HUMBOLDT STATE COLLEGE in the REDWOOD EMPIRE

WEDNESDAY, FEBRUARY 13, 1946

## STUDENT BODY MIXER DANCE FRIDAY

### HSC Becomes Accredited By N.W. Association of Secondary And Higher Education Schools

Word was received at Humboldt State College that full accreditation has been granted to the College by the Northwest Association of Secondary and Higher Schools. This recognition gives to the College full accreditation as a four-year liberal arts college and as a teacher education college, and carrier with it accreditation by the North Central Association, which is one of the largest accrediting agencies in the country.

#### FORMER ACCREDITATION

Prior to this time, Humboldt State College has been accredited by the State Department of Education and by the University of California. For all practical purposes, this recognition has been ample as it assured full transfer value to other institutions of work taken at the local institution. However, with the growth in importance and influence of the Northwest Association, the Administration felt that the prestige of the College would be enhanced by membership in the Association. Accordingly, application was filled, and last April, a committee visited the campus to make the necessary inspection. Their report received favorable action at the winter meeting of the Association held last week in Boise, Idaho.

#### OTHER MEMBERS

Some of the other members of the Northwest Association are the University of Washington, the University of Oregon, the University of Nevada, the University of Utah, San Jose, San Francisco, and San Diego State Colleges and many other private and publicly supported institutions in the western states.

#### GIST'S COMMENT

In commenting upon the accreditation message which was received today from Dr. F. L. Stetson, of the University of Oregon, President Arthur S. Gist expressed gratification at the recognition on which has been accorded to the College just as it is emerging from the second crucial war in its history of thirty years. "Now that a period of new growth and expansion is here," he stated, "we are pleased to have the formal recognition which this accreditation implies. It marks another forward step in the history of the institution. We are pleased that the accreditation was not limited to our teacher education program, but was extended as well to our liberal arts curricula, thus emphasizing our position as a regional four-year liberal arts college."

### Vet Housing Units Here Soon

The administration is now working on temporary housing for fifty married veterans and seventy five unmarried veterans. Word was received in two telegrams, one from Congressman Clarence F. Lee and the other from Senator William F. Knowland, that twenty four housing units have been allotted Humboldt State. The Government is paying for the moving of them here and putting them up. The type of unit they will be is not certain; also the site of erecting them has not been chosen. The College will pay for the land and the service utilities such as: electricity, sewers, gas and sidewalks.

It is hoped that they will be completely furnished except for blankets, linen, and dishes.

### Your Datebook

G. I. Wives Social, Feb. 13.  
Mixer Dance, Feb. 15.  
Mu Epsilon Psi Amateur Program, February 19.  
W. A. S. Assembly, Feb. 21.  
Chico Games, Feb. 22-23.  
Honor Assembly, Feb. 28.

### \$330,000 For New Dormitory

While President Gist was in Sacramento two weeks ago the State Senate Finance Committee voted unanimously for an appropriation of \$330,000 for an additional dormitory, which would house from 150 to 200 students, for HSC.

This bill now has to go to the entire Senate where it is probable that it will be passed. The bill has already been passed in the Assembly.

It is hoped that construction will begin soon. The location of the new structure has not been decided upon yet.

Please honor the QUIET PLEASE sings in the halls on Friday afternoons and Tuesday evenings during the radio broadcasts. The sensitive microphones in use at the college pick up any slamming of doors, piano playing, or loud whistling in the halls.

The library is now open four evenings a week: Monday, Thursday, from 7:30 to 9:30.

Many postitions on the production staff of "Heaven Can Wait" are open. If interested, please see Don Karshner or John Van Duzer.

### "Heaven Can Wait" Is Spring Play

"Heaven Can Wait," a comedy-fantasy in three acts by Harry Segall, has been selected by the Drama department as the Spring play. The plot of the play is centered about the reactions of two heavenly messengers in attempts to find a body for a spirit who has been brought into the other world before his time on earth has ended. After a three-day tryout period, the following cast has been selected by John Van Duzer and Don Karshner.

Joe	Mr. Jordan	Jim Walsh	Bill Inskip
Messenger 7013	Don Ray	Bette	June Alexander
Julia	Patty Dumm	Tony	Jack Sivert
Max Levene	Jim Rosella	Mrs. Ames	Paula Foley
Susie	Patty Murray	Anne	Marna Murphy
Williams	Don Shelton	Lefty	Zane Nichols
Nurse	Phyllis Wompler	Workman	Bert Reiswig
Doctor	Wally Tudor	Detective	Red Hunt
Trainer	Bob Abbott	1st Escort	Don Williams
2nd Escort	Ernie Lekay	Passengers:	Chuck Hurlbutt,
	Edy Stromberg, Frannie Smigle,		Margaret Wurche, Harold
	Narron, Dick Schor, Jerry		Abby, Jinx Murphy.
	Student Director		Betty Tupper.

The parts of Mr. Jordan and Tony are uncertain as yet. After a few rehearsals, it may be that Jack Sivert will play Mr. Jordan, and Bill Inskip, Tony.

They lived in a three room apartment overlooking the rent.

### Evaluating Comm. On Campus Monday

An evaluating committee visited the campus this week to inspect the College for re-accreditation by the State Department of Education.

At this time, the State Colleges of California are making application for accreditation to grant the general secondary credential in addition to the general elementary and general junior high school credentials which they have previously granted.

Material which the College has assembled include reports on the training and qualifications of the faculty, and complete outline and bibliography of all courses, and many teaching aids such as: library books for each course, all material in the Eureka Public Library, the use of the radio, motion and still pictures, and maps and globes.

Listening hour will be held every Wednesday evening at 7:30 in the social unit of the college. All students are invited to attend.

### Associated Women Students Use Valentine Theme on 15th

### New S. B. Prexy Takes Office

At the regular meeting of the Humboldt State College student council, held last Monday, a new student body president was appointed. Former president, Marshall Rousseau resigned from his office, and Jack Sivert was then appointed by the council as president of the Humboldt State College student body.

Jack is in his junior year at HSC, and is preparing himself for radio work. Students will remember him for his participation in dramatics he played the part of Ben in the Fall play, "Icebound."

### Music Society Sponsors Show

A student amateur show is to be given on February 19 at 11 a. m. in the auditorium by the Mu Epsilon Psi, Humboldt's music society. Len Conry is acting as master of ceremonies for the affair. Admission will be ten cents.

Tryouts for the program were held on the eleventh for single and combination acts including musical numbers, dances, and reading. The program will be varied and amusing. Chairman, Wally Tudor, and his committee, Marilyn Brizard, Margaret Puckett, and Marilee McCrea, are responsible for all arrangements.

### Ski Club Opens Membership

The Ski Club announced at its meeting on February 5th that membership is now open to students who were not enrolled in HSC last semester. The dues which are \$2.50 for new members and \$1.00 per year for former members are payable to Marna Murphy, club treasurer, at any time. Membership might be limited in the near future, however.

Two new officers were elected at the same meeting: June Alexander, secretary and Marna Murphy, treasurer.

Limiting the use of the HSC Ski Lodge by members only with their few occasional guests, was emphatically decided upon. A no trespassing sign will be erected on the grounds.

Confucius wrote his famed: "Ode to a Lilac" in 500 B. C. . . so what ! !

A cow has four legs . . . one in each corner of her.

JINX MURPHY

Following a Valentine's Day theme, the Associated Women students, under the supervision of Frances Oldrige, president, will sponsor the Spring Mixer Dance in the Humboldt State gymnasium on Friday evening, February 15, from 9-12.

Jinx Murphy, a Humboldt frosh, has been appointed as general chairman of the dance. Music will be supplied by Sal Nygard and his orchestra, and refreshments will be served. Admission is free to all HSC members, but it will be necessary to present student body cards at the door.

The Mixer Dance is given under the auspices of the student body at the beginning of every semester, in order to welcome new students and boost school spirit.

Under Jinx Murphy's supervision, the following committees have been appointed.

Publicity: Leah Loquet, Astrid Olson; Decoration planning: Marge Rimbey, Virginia Lopez, Perky Milnes; Refreshments: Helen Ribiero, Sarah Wakefield; Decorations: Loris Baumgartner, Shirley Sweet, Marion Guthridge, Marge Buckman, Millie Wier, Helen Wittet, Vickie Short, Warren Blake, Sweetpea Narron, Georgia Williams, Red Hunt, Don Pfister, Ellemarie Fanuchi, Charlie Peterson, Phyllis Carrol, and Frances Brizard.

A few of the vets may have some pretty set ideas about how a college should be run . . . but I hope they'll remember that there are others in this institution who also have the right to express themselves. LIVE AND LET LIVE.

## Editorials

In looking back to high school days, (heaven forbid the thought) I remember one thing in particular: the fine school spirit which prevailed among the students. I think that many of us are from high schools where school spirit was predominant. I also remember that one of the first things I noticed about Humboldt State was the lack of school spirit among the students here. Then I sat myself down and began to analyze the situation, trying to find why such a thing existed in such an active school.

Naturally, the absence of men on the campus during war emergencies was a factor contributing towards this. Without men, our sports activities were practically nil and games were nothing to boast of. For the past two or three years our attendance has been very low, and the few students attending Humboldt could contribute very little in the way of school spirit.

Now, however, this situation has been greatly altered. THREE HUNDRED students now attend Humboldt State, and the majority of this number is composed of men. Our basketball team has been greatly improved and our games are much more exciting these days.

However, I think that little can be done to boost school spirit in an institution lacking organized student body meeting and assemblies. We have good officers who are in every way capable of organizing good assemblies, and I would like to know why there aren't more assemblies. I think that every Thursday should be set aside for such a meeting, and a meeting held every Thursday. We

have a yell leader; why doesn't she learn good solid yells and lead them at the meetings. Our newly organized pep band could be of assistance here.

Surely from 300 students enough entertainment could be gathered for weekly meetings. Then too, I think that students should know what actually "gives" about the campus. They should be informed about the doings of the school... another attribute or organized assemblies.

Attendance at school games would be greatly enlarged through advertisement at school meetings. School spirit could be increased one hundred percent by the encouragement of the officers at organized assemblies.

In closing, I would like to know what is the good of belonging to a student body which is totally lacking in organization and meetings of students.

## WHO'S MAD

For the past few months I have been receiving word of a certain unrest on the part of certain students on the campus in regards to the LUMBERJACK. This short article I hope, will relieve that unrest.

To begin with, the staff IS working hard to publish a good paper. An exchange with other colleges has been organized; student polls have been taken to see what you students wanted in your paper; and great heed has been taken to publish the paper in due respect to the demands of the students body. However, YOU CAN'T PLEASE EVERYBODY. This saying is applied to almost everything in life. BELIEVE ME when I say we are working hard, and any further complaints, if they are sincere, should be made directly to the editor, so that he can do his best to improve the paper. In all respect, the STAFF is sorry if the paper is not up to certain expectations, but we THINK that with our resources we publish a paper which is enjoyable to the majority of students.

THE EDITOR.

## Honor Societies To Give Assembly

The production, "Magic Carpet," will be presented by Chi Sigma Epsilon and Rho Sigma, Humboldt honor societies, in the college auditorium on Wednesday, Feb. 28, at 11:00, as the biannual honor assembly.

"Magic Carpet will take the au-

## Views By HSC Students

## VETS VIEWS OF COLLEGE

While I was with the U. S. Marines in the Pacific, I never gave much thought about going to college. I guess I was like everyone else... the first thought was to get out—be a civie again. But when the long awaited day came, I started thinking and... well here I am, and I LIKE IT.

Personally, I think all the colleges in the country will be filled in a year or two. Most fellas (I know I did) want to lay around and just take things easy for awhile. But soon even that gets monotonous and they'll start thinking about the G. I. Bill and want to take advantage of it. I think the educational section in the G. I. Bill is the best, and affords the best opportunities for the vet. I know if it wasn't for that, I wouldn't be here now.

Although I've only been at Humboldt two weeks, I feel perfectly at home. Everyone welcomed me as if I were a long lost brother. In short, I'M GLAD TO BE HERE.

Bert Reiswig.

The WAVES claimed me, trained me, employed me, discharged me. The cycle was invaluable in many ways—in enlarging my perspective of my fellow sex, in showing

me the shallow glamour in a service and a uniform; and, most important to all, shocking me into thinking more clearly and definitely—a decided form of self-perservation, and much more.

The result of all this learning by experience was to sharpen my already sharpened conviction to return to college. To employ all I'd learned experimentally in learning academically.

Of the WAVES I knew, the greater percentage were going back to work in old jobs at home. Some were remaining with the Navy in a Civil Service status, out of uniform, of course. Many were married or intended to be, and were going to pursue that occupation. The few girls returning to school had at one time been college students, or had husbands who were going back to finish. It would have been good to see more take advantage of the chance for schooling.

But the college life is the life for me. You can quote me on it. Learning to think with people who think; relishing the friendly and happy air of a people in a place that knows the secret of enjoyable living—it's as good as heck to be back.

Jean Johnson.

## Bailey Speaks At CSTA Meeting

At a meeting of the C.S.T.A. on Feb. 6th, Dr. Bailey spoke on "World Horizons for the Teacher." In the panel discussion afterward the concentration of speaking was done by Helen Milios, Esther Silva, Marie Sivertson, and Marjorie Rimbey.

Dr. Bailey said in his speech, "The only way that a person can analyze this problem of teacher's service to the community is to think of himself around the age of forty and think what he would like. At that age no woman teacher wants to look like a teacher. How can a teacher be forty, teaching, leading a full life of activity, and not look like a teacher? The main prerequisites for a successful teacher are a strong personality, professional attitude, and a willingness to participate in extra-curricular activities."

The women of Nelson Hall gave a party for the men last Friday evening. An enjoyable time was had by all.

dience on a world visit and bring the dance and song of foreign countries into focus. The production will star Betty Merriweather, notable dancer and dance teacher from Eureka.

## Pep Band Is Organized

Humboldt State's enthusiastic, if a trifle unorganized, Pep Band, made its first appearance at the basketball game between HSC and Fortuna on the 30th. The group, organized by Alene Beers and Sam

## G. I. Wives Social Tonight

Under the supervision of Mrs. Don Karshner and Mrs. George Murphy, a social in honor of the wives of Humboldt veterans will be held this evening at 8:00 in the social unit.

Last semester, under the supervision of Mrs. Karshner, ten veterans' wives met at the Karshner home and organized a club exclusively for G. I. wives. The social this evening will be in the form of a welcome for new members. Refreshments and entertainment will be provided for all attending.

Those on the committee are: Mrs. Karshner and Mrs. Murphy, Mrs. Bill Madsen, Mrs. Brad Barnes, Mrs. Len Longholm, Mrs. Bob Newcomb, and Mrs. Charles Hurlbutt.

Merryman, enjoyed themselves thoroughly and did their best to prove that school spirit is no lacking at Humboldt.

They were as follows: John Dolson, Alene Beers, Sam Merryman, Jack Bolger, Ed Early, Gene Blackburn, Barbara Fisher, Frances Brizard, Marilyn Brizard, Charles Farrar, Mary Dolf and Pat Murray.

"Ode to a Grecian Urn" was a poem based on an ode to a Grecian Urn.

## Humboldt Tops Fortuna 42-41

Bud Cloney came through with two shots in the overtime period to give the Humboldt Varsity a 42-41 victory over the Fortuna Independents in County League play Jan. 30. In the preliminary contest the Humboldt Frosh triumphed over the Fortuna reserves 46-19.

The varsity game was a thriller from start to finish and at the end of the regulation time the score was tied at 38 all. Cloney then tanked his first shot and Fortuna countered with a free throw. Cloney counted again but Fortuna came back with two points of their own. Then, with less than ten seconds remaining, Andreucci of Fortuna received two free throws. The Humboldt rooting section, which was the biggest and best of the season, went wild as both shots were missed.

Len Longholm and Wally McMillan led the scoring for the Lumberjacks with 12 points each while Frank Freindenbach, ace Fortuna forward, paced the losers with 17 tallies.

## Chico Here Next Weekend

The Humboldt Lumberjacks will entertain the fast and powerful cagers from Chico State College next Friday and Saturday nights at the College Gym.

Chico has been meeting strong opposition this season and will undoubtedly give the locals plenty of trouble. They are led by Tepton, sharp-shooting forward.

Preliminary contests both nights will begin at 7:30.

## Lumberjacks Drop Pair To SF State

Collingwood, Byrnes, and Co., otherwise known as the Golden Gaters of San Francisco State College administered a pair of drubbings to the local collegians on their recent trip to San Francisco. The Gaters copped the first contest by a score of 73-42 and triumphed 53-23 the following night.

Tom Collingwood, the Gaters lanky center, paced the San Franciscans in the initial encounter with 18 points although he played only 13 minutes of the contest. Francis Barry, Lumberjack guard,

## HSC, All Stars Meet Friday

The Kansas City All-Stars, nationally known colored barnstorming quintet are scheduled to meet the Humboldt Lumberjacks this Friday night in the Eureka Municipal Auditorium. The House of David cagers, famous bewhiskered combine from Benton Harbor Michigan will collide with the Eureka Sportsmen's Club in the other half of the twin bill which begins at 7:30.

Jesse Owens, hero of the last Olympic Games held in Berlin in 1936, is the top performer for the All-Stars. Owens, holder of many broadjump and sprint records, will give an exhibition in running during the intermission between games.

## Chico Stops Humboldt

The Humboldt Lumberjacks, minus the services of first stringers Jim Carvell and Harold Naron, dropped two games to the Chico State Wildcats last week at Chico by scores of 44-28 and 45-41.

In the second contest the locals were leading until the last few minutes when Len Longholm fouled out and Dorm Willard sprained an ankle. Humboldt held a 12 point lead with 8 minutes to play.

Tommie Tipton, ace Chico forward and one of the nations top scorers, paced the Wildcats in both contests with 14 and 15 points. Longholm sparked the Lumberjacks with 13 and 14 tallies.

## Lumberjack's Cager Injured

Berry's Toggery of Ferndale and the Sportsmen's Club cagers of Eureka continued to set the pace in the Humboldt Independent League in games played last week. Both

tanked five field goals and three charity tosses for 13 points to lead the Humboldters.

The following night the locals succeeded in stopping Collingwood but Byrnes, sharp-shooting Gater forward, racked up 21 tallies which was about all that was needed.

## Korbel Trims Lumberjacks

The Korbel Firemen broke into the win column of the County Independent League last Tuesday at the expense of the Humboldt Lumberjacks by virtue of their 41-36 win over the Humboldt five.

The Firemen held the upper hand throughout the contest except for a brief moment in the final period when Red Hunt sent Humboldt into a short-lived 32-30 lead. Wally Scott and Don Sallady countered with field goals and Korbel was not headed thereafter.

Kenny Geiger led the scoring for the winners with 15 tallies while Wally McMillan and Len Longholm paced the Lumberjacks with 13 and 10 points respectively.

In the preliminary contest Bud Cloney collected six markers to lead the Humboldt Frosh to a 19-17 win over the Samoa Firemen.

	Won	Lost	Pct.
Berry's Toggery	6	1	.857
Sportsmen's Club	6	1	.857
Humboldt State	4	3	.571
Busy Bee	2	5	.285
Fortuna	1	5	.167
Korbel Firemen	1	5	.167

## Ferndale Wins From Humboldt

Berry's Toggery of Ferndale, led by the sensational Franny Givins triumphed 72-53 over the Humboldt Lumberjacks in a game played at Ferndale Jan. 23. The College Frosh quintet beat the Ferndale Farmers in a preliminary game.

With Givins tallying 26 points the issue was never seriously in doubt. The Ferndale five jumped off to an early lead and the collegians did not come within eight points of the league leaders after the first five minutes of play. Len Longholm and Jim Carvell paced the Humboldt attack with 18 and 14 points respectively.

In the opener the frosh were forced to come from behind in the final period to take a 35-26 win. John McDonald led the frosh with 13 markers.

teams have won six and dropped one. Humboldt State trails the leaders by two games, having won four while losing three.

Humboldt has three league games remaining: Sportsmen's Club here tonight, Busy Bee at Eureka on the 21st, and Berry's Toggery here Feb. 28.

## Lumberjacks, Sportsmen Meet Tonight In Gym

The Sportsmen's Club quintet will be out to avenge their sole defeat in league play this season when they meet the Humboldt Lumberjacks tonight in the College Gym.

In the first contest between the two fives, Humboldt took a narrow 35-34 win. Since then the Sportsmen took a 50-40 win from the powerful Berry's Toggery quintet.

A preliminary game beginning at 7:30 will find the Humboldt State Frosh meeting a team not selected at this writing.

## Sparks Off The Sport Circuit

According to Fred Telonicher the re-formation of the Far Western Conference is still hanging fire due to the reluctance of College of Pacific to commit themselves.

In the meantime, attempts are being made to enlarge the conference membership by adding San Francisco to the list of member schools.

Bouquet of the week: To Alene Beers and Sam Merriman, who or-

ganized the pep band which has been making quite a noise for itself around the campus lately. This is something which the college has been needing for quite a while.

Chuck Waters informed us the other day that baseball and spring football will make an appearance at Humboldt this spring.

## Mortal Muse

BY LEN CONRY  
"CASE OF THE TUNING FORK"

A sardonic view of our caotic labor situation came to view during the Santa Claus season of 1945. It seems that in order to sound the musical not of B or A flat with a tuning fork, you must belong to the Musician's Union. This situation was confronted when a choir was assembled to sing carols of Yule Tide Season. But catastrophe struck! No tuning fork could be used—reason—No union card. Alas, what to do? The maestro raises his hands in readiness, out of the corner of his eye he sees the business agent of Local No. 169. He inhales, puckers his lips to whistle the clear not of G. Then it happened. Fifteen pickets, disguised as Greyhound Bus Drivers

marched forth carrying signs, reading: UNFAIR TO LOCAL NO. 169.

The business agent was heard saying to the conductor: "The fact that you are wearing your UNION SUIT does not constitute membership in our UNION."

Is your thinking mechanical? It probably is. Of course you don't like to be told that, but nine times out of nine it will prove to be reflective and mechanical thinking.

In your conversation regarding some national political sequel, you state an opinion, NOT personally formulated, but influenced and molded by some twisted, illogical facts. I don't advocate complete agnosticism. But probe into the thing, untangle the distorted presentation, then you are not a mental machine for the transission of ideas by a stooge, who writes recipes for the chefs of public opinion.

ANALYZE, then speak for yourself, John Public.

This brings to my mind another quotation, which is the skeptic approach, I agree, but so very wise.

DEFINITE ON: "A QUILL—an implement of torture yielded by a goose and commonly wielded by an ass. (aint it?—remember we all write with a pen.)"

## Irene Bailey On Faculty

Mrs. Irene Bailey, wife of Dr. Kenneth Bailey, is a new addition to HSC's faculty.

She is conducting many activity courses and has had much valuable experience in this line of work. Mrs. Bailey took her training in physical education at the University of California at Los Angeles. For ten years she played softball in Los Angeles and in 1935 was a member of the team which won the championship of southern California by defeating San Diego before a crowd of 27,000 people at Wrigley Field.

Mrs. Bailey is also a tennis enthusiast and has actively participated in a variety of sports in and out of school.

## Meade To Teach Mathematics

Richard Meade is a new instructor in the department of mathematics and science.

He is a graduate of Oregon State College, and has recently been released from active duty in the Navy where he held the rank of Lieutenant. Following his graduation from Oregon State College, he was made a member of the faculty in that institution and taught for a year in the department of mining engineering before he entered the service.

He is now teaching classes in mathematics, physics, and mechanical drawing.

## Lumberjacks Third In Loop

Lightning struck in the same place and by the time the smoke had cleared two members of the Humboldt Varsity were on the sidelines.

Harold Narron, regular center, sustained a sprained ankle in Tuesday night's game with Korb while Jim Carvell, varsity forward, suffered a broken nose in practice last Wednesday.

## Facts Of Life

### HOW TO KISS A GIRL

A kiss sounds like a salute of cannons and there's something of confection about it. When one girl pecks at another girl's lips, that doesn't constitute a kiss, but when a mustache tickles a maiden's lip, that's a different proposition. She just gets right up against it and sticks glued to the spot, as it were. She gives you a long, tight squeeze and murmurs softly: "Let er rip, pip," and when your two big fat faces meet, then break with a report you could hear across the street, it's delicious.

Every young fellow ought to know how to kiss a young woman correctly. Just place your left arm around her waist, and gently lay her head over your shoulder, then lift up her double chin with your right-hand pinkies, and when she puckers up her kisser and gazes into your blood-shot eyes with a "give it to me quick" look, that's the time for action.

But don't get excited and chew the hair pins in her hair, or knock the enamel off her front teeth and bruise her gums. Take it easy, GREASEY

Just rest your ugly phiz against her chin and glue your blubber lips to hers, and slip away till it begins to tingle in your toes, and then push your face right into hers till she hollars.

Then smooch her again, and smooch her good! Don't let her get away. Put your whole heart and soul (No, Liscomb, you don't put your foot into her mouth) into the work. Don't choke her, however; and, above all, don't bite. Always remember, you're not in a dog fight. Just press her and caress her nicely, and keep whispering soft, mushy things to her till she begins to give off steam, then kiss her again. Give her a good, long, lingering kiss—kiss her till you're out of breath. (You can always find time to breathe), and then she'll nestle in closer to you, and she'll put her arms up around your neck, and murmur in your ear. THEN YOU'LL KNOW you've made a hit. She'll come out and meet you every night after that, whether her old man likes you or not. She knows a good thing when she gets it, and she's not going to lose any of it, either, I'll tell you that.

Now for you poor unfortunate, ignorant mailies who can't find a girl to kiss you, or who can't get one to kiss you as much as you would like to be kissed. Just hold on for two weeks and I'll be back to tell you HOW TO MAKE A GIRL KISS YOU.

Let's boost school spirit! How about a larger attendance at our basketball games.

## TATMAN'S BAKERY

PIES — CAKES  
COOKIES

16th and G Sts. Arcata

## Chili Bowl Cafe

Under new management  
of Teri Robison

Steaks — Fried Chicken  
Hamburgers — Chili

New Store Hours  
11:00 a. m. to 2:00 a. m.

## Gymn Gossip

Basketball season is underway now . . . sign up early on the bulletin board. Six practices are definitely required this season and the schedule will be planned so that there will be time to get in the practice . . . "Mrs. Buckets" has a dead-eye on that basket and also plenty of speed!

Perky's curiosity overcame her common sense—result—? . . . rat bite and doctor's care.

"The Spoilers" is a movie about the spoilers.
