

# Humboldt Lumberjack

HUMBOLDT STATE COLLEGE in the REDWOOD EMPIRE

VOLUME XVII — NUMBER 7

ARCATA, CALIFORNIA, WEDNESDAY, JANUARY 19, 1944

## REGISTRATION STARTS JANUARY 31

### Chi Sig Plans Honor Assembly

The Chi Sigma Epsilon society had a meeting January 12th to make plans for the Honor Assembly which will be held February 10, at 11 a. m. in the auditorium. This assembly will include the reading of the honor roll, musical numbers, and the announcement of new members of the two honor societies . . . Rho Sigma and Chi Sigma Epsilon.

Plans were also made for a candy sale to be held the last of February to raise money for the scholarship that the society gives at the beginning of each school year.

### Old Clipping File In Annex

One very much neglected feature of the Humboldt State library is the clipping file. Many of the newer students are unaware of its existence. The clippings are intact from 1925 until the present date. They are about Humboldt and Humboldt Students and Faculty. Taken all together they make up more or less of a history of Humboldt. They are very handy some times when you are trying to check some data on a passed occasion. The recently published Humboldt News Letter was written largely from clippings from this file, about men in the service.

Watch this paper for news about the ?! Do you know what's cookin'? You don't? Well, isn't that too bad! You'll find out—won't you?

### Mr. Craemer To Speak At HSC Next Thursday

Mr. Justus F. Craemer publisher of the Orange Daily, Orange, California, will speak here at college in the auditorium on Thursday, January 20, at 11. He will speak on the topic: "California and the War Effort."

Mr. Craemer has been vice president of the California Press Association for the past 20 years, and was the president of the California News Paper Publishers Association in 1929. He was also president of the National Editorial Association in 1932.

At the present time Mr. Craemer is a citrus grower in Orange County, California. He was a member of the California State Board of agriculture from 1923 until 1928 and also a member of the state Railway Commission 1931 and was president of that organization in 1932.

The public is invited to attend assemblies here and especially this one on Thursday morning, January 20, 1944.

### Listening Hour

Next semester, the Listening Hours will be held on Wednesday instead of Monday evenings. The first concert of this year will be held at the home of Mrs. Jeffers on Wednesday following registration. Since the day has been changed, we hope that more people who are interested will be able to attend. Everyone is welcome.

### Alpha Psi Omega Gave Assembly

Alpha Psi Omega, dramatic honorary, sponsored an assembly two one-act plays on January 13 in the auditorium. Rosanne Hill, president, announced the plays and gave a list of requirements for membership in Alpha Psi Omega.

The first play, "Overtones," was directed by Faith Adams of the Dramatic class. Gladys Roberts played the role of Harriet, and Anna Babler played Hettie, Harriets real self. Gladys Smith played Margaret, and Eula Westberg played Maggie, Margaret's real self.

The second play, "Gander Sauce," was directed by Gladys Smith of the Dramatics Production class. Faith Adams, Anna Babler and Gladys Smith took part in the play.

Members of Alpha Psi Omega will be selecting new members in the near future and would like to remind anyone who has taken an active part in dramatic activities, to give their names to Rosanne Hill. Any student who has earned enough points by working on stagecrew or by taking part in plays or the "Hilarities," may become a member. Those who are interested, but do not have quite enough points as urged to try out for the one act plays this week and the first week of the new semester.

### Humboldt News Letter Issued

The first issue of the Humboldt News Letter was published December 29, 1943, by a faculty editorial staff. The Staff consists of President Arthur S. Gist, as chairman, With Mrs. Claire Speier Gustafson, secretary to the President, Mr. C. Edward Graves, Librarian, and Mr. Maurice Hicklin, Professor of English, assisting.

The staff of the Humboldt News Letter would like to know who you are and what you are doing. Write the college or any member of the News Letter Staff any news from or about any Humboldt men in the service.

If anyone has not received the News Letter or the Lumberjack will be pleased if you send his name and address to the Humboldt Lumberjack.

### Examinations Scheduled

Final examinations for the Fall semester of 1943 will be given beginning January 22, Saturday. The other dates are: Monday, January 24; Tuesday, January 25, and Wednesday, January 26. Registration for this Spring semester will begin the following Monday. Consult the list of examinations on the bulletin board in the main hall.

### SPRING PLAY TRYOUTS NOW BEING HELD

Try-outs are being held now, and the first week of next semester, for the one-act plays to be given sometime in February or March for student assemblies. Any student in school who is not on probation is eligible for a part in these plays.

The plays to be given are: "Suppressed Desires," "Before Breakfast," December 7th," and "Joint Owners in Spain." Before trying out, students are requested to be familiar with the plays which are now at the main desk in the library.

Watch the bulletin board near room 104 for information concerning try-outs.

### Gist Attends UCLA Conference

President Arthur S. Gist of Humboldt State College, attended a conference of 180 prominent educators and laymen at the University of California at Los Angeles, January 9 and 10. The conference was called by Dr. R. G. Sproul, president of UCLA, to discuss post-war educational plans.

President Gist said: "We are not only looking ahead to post-war education needs, but in these plans we are asking the advice and council of the laymen."

Two groups of laymen were included: school board trustees and Parent-Teacher Association members. The educational group consisted of college and university administration and faculty members, high school and junior college principals and city superintendents of schools.

President Gist had the distinction of coming the farthest of any of the representatives. Dr. Vernon O. Tolle and Francis L. Drag, both formerly of Humboldt State, were also at the conference.

### Pamphlet File

The library here at HSC has a recent improvement in the form of a pamphlet file. This file is made up of pamphlets too small to catalog in the usual manner and yet containing very important information on many subjects. The file was begun in 1942 and has all of the pamphlets available since then on "Postwar planning and the War." The students are urged to use this catalog as much as possible for anything concerning the war or post-war, from what the different countries are doing to the developments in science during the war, and also those expected after the war.

QUESTION: Do you know what the question mark means?

### NEW COURSES OFFERED IN SPRING TERM

Registration for the Spring Semester will begin on January 31, and end on February 1. Language Arts Tests for incoming Freshmen, and the College Aptitude Test will be given on Monday at 9 a. m. and 2 p. m. respectively. Seniors and 2nd semester Freshmen with initials from A to M will register on Monday from 9 a. m. to 12 M; Sophomores, Monday from 1 to 4 p. m.; Juniors, Tuesday, 9 a. m. to 12 a. m.; 1st semester Freshmen and 2nd semester Freshmen with initials from N to Z, Tuesday from 1 p. m. to 4 p. m. Instruction will begin on Wednesday, February 2.

A number of new courses are being offered next semester. In the Home Economic Department, Dr. McCombs will teach Clothing Design and Textiles. This is a study of clothing as an expression of personality and good taste in dress, with a study of the elements of design and color as related to the selection of clothing. Three units.

Metal Arts will be given again this spring, as Mr. Jenkins was able to locate some aluminum. It is a 3-unit course which teaches the application and use of various metals.

Spring subjects in the Art Department are: Design, 3 units; Graphic Expression, 3 units; Puppetry, 2 or 3 units, and Flower Arrangement, 1 unit.

In the new Child Literature class, emphasis is being placed on the contemporary writers, becoming familiar with the best works of artists and authors of books for children. The course should be of interest to teachers in that it shows them the best books to present to children. It should also be of interest to mothers in guiding the reading of their children. It is required for a kindergarten-primary credential and is recommended for all prospective teachers.

Dr. Raymond Fisher will instruct a class in The United States on the Pacific. This gives and establishment of American settlement and rule on the Pacific slope of North America and in the islands of the Pacific; role of the United States as a modern Pacific power.

### Celloist Draws Big Audience

Monday night the Community Concert, featuring Gregor Piatigorsky, drew a large audience, including many Humboldt State College students. Mr. Piatigorsky held the audience spellbound with his appealing renditions of the classics on the cello. Piatigorsky, tall and athletically built, captured the heart of his audience with his pleasing stage personality and was called back for many encores.

### Should Soldiers Be Allowed to Vote?

The following is reprinted from the El Gaucho, Santa Barbara-State's paper. Please fill it out and return it to the Lumberjack box as soon as possible.—Editor.

Eugene Worley, Chairman  
House Committee on Elections,  
Washington, D. C.  
Dear Sir:

Whereas, the men in our armed services are fighting and dying for their country, but are deprived of their right to vote because of prohibitive state voting requirements;

Whereas, Constitutional authorities affirm that federal supervision of ballots from men in the service will not impair their validity of the Constitution;

Whereas, the men in the armed services are our relatives, our husbands, our friends;

I do strongly recommend that you, other members of your committee, and other representatives, favor passage of a bill embodying the essentials of the Lucas-Worley proposal.

## MURDER

This community has a crying need for humane society. If there is anything that shows ignorance, is cruelty to animals. I speak of the person who feels sorry for an animal because he can, or will at least, no longer feed it, so instead of killing it he drops it somewhere to "forage for itself." Incidentally, that doesn't work. Taking a domestic animal which you have fed (or have you?) in your home and turn it out in the country to live on rats and mice are . . . Could you do it? Could your son and daughter do it . . . as you expect baby kittens whom you have tossed out to feed themselves?

. . . "Well, someone else will do it." Oh, fine! . . . let someone else . . . Who? Do you think anyone else enjoys killing starved cats that you leave on their door step? . . . and the old stock phrase "It'll find a home." . . . Who's home? home? If anybody wanted the cat he would get one . . . they will ask you if they want yours.

Why not have a pound to take care of such animals? A pound sponsored and supported by the community. You women's and men's club looking for something to do, how about a little time devoted to "Be Kind to" campaign? Why not start here, now.

Round and about one does not have to look hard to see starved horses and other animals . . . why is it allowed? In any other place that we have been, anyone who abuses animals not only has them taken away from him, but is subjected to heavy fine. I don't know

what people can be thinking of when they throw helpless puppy head long through a transom on a hard floor. In our opinion they should be dropped seven feet on their heads some time (or have they?) . . .

Anyone must be suffering from softening of the brain when they dip barn swallows in gasoline, light them, watch them fly off in flames, then scream with laughter. . . . Someone else pouring kerosene on a cat and then being sad and disillusioned when they were caught and were not permitted to light it on fire. . . . Up here on college hill someone leaving strychnine out for dogs or babies. Who is to say what young child would come along and put it in his mouth? To a person who would deliberately submit anything to a death by strychnine it shouldn't make much difference anyway. . . . Do you know that death by strychnine is like? It is described as violent. Yes, it is violent . . . and slow . . . you feel as though every inch, every cell of your body is burning with white heat. It's living hell. . . . And if you live through it you live through it and you seldom do, you live the rest of your life on grave yard stew.

"Be kind to animals," that is the sixth law of the Boy Scouts of America. Scouts, where are you? The law reads "A Scout is kind. He is a friend to animals. He will not kill or hurt any living creature needlessly. He will strive to protect all harmless lives." Or is a kitten or a starving horse classified as harmful . . . if so kill it, but don't let it starve or suffer or drop it for someone else to kill.

For all cats and dogs left homeless or abandoned simply because

## Three Humboldt Boys Win Honors In Navy Program

A record of distinction has been achieved by three Humboldt boys who are now students at the University of Oklahoma under the Navy training program. Among all the navy men in the Civil Engineering School at the University of Oklahoma, the three men having the highest scholastic records at the end of the fall semester were Merritt Neale, Jimmy Roscoe and Guy Keith. All three are former Eureka boys, graduates of Eureka High School, and students at Humboldt State College, where they had completed the two-year pre-engineering course, prior to their induction into the Navy.

They are the sons of Mr. and Mrs. P. J. Neale, 1360 I Street; Mr. and Mrs. Stanley B. Roscoe, 1236 J Street; and Mr. and Mrs. Nelson O. Keith, of Mitchell Heights, Eureka.

Five other Humboldt State College men are also students at the University of Oklahoma under the Navy training program. They are Jerome Swanson, Raymond Sweet, Wallace Johnson, Homer Arnold, and Elvin Jackson. Jackson was a regular on the University's football team last fall.

Despite the fact that many of the inductees have been "washed out," the Humboldt group is still intact, and reports indicate that all eight of the men are doing well, despite the stiff character of the courses and the keenness of the competition.

In commenting upon the news, President Arthur S. Gist of Humboldt State College stated: "The college is proud of all its men and women in combat duties and in those taking technical courses to fit them for war duties and for peace problems to follow the war. These three men showed unusual ability, insight and earnestness while students at Humboldt. We feel especially proud of their recognized achievement."

## Girls Buy Jeep In Two Weeks

Students at Goucher College in Baltimore, Maryland, launched a drive to "buy" a jeep a month. The girls were so enthusiastic that they were able to "purchase" the first one in less than two weeks after the program was begun. Students received a special reward for the first Bonds they bought! A mock driver's license to show that they can "drive" them as well as "buy" them.

some Homosapien tired of them . . . ; For all animals starved or dropped, poor things, left to "forage for themselves;" for all cats milled and thrown in showers simply because someone brought them to catch mice at a school; for all does shot out of season, or in season, or someone else, if he should happen to be a movement in the brush; for all horses and cows starved in feedless pastures because someone "could have had them down to one straw a day if they hadn't of died" . . . Oh, let them die . . . for all dogs, (or children) poisoned by strychnine; for all animals run down on the highway. Fun they call it! . . . for all swallows flying in flame to amuse some high school boys' mind, what mind, I offer a prayer. I pray that someday someone will say and mean it—"BE KIND TO ANIMALS."

LEIGH MANLEY.

## What's With The Worlds Works

By J. B.

"The Battle is the Pay-off" by Captain Ralph Ingersoll, is one of the best out on Battle. Covers only a small carpet of the scrap, but is so well played that it could be any battle anywhere in the world. Captain Ralph Ingersoll, former editor of P. M., one of New York's top Newspapers, has turned out a really fine piece of work in "The Battle is the Payoff."

Stuart Chase has produced another in his series of six, "When the War Ends" books, captioned "Where's the Money Coming From?"

"Taps For Private Tussie," by Jesse Stuart, who always wanted to be a writer and is, as anyone who reads-except the periodicals-will know. The story's written in the first person. It is very good. The young boy's character is built throughout the book and yet at no time does he seem the least bit egotistic. He makes you one of the characters. If you doubt, read the condensation in the "Ladies' Home Journal."

For really good reading, and Harper's prize novel for 43-44, read "Journey in the Dark," by Martin Flavin.

Come up again on "Where is the Money Coming From," seems incidental but it isn't. All the dreams of a better work cannot be realized without that inevitably missing link, money. Cash in on an intro to the fancies of the future—Check "Where is the Money Coming From?" by Stuart Chase.

## PHOTOGRAPHY EXHIBIT COMING

Mr. Graves, H. S. C. Librarian, has received word that the Fourth Annual Traveling Salon of Popular Photography is scheduled to be exhibited at Humboldt State from February 14 to 28. This exhibition is a selection of the best photographs submitted to the Popular Photography magazine during the year.

Last year the exhibit was displayed in Mrs. Little's room.

## A View of Chico State College

Chico State, one of the oldest state colleges in California, is a beautiful, inspiring and friendly institution. The campus spreads out over several blocks, and includes a two-story main building, a large and well equipped library, an industrial arts building, a beautiful auditorium, a fine gymnasium, a Greek theatre on either side of a stream, and well-kept grounds. Being a guest of the college, I was at first impressed by the appearance of the school, then by the friendliness of the faculty and students. While wandering through the halls with other guests of the college, I was welcomed with the others by Mr. Hamilton, Chico's president. Other faculty members took the trouble to speak. The students, as well as the town's people, were very friendly. The fellows were swell, and we got along beautifully with the co-eds. Ah, yes, I was impressed a great deal with Chico State College.

Don't know whether they are out yet, but B. G.'s "Minnies in the Money," "No Love no Nothing" and "Get out of Here and get Me Some Money," will be strictly from without, if and when. Old stuff, but missing from many libraries is Metronome All Stars "Bugle Call Rag" and "One-o'clock Jump," of by that call any Metronome is worthy.

Also B. G.'s "Sing, Sing Sing" another, Victor Swing Classic, is but good—or for that matter almost any "Swing Classic, like Lionel Hampton's "I Know that You Know" with Johnnie Hodge. On the market for sure is well-worn "Well Git It" by T. D. with Zig-zig Elman. Out is a fairly recent cutting of John Kirby's "Coquette," which has some fine clarinet and tenor sax passages in it. The bottom isn't too bad, which is unusual. B. G.'s "Solo Flight" on Columbia with G. 4's "The World is Waiting for the Sunrise." Miller.

Finals is "It Must Be Jelly" by Miller.

## Three Trainers Purchased After War Bond Drive

We see in the papers that the Victory Council at the University of Maryland, College Park, Maryland, culminated a three-month War Bond Drive by presenting three new Fairchild Trainers to the Army Air Force.

The trainers, christened University of Maryland, I, II, III, were financed by \$50,000 worth of War Bonds purchased by the students. The drive had started with a goal of one plane. We'll try to learn the secret of their success and pass it along to you.

LUMBERJACK STAFF: Attend the meeting this Friday. Very important. Watch the bulletin board for time, place and why.

## Pistol Packing Poets Paged

"Mow them prizes down," today urged Dr. L. E. Nelson of the University of Redlands as he invited California poets to go gunning for the \$175 offered in the 1944 Browning Awards.

"The hunting season for poems closes March 1," he warned: "Please don't go in for fancy wrappings, author's photographs, or water-color paintings. We want poetry, not packing. Postmen are busy, so use ordinary mail and forego the thrill of airmail, special delivery and registered letters."

Last year nearly a thousand Californians competed in the adult, high school and junior high divisions. Contestants are limited to one poem, any length, form and subject. Winning poems will be read over a nation-wide radio hookup on April 12.

## Susan Simpson

Sudden swallows swiftly skimming,

Sunset's slowly spreading shade,  
Silvery songsters sweetly singing,  
Summer's soothing seahenade.  
Susan Simpson strolled sedately,  
Stifling sobs, suppressing sighs.  
Seeing Stephen Slocum, stately  
She stopped, showing some surprise.

"Say," said Stephen, "sweetest  
sigher;  
Say, shall Stephen spouseless  
stay?"

Susan, seeming somewhat shy,  
Showed submissiveness straightway.

Summer's season slowly stretches,  
Susan Simpson Slocum she—  
So she signed some simple sketches—

Soul sought soul successfully.  
Six Septembers Susan swelters:  
Six sharp seasons snow supplies;  
Susan's satin sofa shelters  
Six small Slocums side by side.  
—ANON.

## EXCHANGES

A tramp stopped at an English Inn named "George and the Dragon." When he knocked, the landlady answered the door.

"Lady, could I have something to eat?"

"No," she snorted and slammed the door. The tramp knocked again, and when she answered the door he asked:

"Now could I have a few words with George?"

"Gosh, she's as pretty as a picture."

"Yeah, nice frame, too."

Sgt. "Don't talk like that; there's a lady present."

Pvt. "Sez you. After they go out with you, they're reclassified."

If you can't be a private be a corpse.

Dear Pop:

Gue\$\$ what I need mo\$t? That's right. Plea\$\$ send it \$oon a\$ po\$-sible.

Be\$t wi\$he\$, your \$oldier  
\$on \$am.

Don't worry if your job is small  
And your rewards are few;  
Remember that the mighty oak  
Was once a nut like you.

Moonlight skies and pine trees  
blowing  
Set each soldier's heart aglowing.  
But stow your sighs and save your  
kisses  
Alas, Alack, she is a Mrs.

Lumberjack staff meeting Friday. Watch the bulletin board for time, place, etc.

## Rose Named Riordan

Naomi Riordan, 17-year-old queen of Pasadena Junior college, California, who was chosen queen of the 1944 Tournament of Roses. Queen Naomi was born in Michigan.

## AWS Affiliates With Red Cross

An AWS meeting was held last Thursday morning at 11, to discuss plans for next semester's activities. Jean Hardwick reported on what other state colleges are doing to help in the war effort, and Monica Hadley, dean of women, announced a new course in Home Nursing, given for the purpose of training girls to be nurses aides.

Mrs. Duncan, head of the Red Cross here, gave a talk on Red Cross activities and made suggestions as to what Humboldt women could do to help.

Plans are now under way for an affiliation of the AWS with the Red Cross. Mr. Gist has given permission to use room 207, formerly the faculty men's smoker, as headquarters. The room will be opened at the beginning of the new semester.

WHAT CAN IT BE? What does it mean? Do you know? What I mean is—what does BIG question mark mean that occasionally occurs on the bulletin board? Do you know? This will take watching—Won't it?

Mrs. George Murphy has recently returned from Seattle, Washington, where she was in the hospital during vacation.

## MOVIVENT

Twentieth Century Fox comes up with a colored produce tagged "The Gang's All Here," STR says, "Top spot, top production. The sets are magnificently resplendent." This describes what Twentieth Century has done in this musical. We've seen it twice and believe it gains top chalk on any board. Besides B. G. with "No Love, No Nothing," "Minnies in the Money," and many more merry musical masterpieces, the technicolor is really good.

Two other techs on Market lately—"Thousands Cheer" one MGM job of all the stars on the lot type. . . . fair with some fine aerialist work. And a Paramount painted celluloid "Riding High" . . . Not so good. Some coming up that look good are "Flesh and Fantasy" (fine cast), "North Star," RKO, and "Gung Ho", Universal; the former, the German invasion of Russia. Both are war pictures.

### COMING DETRACTIONS

Come up twice on Fox's fame . . . "The Gang's All Here" with B. G., Fays, Miranda, and Baker . . . also "Claudia," "Winter Time," with Henie and Herman of the clarinet Hermans; "Guadacanal Diary" which is good; "Jane Eyre," another Wells which if it is half as good as "Citizen Kane" will be a marvelous piece of photography if nothing else; "The song of Bernadette," "Pin Us Girl" with Spivak, and "Wilson." All three are colored and still more are coming. 20th is doing well.

## Attention: Poets

Those who aspire to careers of writing are given an outstanding opportunity between now and the 15th of February, 1944.

One fellowship in literature carrying a stipend of \$900.00 will be awarded by the Trustees of the estate of the late Senator James D. Phelan. The literature competition is limited to writers of fiction, biography, historical narrative and verse narrative. Writers of the short story and lyrical verse will not be eligible this year.

Dean Charles B. Lipman of the University of California, speaking for the Trustees, called attention to the fact that the competition is open to both men and women who are native born citizens of the State of California, between the ages of 20 and 30.

We repeat, the competition closes February 15th, 1944. For complete information and an application, write to the James D. Phelan Awards in Literature and Art, 319 Phelan Building, San Francisco.

## College Girls To Compete In West Archery Tourney

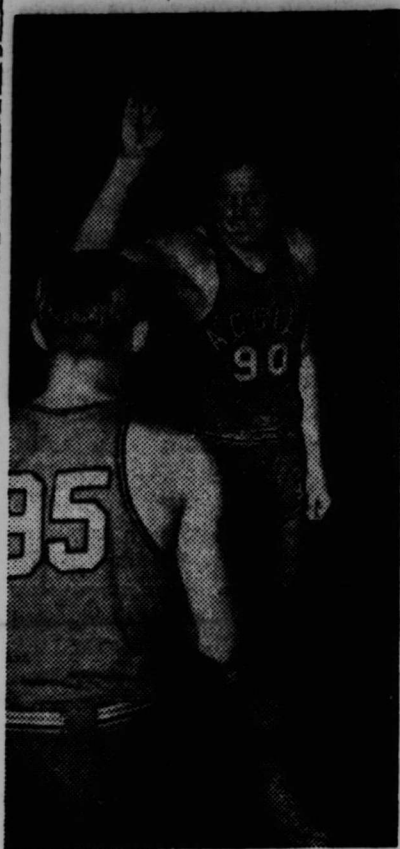

Five Humboldt State College girls will participate in the Women's Western Intercollegiate Archery Tournament that will be held for all colleges on the West Coast.

Individual and team scores will be shot on the campus of each school and then mailed to Los Angeles where final tabulation will be made and winners announced.

Humboldt State College girls entering the tourney are Anna Babler, Gladys Smith, Sally Westbrook, Pat Cloney and Shirley Thompson. They will compete in the one-semester division or for those who have had only one semester of archery training.

Mrs. Monica Hadley, dean of women and associate professor of physical education, is the instructor of archery at Humboldt State College.

## Tallest Basketeer

Bob Kurland (90), tallest player in basketball, covers teammate Bob Hancock as the latter attempts to sink a basket. Kurland plays center for the Oklahoma A. & M. team. He is 7 feet tall.

## Lumberjacks To Play Schedule

The Humboldt State College basketball teams will have a very full schedule this season. Numerous games will be played with various service teams and also with the high school teams.

In addition to these games Coach Mathieson has scheduled games with Chico State College, San Francisco State College, and he is also attempting to get games with San Jose State College. Four games are to be played with Chico State College, in January, the first two of which were played last week at Chico. The next two games will be played at Humboldt State on January 28 and 29. The games with San Francisco State College and San Jose State College will be played during the early part of February.

A War Bond rally at the College of New Rochelle, New York, was high-lighted by an auction of articles donated by students and their families. Among the articles offered for sale were coffee, butter, cologne, stationary, jewelry, and NYLON STOCKINGS! (Sor-

## Queen Smokes

Queen Tabonou of the Gilbertese natives gets a light from Lieut. Bruno Raymond whom she hasn't seen since he was a child. He was born on the Gilbert islands and returned there as a pilot for the U. S. navy during the invasion of Makin. He is a member of the Royal Australian Naval reserve.

ry, girls, that was LAST semester.) One pair of nylons attracted a purchase of \$175 worth of Bonds. Within an hour, sales had mounted to \$7,299. Are you doing the best you can in the Fourth War Loan Drive?

## Use Rent Money To Purchase Bonds

Members of the Phi Sigma Sigma Sorority at George Washington University in Washington, D. C., have given up their meeting rooms and invested the rent money in Bonds. They say the inconvenience of relinquishing the rooms is repaid when they think of the aid their War Savings will bring to the armed services.

## Enough Bonds Sold For 100 Jeeps

Illinois Wesleyan University in Bloomington, Illinois, decided to "buy" a jeep for Uncle Sam through a fraternity and sorority competition. When sales were totaled, the students were delighted to find that they had sold more than enough Bonds to finance 100 jeeps! The winning sorority and fraternity received certificates at a dance called the "jeep hop."

### \$550 OVER QUOTA

Smith College announces that students bought \$2,550 in Bonds, \$550 over the quota, on the first Smith War Bond Day of the new semester.

17th and G Sts.

Arcata

We who still enjoy the security of the campus are being tested. We are up for exams in faith, understanding, and effort in the war program. A 65 per cent belief in democracy is not enough. A fair understanding of our war economy won't do. We can't crib through this war by leaving it up to our fellow students to do the saving and economizing necessary to prevent inflation. "Good" isn't Good Enough! Our record must be excellent and the only way it can be is to go "All Out" in the Fourth War Loan Drive! Will you?

All members of the Lumberjack Staff and those interested in joining the staff are urged to attend the meeting this coming Friday. Time and place will be announced via the bulletin board.
