HUMBOLDT STATE COLLEGE in the REDWOOD EMPIRE

WEDNESDAY, APRIL 10, 1946

"STEAMBOAT SHUFFLE" COMING FRIDAY

Alpha Psi Plans Masquerade Ball

The Alpha Psi Omega is bringing back another of the old Humboldt traditions. This time it is the Masquerade Ball and the choosing of the Campus Queen. This event all takes place during one day, which date has not as yet been announced.

The electing of the Campus Queen was an annual event which has been carried out here at Humboldt until the war. It was considered quite an honor holding this position, and there were usually five girls running. The Eureka students, Arcata, Nelson Hall girls, Nelson Hall boys, and other boarding halls and dormitories of that day sponsored girls for this position. The last queen elected here from the Girls of Nelson Hall. She was Miss Gilly Negro, who graduated from Humboldt and is now teaching school in Palo Alto.

Music Festival Coming May 3

Musical organizations of Arcata, Ferndale, Fortuna, Hoopa, and South Fork highschools, and Eureka junior and senior highschools will assemble for the annual county Music Festival at Humboldt State College on May 3.

The public is invited to both the morning session, a performance of instrumental and vocal soloists from each school, and the evening performance, scheduled at the Eureka Junior highschool at eight o'clock.

An interesting feature of the afternoon concert is the finale when all vocal participants sing three songs as a group. The chosen selections for this are to be in four-part harmony, "The Bells of St. Mary's", to be directed by Lloyd Anderson of Fortuna, "All in the April Evening", directed by William Crane of Ferndale, and Handel's "Hallelujah, Amen!", directed by Miss Pearl Jacobsen of Eureka.

With bands, orchestras, boys and girls glee clubs, mixed choruses, and an a capella choir from each school, the number performing will total approximately 850.

The Festival, reappearing as an annual affair since the easing of war-time transportation difficulties, is sponsored by the Humboldt State College music department.

She: "Sometimes you seem so manly and other times absurdly effeminate."

Why is it?"

He: "Hereditry. You see, half of my ancestors were men and the other half women."

And then there are the little red corpuscles who all went to church in a body.

Humboldt Men Plan Picnic

The Associated Men Students of Humboldt State College will hold their annual picnic Friday, April 26, at Riverside on the Van Duzen River. President Neil Frost appointed the following committees.

Foods Committee: Enrico Bongio, chairman; Wilkenson, Timmons, Mitchell, and Anderson. Liquid refreshments committee, Longholm; Mitchell, and Waters. Transportation committee: Sam Merryman.

Francis Smigle will be in charge of a party of eight to go crabbing a few days before the picnic, and Melendy was appointed to arrange for a morning athletics program.

Jack Mouat was appointed to post a notice on the bulletin board. All men who are interested in attending the picnic are requested to sign up so the foods committee can make an accurate estimate of the amount of refreshments needed.

The following rules which bear the approval of the administration and the Board of Control are to be in affect during the picnic:

At least two faculty members will attend and will assist in the planning of the picnic.

The morning of the picnic is to be spent in an athletic program.

No alcoholic beverages with the exception of beer are to be allowed on the picnic.

The amount of beer is to be in proportion to the number of men attending. No drinking will be done before noon.

Also, it was stressed by President Neil Frost that no one will be allowed on the campus or admitted to Nelson Hall unless they are in complete control of their facilities.

Two games of softball are to be played in the morning, followed by refreshments consisting of crabs, french bread, potatoe salad, pickles, possibly salami, and beer at noon and a varied program in the afternoon. President Neil Frost said he hoped all the men students of Humboldt State will attend, and expressed the opinion that all those attending will have a good time and a devil of a lot of fun.

Booster Dance Is Scheduled

On May 3, the day of the County Music Festival, a dance, sponsored by the Rally committee, will be held in the gymnasium at Humboldt State to help promote friendliness and good spirit among the participants of the Festival. Music will be provided by dance bands from the schools all over the county. It is expected to be a highly enjoyable afternoon and all non-participants, as well as those taking part in the Festival, are urged to attend.

Bill Inskip Will Direct "One-Act"

BILL INSKIP

Bill Inskip is now working on the production of a play to be presented to the entire student body sometime during the month of May.

The cast for this play is as follows: Margaret Wurche, Mrs. O'Connor; Beverley Tudor, Mrs. Sullivan; Betty Tupper, Mag Sullivan; Bill Granich, Sean O'Connor.

Bill is well known here for his ability in the drama dept. He played the part of Uncle Everett in the last student directed play, and portrayed the part of Mr. Jordan in "Heaven Can Wait."

This play Bill is now working on is a one act Irish mystic drama. He has not as yet released the title to the public ear.

Work Day Will Be Held May 17

Chuck Waters, Work Day chairman, announced that Work Day will be held on May 17, 1946.

This day will start off with the faculty show held in the auditorium at 8:00 A. M. Mrs. Jeffers and Mr. Don Karshner are working as co-chairmans on this project.

Other projects for the day will be working on the school sign at the bottom of the college hill. There will also be a sign constructed at the foot of the hill for the football schedule. Plans are also being made for the groups working on Council Crest and the Triangle.

A prize will be presented to the group which best completes their project for the day.

The high light of the day will be when the entire student body gathers in the Inner Court for lunch. This is a free lunch sponsored by the student body. However, students will be asked to donate apples, oranges, and sandwiches to help out.

Others working under Chuck are: Len Longholm, Bill Madson, Neil Frost, Bert Sanard, Sis Thompson, Anna Babler, Ellis Williamson, Lorraine Hathaway, and Dick Roche.

Dancing On "Antelope" Will Revive Age-Old Tradition

The Steamboat Shuffle, sponsored by the Women's Athletic Association, is the result of the revision of an age-old tradition here at Humboldt. The dance was an annual event until the outbreak of the war in 1941, at which time it was postponed until a future date when the students of Humboldt would again be here to enjoy it.

Under the direction of Sally Blackford, general chairman, a newer and better "Shuffle" will be held on the deck of the "Antelope" this Friday evening from 9 - 6. The old paddle-wheel will be docked at the foot of F street, where students of Humboldt and their guests will dance. The orchestra will play from 9 - 1, and a juke box will provide music until 6 a. m. Although the "Antelope" must remain docked, several launches will be available to take trips around the bay during the evening.

Bids may be obtained from Frances Brizard, admission being \$1.25 per couple. As per tradition, the gals will do all of the asking and furnish box lunches for themselves and their dates. No tickets or bids will be sold at the gangplank that evening.

Miss Blackford has appointed as committee heads: decorations, Doris Damgaard; publicity, Frances Brizard; music, Alene Beers, Muriel Bonner, Edith Stromberg, and Betty Barnum.

AFCW Conference Held Last Week

Enlightened by attending AFCW conference at the University of California's campus, the WAA delegates have ideas and plans for furthering the sport program at HSC. A report will be given at the next WAA meeting. Humboldt State was the smallest college represented among the sixteen present at the conference. Delegates Sissy Thompson, Virginia Hill, Catherine Brandt, and Anna Babler spent Saturday attending discussion groups and general meetings and from the discussions on WAA organizations, standards and system of competitive co-recreation activities received many suggestions that can be executed on our campus. Dr. Loder, who accompanied the delegates, and the four delegates enjoyed a well activated weekend.

Forbes To Visit During Vacation

Joe "Cowboy" Forbes, recently appointed head coach at Humboldt State, is expected to visit the Humboldt campus during next weeks' Easter vacation.

Forbes, who is under contract at Compton Junior College until June, will probably outline his style of play to the Lumberjack gridders who are at present in the midst of spring practice. At Compton, where one Forbes' coached eleven copped the national small college football championship, his teams featured a modified "T" formation and he is expected to employ the same system here at Humboldt.

This will be Forbes' second visit to Humboldt since he accepted the coaching position here. He was here in February when he outlined briefly his plans to the Student Body.

Mrs. McKittrick Resigns From Appointment Sec'y

Mrs. Elizabeth F. Brizard was recently named Appointment Secretary of Humboldt State College to succeed Mrs. Myrtle McKittrick, who will now devote her time exclusively to the work of registrar.

Mrs. Brizard, who was formerly an assistant in this department and is familiar with the work of the Placement office, will take over these new duties in addition to her work as secretary to President Gist. The services of the placement bureau are available to all former students and graduates of the college who pay a small annual fee during the years that they desire service. Through its activities, new graduates are assisted in finding employment, and information regarding desirable openings is relayed to graduates who are now teaching.

Although this department is now primarily interested in placement in the teaching field, the groundwork has been laid for expansion to include placement in non-teaching fields. As the liberal arts division of the college grows, this work will become increasingly important.

Over a period of 17 years, since its beginning in 1929, the bureau has placed a total percentage of graduates averaging 97.4 per cent.

Campus Doins

By RAY

Well, another curtain has rung down, thus ending the production of the Spring play. From what I hear of Don Karshner's plans, I think HSC students can expect much more in the way of student dramatic productions. Work will begin on the student show next week, I hear.

More harping on the Spring football turnouts. Harv Del Fatti and Len Longholm are tearing their hair out over the shortage of men. More men are needed, so here is a little publicity on the deal. We all want a football team . . . we all want games . . . but without men, this is strictly impossible. Sign up now!

From my office, I can see that many improvements are needed about our dear campus. Work day can not do it all. What's the matter with our janitors? It took practically a year to get the tennis courts fixed, and it was a student job at that.

Another round of mid terms are over. Only six more weeks 'til finals. Something to think about when those Saturday night dances are on. (Only kidding.)

Our co-op seems to be the mecca of Humboldt society these days. Another orchid of the week to our beloved manager, Don Williams, for his nevertiring efforts. I hear he arises at 7:30 a. m. every morning just to go down to Tatman's

Vet Housing Units Due

Three representatives from housing authority visited the campus April 3 to inspect the site of the 24 housing units allocated for married veterans, and to inquire about our future housing needs.

The 24 units will be located on the college land south-east of Pop Jenkin's at the end of 18th street, and they will be furnished. These representatives have asked the college to submit a request for additional housing for veterans attending college next fall. The college is making applications for housing 200 additional students, including 40 married couples. It is possible that some of the barracks used in neighboring U. S. Naval Air Bases will be available to be moved to the college or to be used on the spot. Arrangements are being made for transportation of veterans if housed some distance from college.

Honor Societies Hold Initiation

Eula Westberg and Esther Silva were officially accepted into Chi Sigma Epsilon, upper division honor society, and Patricia Murray and Paul Hendrickson became members of Rho Sigma, sophomore honor society, at an impressive initiation ceremony held recently in the College Social Unit.

The initiation was proceeded by a pot-luck dinner, games, and stunts by the new members.

Those present were Barbara Hodge, Melba Jo Turner, Frances Rovai, Mary McIntosh, Anna Babler, Jean Falor, Mary Dolf, Frances Brizard, Dayton Murray, Ruth Carroll, Eleanor Kellenberger, Mr. and Mrs. Charles Schober, Mrs. Paul Hendrickson, Russel Hodge, Ralph Bryant, Bill Jackson, Oscar Sequist, Brett Melendy, President Arthur S. Gist, Dr. and Mrs. Homer Balabanis, Dr. and Mrs. Harry MacGinitie, John Van Duzer, Adella Johnson, (sponsor of both societies), and the four initiates.

and buy pies. Will Moonie Bonner, Sal Blackford, and Anne Nash please use the ash trays from now on. The four o'clock clean up committee has to pry the butts from the floor with a butcher knife.

I also hear that Emil White, Marna Murphy, Rico Bongio and a few other dormites arose at 5:40 a. m. went out to Clam Beach on a daring clam hunt in the freezing morning weather. Result . . . two clams.

We saw a sign in a bathroom in a corner boarding house in State College:
PLEASE CLEAN TUB AFTER
BATHING LANDLADY.

Views By HSC Students

MY PET GRIPE AT HUMBOLDT

"In '41 we really had the picnic!"

"Remember the last Student Show?"

"They really had that 'Friendly Spirit,' before they scattered us. It isn't quite the same around here."

It could be.

How many times have you heard those phases, or variations of the same? Quite frequently, no doubt, has it occurred to you to do something about it?

"But I came here during the war—I don't know about those things." That doesn't eliminate you. You could make it a point to find out. Or offer something in place of 'What we used to do.' Tell them what you did and are doing. Although — you'll have to have something to tell.

Don't think that let's out those who have been in the service. Granted that things aren't the same—there are lots of new faces and too many old ones. Some of the things you used to do, we aren't doing quite yet, it's true. What are you doing about it, besides 'remembering'?

Let's not just leave all those traditions in the closet—bring them out. And along with those old traditions, why not make some new ones? It will take something more than wishing or talking.

The past is full of memories, and when the time and place are right—bring them out. But right now it is the present, and how can there be any future if you don't do something about it?

—Sal Blackford.

We hear many complaints about school spirit not being present here at Humboldt. Most of these complaints come from you freshman. You attend college with the idea that life will be the same as it was in high school. Many of you don't realize college studies are on a much higher plane than

studies in high school. Therefore, you have to utilize your time accordingly, freshman. In high school your faculty literally pushed you into school activities. This isn't the case in college where it is up to the students themselves to carry on school spirit and activities. In high school your time was taken care of every hour of the school day by your teachers, part of that time was devoted to certain activities and increasing school spirit. In college your use of your time is determined by you and part of that time should be used in engaging in school activities and furthering school spirit. In high school, school spirit was a result of the students' and the faculties' efforts. In college, school spirit is more the result of the students themselves. That's you!

—John Parrish.

Why can't we do something about the dirty campus? Especially the back of the school. Think of the football games next fall. The building's in the back of the co-op won't look so good to the kids from the other schools or to the people around here. And how about the mess on either side of the grandstands. That doesn't look so good for a school that's trying to get back on the map. Some landscaping would do more good down there. Sure, it'll take lot's of work, but wouldn't we get some results if a Work Day crew started it?

Lumberjack Sports

SPARKS OFF THE SPORT CIRCUIT

By PETE

Right here I would like to make an apology to whom it may concern for any misunderstanding which the rumor printed in this column which appeared in the last edition of the Lumberjack may have caused.

This concerned the rumor that when Coach Joe Forbes arrives at Humboldt next fall he will bring along about 30 players from Compton, I reiterate that this is only a rumor and should not be understood as anything else.

Furthermore, this sports' scribe for one would not favor such a policy should it happen to be adopted by any coach here at H.S.C. Such a program, I believe, would not be in the best interests of either athletics or school spirit.

A coach might succeed in bringing in players from outside the immediate locality of Humboldt for three or four years, but would soon lose contact with these athletes from outside the area from which Humboldt students usually come. Meanwhile, the athletes in local high schools would probably be more inclined to matriculate at some other college or university. Thus, within six or seven years, Humboldt would be without both local and outside athletes.

Another argument, in my opinion, against importing players, is that local spectators' interest would drop, since there would be a preponderance of outsiders and a lack of local talent. It is more likely that a sports' patron would travel 30 or 40 miles to see some local athlete perform than to see

Ping Pong Steps Into Limelite

The ping pong table (known to the elite as the table tennis table) in the little gymnasium is seeing a lot of use this spring, so much so that some enterprising person should be able to add a little life to the lagging sports scene by organizing a table tennis tournament.

Given a little publicity, such a tournament could draw a good crowd of competitors and spectators. It could be handled in a number of ways, probably the easiest of which would be a system of elimination. That is, a list of competitors, open to anyone interested, could be drawn up and the games run off with the winner of a game staying on to play the next challenger, while the loser dropped out. The winner would stay on until defeated and so on until the elimination was completed.

Anyone interested in organizing such a tournament and reviving the swiftly dying sport curriculum of the college please see either Charles Peterson or Theron Carothers as soon as possible.

Softball League May Be Formed

Now that the hopes for a baseball team here at Humboldt this spring have definitely vanished, it is still possible that the national pastimers may have an opportunity to show their wares in a softball league which may be formed after spring vacation.

The athletic departments has enough softball equipment to furnish a league with the necessary articles of play. The matter is now in the hands of the students. Anyone desiring information or any-

an imported athlete.

This seems to be a good time to make amends, so I herewith apologize to Fred Telonicher for referring to him in an article in a previous edition as Humboldt's athletic director. Telonicher was appointed in Coach Joe Forbes' absence to arrange the Lumberjack's 1946 grid schedule. Acting in this capacity, he has done a great job.

GYM BABLINGS

By BABLER

Frosh I were the victorious basketball team with Sara Wakefield the high point man of the tournament. The best game was between the Frosh I and the Upperclass.

Softball has prospective potentialities with Ilene Bailey directing the classes; her knowledge of the game is thorough by experience. The softball participants are now practicing batting, catching, and throwing techniques. Every Tuesday and Thursday nights the gals stay out on the diamond until 5:30.

Numerous incidents that happened on the WAA delegates trip included Toughy's first drink and the reactions—Catherine's sillies after the 'Ping Garter' — Don Ray's invitation to the five girls to stay at his Auntie Claras home — his accepted invitation of a Chinese dinner with chop sticks — Dr. Loder's discovery of cow remnants on the car Sunday morning. (Saturday night Sis expertly maneuvered around a black cow on the highway at Petaluma) — and to top it all off the sight of the much talked about town of Tamales.

WAA has decided to put the matter of starting a Camp Fire Gorp on the table until next fall.

Acknowledgment of the work done by Sal Blackford and her committee on the Steamboat Shuffle is herewith given — good going.

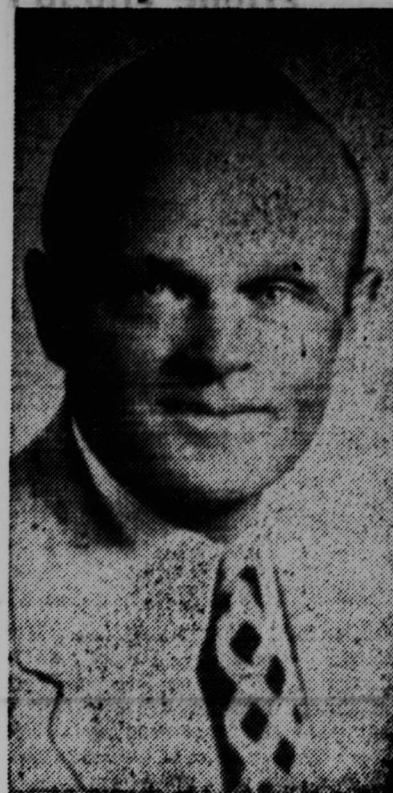

Girls ask your man or else the WAA will go in the red . . .

Tennis Team Planning Twp

While the 1946 Humboldt State racket swingers are rounding into shape on the college courts, tennis manager Ellis Williamson is making plans for a trip to be taken sometime in May. The trip, for which the Student Body recently appropriated \$100, will probably include matches

one interested in forming a softball league at Humboldt this Spring should contact Coach Roy Bohler.

Faculty Shorts

DEAN MURF

"ODE" FIEND RETURNS

George Murphy, dean of men, is back out of hibernation. He retired to his ivory tower during this last month to grind out 255 pages of "The Workshop in Intercultural Education," better known as "The Ode to a Toad on a Road." His effort will net him a Master's degree from Stanford. One advisor has already okayed it; two to go.

with at least two schools. San Jose State, Chico State, and San Francisco State have all been mentioned by Williamson as possible opponents. Although the date for the trip has not been definitely set, it will be either the weekend of May 17-18 or May 24-25.

At present those working out for places on the team are Bert Johnson, Ellis Williamson, Vernon Cousins, Harvey Del Fatti, Dorman Willard and Don Mahan.

to sleep, the true test of an acceptable dissertation.

"I feel better about the prejudices of Humboldt students. They are less prejudiced than the teachers at workshop. Our students are far less prejudiced than those at Long Beach High School. Therefore Muf continued, "college education must pay."

The final gain is a raise in pay for "Doc" Murphy.

It was a period of expansion for Muf. The dissertation was both broadening and enriching. But, if he doesn't eat too much he can get his belt back to the second hole now. With due modesty he relates that rereading it put him

Dr. Bailey: "What's the disadvantage of wars?"

Georgia Williams: "They create too much history."

Sweetpea: "Jinx, I would die for you."

Jinx: "You're always saying that, but you never do it."

"Their engagement is a secret."
"Yes, so everybody is saying."

COCA-COLA BOTTLING CO. OF CALIF. — EUREKA

HILLTOP HALLUCINATIONS

By S & M

Des Shanahan and Beth Saunders dancing with the "bobby-soxers" in Eureka one recent Saturday night . . . saw Tom Walsh at College Cove with three women, including Mooney, of course!

Georgia and Sweetpea tagging it at the Will Osborne dance . . . Einar I takeing up most of Vickie Short's time at the same affair . . . Anna Babler and Carolyn Cathey taking a week night out too! . . . another Humboldt pair at the dance were Ed Dilling and Loris Baumgartner.

First nighters at "Heaven Can Wait" were former Humboldters, Curt Spinas and Jimmy Morrow with Ensign "Mooch" Hill who came to see buddy "Bugs" Shelton get in the act.

Steady daters now are PKW and Clyde McCutch . . . also on same list are Leah L. and Bud Jensen. Had a hard time figuring out who was with who at the after-rehearsal picnic at Council Crest a Sunday-ago.

Poor Jan has to walk now. Ed sold his car! That effervescent frosh couple, Bob and Perky, still on the beam with their boundless energy. Theron and Ella also first-nighters at the play.

Don Pfister seems to have a tough time deciding between Marilyn Brizard and Chris Nelson. Seen in each other's company often are Frank Gruhn and Mildred Wier. Ella Fanucci and Chuck Peterson—oh yes, and then there's Bigger, Smith and Bailey. I wonder if Bailey has gotten the much-sought after souvenir for his collection yet?

Well, thirty for now—see you all at the Steamboat Shuffle which should turn up some very interesting twosomes.

"Is this a picture of your fiancée?"

"Yes"

"She must be very rich."

Wolfe's motto: "Let us Prey."

'WINNIE'S DAUGHTER' . . . Mrs. Sarah Churchill Oliver, eldest daughter of former British Prime Minister Winston Churchill, is shown as she arrived by air at New York City, en route to Miami to Cuba to join her parents.

Rally Committee Members Will Speak At Assembly

Several members of the Rally Committee will be guest speakers at the Student Body assembly April 11. The discussion will be based upon Yell School, Drill Team, the Sign down town, and the other functions of the group.

Three guests were present at the meeting of the Rally Committee April 3. They were George Murphy, Eugene Flochini, and Harvey Del Fatti. Mr. Flochini was introduced to the group and offered to help when he could. Harvey Del Fatti spoke on the inter-squad football, and the lack of school spirit of the fellows. Del Fatti stated if the fellows want a team they have to come out for it, and give the time in practice.

IMPRESSIONS OF HUMBOLDT

Mrs. Everett's chill stare to evil-doers in the library—yes, I've been there. Dormites gulping down a last cup of coffee before that eight o'clock. Len Longholm's pained expression when he finds a slug in the juke

RAMBLINGS

By DAYTON MURRAY

ETHICS OF FISHING

Ed. note: after an enjoyable day of getting sunburned and sand chafed, Ethics has the following to submit.)

Some people enjoy the sun. And then there are the people who get sunburned. I won't say to which class I belong, but I hesitate to sit down. Especially when people are watching me.

Because I hate to have someone see me when I am in the midst of an uprising. And that's where I differ from the reds; I'm healthy. But in my case, I hurt. And we all know the Commies.

But to get back to the open air, this is the first time that I can remember of my hooking something. But after all of my time in the Coast Guard, a novelty is still a novelty. And boy, how I set the hook!! After three days of this, I'd look like the third day of a bar-rag. On the fourth day.

Not that I'd be limp; just slightly damp around the edges. With pleats. But I love the game, and I would keep it up, but Fulkervitch would be the one to lose money. But after all, "I Hear America Singing" from 12:30 until 1:00 should be enough for almost anybody.

And after casting all day, I know that I've got a wooden arm, because three termites followed me all the way to Field's Landing. Theoretically, the fish is supposed to take the bait. But after getting up at dawn, walking two miles and rowing three, I wonder who's the sucker???

box. Two of the studious lads, lopsided and carrying a bundle of books around. Coffee hags crying about lack of sugar in the co-op—but no one doing anything about it. Botany student tramping thru the flower beds in search of specimens, or whatever you call them—much to the disgust of the gardeners. The various G.I. expressions that have become a part of college lingo. Mrs. McKittrick acting as chaplain to vets worried about G. I. money. PERSONALITIES: Len Conry with his ever present, "lets have a session"—Charles Fulkerson's, "I've only got a minute;" Dr. Bailey's, "let me digress for a moment;" Alene Beers' "Howdy Do Dy." The regular crowd at that one table in the library—you know who.

I see time and space are up and I'm sleepy, so 'til next time . . . be seeing you.

"One-Act" Play To Be Presented

One play, "Everybody's Doing It," under the direction of Margaret Wurche, will be presented in the Student Body meeting soon. This is a light comedy with a cast of eight women. It is a famous satire on women of the 20th century.

These one act plays are being sponsored by the Alpha Psi Omega for the entertainment of the student body members during student gatherings.
