WEDNESDAY, APRIL 28, 1948

## LITTLE SYMPHONY MAY 4

Marianne Pinches, Henry Cooper, Iris Anderson, Dominic Banducci, Gene Blackburn, Marilee Carroll, Katherine Miller, Woody Thompson, Chet Bosch, Francis Brizard, Jean Fulkerson, Harriet Crane, Bill Crane, Marsielle Mulcahy, Tom Maxon, Bob Oliveria, Elmer Haskins, Margery Jones, Nancy Balabanis, Charles Farrar, Betty Everett, Alice Crane, Sally Babcock, Marilyn Brizard, Elma Mae Drout, Esther Marvel, Clay Carley, Marvin Crawford, Duane Gurne, June Palmer, Marilee McCrae, and Joyce Cousins.

The following Little Symphony musicians are not pictured: Milton Makaski, Laurel Stebbins, Esther Griffith, Fritz Anthony, Henry Simson, Wayne Miller, Asburne Stout, Violo Stout, Pat Kelley, and Hazel Jeffers.

By Concord Discord

Have you ever said: "When I was a kid, why didn't I practice the piano, the violin, the clarinet, or even the harmonica?"

On Tuesday, May 4, there will be an assemblage of community people who have never known this regret. They make up the Humboldt Little Symphony (pictured above).

The Humboldt Little Symphony will make its second appearance this season in its annual Spring Concert.

### "FLYING MOUSE"

The bat, one of our rather obscure nocturnal primates, left swinging on the starting line in evolutionary progress, will make two debut appearances during the concert. This phenomenon of the "flying mouse" will take form in the lilting melodies and rhythms of Johann Strauss' overture to Die Fledermaus, as played by the Humboldt Little Symphony.

Sequoia Park's inmates from Noah's Ark cordially invite Humboldt's music loving bipeds to the Jungle Jamboree during which the Little Symphony will render the tender, melodic phonetics of our jungle friends in the Carnival of The Animals. Soloists during the carnival will be:

Hazel Jeffers and Joyce Cousins, duo pianos; Margery Jones, flute; Duane Gurne, clarinet; Marvin Crawford, xylophone; and Bob Oliveira, harmonica.

### LELAND BARLOW SINGS

One of the highlights of the concert will be a reading of the Canta, I Hear America singing, by the combined college chorus and choir, with Leland Barlow as baritone soloist.

Final rehearsals are in progress for the ambitious program planned. The numbers scheduled indicate that the concert will be one which will appeal to all listeners, young and old, dilettante and connoisseur.

The program will be played as follows:

Chorale, "How Brightly Shines"

Continued on page 4

## Honor Society Pledges Members

Chi Sigma Epsilon and Rho Sigma, honor societies of Humboldt State College, recently initiated pledges at a ceremony here. Following dessert and coffee, the pledges were required to recite the Greek alphabet and entertain the members with a skit. The concluding event of the evening was the initiation ceremony, with Bill Jackson, former Chi Sigma member and now an instructor of Administration at Humboldt, presiding.

New members of Chi Sigma Epsilon, upper division honor society, were Donald Cunningham, Leon Dillon, John Gordon, Robert Oliveira, and Walter Shepard.

Rho Sigma, sophomore honor society, initiated Phil Simon, and Ernest Theuerkauf.

## Vets Eligible For Overseas Study

Veterans are eligible for overseas study under the G.I. Bill on the same basis as in the United States.

At the beginning of the current year, 6,055 ex-service men and women were studying in 422 schools and colleges in the Philippines. Almost half of these veteran-students are enrolled in school and colleges in the Philippine Islands.

Other countries in which vets are attending schools are: Canada, France, Mexico, Switzerland, and Great Britain.

Students going abroad for study must arrange for their own passports, visas, and transportation, according to the Veterans Administration. Although all arrangements for such study are made with the Department of State which administers the foreign training benefits of the G. I. Bill, V.A. offices have the information needed to set arrangements in motion.

## H.S.C. Unique, Claims Writer

by Peter Anderson

Humboldt State college may well boast of its uniqueness. It is farther west than any other college in the country. Some colleges pave roads around their campuses. Still others cease playing baseball and get in-out of the rain.

In one respect, we really do ourselves proud. Our college is a two-tone job. No other college can make that statement.

Those students who have not visited other schools may believe that all colleges are painted green on one side and pink on the other. They may feel that there is some hidden symbolism here, as freshmen enter the college green and leave pink. (We trust that this paper will not reach the Honorable Mr. Jack Tenny.)

Those of us who have toiled here many winters can faintly recall a day when Humboldt was a uniform shade. But the late conflict came and the college changed colors as does the chameleon. It was camouflaged to aid the war effort. The mysteries of the military minds are infinite.

Do not think this was in vain. Captains became majors and generals added stars for this single deed. When the last drop of green paint was added, Washington breathed easily again. Someday the archives of the War Office in Tokyo will be opened and the waiting world will learn the consequences of this blow to Japanese aggression. Today, the story may not yet be told.

Dr. Kenneth P. Bailey, associate professor of history at HSC, was the winner of the Pacific Coast Branch of the American Historical Association award for the best book by a Pacific Coast Writer in the field of American History in 1939.

## Executive Council Expresses Appreciation Of Student Vote

The Executive Council wishes to let the Student Body know that we are appreciative of the excellent turnout at the polls last week. It is indicative that the students have the school spirit to give Humboldt State that measure of recognition due it. We heartily urge each of you students to continue that spirit in further support of the people you have elected. We feel that the ball is finally rolling. It is hard to stay on a rolling ball, but you have given proof that you are capable.

Special praise must be accredited to specific groups participating in the recent elections. Our heartfelt thanks goes to Mr. Ted DeLay and the members of the radio department for the fine cooperation in airing political campaign speeches. Each member of each party deserves credit for being responsible for the most excellent, well-conducted campaign in Humboldt's election history, and it is generally agreed that the Radical Party as a whole generated a great portion of the fire.

Signed:

The Executive Council.

## Public Relations Tours Planned By H.S.C. Men

The Associated Men Students have planned Public Relations Tours which will be conducted in the latter part of April and during the first part of May throughout the various Humboldt and Del Norte high schools. John Heller has been appointed chairman of this vital service, and his past accomplishments ensures a highly successful undertaking. Further details will be printed in a later issue of the LUMBERJACK.

A date has been selected for the Annual Men's Picnic, now planned to be held May 28. This is a particularly advantageous choice as it will allow a full four days to the occasion, May 31 being a holiday.

Due to the tremendous demand for membership cards, chairman Bill McMillan has appointed the following additional salesmen: Harold Narron, Earl Biehn, Jake Williams, Red Hunt, and Jim Palmer. The present response indicates a gala affair for all.

## Handbook Due This Semester

Two industrious students, John Gasser and Harold Tupper, are presently working very diligently on a project to be known as "The Handbook," which should be ready for release next semester.

The publication will cover every phase of the College, from sports to a history of Humboldt. The outside cover will feature a student with a "Handbook" in his pocket. The inside cover will contain a picture of the front of the Administration building and a copy of the Alma Mater.

The writing will be divided into five sections. Section I will cover the faculty members of the College. Section II will contain information concerning the Associated Student Body and its duties. Section III will be known as the Sports Section, and will give a complete coverage of all aspects of sports-life here at Humboldt. The Activity Calendar and the school songs and yells fill up Section IV. Section V will take suggestions from "Josie's Handbook", a handbook from the A.W.S. of 1942.

This publication will serve the student body in much the same way that a historic journal does any organization.

New students will have an opportunity to know the college, its instructors, and activities in a much shorter time than was previously possible. It is hoped that such knowledge will bind the Student Body and faculty into a cooperative organization.

Secretaries of the campus organizations are urged to contact the LUMBERJACK for publicity.

## Election Results

The run-off elections of the student body elections resulted in the election of the following students:

James Carvel—Vice-president.  
June Jorgensen—Secretary.  
Irma Ball—Council (to serve full year).  
Anita Thompson—Council (to serve half year).  
Marna Murphy—Council (to serve half year).  
Eddie Oliveira—Council (to serve full year).  
Pat Hofferbert—Council (to serve half year).  
Jack Smith—Council (to serve half year).

## Newswriters Visit Times

The Humboldt State College news writing students were guests recently of the Humboldt Times, at the Times office.

The students were conducted through the printing department by the Times staff, and were shown the methods used in getting a newspaper out on schedule.

The class, Pat Clark, Claire Valentine, and Don Chamberlain, wrote stories and headlines which appeared in the Times the morning after the visit.

The class was under the direction of Mr. Bert Alward, faculty adviser.

## Drama Faculty Summer Plans Revealed

Most of the students here at the college have fair idea concerning their probable activities this coming summer, but very few know the future "warm days" plans of the instructors.

Each week the LUMBERJACK will report on the plans and future hopes of each department. This week the Drama Department is featured.

Don Karshner intends to study at Stanford and continue writing his dissertation for his doctorate.

Ted DeLay will travel first to the Midwest to visit his parents, and then will go to S.C. to continue work for his Ph. D.

Miss Kate Buchanan will head the Dramatic Department during the regular Summer Session here at Humboldt.

John Van Duzer has made no definite plans as yet.

## Coming Events

May 4—Spring Concert: Orchestra and Chorus  
May 11—Motion Picture Series: "Cheers for Miss Bishop."  
May 19, 20, 21, 22 — Spring Play: "The Man Who Came To Dinner."  
May 27—Leland Barlow, Esther Griffith, Jean Fulkerson and Charles Fulkerson—Mu Epsilon Psi Recital

### TO THE STUDENT BODY

Prior to the run-off of the student body elections, I withdrew my name as a candidate for the student council. I withdrew because I desire to be editor of the LUMBERJACK during the 1948-49 school year.

When I declared my candidacy for a student body office, I was unaware (I admit this with shame) of the fact that, according to the student body constitution, the editor of the LUMBERJACK can not be an officer of the student body; and because I feel that I can do more for the student body as editor of the paper than I can as an officer of the student body, I withdrew my candidacy.

Of course, I could have remained on the ballot, and if elected I could have immediately resigned the post to which I had been elected (such action would have been necessary, as the appointment of next year's editor takes place this week). However, such a course did not—and does not—make sense to me—not to mention that it would have been grossly unfair to the other candidates who were being voted on in the run-off elections.

My name was entered upon the ballot by a certain group of students, namely—the newly formed Radical Party. I appreciate the fact that they so honored me. Also, I thank each and every voter who voted for me in the primary election—even if some of them were under the assumption that they were voting for George "Mike" Whalen.

However, I wish to impress upon the student body the fact that the LUMBERJACK is a part of the student body organization. It does not, in spirit or substance, belong to any one group—nor does its editor. The LUMBERJACK was the property of the whole student body prior to the recent elections. It is now the property of the whole student body. It will be the property of the whole student body so long as I am its editor.

My political career is ended!

VERNON WHALEN.

### Commissions In Marines Open

Graduating seniors, between the ages of twenty and twenty-five, may make application for appointment to commissioned rank as a Second Lieutenant in the regular Marine Corps.

If interested, requests for additional information may be addressed to the Commandant of the Marine Corps, Washington 25, D. C., or see Dr. Ivan C. Milhous, dean of education.

The former campus of Humboldt State College is now used for the co-op and industrial education classes.

## Katty Korner

By Pat Lauritzen

LoAnn Beamer and Larry Dake are spending every free minute working like mad getting their apartment ready for the big day in June, which, incidentally, isn't far off. They, like all the "prospective newweds," are flying around on "Cloud 7."

Is summer school the only reason why Doris Kennedy is staying in Humboldt County this summer, or could it possibly be the present "house mother" of Redwood Hall. From the way the situation looks, it could be possible.

What certain staff announcer of a certain LOCAL station almost picked himself up off the floor to find that a certain female "disc jockey" nearly showered him with a rather HOT cup of coffee? And why???

Back to the brighter side of life; Another interesting item that has just been verified is the fact that Marie Weil and Bob LeDonne are definitely looking forward to wedding bells this summer. Here's something I've waited a long time to hear.

Barbara McCarthy is once again in a dither over certain Mr. Dimmick. Remember him, he was the fellow whose ring she was sporting last summer. Who knows, Spring does a lot of peculiar things to people.

## DISCOGRAPHY

By Bob Crittenden

DEXTER GORDEN - WARD GREY:

"The Chase"  
 This tune is for the lovers of "Bop" only! Waffle is another "cat and mouse" (Two soloists playing alternately) style that has been, of recent, quite popular. In this case we have the services of two very talented tenors' sax., Ward Grey, a musician's musician known predominately in the bandbus, and little elsewhere, exchanging notes with the great ex-Hamptonian, Dex Gordon. Cleffing starts with the two horns playing for a chorus of four, Ward making the first break for individuality with a brilliantly executed brief, to be followed in fashion by Gordon. Includes some short piano kicks at mid-time, the boys converging for the finale—a fur-lined yo-yo a piece for them!

VIC DAMONE:  
 "Worry, Worry, Worry" and "That Feathery Feeling"

Vic had better, if he makes any more tunes like the former. Song is nice enough, but the arrangement and orchestral backing, by one; "Carmarata"—well, you might say it rather stinks! Vic's pipes aren't exactly on par either. "Feathery Feeling" is in the same class—just doesn't seem to pull. The 19-year-old "Pet Milk Wonder" does definitely have a fine voice, but it doesn't seem to be used right—or sumpin'. Can't get over how much he sounds like Nancy Sinatra's spouse!

Dr. Reginald White, professor in the English department at Humboldt State College, was guest speaker at the annual dinner meeting of Redwood District, California Library Association, held recently at the Eureka Inn.

The largest redwood mill in the world is located at Scotia, 30 miles south of Eureka.

### COLLEGE OF ALASKA "COLLEGIAN"

Four University of Alaska students plan to spend their summer vacation working at a very profitable past time, that being, prospecting for the Helcolion Mines Inc. The party will operate out of Kiana, in the Brooks Range (for those of you who know Alaska). Sounds like this could be quite interesting.

### NAPA JR. COLLEGE "JAY SEER"

Former H.S. student Bob MacWilliams "hit the sport page" quote, "B.B. eyes" MacWilliams, 187, went three rounds to a draw with the Italian slugger Dick Ciapone, 185. Both these boys showed a willingness to mix it up good though the lack of food and the Varsity house showed up in the last round when both staggered out from the "Coup de Grace." He even rated his picture in the paper. The boy is really living.

## Jobs Open With Swift Company

The Swift Company is recruiting young men to work for them. There are various employment opportunities with this company, but they particularly want qualified young men for salesmen.

Descriptive folders are available in the library and the Dean of Students office. Anyone interested should contact the dean's office.

Humboldt County was first settled in 1850. Supplies were shipped here from San Francisco for the Trinity gold miners.

## Eureka Hi Hears Nursing Club

Members of Tri Sigma, Humboldt pre-nursing society, visited Eureka High School recently to speak before a group of girls interested in nursing. The group included President Mary Connick, Viola Batt, Toni Bettencourt, Kathy Stockoff, and Dr. Eugenia Loder, faculty advisor. They urged the Eureka girls to take a pre-nursing before entering a nursing school, because upon graduation from nursing school they will then receive an A.B. degree. The speakers also described the advantages of Humboldt's pre-nursing course.

An informal question and answer type discussion followed. A similar meeting is planned for Arcata High School and other schools throughout the county.

## My Greatest Sports Thrill

By James "Turkey" Thompson  
In attempting to answer the \$64 question as to my greatest sports thrill, I think that my greatest thrill came as a spectator or fan, rather than as a participant.

At Hollywood in 1940, the championship fight between Ceferino Garcia and Henry Armstrong left such a lasting impression on me that I am certain I shall never forget it. In the eighth round of the fight, Garcia landed what I consider the hardest punch I had ever seen thrown in a boxing ring, and it landed flush on Armstrong's chin. A knockout was expected, but to the amazement of the fifteen thousand fans, and to Garcia himself, Armstrong moved in on his hard-hitting foe and fought as he had never fought before. At this time Armstrong held three world boxing titles: featherweight, lightweight, and welterweight. In this fight he was trying for his fourth, the middleweight crown and was fighting a man 17 pounds heavier than himself. The fight ended in a draw and Garcia retained his middleweight title.

My other great thrill came at the National A. A. U. track meet, June 20, 1943, in New York's Randall Island Stadium. I had gone to the track meet as a member of the Ft. Monmouth track team.

There were such outstanding track stars present as: Cornelius Warmerdam, Hal Davis, Buddy Young, Cliff Bourland, Herb McKenley, Johnny Fulton, Barney Ewell, and Gil Dodds. The feature event of the day was the race between Gunnar Haegg of Sweden, and Greg Rice, the top American distance man.

Thrills that day were a dime a

dozen to me. First, because I was able to place in the pole vault event against such outstanding vaulters; second, to see such great athletes together at one time, and third, I shared a dressing room with Greg Rice of Notre Dame, Bill Cummings of Rice Institute, and Cornelius Warmerdam.

After the meet the autograph seekers took over the dressing room. I was amazed and surprised at so many fans requesting MY autograph—of all people—until later. Then I learned that they had mistaken me for Barney Ewell, the sprint and broad jump champion from Penn State. Life is like that!

In 1917 the Legislature appropriated \$245,000 for the permanent main building of Humboldt State College, which has been in use since February, 1922.

## H.S.C. Pugilists Win 3 Titles

By JACK SMITH

In the Lion Club's amateur boxing tournament held last weekend in Eureka, the Humboldt State boxers, with one of the smallest squads in the tourney, made an outstanding showing.

Three college men walked away with championship trophies, and the other members of the team lost their bouts on extremely close decisions.

Bob Armstrong, a scrappy little 135 pounder, won the first championship for Humboldt in the novice 135 pound division. Armstrong entered the finals by virtue of a decision over Mel Larson of Klamath on Friday night. Saturday night in the title clash he knocked out Roy Blake also of Klamath in the second round.

The second gold trophy was won by Chuck Lofton who defeated Dick Blake of Klamath on a second round TKO, and Saturday night he crushed Larry Holcomb, another Klamath boy, to the canvas for the count in the second round of the championship tilt.

Dick Grecian, a hard punching southpaw, obtained the third Humboldt championship when he earned a well deserved decision over Keith Weimer of the Moose Club.

Chuck Piper almost won another championship for the Lumberjacks, but he dropped a close decision to Irving Mitchell of the Indian All-Stars.

In the most disputed fight of Friday evening Tom Viracola lost a very unpopular split decision to Lola Martinez of San Jose's Walker Club. The fight fans held up the next fight for a full ten minutes showing their dislike of the judges' decisions. On Saturday night Tom put on an exhibition with Grant Butcher, the national amateur lightweight champion and gave a very good account of himself against the light-heavy king.

In the other Humboldt fights of the tournament HSC's Bill Roay lost a decision to Robbie Robinson of the Moose Club; Lumberjack Don Allison was TKO'd by clever Bobbie Comacho of the Olympic Club; big Gene Cox of the college lost a close decision to

## Lumberjacks Split With Red Raiders

The Lumberjacks came from behind in the second game of a double header to split with So. Oregon last Sunday. In the first game the Sons started with a first inning rally nearly breaking up the game earning 4 hits and garnering 6 runs. Red Hunt hit his stride and the next 6 innings were uneventful with a run apiece. In the unforgettable 7th the Lumberjacks tied up the game. Renworth went to 2nd, Oliveira walked and Whalen next up, was hit by a pitched ball loading the bases. Wilson singled bringing in 2 runs. Joe Newman got on, Dunaway hit to the short who juggled the ball making it safe all around. Naylor walked loading the bases, and Bell on a center field hit drove in 3 runs tying up the game at 7 all. The 8th was marked by errors, rhubarb, fisticuffs and the loss of the ball game. The final score 7-13.

Carlson started at the mound in the second game holding the game in his control throughout the afternoon. In the 5th inning Bonney of SOC singled driving in 2 runs. Humboldt came back in the bottom of the fifth. Renworth singled, Bell got on with an error and Oliveira on a sacrifice bunt put them on 2nd and 3rd. Klingenspoore walked and Peterson walked on 4 pitched balls bringing in a run. Byron Wilson, again coming through, hit a double into right field putting the Lumberjacks in the lead 3-2. The Sons tied it up in the 6th. The game was very tight until the last of the eighth when Bell hit a double with Lima on to bring in the winning run.

Their next opponents will be Cal Aggies next Monday afternoon at the Arcata park.

Bill Pearson of Klamath; and the green and gold's Don Anderson was edged out by Donahue of Klamath.

All in all, the college team did very well for themselves. Armstrong and Lofton were the outstanding pugilists for Humboldt State showing marked improvement over their previous fights. Armstrong has become a strong counter-puncher, and Lofton has developed a short right hand punch that spells curtains for his opponents when it connects.

from the boys.

You candidates who feel reluctant to turn out for the spring session should take note of the fact that the Lumberjacks first game next fall will be on September 18th. This allows but two weeks of fall practice before the first gridiron clash, so most of the positions on the 1948 Lumberjack eleven will be clinched in the spring practice sessions.

There will be a chalk talk again this afternoon, and all gridiron aspirants are urged to attend.

## VARIETY SHOW SLATED FOR WEDNESDAY MAY 5

The Student Variety Show, a show by students for students sponsored by the Mu Epsilon, will be presented May 6 at 1 o'clock in the college auditorium.

There will be dances by Janet Oppenheimer and John (Spider) Klingenspoore, two drama hits, songs by Gene Orlandi, and a dazzling duet by Sid Smith and Bill Wilkens.

The Freshmen Class is sponsoring the pre-ticket sale in conjunction with the Mu Epsilon Psi. Admission will be at the amazing low cost of ten cents, the tenth part of a dollar. Let's all go to the Student Variety Show May 6.

Advertise in the LUMBERJACK to get best results.

## Wildlife Classes Hear Einarson

One of the most interesting persons ever to speak before Professor John Lewis' wildlife students was Arthur Einarson, cooperative wildlife research unit, Oregon State College, who spoke here recently.

Mr. Einarson spoke on subjects concerning our natural resources, as they apply to wildlife students. He proved a veritable volume of interesting information on such topics as "Sportsmen and Ethics,"

"Census Techniques," and "Conservation."

Mr. Einarson's visit to the campus was highlighted by motion pictures he brought which depicted the deer, elk, and antelope hunting in Oregon. His explanation of these sports were very enlightening.

The original Humboldt State Normal School was established in 1913 by an act of the Legislature.

## Home Economics Group Elects Joregensen

June Joregensen of Humboldt State College was elected secretary of the Province XV, National College Home Economics Clubs during a meeting of the group, held at Yosemite National Park on April 16 and 17. Other HSC students, besides June, who attended the meeting were Lois Lundblade, Dorothy Murray, Flora Pinoche,

## Scholarships And Contests

Continuing a project begun in 1945, the California Congress of Parents and Teachers again earmarked \$10,000 to be awarded this year in fellowships in psychiatric social work. The fellowships are for \$1,000 each, for one year of graduate study in the field of psychiatric social work with children.

They carry a commitment, to serve at least two years in the public schools or non-profit public agencies of California following completion of training, and are limited to persons accepted for matriculation in any institution in the United States which is recognized by the American Association of Schools of Social Work.

Applications are now being received for use during the 1948-1949 scholastic year. Blanks and further information may be secured from the California Congress of Parents and Teachers of office, 608 Chamber of Commerce building, 1151 South Broadway, Los Angeles 15; or from the committee chairman, Mrs. Clara F. Galloway, 3001 West Norwood Place, Alhambra.

### NEWS STORY CONTEST

Don O'Kane, president of Eureka Newspapers, Inc., has announced a cash award for excellence in journalistic writing. The award will be presented at commencement. Judges will be from the editorial department of the Humboldt Standard and the Humboldt Times.

Details will be announced later in the LUMBERJACK.

Alice McCloskey, and Betty Gutheridge.

An annual affair, the province meeting is attended by representatives of Nevada and California colleges and universities. This year's meeting was the fourth, and Fresno State College acted as host school.
