Returns From UNESCO Meet

ROBERT THOMAN

Robert Thoman, an education major at Humboldt State College, witnessed the United Nations at work last week while attending the Pacific Regional Conference of the United Nations Educational, Scientific and Cultural Organization in San Francisco. Thoman attended the conference as the Northern California representative of the California Student Teachers Association.

The theme of the UNESCO conference was "Meeting Crisis with Understanding—You Can Help." Among the notable people who addressed the conference were: George V. Allen, Assistant Secretary of State to Public Affairs; Irwin Canham, Editor of the "Christian Science Monitor"; and Margaret Mead, Anthropologist, Museum of Natural History, New York City.

Delegates ranged from college professors with Ph. D.'s to high school students. But each, regardless of background, had the opportunity to raise his or her voice.

The conference was broken down into five section meetings: Education, Cultural Interchange, Communication, Human and Social Relations, and Natural Science. The purpose of these section meetings was to devise methods by which the local communities can foster international good will and understanding. It was suggested that minority groups take the lead in get-acquainted activities, not only within the local community, but on a world-wide scale, so that the peoples of the world might become acquainted with one another.

Among the various remedies suggested to facilitate world education were: Community councils on UNESCO, Youth programs to promote intermingling of nationalities and races, and a "Friendship Train" to distribute educational material to the world.

Results Of Poll Announced By Station KHSC

Students at Humboldt State College like music! This fact was indicated by the results of the poll taken last week by the personnel of KHSC, the HSC radio station. Out of 192 students polled, 53 stated that their favorite KHSC program was "musical." This designation polled more "favorite program" votes than any other type program.

The poll, taken at Nelson Hall and in the Co-op during the lunch hour, revealed that the following programs received the "favorite program" vote: 12:20 Club, 28; News, 17; John Gasser, 10; Here's To Veterans, 8; and Wildlife Management, 1. One "favorite program" vote was listed for "all" KHSC programs, while 20 persons polled stated that "none" was their favorite program. Two votes were received for "silence." Twenty-six persons polled did not designate their favorite program.

Leading the list of "non-favorite" programs was "all" programs, which received a total of 58 votes. In second place was "plain news," which received 25 votes.

Other "non-favorite" programs received the following votes: "speaking," 19; Jive Music, 12; Here's To Veterans, 10; Classical Music, 6; World News, 5; Campus News, 5; and the KHSC theme song, 1. Fifty persons polled did not name their "non-favorite" program.

In answer to the question, "In the future, what type of programs would you like best to hear?"—55 persons polled voted in favor of more musical programs, while an additional 19 voted for "classical music." Ten others favored "jive music."

Other "future programs" received the following votes: news, 15; sports news, 13; school activities, 7; local talent, 6; short announcements, 5; dramatic shows, 3; and "longer" programs, 1. Twenty-six persons voted that they preferred "nothing."

To "What can we do to make KHSC of greater service to you," 15 persons voted to "improve speakers," while 14 desired more music. Eleven persons voted for longer programs, and eight wanted more news.

Other improvements favored received the following votes: more loud speakers, 7; school activities, 6; better announcers, 5; up-to-date news, 4; speakers out of hall, 4; and network hookup, 2. Eight persons voted that the station was "good" as it is now operated, while 107 persons polled did not list any improvements at all.

The KHSC poll was under the direction of Pat Hofferbert, station manager.

Milhous New N.C.S.A. Prexy

Dr. Ivan C. Milhous, Dean of Professional Education at Humboldt State College, has been honored by his recent election as president of the Northern California Supervisors Association. He returned this week from the regular meeting of the Association at Richardson's Springs. At the same meeting, Mrs. Alma Thompson, general supervisor of Humboldt County Schools, was elected Secretary-Treasurer of the Association.

The Association is composed of supervisors and administrators from the Northern California counties as far south as Sacramento County. There are three meetings held each year. Attendance at the most recent meeting was just under the one hundred mark.

Last Mu Epsilon Psi Concert May 26

The Mu Epsilon Psi, music society, will present the last concert in the Mu Epsilon Psi series May 26, in the college auditorium. The concert will start at 8:15 p. m. and it will be the fifth concert of the year.

The artists for the concert will be Mr. Leland Barlow, baritone; Mr. and Mrs. Charles Fulkerson, and Mrs. Harry Griffith, string trio.

The concerts in the past have been very successful with such noted artists as Mannette Levi, violinist; Hazel Jeffers and Charlie Fulkerson, duo piano; John Crown, pianist and Carla Peterson, vocalist, appearing.

The program will consist of some of the chamber music of the masters, the wealth of String Trio Repertoire. Mr. Barlow will sing some of the popular vocal numbers of the masters.

Tickets are available for this concert from Mu Epsilon Psi members. Tickets for next year's concert series are available now from John Gasser, who is in charge of the Mu Epsilon Psi series.

Memorial Set Up For Bob Brennan

The Radio Workshop class of 1947-48 has raised enough money to establish a lasting monument to the memory of Bob Brennan, Radio-Speech major who died recently of injuries received in an automobile crash. The group, headed by Loretta Allen, will purchase several books which will be placed in the library of the college for the use and enjoyment of all students. Inside each book will be a small plaque.

What happened to the anti-noise campaign that was going to be waged in the library?

Few Tickets Available For "Man Who Came To Dinner"

By DON CHAMBERLAIN

The Humboldt State College Players will present the opening performance of "The Man Who Came To Dinner," tonight at 8 p. m. in the College Auditorium. The three-act play will run four consecutive nights, May 19, 20, 21, and 22.

"The Man Who Came To Dinner" is a riotous comedy dealing with the unexpected arrival of Sheridan Whiteside at the Stanley residence in Mesalia, Ohio. Mr. Whiteside is a celebrity an denjoys making the fact known to all with whom he comes in contact. The situations which arise are exceedingly humorous, and will keep the audience in the aisles with Sheridan's dry wit and sarcastic remarks.

Paul Gelfman, who was outstanding as the Dauphin in last Fall's production of "Joan of Lorraine," has been chosen to play the very important role of Sheridan Whiteside.

MR. STANLEY

Filling the bill as Mr. Stanley, Clifford Mitchell will hold your sympathy while the conceited Mr. Whiteside, who slipped on the ice in front of the Stanley house, runs rampant and almost threatens the sanity of every member of the household.

CLIFFORD MITCHELL

Cliff Mitchell, a sophomore pre-legal student, in the past has appeared in "Home of the Brave,"

"Blithe Spirit," "Joan of Lorraine," and "Cyrano de Bergerac."

MAGGIE CUTLER

Zatha Tallman will play the feminine lead as Maggie Cutler, secretary to the great Sheridan Whiteside.

ZATHA TALLMAN

Zatha, an English-Speech major, formerly attended Long Beach City College before transferring to HSC last Fall. Since then she has been active in the speech and drama activities of the college, having acted as narrator in the play-reading of "Cyrano de Bergerac," and as director of the 1920

College Choir Makes Local Appearances

Since returning from its tour of the Bay Area, the Humboldt State College Choir has made a number of local appearances. On April 20 the group presented its home concert in the College Auditorium to a large and enthusiastic audience.

On May 4 the Choir assisted in the cantata, "I Hear America Singing," which proved to be an outstanding feature of the annual Spring Concert.

Other appearances have been made in the Eureka Congregational Church on May 9, at the Arcata American Legion (May 10) and in the Del Norte High School Music Festival at Crescent City on May 14.

In spring a young man's fancy turns to love. It's tough to live in Humboldt, where spring never comes.

May 19 — C.S.T.A. meeting in the C.E.S. library at 8 p. m. —Folk and Square Dance in the gym at 8 p. m.

EDITORIAL

During the past semester, the editor of the LUMBERJACK has been requested to write several editorials on several subjects, many of which were very worthy of whatever publicity they could have obtained. However, most of these subjects could not be touched upon this semester for several reasons:

1. There are only a certain number of editions of the LUMBERJACK published each semester and each edition usually carries only one editorial, therefore, the number of subjects possible to cover is limited.
2. Many of the subjects presented would have entailed much research if they were to be properly handled through the medium of editorials, and, because the LUMBERJACK staff was unusually small this semester, this was impossible.
3. Some of the subjects presented were of a nature outside the scope of a college newspaper.
4. Some of the subjects, although worthy of publicity, were of such a nature that dwelling upon them would have accentuated problems instead of solving them.
5. Many of the subjects presented problems which were already under investigation and editorials upon them would only have confused and hindered their solutions.

These are a few of the reasons why many worthy editorial subjects were not touched upon this semester by the LUMBERJACK, but it is hoped that a larger, more highly organized LUMBERJACK staff will eliminate most of them next semester, and, as a result, the editorial coverage by the paper will be greatly enhanced.

GRIPE BOX

GRIPE:
 To whom it may concern: I didn't buy a student body card, and shall give you just one reason among many why I didn't. I was just plain disgusted at the prices in the student store and co-op. Since when have the ingredients that make a milk shake risen to twenty-five cents? I will grant you that the shakes are thicker than the soup that is passed off in other places for a milk shake, but...

As for the book store, why does binder paper cost as much as in any of the three dime stores in Arcata? These stores are not National Chain stores, but small home owned ones whose orders could not be much larger than ours, whose demand is approximately the same. Yet, we purchase an eleven dollar student body card to have the privilege of using the student store and co-op. Perhaps these are only a few little items, but it could just as well be a five dollar book as a ream of binder paper. I would like to see the prices more closely regulated and a PUBLISHED report of the costs and earning of these student facilities. "B".

ANSWER :

It has always been the policy of the student body to operate the bookstore and co-op to the best advantage of the students. In many respects, this year has been unusual because of many factors.

We have had to maintain prices at no reduction to student body card holders because of financial status of the store and co-op at the beginning of the year. At that time, the store owed \$11,659 in loans and some \$16,000 in bills for books and supplies. This was partially due to slow payments of bills by the Veterans Administration, but a greatly overstocked inventory and an operating loss during the previous year were more directly responsible for the large amount of indebtedness. Another contributing factor was the necessity for expansion of facilities in the store because of the large increase in enrollment, some \$3,300 being spent for equipment and improvements.

The situation has been remedied by a reduction of the inventory from a high of \$14,000 in September of 1947 to a more reasonable figure of \$8,000 at present. This necessitated the return of some \$3,000 in textbooks to the publishers and the recent sale of jewelry, T-shirts, etc., both expedients representing a considerable loss to the store. Our loans have been reduced to \$5,159 at the present and we hope to have all our bills paid by the end of June when the veterans' accounts will have been paid.

We realize that perhaps the students this year have not had a fair deal in the way of prices, but, in order to maintain the store, a reasonable profit was essential. Due to the fact that the store has never maintained a large working capital, this situation had to be faced in a short period so as to maintain credit. Prices are not above the prices generally charged elsewhere, and, in addition, the convenience and easy availability of the store might be considered.

Reports concerning the status of the student co-op and bookstore have been made to the Student Council at least three times during the past school year. These records are open to inspection by anyone interested at any time.

Resigns Deanship To Devote Time To School of Education

Mr. Harry E. Griffith, Professor of Education, Principal of the College Elementary School, Director of Elementary Education, and Dean of Students, has resigned as Dean of Students, effective July 1, 1948, to devote all of his time to the recruitment and training of teachers in his capacities as Professor of Education, Principal of the College Elementary School, and Director of Elementary Education. It has been announced by President Arthur S. Gist.

Mr. Griffith, who came to Humboldt State College in 1939 from the Riverside City Schools, also serves as faculty adviser for the HSC chapter of the California Student Teachers Association, and as Dean of Students has been faculty adviser to the student council during the past year.

Commenting upon Mr. Griffith's resignation, President Gist stated that it was possible that he would not fill the Dean of Students vacancy during the next school year, but might distribute some of the office's duties to various faculty members temporarily.

FACULTY PERSONNEL

Mr. Don Karshner, Director of

the Division of Fine Arts, is the faculty director of the "Man Who Came to Dinner." Mr. John Van Duzer, Assistant Professor of Speech and Drama, is in charge of the production's scenery.

ABOUT THE PLAY

Sam H. Harris first produced "The Man Who Came To Dinner" on Broadway in October, 1939. It immediately became the comedy sensation of the season. It has since been produced by many colleges and universities.

Monty Woolley first portrayed the role of the portly and stately Sheidan Whiteside on the stage and later when it was made into a movie. The authors have confessed that the main character, Whiteside, was a take-off on the humors and habits of Alexander Woolcott, famous critic and lecturer who died a few years ago.

The authors, George S. Kaufman and Moss Hart, are well known playwrights. Each has written plays individually with marked success; however, their joint efforts have been even more outstanding. The better known works which they have co-authored are "The American Way", "You Can't Take It With You", "Merrily We Roll Along", and "Once In A Lifetime."

BEHIND THE SHOW

Behind every show that hits the footlights, a hard-working group of people, known as the Production Staff, put in many hours daily for weeks before the opening night preparing the way for the audiences. "The Man Who Came To Dinner" is no exception.

The students behind the scenes are: Eleanor Lorenzo, prompter; Verle Gaddy and Pat Clark, costumes; Janet Oppenheimer, Loretta Allen, Margaret Wurche, Don Williams, and Alene Beers, make-up; Clara Gay and Jean Heise, properties; Jerry Falor, Joe Muster,

Lee Livingston, Roy Leamy and Leon Pike, construction crew; Lee Livingston, lighting; Charlotte Marks, Ed Quill, Glen Croshaw and Betty Everett, painting; Women of Nelson Hall, usherettes; Frances Hillman, tickets; Jinx Kennedy, publicity; and Courtland Mudge, coffee.

When the LUMBERJACK went to press, there were still a few tickets available for the "Man Who Came To Dinner." Students holding Student Body Cards are reminded that they may obtain their FREE TICKETS so long as any tickets are available.

In mind, "To promote peace and security," the conference arrived at the conclusion that "Good-will and understanding are basic to the resolution of all conflicts. Before the nations can reconcile their differences and direct their efforts towards improving the lot of all the world's peoples, it is imperative that there be good-will and understanding between them."

Although Thoman attended the meetings of UNESCO as a representative of the C.S.T.A., his expenses during the conference were defrayed by the faculty of HSC.

My Greatest Sports Thrill

My Greatest Sports Thrill occurred in a football game between Santa Rosa J. C. and San Jose State one night in 1941 at the Santa Rosa stadium. The score was 14 to 14 and I was riding the bench for practically the whole game. The previous Monday I had been rushed to the hospital with an attack of appendicitis and having sweated that out without having an operation I was allowed to suit up for the game.

There were but five minutes remaining in the game and both teams were at a stalemate. Coach Cook Sypher came over and asked me how I felt. Naturally I said fine, and then I listened to him and Dr. Marsh, the team physician, trying to decide whether or not I was to be allowed to play. They finally agreed that I could play and in I went. I was so weak that by the time I had trotted over to the huddle I was tucked out.

We were on our own 15 yard line with a second down and 12 yards to go for a first down. The goal was 85 yards away. The first play started and I was thrown for a four yard loss. Exactly seven plays later I crossed the goal line

By "BRICK" BRALICH

after having packed the ball eight straight plays. The plays included one pass, four end runs, two off tackle, and one full spinner into the line. The last play had started on their ten yard line. It was a full spinner with the guard being sucked in and moused by the quarterback. I spun and dove through his position and kept on going past the goal line until I smacked into the goal post. Frankly I was so tired I had no conception as to where I was on the field, or whether or not I was even on the field.

Coach Sypher immediately pulled me out of the lineup and with the help of two buddies who carried me off the field I went to the sidelines, dead tired, but gloriously happy.

F.W.C. Results: Tennis, Track, Golf, Swimming

Two records fell by the wayside at the Far Western Conference track meet at Davis on May 8. A new high jump record of 6 ft. 4 in. was set by Slang of the Cal Aggies, and Puterbaugh, also of Cal Aggies, ran his competition into the ground while setting a new half-mile record of 1:59.9.

Humboldt State placed fourth in the meet and their points were garnered by "Turkey" Thompson who tied for first in the pole vault and took fourth in the broad-jump, big Sid Cohen who took second in the shot put, and Darrell Brown who placed third in the pole vault, and was in a three way tie for third in the high jump. The Lumberjack mile relay team consisting of Biehn, Dunaway, Soule, and Heuer took fourth in the relay event. The track and field team did well in view of the practice they have had, and the competition that they met. The Cal Aggie Chico State, S. F. State, and Southern Oregon combination is hard to break into considering the depth of their squads, entries in each event, and their "track" weather.

In the swim meet, the Cal Aggies swept every event. Humboldt entered three men in the meet and placed in two events. Mel Klein took fourth in the diving event, and George Wildridge placed fourth in the breast stroke. This was a good showing when it is understood that the nearest these boys have been to the water since last September has been limited to Saturday night and the "glorious" Humboldt weather.

The tennis team suffered too from the lack of practice. All Humboldt entries being eliminated in the first round of play. Cliff Mitchell, Bill Horton, and Paul Landwehr were the three Humboldt entries.

At the beautiful Woodland Flier's Club our golfers placed fourth in the medal play tourney. The team played 36 holes against top college competition, and was fairly close in strokes to the other teams. The Lumberjacks were represented by Bob Marsh, Joe Oppenheimer, Finn Kiskila, Jack Smith, and Vic Oglesby.

The LUMBERJACK is ready to handle publicity for all campus organizations. Please have copy in the office by the Thursday preceding issue of the paper.

Lose Opener 6-2; Win Final 5-4

By Jack Smith

The Humboldt State Lumberjacks and the Chico State Wildcats divided a baseball twin bill over the week-end at the Arcata ball park. The Wildcats won Friday night's tussle 6 to 2, and Humboldt evened things up on Saturday afternoon when they upset the heavily favored Chico nine 5 to 4.

Humboldt pitcher Red Hunt kept his "hard-luck pitcher" title intact, as he limited the hard-hitting Chicoans to four hits, but received poor support from his team mates, who committed a total of nine errors.

Chico scored first when they pushed a run across the plate in the initial inning and added another in the third. Then both pitchers chucked runless ball until the seventh inning when the Wildcats added another tally to the score-book, and Humboldt marked up their first run. The Lumberjack counter occurred when Lima walked, advanced to second on Hunt's single to right field, and scored on Bell's hard hit to the second baseman, who erred on the play.

The home towners added their final marker in the eighth stanza when Whalen started things off with a walk. Klingenspoore then hit the short stop who bobbled the ball and was safe at first. Whalen took advantage of a momentary lapse on the Chico first sacker's part and advanced to third. Byron Wilson then hit a fly ball to center field, and Whalen scored after the catch. This made the score read 3 to 2 favoring Chico, but the Wildcats scored three runs on three hits in the top half of the ninth making the final score Chico 6, Humboldt 2.

Boxers Meet S. J.

Leather slingers from the Lumberjack campus are slated to face their stiffest competition of the current boxing season next Saturday night, May 22, when they trade jabs and left hooks with a highly touted team from San Jose State at the Eureka Municipal Auditorium.

Grady Lawrence and Clarence "Fergie" Ferguson will lead the locals into what promises to be the finest boxing show ever staged by Humboldt State. Lumberjack mittmen to be seen in action in addition to Lawrence and Ferguson include: Marsh, Lorenzo, Lofton, Viracola, Serge Stashuk, and many others.
