# Humboldt Lumberjack

HUMBOLDT STATE COLLEGE in the REDWOOD EMPIRE

ARCATA, CALIFORNIA, WEDNESDAY, NOV. 15, 1944

## HUMBOLDT TO HAVE POST-WAR AIR SCHOOL

### SOS Sent Out By Lumberjack Staff

The Lumberjack has the list of about 425 former students who are now in the service and who would like to have the Lumberjack sent to them. Well, we have done our best—we've created a new department to take care of the addressing and mailing of these papers. There's only one catch—we don't have nearly enough papers to go around.

Here's our problem: We don't charge them any fee for the paper or the cost of mailing. Therefore we can't increase our circulation... and we need more papers! As it is handled now, we make the papers go as far as they will and then the next issue is sent to those who didn't get the first one.

We know a lot of you like to read the Lumberjack but most of you don't save them. If you don't save yours why not turn it back to the Lumberjack to be mailed to some sailor or soldier who would really appreciate receiving it? We would appreciate your cooperation—and so would they! Help us, won't you?

### Sophs To Raffle \$25 War Bond

Members of the Sophomore class will be the sponsors of a twenty-five dollar war bond which will be raffled off at the noon rally, Wednesday, November 22.

Tickets for the raffle are 25 cents each and may be obtained from Walter Bennett, Margaret Bugenig, Shirley Sweet, Phyllis Woodcock, Pat Smith and Anna Babler.

### Balabanis Holds Informal Meetings

By the request of many students, Dr. Homer P. Balabanis is conducting a discussion of current events and issues each Thursday noon at 12:30 in the Nelson Hall lounge. Anyone interested in attending these interesting discussions are invited to attend. Dr. Balabanis has said that since the meetings are very informal you may come or leave at any time you wish if you have another meeting to attend.

Last Thursday, Dr. Balabanis discussed the Dumbarton Oaks Conference and how the peace will be made. Thursday, November 16, he will discuss "Who Makes Foreign Policy and How". At the first meeting he explained the issues on the election ballot.

The war in the Pacific is costing 9 million dollars an hour! \$150,000 is spent every minute! \$2,500 each second! ARE YOU HELPING TO PAY FOR IT? Buy an EXTRA bond or stamp in the 6th War Loan Drive.

### Gaylord Moxon Wins Commission

ENSIGN GAYLORD MOXON

Gaylord Moxon, son of Mr. and Mrs. Clarence Moxon, is now an Ensign in the U. S. Naval Air Corps, according to word received here this week. Ensign Moxon graduated from Corpus Christi November 1. He is a pilot.

He is now stationed at the U. S. Naval Air Station, Banana River, Florida, where he will complete his combat flying training. Ensign Moxon formerly attended Humboldt State College.

### Letters Wanted From Servicemen of HSC

Have you an interesting letter from former HSC students now overseas? The Lumberjack would like to start a column containing excerpts from really interesting letters from men and women overseas.

We feel that we at home and those in the Armed Forces who receive the Lumberjack would be intensely interested in what the other fellows are doing and where. As for men and women overseas who might be reading this, the Lumberjack would like very much to receive a letter from you containing interesting incidents that we could print.

### HSC To Have War Bond Booth

HSC will have a War Bond Booth for the Sixth War Loan Drive, it was announced this week by the A. W. S. who is sponsoring the project. The Sixth War Loan Drive begins November 20 and ends December 16. The A.W.S. would appreciate any volunteers to work in the booth in their free time.

Those who have already signed up for shifts are: Shirley Sweet, La Verle Morley, Pat Smith, June Gassaway, Marilyn Slack, Phyllis Woodcock, Snuffy Smith, Alene Beers, Frances Olridge, Marilyn Henry, Ardie Kennedy, Lois Sherman, Esther Silva, Wini Hoag, and Dorothy Hubbard.

Marilyn Henry is president of the A. W. S. and Mrs. Monica Hadley is the faculty advisor.

Support student activities as never before! Our school is small and the students few—BUT—does that mean we are lifeless too?

### Post-War Air School Planned For Humboldt State

Humboldt State College is included in a list of 35 California schools that will continue student courses in aviation after the war, a national survey of educational institutions made by the Bendix Aviation Corporation, revealed.

Under provisions of the Federal Surplus Disposal Laws, surplus government owned aircraft will be used on a low-cost basis, or on lease.

Before the war Humboldt gave the course in conjunction with the Civil Aeronautics Authority. The ground work was given at the college under Mr. Homer Arnold, Mr. Horace Jenkins, and Dr. Harry D. MacGinite, and the actual flying took place at the Eureka Airport under the direction of A. L. Pierce, local pilot.

### Karshner Returns To HSC Again

Don Karshner, Carpenter's Mate 3-c, formerly head of the Drama Department at Humboldt State, has returned to the Embarkation Center at Camp Rousseau, California, after spending a 10-day overseas leave with his wife, Gayle, and son, Gary. For the past fourteen months Karshner has been stationed with the Seabees on the Atlantic Coast.

His work has consisted of providing educational services for his battalion, work which he has always wanted to do. Through his own system, Karshner organized classes, selecting teachers within the battalion and set up a system whereby all the men of the battalion could attend any desirable class.

The faculty and students of HSC are looking forward to Don's permanent return.

### Femmes of N. Hall Plan Xmas Party

At a recent meeting, the women of Nelson Hall made plans for their annual Christmas party. It was decided that the Hayride originally scheduled for December 1, would be postponed until December 12, the night of the Dorm Christmas Party. Residents of the house plan to go caroling that night too as has been the custom in the past.

Merylee McCrea is general chairman for the affair.

Support your team! Attend the basketball games on Monday and Wednesday nights in the big gym. They need you!

When HSC students voted on the Presidential election—the results were: Roosevelt—64; Dewey—61. Close!

### Clyde McCutcheon Wounded in Action

PFC. CLYDE MCCUTCHEON

Pfc. Clyde McCutcheon of the United States Marine Corps who has been in the South Pacific since January, has been awarded the Purple Heart for wounds received July 1, according to a citation received by his mother, Mrs. R. L. McCutcheon of Bayside.

Pfc. McCutcheon has been in three major battles. He enlisted two years ago when he was a student at Humboldt State College. He is a graduate of Arcata Union High School.

### Mu Epsilon Psi Discusses Plans

## Editorial

Well, Humboldters—you should feel really proud of your school spirit! You know, the stuff you haven't got! Do you expect the business of your school to be carried on by 10 or 15 students? It can't be done—according to the rules.

In the last couple of weeks or so, both the Junior and Sophomore classes have tried to hold meetings to carry on some important business—and each time their hands were tied because they didn't have enough members of the classe present to vote on a measure. Sure—they could have just gone ahead and worked out whatever they wanted to but you— you weren't there you wouldn't have known what was going on. Finally in the Sophomore meeting they sent out several members to "round up" the rest of the class.

You say that you don't like to go to business meetings. Well, it's about time you found out that you are now in college and should be old enough and dependable enough to carry on your own business. Life isn't all play and no work you know! And you can't have the play if you don't put a little effort into getting it. If everyone would get to the meetings so there would be

enough to vote, the meetings wouldn't have to last so long either—the officers wouldn't have to run to Robert's Rules of Order to find out if it were legal to pass a measure.

Act your age! With every privilege there goes a responsibility. It is your responsibility to come to these meetings and exercise your privilege—the right to vote and discuss freely your views. Come to the meetings when they are called.

## Our Students

Yes sir—this week we're presenting that tall, lovely blonde, Lucille Nordquist, generally known around as "Lucy". Lucy, born in San Francisco, is secretary of the Associated Students and is the gal that always has a smile on her face. She is a graduate of Arcata High School where she served as president of the Girls League and was active in G. A. A. and the Bachelorette Club.

This is not the first time nor the only office that Lucy has held at HSC. At present she is also prexy of the W. A. A. and secretary of Alpha Psi Omega, the drama society. She has also served as treasurer for the Associated Students. Lucy is a P. E. major and is working for her elementary credential.

Have you ever seen Lucy play hockey? She is certainly an obstacle to steer clear of! I've also heard that she is quite the gal in basketball too. Could be!

## James Moore Wins Naval Commission

Word has been received that James M. Moore, son of J. H. Moore of San Francisco, has been commissioned an ensign in the Naval Reserve as an aviator at the Naval Air Training Station at Pensacola, Florida.

Having completed intermediate training at the "Annapolis of the Air," Ensign Moore will be ordered to duty at an operational base or will be assigned to an instructor's school for further training.

Ensign Moore is a former Humboldt State College student.

## Ramona

In thinking over what I should discuss with you this week, I suddenly remembered that I had heard a poem not very long ago, written by Dean Monica Hadley especially for the Play Day program. When I approached her about it, she was awfully reluctant to let me have it but after pleading and begging for awhile, she finally consented. She said it wasn't perfect as poems should be but like I told her, it isn't the meter or the rhyme that counts—it's what's behind the whole thing. So here you have it— "She Ain't Got Glamour".

There is a girl I'm thinking of,  
 Who isn't twenty one.  
 But in many public places,  
 You find her chewing gum.

Now there's a girl of whom I've heard  
 Who's often rude to waiters  
 And clerks in stores, and those  
 who serve,  
 Tis that girl we are sorry for  
 Cause she ain't got glamour!

And there's that girl who has a date,  
 (She's a lucky girl today)  
 But even now she's always late  
 And makes the poor boy pay.  
 She ain't got glamour!

You've seen the girl without a doubt,  
 Who walks around with toes  
 turned out.  
 Her arches fall, her feet spread  
 out;  
 It spoils her gait, then it's too  
 late.  
 She ain't got glamour!

And there's the girl whom I did see,  
 With skirts well up above the  
 knee,  
 A homely part, especially rear,  
 Of any girls anatomy.  
 She ain't got glamour!

And then there was a certain girl  
 Whom Jim asked for a dance.  
 She said, No thanks," gave a  
 tired little sigh,  
 And danced it with another guy!  
 She ain't got glamour!

There are some girls who'd  
 rather die  
 Then break out in a smile,  
 And sometimes you wish they  
 wouldn't try  
 After such a sickly trial.  
 They just ain't got glamour!

But here today, Oh no!  
 You'd never find her—  
 A girl who'd be guilty  
 Of unglamorous misdeameanors!  
 Thanks again, Mrs. Hadley —  
 got the hint gals?

Have you an opinion on how the peace should be made when the war is over? Come to Dr. Balabanis' informal talk in Nelson Hall Lounge, Thursday noon at 12:30.

Dr. Balabanis will discuss "Who Makes Foreign Policy and How" at his next informal discussion, Thursday noon at 12:30 in the Nelson Hall Lounge.

## A Prayer

Your country is still at war—  
 ARE YOU?

From a Pacific foxhole comes  
 this prayer—

Across the world the sound of  
 shells has ceased . . .  
 And quiet shrouds the battled-  
 rubbed West . . .

The enemy has laid away his  
 arms, and Death and Pain are  
 done in France.

But I go on . . . for I must fight  
 and kill . . . .

And work and sweat . . . and  
 hide and run . . . .

For here the enemy is very much  
 alive . . . .

His bullets still are made of  
 lead . . . .

Their angry whispers still fore-  
 tell of sudden death

For Me and others crouched in  
 slime and mud . . .

The end for us is yet to come . . .

And so we pray to God to give  
 us strength

To fight and win . . . without  
 the wast of Time . . .

And with His Will . . . to see our  
 homes again.

Buy an EXTRA war bond in the  
 6th War Loan Drive which begins  
 November 20 to December 16!

## You Gave --

—\$65.95 to the War Chest.  
 Under the direction of Mildred  
 Babler, you the students of HSC,  
 contributed \$65.95 to your War  
 Chest Campaign. This total was  
 reached via various candy sales,  
 those little bottles stationed here  
 and there, and plenty of hard work  
 by the committee. Perhaps some of  
 you noticed the huge display in the  
 Main Hall which was very color-  
 ful.

The drive was sponsored by the  
 A. W. S. of which Marilyn Henry  
 is president and Mrs. Monica  
 Hadley, faculty advisor.

Show your school spirit by  
 attending the college basketball  
 games.

Lo and behold! Seems like Old Man Winter has really set in—Hockey field a slippery carpet—Games being continually postponed—Hockey enthusiasts trying their hand at volleyball.

... If the class teams ever have a chance of playing the games, plenty of competition will be seen on the hockey field—Sophs, Frosh, and Upperclass all with strong lineups.

Flash!!!—This Saturday Humboldt Hockey Gals will travel to Eureka to try their hand at inter-mural hockey competition. Leaving HSC campus will be an upper-class team and a freshmen team, escorted by Mrs. Hadley. The two hockey teams will be filled with confidence and enthusiasm when they play the Eureka hockey team and the Fortuna team.—Here's hoping Humboldt can really get in the groove.

The rain is also preventing archers from showing their stuff—But what's wrong with their idea of substituting jitterbugging? — more coordination, physical exertion, and naturally a better figure in the end—Dean Hadley will someday be a hepcat.

Jitterbug classes are really taking the spotlight of the day—Can't help but get hepped-up by that jive (Ask Marty). "She's" and

## Where's the Law of Gravity?

The maritime service boys in training at St. Petersburg, Fla., think that Katy Turner has the law of gravity licked when it comes to riding the end of her aquaplaning board, as in this picture. She puts it on edge at nearly a mile a minute off the Florida coast, where the service men have taken up this form of sport.

## Proposed Measure To Constitution

Proposed Amendment to Constitution to read as follows: Sec. 14.

Section 13 of the By-Laws of the Constitution, Associated Students, Humboldt State College, is hereby repealed.

Section 13 read in part that: "all qualifications for students body officers will be met insofar as possible. This section is to be automatically repealed six months after the present emergency."

Really inspiring to see our two P. E. instructors so enthused and in the groove—two of our favorites.

## Lumberjacks Play Blimp Base Thurs.

Thursday night at 7:30 the HSC Servicemen's League will again go into action when the Lumberjacks tangle with the men from the Blimp Base across the Bay.

This is a practice game and if the two games last week are any indication, it should be well worth attending.

## KAMPUS KATS

by A. and M.

Gossip just isn't on the beam this week but there is little for you to tune in on. Flash!!! Latest and cutest couple of the week is none other than that cute little senior president and the handsome frosh prexy. That's right—Hilda and George. Both right in there on Sadie Hawkins Day and dance. Also at the dance were Lovey and Charlie in the same old mood. Can't make out who had Marsh?? Turk getting married one night and next nite seen with another girl. Betty Rees looking pleased with her catch. Can't make out the connection with Bret and "Sawdust." Playing pranks, eh?? Wally always getting dates and then no lizzy—Heard Spooners Corner covered a large area of the gym. Nough of that for now.

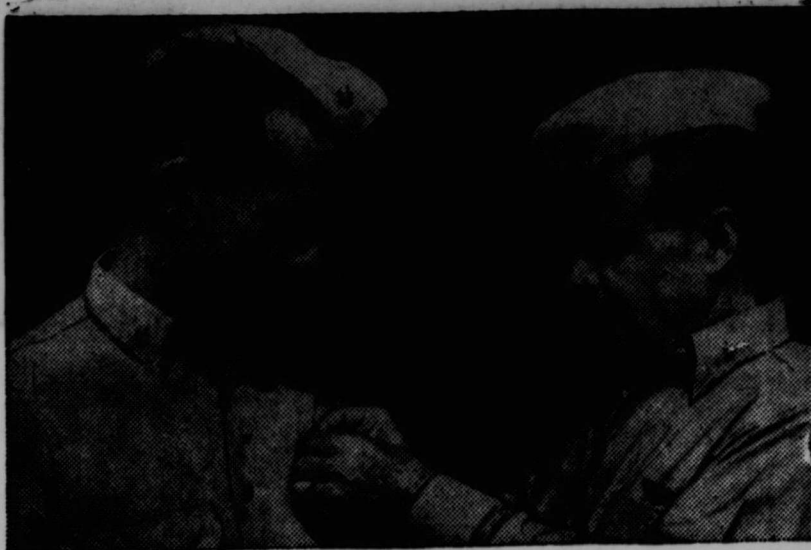

Some Kats looked in at Bayside. Some things seen were: The latest foursome out for the evening: Pat, Turk, Faye, and Al Burns. Humboldt boys were well represented at Bayside. Sheldon having a good, good time. Doubt whether he knew it though. Larry, Don S. Don C., Herbie (trying to do his best with a red head) jiving with the music. Igna becoming a hep cat with her jitterbug. Where did Ralph disappear to? Pa and Ma Peters escorted Alene and Betty to the dance but, of course, the Navy carried on.

It is evident that Wayne is coming home—isn't it Mary?

Have you noticed that sailor hanging around school? Could be he was looking for Mrs. K. Had the cutest small fry along.

Is it Miss Bennet, John? The song, "In My Arms," dedicated to you. Let's have more of this John. Steadies getting a pretty good

## Many Activities To Be Sponsored By Juniors

Numerous projects and activities for the near future have been planned at recent Junior class meetings.

One of their projects was the successful coffee and cake sale held Tuesday in the social unit at noon.

Come next Thursday and the Juniors are going to shine the shoes of all the lads and lassies at Humboldt—for a price, of course. In fact this little event will be held each and every Thursday in the main hall.

Another thing that will be appreciated by all those loyal sons and daughters of HSC is the plan of the Juniors to sell hot dogs at all the basketball games starting December 1.

Be on the look out for the "Pajamarino" to be held before the Chico Basketball game.

**Have a Coca-Cola = So glad you're back**

...or offering a soldier the comforts of home HOME! No place like it. And nobody knows it better than a fighting man back on furlough. Ice-cold Coca-Cola is one of the comforts of home that belongs in your family refrigerator. At the words *Have a "Coke"*, refreshment joins the party. The good old American custom of the pause that refreshes is spreading in many lands around the globe—a symbol of our friendly home-ways.

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".
