wear a bow in hair, stand when old members enter a room, and do anything that a W. A. A. member requests.

The old members made certain that the last initiation rule was carried out in full swing. During the noon hour freshmen were seen walking through the fish pond with several old members domineering the group. Just as the old members disappeared the janitors were seen telling the freshmen what the fish pond was for. These same old members were later seen ordering the red-faced freshmen to bear a message to an instructor because of the domineering old members' tardiness to the instructors class, due to the fish pond episode.

At the end of the day the tired new members were gathered at Council Crest for the final task. To their dismay they had to run the commando course. They later rejoiced, however, in being able to indulge in coke and cookies after their tiring day. Sally Westbrook was general chairman for the initiation.

New Editor for Lumberjack

New editor of the Lumberjack this year is LaVerle Morley, who was appointed to the post upon the resignation of Meredith Beck, who was unable to accept the position this year.

La Verle is a sophomore this year and has had some newspaper experience. She spent one summer as a reporter on the Humboldt Times and has also written school news for the Times since she was a senior at Eureka High.

At Eureka High she served as president of the Girls League and graduated as an honor student in June '43. At college she was elected vice president of the Freshman class.

College Frosh Hold Frolic

Sponsored by the P. E. department the Frosh Emancipation Frolic was held Wednesday noon in the front hall of the main building. Big Marty Mathieson presided over the activities with the help of a few students, of course.

Assisting were Sissy Thompson, Lorraine Rimbey, Don Christensen and Alene Beers. Plenty of nice groovy music, laughter and that irrepressible trio, Christensen, Beers and Babler added to all the fun. Oh yes, and mustn't forget that absolutely solid stuff on the 88 by Katherine Miller. Festivities ended with a Conga line through the building—but don't stop there! We found out that there are more of these kind of parties in store for students of H. S. C.—if you support them!

There will be a Lumberjack staff meeting each Tuesday at 12:30. Please be there! This is essential as we want to iron out a few difficulties that we may have.

Drama Dept. Produces Again

Rehearsals have begun for "Ladies in Retirement," the fall play to be presented by the Humboldt State College Drama department on December 7 and 8, it was announced by Mrs. Don Karshner of the drama department.

"Ladies in Retirement" is a psychological melodrama by Edward Percy and Reginald Denham. Selection of this type of play was made at the suggestion of many college drama patrons.

The role of Albert Feather, only male part in the play, will be portrayed by Laverne Elmore, veteran actor of previous years at HSC and now a student at Humboldt. Among the many plays in which Mr. Elmore has starred in are: "Taming of the Shrew," "See Naples and Die," "Petrified Forest," "The Bishop Misbehaves," and "Holliday."

Mr. Elmore has returned to Humboldt to complete his degree with a speech major and pre-secondary work.

Newcomers in the play are Hilda Biasca as Lucy Gilham, Alene Beers as Leonora Fiske, and Eva Clayton and Pat Dumm as two elderly women, Louisa and Emily Creed. Ruth Woods, also a newcomer, will have the roll of Sister Theresa, a nun.

Production staff includes Edith Stromberg, costumes; Bettie Rees and Ann Mudgett, properties; Dorothy Anderson and Velma Hunter, sound effects. Prompters are Betty Young and Margaret Wurche. Don Christensen is in charge of publicity, and Gladys Roberts is student director, assisting Mrs. Karshner.

Season tickets will not be on sale this year. Reservations for the performances can be made by calling Arcata 46-J or writing the student financial office at the college.

Nelson Hall Women Elect New Officers

Working under a new system of government, the women of Nelson Hall are planning to make a really alive organization this year. Early in the semester they have several house meetings to elect officers and make plans for the coming year. In these meetings they also decided on the rules of conduct to be observed in the dormitory. We say more power to them for working for better and smoother living.

Officers elected were: president, Jean Hardwick; vice president, Hilda Biasca; secretary-treasurer, Helen Millios; proctor, Joyce Bruner; social chairman, Shirley Thompson; fire chief, Sally Westbrook.

Head residents of the hall are Miss Muriel Stoner and Miss Mildred Bennett.

"Lucky 13" Dance Held Last Friday

Many H. S. C. students attended the "Lucky 13" dance held Friday night, October 13, in the college gym. The walls were adorned with numerous black cats, dice, four-leaf clovers, broken mirrors, ladders and other symbols of superstition. Sal Nygard and his orchestra provided music for the affair. There were lot of servicemen there too!

The dance was sponsored by the A. W. S. and Ellen Petersen was general chairman of the affair. Her committee chairmen were: decoration and publicity, Wini Hoag; refreshments, Margaret Bugenig; music, Barbara Reynolds; clean-up, Pat Wright.

Marilyn Henry is president of the A. W. S. and Mrs. Monica Hadley is the faculty advisor.

Sgt. Bill Farber Home From Battles

A former Humboldt State student, Marine Platoon Sergeant William J. Farber of Berkeley, has been returned from overseas combat duty with the famed Second Marine Division and is now stationed at San Diego awaiting furlough and reclassification. He spent 27 months in combat area and participated in the recent invasion of the Marianas.

Prior to his enlistment, Platoon Sergeant Farber was employed as a Boys Director at the Sunny Hills Home.

Home Ec. Club Elects Officers

After an elapse of one year, the Home Economics Club has been reorganized again.

Election of officers was held at the last meeting and those elected to office were: President, Esther Silva; vice president, Patricia Lehman; secretary, Frances Oldridge; treasurer, Anne White; and publicity chairman, Lorraine Rimbey. Meetings are to be held every second and fourth Tuesday with a noon luncheon at the C. E.S.

A membership fee of twenty-five cents is charged each member and all Home Economics and Pre-nursing majors are urged to join.

Rally-Dance Today Noon

Wednesday noon, October 18, another of those swell rally-dance combinations will be held.

This one has been termed a "Post-Mortem". Can't figure out how they got the title, but there it is and it sounds good from here.

Don't be a slacker! Be a backer by buying more War Bonds and Stamps.

Nelson Hall To Fete Servicemen Friday Night

Definite plans for a dance to be held by the girls of Nelson Hall Friday, October 20, were made at a house meeting Monday night. Service men from the air base will be guests of the dormites.

The following committees for dance were appointed by President Jean Hardwick: social, Sissy Thompson, chairman; Hilda Biasca, Sally Westbrook, Jean Hardwick; refreshments, Faye Nunes, chairman, Norma Crane, Georgina Masolini, June Gassaway, Clara Ann White, Virginia Coeur; music, Sally Blackford, chairman; Meredith Besk; decorations, Pat Wright, chairman; Anne Mudgett, Sally Blackford, Meredith Beck, Pat Dumm, LaVerle Morley, Shirley Sweet, Pat Smith, Gene Gundersen, Virginia Coeur, Bernice Shields; clean-up, Leah Loquet, chairman; Sissy Thompson, Sally Westbrook, Pat Wright, Jean Hardwick.

Hallowe'en Party October 27

Remember last year how much fun the Hallowe'en Party sponsored by the Men's Association was? Well, come October 27, another grand party will be in the offing. Each year this turns out to be one of THE events complete will all the traditional Hallowe'en ghosts and goblins.

Committees are working hard to plan a swell time for everyone and there will be lots to eat—as usual.

Honor Roll Announced

At the Chi Sigma Epsilon Honor Assembly, held recently, Mary Budiselic, Chi Sigma Epsilon member, read the honor roll, which included the following students:

Sophomores, Meredith Beck, Valjean Frazier, Wini Hoag, Barbara Mathews, Mary McIntosh, Frances Doval, Melba Jo Turner, Eula Westburg; juniors, Barbara Hodge, Brett Melendy, Lucille Nordquist, Esther Silva; seniors, Ralph Bryant, Faith Adams, Betty Anne Coppin, Frances Redmond, Opal Shull. To be on the honor roll one must achieve a semester index of a "B" or better with no "F"'s or incompletes.

183 Students In Humboldt

Enrollment at Humboldt State had taken a turn for the better this semester. At present there are 183 students totaled in the registrar's office. This is much better as compared to the 169 of last fall and the 149 for last spring.

Editorial

This is the first issue of your Lumberjack this year. We are sorry that it had to come so late, but it seems that things just couldn't get organized any sooner. Meredith Beck, appointed last year as editor for this year, was unable to accept the position this fall and I found myself elected. As most of you know, putting out a paper is a tough enough job for lots of people, let alone one person. When I said yes to the proposition I also put in an "if"—meaning if the student body will cooperate. Last year Marge Briggs, swell editor that she was, had to put out a paper almost by herself every time publications week came around—because she felt it was her duty and everyone whose name appeared in the little box marked "Staff" had suddenly disappeared. Oh not everyone disappeared, but enough to make it tough on the ones who stuck around.

I hope this year will be different. I think it will. If you have any suggestions to make about the Lumberjack I'd appreciate it very much if you would bring it to me or one of the staff. We're open for suggestions AND contributions at all times. You see we don't know it all or pretend to and besides, it's your paper and we want you to like it. Help us, won't you?

More on cooperation! By now most of you have heard what's up about the H. S. C. annual "Semper-virons." A group of students have decided that we just can't get along without one any longer. We CAN have one! And again—IF all the students will help. The student body is small, but it takes just as much time and effort to put out a small book as a large one. We want it to be the best book ever published at H. S. C. and we want you to help make it that kind of a book. It's up to you! Are you willing?

Our Students

This is the beginning in a series of biographical sketches to acquaint you with the students of HSC.

What could be a better start in this column than our student body president, Kay Swap. She is a native born Arcatan, who has not strayed to greener pastures. In fact, Kay told us she hopes to stay in Humboldt County and teach upon graduation from HSC in June '45. At present she is doing her student teaching in the fourth grade at the College Elementary School, teaching the pupils about the three R's, and as a project, the customs of Mexico.

Kay has always been very active at school in sports, music (her minor) and student government—politics, etc. At high school she was vice president of the student body as she was at HSC last term. She has also served as president of the AWS.

One of her outside activities is playing sax and clarinet in Sal Nygard's orchestra. All in all, you can see our president is one who gets things done.

Major war supply contracts in California totaled \$13,874,091,000 from June 1940 through December 1943.

Ramona

Editor's note: This is the first in the series of articles to be written by Ramona, that little gremlin who sees all, knows all and TELLS all that she finds going on around the campus. For all you Freshmen and new students, Ramona has now become an institution on the campus. She appeared from nowhere last year and like it so well (or maybe decided she had a lot of work to do here) that she has chosen to stay with us again. Ramona, kind person that she is, has consented to write a column for us every week on the things that she thinks needs taking care of around H. S. C. We hope she can help you with your many problems. If you have any kind of a question at all to ask her please leave a note for Ramona in the L. J. office, won't you?

Exactly how do you fit into the family picture? Perhaps you haven't thought very much about the question since you have been living with your family for years and take them more or less for granted. Well, how about it? Did you ever think about what they see and have to put up with when you start griping about things around home in general?

Do you come down to breakfast in your bathrobe and slippers with your hair looking as if it had been combed by a stiff breeze? Do you eat in a hurry, answering in monosyllables between gulps? Do you leave clothes where they fall, or use your sister's necklace that looks so super and then lose it? Do you ever think about wrestling with the dishes or making up the bed that was your hayloft last night? You don't? Now is that nice? You are what is classified in my little book as a "This-is-where-I-hang-my-hat" person. Characteristics of this type are many and varied. They are oblivious to the fact that such a thing as courtesy exists. Such commonplace words as "Excuse me" and "Thank you" are not included in their vocabulary. There is an old saying somewhere: "You can choose your friends, but you can't help your relatives." True though it may be, we think that the family deserves as much consideration as our carefully (?) chosen friends. What do you do about the old friend of the family who just loves to tell stories about his escapades when he was a lad? Do you ignore him or are you rude to him? You never can tell, he might come in awful handy some day! Small courtesies are so easily acquired and good manners will open doors to you that would otherwise be closed. Good manners can so easily be an integral part of your personality.

Now I know that a lot of you guys and gals think I'm talking through my hat, but honestly (ask anyone who knows) good manners can get you so very much farther. One of my purposes in life I guess is to help make college students a little more aware of their possibilities—and there are hundreds of them! Try a little harder to be nicer to the next guy, won't you? See what a difference it makes in your popularity with the crowd!

Sissy Speaks to The Student Body

Look here, what does this hunk of architecture that's perched on the hill mean to you? Does it sort of thrill you when you give out with the Alma Mater? Well, it ought to make you kind of proud just to be here and be a part of HSC and if you don't thrill to YOUR school then it must be that you don't feel a part.

Now let's analyze this situation. Whose fault is it and why don't you feel a part?

First of all, it's probably the upperclassmen who either didn't know what to do or just didn't do it; then, not knowing or being just too darn lazy the underclassmen weren't properly instructed in how to get in and pitch and put things across. Not knowing how, it's a little hard to do something so I guess we'd better chalk the past up to ignorance. BUT because of ignorance in the past is no reason why we should go on the same way in the future. Come on gang, let's make every social activity—that's rallies, assemblies, dances, plays, and everything in that category, count. That means offer to be on committees whether it be a general chairmanship or lowest man on the cleanup committee. But when you offer, take the responsibility, no matter what, and work!

Everyone can't be on committees for everything, but there are enough throughout the year for everyone to give some service at

least once and anyway you can do just as much by being a guest, heart and soul. Enter into everything with at least a 50-50 attitude. Don't go to dances with the idea you're going to have a bad time. Go with the idea you'll have a good time no matter who or what happens. This chip-on-the-shoulder deal doesn't get you very far.

This school doesn't belong to Kay Swap, Wally Tudor, Marilyn Henry, Ralph Bryant, June Gassaway, Velma Hunter, Gladys Roberts, Lucy Nordquist, Don Christensen, La Verle Morley, Amelia Relac and any other organization presidents. It's your school and why is it we have to hit you over the head with a brick wall each semester to try and impress you?

To have a school with a lot of spirit and swell times, you've got to have students with a lot of spirit, enthusiasm, and energy, and students who are willing to work to have a swell time.

Come on you Lumberjacks, let's really log this year! O. K.—

Enthusiastically yours,

SISSY.

Just Between Us

—BY—

HELEN HUMBOLDT

Hello, there. Sure a nice day for cutting, isn't it?

Allow me to introduce myself. To some of you, I'm well-known . . . to others, well, I'm Helen Humboldt, personal shopper for Daly Bros., that friendly Eureka store that has all your campus fashions.

Co-Edically speaking, this column is strictly for la femmes. If an occasional male eye sneaks in (I said an occasional male!) I suppose it's all right. After all, what would we gals do without a male eye now and then? And, too, I speak authentically when I speak of H. S. C. campus, for I'm an old campus-ite myself! Just ask Myrtle McKittrick . . . or "Prof." Hicklin . . . or Pop Jenkins . . . they'll remember!

Yes, I remember back in the HSC days when we knew that trigonometry is when ladies marries three men at the same time, back in the days when Filet Mignon was an opera by Puccini, when I bid was a famous Latin poet, and when royal Mint is what the King grew in his Palace Gardens. Yes, and I remember back when the Hillaries was just an idea . . . when there were twice as many men as women on work day squads.

Ah, me . . . days of the past. But something that was just as good in those days as it is today and that's the classic outfit for earning and learning . . . the sweater and skirt.

In our Daly's Sport Shop, where you'll find Mary McIntosh on Saturdays, we've just received a shipment of your favorites and mine, the classic cardigans in slip-on and button-up styles. Sloppy Jos, if you prefer. And best of all, they're in the colors you want most! Best seller right now, says Annette Daly, our sport shop manager, are the orchids, and flames, and linca. Priced at \$3.95, you can't go wrong on these lovely soft new sweaters!

Skirts, too . . . galore! Plaids, plains . . . with pleats, gores or straight . . . well made, and boy, they fit perfectly! Our skirts in the Sports Shop priced from \$5.95 to \$7.95.

Coats, too, in the season's best colors . . . our Chesterfields, the campus favorite for '44-'45, are lovely well-tailored, and ALL WOOL! With perky velvet collars, this outstanding fashion is presented in a rainbow of Fall shades, priced at \$29.95 in our coat department, right next to our Sports Shop on the second floor.

Oh, and here's a recent arrival in our Center Aisle. It's a new lucite compact, in amber, that's a campus favorite. It's not too large . . . about three square inches, I'd say off hand . . . and boy, does it hold powder! I tried it myself, using a sample of Dorothy Gray's Special Blend (also in Center Aisle) and I couldn't shake a speck of it out! This lucite compact, with a very good catch that really holds, sells for \$1.00, plus Federal taxes!

Well, gals, this is just about all that's on my mind today. Thought I'd jot it down, tho . . . by the next issue, I'll have more dope for you.

By the way, quiz kids, do you know four members of the cat family? I do. The mother, the father and two kittens!

Better write "thirty" after that one. See ya next issue! Meanwhile, you'll find all your campus needs at Daly's! Phone me if you want personal service via the mail!

Yours for a 3. average,
HELEN HUMBOLDT.

Play Day at HSC Again

Humboldt State College's P. E. Department, under the Women's Athletic Association, will again stage one of its successful Play Days, October 28, 1944. Mrs. Hadley, head of the P. E. department and dean of women, is the faculty advisor.

The theme for this year will be "Glamor Galeties." All high schools in Humboldt and Del Norte counties are invited.

The guests will be divided into two groups: pin-up girls and cover girls, each with their distinctive color pennants. These in turn will be divided into squads bearing such striking names as: Miss Oomph, Miss Poise, Sweater Girl, Miss Beauty, Miss Vivacious, Miss Sophisticate and Power's Girl.

The program for the day is:

(subject to slight changes)
9:45 arrival and dress
10:00 gathering in big gym
10:15 warm-up
10:30 bugle
10:35 sport period I
10:55 bugle
11:00 sport period II
11:20 bugle
11:25 demonstration of various sports
11:45 luncheon in court
12:45 program
2:05 sport period III
2:25 bugle
2:30 sport period IV
2:45 bugle (preparation for posture parade)
3:00 posture parade

During the sport periods each squad will be participating in different sports and every squad will be rotated at every sport period, thus offering every squad four different sports. The sports offered include such games as basketball, volleyball, commando course and folk dancing.

Furthermore, every high school has been incited to bring their best girl single and doubles in tennis in order to play a tournament during

the morning between the various high schools.

Lucille Nordquist is president of the Women's Athletic Association. Play Day chairman is Joyce Bruner and her assistant is Barbara Reynolds. The rest of the committees are as follows:

Registration — Doris McCann, chairman; Gene Gunderson, Mary McIntosh.

Reception — Esther Silva, chairman; Arcata, Doris Damgaard, Edith Stromberg; Eureka, Ethel Church, Inga Bones; Fortuna, Jean MacMillan; Ferndale, Velma Hunter; Crescent City, Francis Oldridge; Others, Dorothy Hubbard.

Students Hear USO Director

Students of Humboldt State had the opportunity of hearing Harold Lucas of the National USO who spoke here recently. Mr. Lucas was introduced by Charles Daly, a representative of the Eureka War Chest Campaign.

Lucas told some of the many interesting and varied experiences he has had as a USO field director in Brazil. He explained the necessity for subscribing to the War Chest and told what it was doing for the men of our armed forces.

Adding to the interest of his lecture, Lucas showed the audience two very interesting exhibits which he had brought from Brazil. One was a large nut-like affair, which had been cut to show how the famous Brazil nut grows in clusters on the inside.

Another was a huge snake skin which was covered on one side with the signatures of famous people from all over the country. Joyce Bruner, vice president of the student body, signed the skin for Humboldt State.

Captain Morton Awarded Medal For 43 Raids

CAPTAIN MORTON

Awarded the Air Medal for his combat exploits, Marine Captain John P. Morton, 23, son of Mr. and Mrs. James E. Morton, Jr., 444 16th street, Arcata, has returned to the Marine Corps air depot, Miramar, California, from the Southwest Pacific, where he participated in 43 raids against the Japs.

Captain Morton, a division leader in a dive bomber squadron, told of his unit's spearheading the Allied aerial drive from Munda to Bougainville in November 1943.

His squadron made the initial attack on Bougainville and was the first to operate from the captured Jap airstrip at Torkina on Bougainville, continuing the air offensive against Rabaul and Kvieng.

The Air Medal was awarded to the young captain for "courageous and skillful airmanship under fire

Another year and the outlook is much brighter than in the gloomy past. The Women's Athletic Association is off to a very active start under the direction of Mrs. Hadley, advisor; Lucille Nordquist, president, and the W. A. A. board.

Hiking, hockey, archery, all in head lines along with classes in badminton, tennis, folk dancing, and that much talked about beginning dance (where you float like lilies—beg your pardon "Dean").

Dean Hadley is all hepped up about the Western Intercollegiate Archery Tournament already with her excellent archery beginners. High scores at 20 yards, 30 arrows: Mildred Babler 209, Clara Ann White 208, Doris Damgaard 193, Justine Swift, Lucy Nordquist, Georgina Massolonia, Mary Suchonik, and Alene Beers all nearing the 170 to 190 mark. Great things to be expected later on with these archers.

Hockey practices already on the ball. It's a good fast game with plenty of fun included. So you gals—why not get your six practices in and try for a team. Hockey enthusiasts, make things easier for your class managers by passing them the word of your intention to be on a team. Hockey class managers are: Upper class, Esther Silva; Sophomore, Helen Millos; Freshman, Audrey Fisher.

Did you miss the hike last Friday night? Well, start planning on attending the next one because the last was super colossal. Setting Fickle Hill as the destination, seven determined hikers set out behind the college only to be chased by a young colt after reaching their destination. Brilliant minds were at work when the group almost came to flying through the Varsity door by means of a shoe and on the other end. Ah yes!! Rowdiness was these hikers whim. Congrats to hiking manager Mar-

in the Northern Solomons and New Britain areas."

Captain Morton attended Humboldt State College for two years prior to entering Marine aviation. He was commissioned at Corpus Christi, Texas, in September, 1942, and was promoted to his present rank last December. His wife, the former Dorothy Hornbrook, lives in Eureka.

Joseph Barkdull Gets Commission

LT. JOSEPH BARKDULL

Joseph J. Barkdull, a former student here, has been commissioned a second lieutenant in the U. S. Marine Corps and is now undergoing advanced officer training at Quantico, Virginia.

Lieutenant Barkdull, a Mu Epsilon Phi, majored in education. He was transferred to the College of the Pacific under the V-12 program.

His home is in Eureka, Calif.

Sady Hawkins Day To Be Sponsored By Freshmen

"All bachelors must run in the Sady Hawkins Day race or be shot as a dwag or hawg as the case may be." This was the ultimatum issued last week by the freshman class in preparation for their Sady Hawkins day dance on Friday, November 10th.

The dance will be held in the big gym and appropriate Dogpatch clothes will be the order of the day. The dance will be preceded by a Sady Hawkins race on that day. Sal Nygard and his seven-piece orchestra will furnish the music for the occasion.

The frosh have their plans for the dance in full swing and are planning fun and entertainment for everyone on the all-day program, Don Christiansen, freshman president, announced.

Committees in charge of the dance, are: refreshments, Frances Brizard; publicity, Alene Beers; decoration, Gloria Simmerly; orchestra, Lois Hansen, and clean-up, Don Williams. Dues are being collected from the freshmen to help finance the dance.

Visits Here

Bill Farber, former HSC student, is visiting in Arcata this week at the home of "Pop" Jenkins. Bill recently returned from 27 months overseas with the famed 2nd Marine Division.

Garet Bugenig—let's all back her up next time.

What's this we hear about jitterbug classes! ??? Certainly sounds like a swell idea. Everybody is talking about it—now for the action.

Nelson Hall To Hold Parties For Servicemen

At a recent house meeting in Nelson Hall Head Resident Miss Muriel Stoner suggested that the dormites give Friday night dances for service men in the area. The idea was heartily approved of by the girls, and plans are being made for one to be held in the near future.

Sissy Thompson, social chairman of Nelson Hall, is working with Dean Monica Hadley, Miss Stoner, and Miss Bennett, head resident of the Women's Annex, in contacting the local bases.

Have a Coca-Cola = Put 'er there, old timer

...or greeting new pals in Ketchikan

In Alaska, just as here in the States, to say Have a "Coke" is to say Pal, we're right glad you're here, just as it does in your own home. In many lands around the globe, the pause that refreshes with ice-cold Coca-Cola has become a symbol of a friendly way of living.
