

All Aboard For San Francisco!

HUMBOLDT LUMBERJACK

WED. OCT. 18, 1950 #3

Tentative Homecoming Schedule; Many Festivities Slated

**Dances - Football
Bean Feed - Hayride
Highlight Weekend**

A tentative schedule has been drawn up for the Homecoming weekend slated for November 3-4. The big game this year will see Southern Oregon meet Humboldt State at Redwood Bowl, at 2 p. m., Saturday, Nov. 4.

TENTATIVE SCHEDULE

OCTOBER 25 — regular assembly at which the selection of the queen will be made by the alumni committee.

NOVEMBER 3 — Alumni registration — 9:00 a. m. to 6:00 p. m. at the social unit. The California Student Teachers' Association on campus will handle the registration.

— Open house for alumni, 9:00 a. m. to 6:00 p. m., at social unit and throughout school. Cookies and coffee will be served by the C.S.T.A.

— Bean feed, 6:00 p. m. to 7:30 p. m., at Nelson Hall. The H. S. C. Home Ec girls will handle this affair.

— Bonfire and rally, 7:30 p. m. to 8:30 p. m., back of Nelson Hall. The bonfire will be built and ignited by the freshman class, and the rally program will be handled by the rally committee.

— Assembly, 8:45 p. m. to 9:30 p. m., at the C. E. S. auditorium. The drama and music departments will handle the program which will feature the crowning of the queen by A. S. B. President, Merwyn Rickey.

— Hayride, 9:30 p. m. to 10:00 p. m., hayride to Barn Dance.

— Barn Dance, 10:00 p. m. to 1:00 a. m., sponsored by the Conservation Unlimited organization.

NOVEMBER 4 — Caravan, 12:00 noon, caravan to Eureka and Arcata. To be sponsored by the Rally Committee.

— Football game, 2 p. m. Queen and her attendants will enter the field in convertibles and then be escorted to seats of honor.

— Halftime activities, featuring high school competition, handled by the Humboldt Radio Club.

— Homecoming dance, 9:00 p. m. to 1:00 a. m., which will feature the presentation of gifts to the queen and her attendants.

BULLETIN BOARD

Approval and supervision of all bulletin boards has been assigned to the Office of the Dean of Students. It was formerly charged to the Office of the President. Delta Hogue, dean's secretary, has announced that all notices by the faculty and students will be cleared through the Dean's office before they are posted.

Dr. Siemens To Speak Today At Student Assembly

Dr. Cornelius H. Siemens will speak to the student body today at 10:30 on building plans for HSC for the coming year. Dr. Siemens will include comments on the master plan for HSC which entails an expenditure of six million dollars over the next ten years.

HSC'S BETTY COED AND JOE COLLEGE

At the Chico-Humboldt game dance Millicent McVay and Francis Stebbins were presented as Betty Coed and Joe College. Merle Atkins was master of ceremonies.

Enrollment Low; 368 HSC Students Now Associated

The total number of students who belong to the associated student body is now 368.

The enrollment is now up to 621. The enrollment last year was up to 756 which was 135 more students than has enrolled this semester.

This year's enrollment is broken down into 204 women and 417 men. Of the total there are 189 veteran students.

BEAN FEED RALLY PLANNED BY GROUP

Plans are being made by the rally committee for a program to be held during the Homecoming bean feed which will be held behind Nelson Hall on Friday, Nov. 3.

The program will be an hour long. Members of the committee in charge of the program are Tere Robinson, Pat Quackenbush, Dick Stanley, Anne Loeb, Verdine Waight and Al Braud.

Himstreet, Platt Attend S. F. Meet

Results of the latest developments in the teaching of typing and shorthand were discussed at a luncheon meeting of the North Coast Section of the California Business Education Association held at the Palace Hotel in Ukiah, September 30.

Representing Humboldt State College at the meeting were Miss Imogene R. Platt and William C. Himstreet, assistant professors of business administration.

Now is the time for HSC to install a sanitation department. The one alternative is to keep dogs off the sidewalks.

Caravan Slated For Homecoming

A meeting of the College Elementary School P. T. A., held recently at the school, resulted in plans for a carnival, to be held in the college gym on Oct. 28, commencing at 5 p. m. Funds derived from the project will be used to purchase equipment and provide additional services for pupils of C. E. S. Mrs. Josh Spidell presided over the meeting, and Mrs. W. A. Archibald was appointed chairman of committee which will be in charge of the carnival.

Pep Band Needs More Musicians To Play At Games

The Pep Band, according to Jack Weeks the instructor, is in need of musicians. It seems that every time music is wanted for a football game, Jack has to get on the telephone and start calling musicians in Eureka and Arcata in order to make up a band for the occasion. This, he says, is not a good policy. It gives no time for practice and the members do not have the opportunity to feel as a unit. Trombones, bass horns and saxes are badly needed.

Future plans for the band may include trips with the football team when it is playing away from home.

Anyone interested should enroll in music 51 or 151. Weeks said. The class meets at CES Tuesdays and Fridays at 12:30.

Sempervirens Ad Staff Appointed

Adrian Mendes, Sempervirens business manager, has announced the names of this year's members of the yearbook's business staff.

Advertisement solicitors are Don Walker, Joan Palmer, Barbara Hackett, Virginia Nelson and Joanne Dobrec.

Game - Dance To Climax Caravan To Bay Area

Rally Committee Plans Big Weekend

By CHARLOTTE MARKS

Under the direction of Millicent McVay and Al Braun, the Rally Committee has been working overtime on the CARAVAN to San Francisco. The real reason for the trip is to give the football team all the support necessary to pull through with a win. One of the biggest questions is transportation. . . a great number of students will be taking cars, a still greater number needs rides. Anyone needing rides or riders should contact the Rally Committee immediately.

The proposed schedule (which is subject to change at a moments notice, so keep posted) starts here at the college Friday morning. Between 6:30 and 7:00 p. m. the cars are to meet at the south end of San Raphael, south of the overpass on the north end of the six-lane highway. Cars are to be decorated there. At the south end of the Golden Gate Bridge turn West at the 19th Avenue sign . . . go right on out to Cox Stadium from there. . . Go back and read these directions again!

Two years ago, stated Dr. Leonard Christenson, dean of students, our students went to the San Francisco-Humboldt State football game in the bay area, and appeared in a drunken and disorderly manner. This was embarrassing to our faculty and hurt the reputation of our institution. It is hoped that Friday night our conduct and attitude along this line will be unquestionable. We want the San Francisco students to welcome us and enjoy our company. All students planning to attend this game are asked to remember that they are representing HSC, and their conduct should be according.

The game itself is the highlight of the evening, but not the climax. The "Pajama Top Hop" is to be given by San Francisco State following the game. Pajama tops are to be worn as blouses and shirts. The place of the dance will be announced at the game. Gather up your loud and bright P. J.'s and take 'em to the game with you . . .

If you're wondering whether Humboldt's CARAVANS are "pink-tea" socials ask the veterans of the Klamath Falls and previous San Francisco CARAVANS. This is the only chance for a CARAVAN this year, so get behind it!

The team needs your support — get your reservations now — don't wait until the last day — watch the bulletin board for final arrangements — see you Friday!

New Appointees To Student Council

Merwyn Ricky, A.S.B. president, appointed Donna Cole and Doris Westberg to the student council at a recent meeting of the council.

Miss Cole was named to replace Dorothy Campbell on a short term ending in January, and Miss Westberg will replace Jean Heise on a long term ending in June.

Rally Committee Needs Members

Millicent McVay, chairman of the Rally Committee, urges all student body members to attend the Rally Committee meetings on Tuesday noons in the small dining room of Nelson Hall in order to have a successful Homecoming. Many students are urged to attend and submit their suggestions, stated the rally chairman.

Lumberjack Staff Goes 100%

The LUMBERJACK staff is pleased to announce that it has 100 per cent membership in the Associated Student Body of Humboldt State College.

In an attempt to attain school-wide membership in the A.S.B. the LUMBERJACK will reserve this space in each issue to publicize all organizations that have 100 per cent membership.

Organizations which reach the 100 per cent goal should submit their names to the LUMBERJACK, Box 237.

Gordon Byers Senior Class Prexy

At a recent meeting of the Senior class, the following officers were elected: Gordon Byers, president; Clarence Bevington, vice-president; Lois Carlson, secretary; Helen Williams, treasurer.

CU Organization To Sponsor Party For Home Ec Girls

Members of the Conservation Unlimited will sponsor a party and dance for the girls of the Home Economics Club on the evening of Friday, October 20.

In past semesters these two organizations have alternately been host and guest. This year's party will be at Nelson Hall. Music for popular and square dancing will be provided by a partially decomposed victrola.

Pop Jenkins will make his famous doughnuts, which will be only part of the refreshments provided. Also to be included in the evening's fun will be a "duck chase", with a live duck. This will be the first event of this nature to take place in northern California.

Mimeo Machine Now Available For Students

All mimeograph work for student organizations will be handled by the social science mimeograph machine, according to an announcement by Dr. Hyman Palais, head of the social science department.

MUST BE CLEARED

Material to be mimeographed must be cleared at the Associated Student's office which will then forward it to the mimeograph operator. The secretary at the A. S. B. office will mimeograph material daily at 10 a. m. and 3 p. m.; and on Monday, Wednesday and Friday at 1 p. m.

Palais definitely stated that no work will be taken that is not brought to the A. S. B. office. He further said that this is a good opportunity for all organizations to have their work mimeographed.

DEFERRED AND CALLED

Dr. Kasper Ingrenbritson, acting director of elementary education has been deferred by the United States Air Force until Dec. 4.

Leland Barlow, assistant professor of music, will leave Dec. 6 for the U. S. Navy.

Would You Sign The Loyalty Oath?

Assembly Bill No. 61 was passed by the California Assembly September 26; passed by the California Senate September 26; and signed by Governor Earl Warren on October 3.

Assembly Bill No. 61 is better known by the term, "loyalty oath".

All civil defense workers and public employees must sign the oath within thirty days of the date October 3 which was the date the governor signed the bill. The term "public employees" includes all persons employed by the state or any county, city, or state agency or public district, excluding aliens legally employed.

A national controversy was started when a faction of professors at the University of California, at Berkeley, refused to sign the oath which they referred to as a threat to their civil liberties. Professors at Columbia University, in New York City, notified the U. C. block that they would stand behind them in their refusal to sign.

The majority of opinion at Humboldt State College among the professors is that the necessity of a livelihood is the stronger factor to the alternative of a feeble attempt to become a martyr. Martyrdom does not appear to be a twentieth century trait.

The loyalty oath, which has incited the "red herring" investigations, reads as follows:

"I _____, do solemnly swear (or affirm) that I will support and defend the Constitution of the United

States and the Constitution of the State of California against all enemies, foreign and domestic; that I will bear true faith and allegiance to the Constitution of the United States and the Constitution of the State of California; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well, faithfully discharge the duties upon which I am about to enter.

"And I do further swear (or affirm) that I do not advocate, nor am I a member of any party or organization, political or otherwise, that now advocates the overthrow of the Government of the United States or of the State of California by force or violence or other unlawful means; that within the five years immediately preceding the taking of this oath (or affirmation) I have not been a member of any party or organization, political or otherwise, that advocates the overthrow of the Government of the United States or of the State of California by force or violence or other unlawful means, except as follows: _____ and that during such time as I am a member or employee of the _____ (name of public agency) _____ I will not advocate nor become a member of any party or organization, political or otherwise, that advocates the overthrow of the Government of the United States or of the State of California by force or violence or other unlawful means".

WHAT'S NEXT AT HUMBOLDT STATE

FRIDAY, OCT. 20 — Block "H" meets at Nelson Hall at noon.
Lumberjacks vs. San Francisco State at San Francisco. Join the Caravan.

Conservation Unlimited - Home Ec Party at Nelson Hall. Sport clothes, dancing, Pop Jenkins will make donuts, art exhibit, duck chase.

MONDAY, OCT. 23 — World Study Group meets at Nelson Hall at noon.

Alumni Dinner at Bayside Grange at 6:30 p. m.
Newman Club meets in the Social Unit at 7 p. m.

TUESDAY, OCT. 24 — Rally Committee meets at Nelson Hall at noon.

W. A. A. activities in the gym at noon.
Knights meet at noon in Room 101.

Student Council meets at Nelson Hall at 7 p. m.
Christian Roundtable meets at the CES at 6:30 p. m.

WEDNESDAY, OCT. 25 — Chi Sigma Epsilon meets at noon in Room 202.

Ski Club meets at noon in Nelson Hall.
College Orchestra meets at CES.

THURSDAY, OCT. 26 — Conservation Unlimited meets at Nelson Hall.

FRIDAY, OCT. 27 — Block "H" meets at Nelson Hall at noon.

Halloween Dance, sponsored by the Newman Club.

MONDAY, OCT. 30 — Art Exhibit in the Social Unit.

World Study Group meets at noon in Nelson Hall.

TUESDAY, OCT. 31 — Rally Committee meets at noon in Nelson Hall.

W. A. A. activities at noon in the Gym.

Knights meet at noon in Room 101.

Student Council meets at Nelson Hall at 7 p. m.

WEDNESDAY, NOV. 1 — U. S. Fish and Wildlife Service and California Fish and Game Commission speakers at the Conservation Unlimited business meeting.

In 1948 it was estimated that the world was being flooded with 350 tons of narcotics by smuggling annually.

MEMO

TO: ALL LUMBERJACKS
FROM: PRESIDENT'S OFFICE
RE: STUDENT UNION

One of the fundamental needs on our campus is a centrally located, adequate STUDENT UNION BUILDING. The Master Plan calls for the construction of such a building including a cafeteria which is to cost \$650,000 and is to be located on the present parking lot in front of the Administration Building. Even with favorable conditions the class of 1954 will have left the campus before that dream comes true!

Since the old wooden building is coming down soon, we are doing our best to find the most satisfactory answer to the STUDENT UNION problem. With funds as can be made available, it has been agreed to remodel the entire Varsity Hall in such a way that it will house all or nearly all of the student body activities.

Present plans for the temporary STUDENT UNION call for a Lounge Room, a Fountain and Sandwich Bar, a Dining Area, a Book store, Student Health Unit and suitable offices for the student body Manager, student body Council, "Sempervirens", "Lumberjack" and Public Relations. A committee composed of students and faculty have been working on plans and making suggestions for the most efficient use of the 2½ floors available in Varsity Hall.

Latest word from the State Department of Architecture is that remodeling work may begin before November 1, 1950 which should find the new STUDENT UNION building ready to operate sometime in December and hopefully before the old one is razed to make way for the new library.

Sometimes progress is painful, but as long as it means new and better accommodations I am sure all of us are willing to do our share of suffering.

Cornelius H. Siemens
President

FEATURE COLUMN SCHEDULED FOR LUMBERJACK- EXPOSES ALCOHOLIC TREND

An added feature to the Humboldt State College Lumberjack will be a regular column written to enlighten students about the mysteries and perplexities of college life.

Frank Godec, who is the scribe of this new feature, plans to aid those, who in the throes of intellectual strivings, need the uplift and guidance of older and more experienced veteran of classroom and lecture battles.

Godec, from Fortuna, is taking a post graduate course at Humboldt State College majoring in liberal arts. He received his A. B. degree at the University of California in Berkeley.

To commence his works, Godec has chosen the very collegiate subject of alcohol to splurge his talent upon. We, the Lumberjack staff, wish Godec good luck.

By FRANK GODEC

Alcohol is such a part of college life both inside and out of the laboratory that some comment concerning its usage is warranted at the start.

The younger clientele of the halls of ivory, as well as some of the older, pride themselves on the prodigious quantities of joy-juice they can consume. The fact that most of them invariably make a biblical anima of themselves in the process is not detriment to the attainment of such supreme achievement.

Bloodshot eyes, aching heads, general bodily disruption are the Sunday morning physical paraphernalia of the smarter college set. To be able to take a final test while well-swacked elevates one to the dissipation bluebook, or may even rate a letter of commendation from a prominent brewery.

Night courses in elbow-bending and glass-tilting are given for the elite fast moving set of campus life at the Glo Room where one can rub elbows with alcoholic dregs and frustrated calloused floozies.

It is not here implied that one should rally to the banner of the W. C. T. U., the members of which uniqueness of having spent lives containing frustrations which contain frustrations. The spectacle of this prudish senility is almost as ludicrous as the extreme group

ON THE SHELVES

By VERNON WHALEN

Several new books, a few of which are reviewed below, are now available to patrons of the college library.

JOHN GUNTHER

ROOSEVELT IN RETROSPECT by John Gunther is a volume which seems to have reviewers divided in their opinions as to its worth as a work on FDR. According to the author, the book "does not pretend to be a full-dress history of the Roosevelt years nor a biography in the orthodox manner". He says the book is "an appraisal (of Roosevelt) from a personal as well as a political point of view".

A FEW FLOWERS FOR SHINER by Richard Llewellyn is the story of Snowy, a Cockney soldier, who rides to adventure along the shellriddled roads of southern Italy. Snowy, enroute to the grave of a buddy, Shiner, where he planned to place a few flowers, is joined by an American A. W. O. L. and a princess, both of whom live Snowy's life considerably.

A LONG DAY'S DYING by Frederick Buechner is a psychological novel which analyzes the relationships existent among a small group of people -- a widow, her son and mother, and the three men in love with her. The book is the author's first novel.

COLLEGE HUMOR

A TREASURY OF COLLEGE HUMOR, edited by Richard Koope and others, contains choice items by Peter Arno, Robert Benchley, Paul Gallico, and many others. It should have at least something in it to please everybody.

STUDY OF SEX

MALE AND FEMALE: A STUDY OF SEX IN A CHANGING WORLD by Margaret Mead is another anthropologic work by the famous associate curator of the American Museum of Natural History. It discusses the ageless American debate, the "woman's place", as well as the eternal question whether there are any significant psychological differences between men and women, apart

at which the blue noses point their accusing digits.

HUMBOLDT LUMBERJACK
WED. OCT. 18, 1950

THIS and THAT

By JACKIE STONE

Jim Berg alipped a diamond on the third finger, left hand of Miss Betty Dutcher, Kelso, Wash., when she visited here the weekend of Oct. 1.

Leland Barlow, assistant professor of music, who is a member of the Naval Reserve, has been deferred until Nov. 4.

Add to the list of summer marriages that of Elaine Wymore and George Turner, and of Coleman Bullis to Elaine Loomis.

Frank White, Bill Ball, and Walt Green, former Varsity Hall boys, were the send-off party for Herb Rogers, who left by bus Oct. 2 to report to his draft board in Seattle Wash. Rogers returned deferred.

Bob Westberg has received an appointment to Annapolis.

Most recently wed were Marilyn Negal and Dan Gurnie.

The president's office has requested six copies of the 1950 Sempervirens to show the Humboldt Improvement Committee as an example of what has been improved at H. S. C.

Football Coach Ted Staffler became the father of a son Oct. 1.

The blackboard in the Conservation Unlimited hut says that Don Cummings is in the Air Force, Gordo Millar is in the Marine Corps, Ken Sadler is an Army Infantryman, Frank Short joined the Navy to beat the draft, Gene Kauffman has been drafted, and Wilbur Myers is in the Air Force.

Ed Neumier, H. S. C. student and feature editor on the Eureka Times, recently became the father of a son.

"Red" Wright is leaving Nov. 31 for the Army.

Bob Miranda and Geneva Ware will be married Thanksgiving in Fallbrook, California.

Wally Landis, football co-captain and quarterback, has joined the Air Force but will not be called until he graduates.

REMINDERS: The red arrow-shaped stickers on the Social Unit light switches that read, "Please turn out the lights, save power needed to Win the War".

The Other Point of View --- from Pepperdine's Graphic: "I learned American history up to the Revolution under British teachers . . . I was taught that the American revolutionists were ingrates and renegades . . . George Washington, Thomas Jefferson, Tom Paine and other 'agitators' were wicked subversives".

Ritchie Bryan, and Norma Gentry, junior and senior respectively are enrolled at San Jose State.

Faculty Reception Honors Dr. Siemens

Dr. and Mrs. Cornelius H. Siemens were honored last Sunday, October 15, at a county-wide reception held at Nelson Hall from 3 to 6 p. m. The Humboldt State College faculty extended a cordial invitation to all county residents and friends of the college to come and welcome the new president of the college and his wife.

Among the matrons who presided at the tea tables during the afternoon were the Mesdames Vernon Hunt, Harold Adams, Frank Williams, Forrest Waters, Gratton Little, Henry Brizard, J. J. Krohn, Robert Dickson, John Chain Sr., Allen Ham, William Silva, and Waldron Hyatt.

Mrs. Gayle Merklin, chairman of the Faculty Social committee acted as general chairman of the affair.

RICKEY MEETS WITH STAFF OF SEMPERVIRENS

Student Body President Merwyn Rickey called a meeting of the Sempervirens staff at noon Oct. 3 to clarify a misunderstanding between the staff and the student council over the addition, by the council, of a third clause to the yearbook plan submitted, through faculty advisor Thurston Womack, to the council for approval.

The controversial clause, which resulted in a letter of recommendation from Womack, and the resignation of Editor John McMurrin and Business Manager Adrian Mendes, called for requisitions for expenditures to be turned in to the Council for approval at the end of each month.

Rickey explained that the clause was included in order to insure payment of such items as phone calls and gasoline, which, in the past, staff members have had to pay themselves.

Rickey stated that the clause would be rewritten at the Council meeting that night, as suggested by Womack, and then he made a plea that no more drastic action be taken in such cases until each side had made its objectives clear.

Do You Have Roommate Appeal?

One of the most important college courses isn't listed in any catalogue — but it might be called "Living With Roommate". Just in case your roomie is too polite to tell — better give yourself a quick checkup.

Answer "No" or "Yes" to these questions. If you answer "No" to at least 11, you're a pretty fair roommate; 13 to 17 means you're wonderful; more than 17 indicates you're too good to be true. If, on the other hand, your "No's" are below 9, we suggest that you become a hermit.

1. Do you lose your temper easily?
2. Do you sulk?
3. Do you talk too much?
4. Do you read out loud?
5. Do you gossip?
6. Do you fail to consider his (or her) likes and dislikes?
7. Do you expect to be included in his invitations?
8. Do you brag about your work, friends or social position?
9. Do you rely on your roommate for amusement?
10. Do you talk too much about your heart interests?
11. Do you always talk about your troubles?
12. Do you try to be the boss?
13. Do you ask questions about personal matters?
14. Do you share his interests?
15. Do you lack respect for your

Milhaus Announces Extension Program For Fall Semester

Dr. Ivan C. Milhaus, dean of professional education and director of extension work at H. S. C., announced the following courses in the evening in the Eureka Junior High School. Further information can be had by calling the college or the Adult Education Office in the junior high school.

U. S. GOVERNMENT

Dr. Hyman Palais has a class in American Constitutional Government which carries 2 units of credit. This is a study of the structure, operation, and development of the American Constitutional System. This course meets the requirements in United States Constitution established by the Legislature of California. This class meets Mondays from 7:00 to 9:30 p. m.

SPEECH CORRECTION

Dr. Don Karshner holds a class every Tuesday from 7:00 to 9:30 p. m., in Eureka, on Speech Correction. This course carries 2 units of credit and includes the classification, diagnosis, and treatment of speech defects. Theory supplemented by demonstrations and practical work with selected speech cases is also included.

RELATIONSHIPS

Parent-School Relationships, an upper division education course carrying 2 units of credit, is taught by Miss Sarah Cornelius, assistant professor of education. This course, applicable as elective credit for teaching or administrative credentials, includes the principles and techniques of conducting individual and group conferences, with stress on group dynamics. The class consists of lectures, discussion, and class demonstrations.

Psychology of Adolescence, is offered by Dr. Leonard Christensen. This class meets from 4:00 till 6:00 p. m. on Tuesdays and carries 2 units of credit.

Also being taught by Dr. Christensen from 4:00 to 6:00 on Mondays is an education course entitled Measurement and Evaluation, which carries 2 units of credit.

Dr. Albert Graves, teaches a Master's Degree Seminar, a two unit course, from 4:00 to 6:00 p. m. on Thursdays.

Dramatic Workshop is taught from 4:00 to 6:00 daily by John Van Duzer, and Rod Shepherd. This course may be taken for one or two units of credit.

On Mondays from 4:00 to 6:00, Dr. Don Karshner teaches a course in the teaching of speech, which carries 2 units of college credit.

Council Business Scheduled by Prexy

Merwyn Rickey, Associated Student Body president, announced that any student or group, wishing to place business before the student council should contact him previous to the council meeting so that he will be able to arrange his agenda for the meeting accordingly. The Humboldt student council meets at the small dining room in Nelson Hall at 7 p. m. on Tuesday evenings.

- roommate's privacy?
16. Do you play the radio continuously?
17. Do you take the best drawers and hog the closet space??
18. Do you litter the room?
19. Do you neglect cleaning up after a party?
20. Do you forget to pay half of mutual expenses?

Normal Load Is 15 Units

Students may often wonder why 15 units of college work is considered a normal load. Student load is calculated on the basis that each unit of work requires three hours of work each week; that is, a three unit course would require three hours of class and six hours of work outside of class each week, or a total of nine hours. On this basis a load of 15 units would require 45 hours of work each week.

Students often complain that an instructor is requiring too much work. However, upon inquiry, an instructor is likely to find that the student is carrying 17, 18, or 19 units. Theoretically 20 units of work would require a total of 60 working hours, or six ten-hour working days a week.

As a result of the problem that has been created, the Scholarship Committee is announcing a new definition of a normal program.

The normal program load is 15-15½ units. First semester freshmen should take a program of 12 to 15½ units, depending upon the results of their testing programs as evaluated in conference with their advisors. After the first semester a program of 17 units may be approved upon petition to the Scholarship Committee if the student has made an average of 1.50 in work undertaken. A program of 18 units may be approved if the student's average is 2.00.

This is an outgrowth of a faculty study of Scholarship regulation. The committee feels that this normal program allows a student to complete either the A. R. degree, which requires 120 units to graduate, or the B. S. degree which requires 128 units to graduate in eight semesters.

Janet Oppenheimer and Lloyd Yount, graduates of Humboldt State are teaching at Trinity Union High in Weaverville.

HSC FEDERALIST CHAPTER REVAMPS TO STUDY GROUP; HEARS PREXY REPORT

The Humboldt State College chapter of the United World Federalists has ceased its affiliation with the national federalist group and will now meet as a college study group to discuss various plans for world peace through world government, according to Anne Kavanaugh, chairman of the study group.

Miss Kavanaugh opened the new series of meetings, which are held each Monday noon at the small dining room in Nelson Hall, with a review of the beliefs and purposes of the United World Federalists.

Miss Kavanaugh stated that the beliefs of the U. W. F. are as follows:

"Peace is not merely the absence of war, but the presence of justice, of law, of order - - in short, of government, and the institutions of government; that world peace can be created and maintained only under a world federal government, universal and strong enough to prevent armed conflict between nations, and having direct jurisdiction over the individual in those matters within its authority".

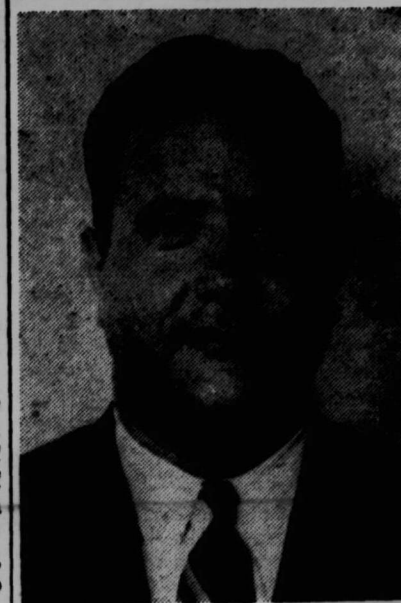

A discussion was held following the presentation concerning the attributes, as well as defects, of the U. W. F. plan for peace. Carl Jensen was then appointed by Miss Kavanaugh to present the policies of the Federal Union group at the October 16 meeting of the Humboldt discussion group.

mr. gallup, et al.

Public polls count cars or souls
And bring the facts to light;
How valuable someday they'd be
If they could count things right.

Cast Chosen For "Silver Whistle"; Slated For Dec. 1

"The Silver Whistle", which will be presented Dec. 1 and 2, will be the first three act play to be given for the public in the newly redecorated college auditorium, according to an announcement by Jane Morgan, director.

The cast for the play is: Mr. Beebe, Ted Wimmer; Mrs. Hammer, Patsy Spellenberg; Miss Hoadly, Sonja Soules; Miss Tripp, Ann Colosimo; Reverend Watson, Jean Masters; Mrs. Sampler, Mary Ellen Rogers; Mrs. Gross, Verdine Waight; Mr. Cherry, Harry Damrell; Oliver Erwenter, Chet Bosch; Emmet, Tom Turner; Bishop, Bob Titlow; Father Shay, Bud Baker; Mr. Beach, Paul Kenny; Mr. Reddy, unfilled; Policeman, Bill Nicol. Rehearsals are being held in the evenings from 7:00 to 9:00, with special scene rehearsals from 4:00 until 6:00 p. m.

Sale Tomorrow To Finance Baskets For Needy

A sale of homemade cakes and cookies tomorrow in the main hall between 11:30 a. m. and 12:30 p. m. will finance Thanksgiving baskets to be given to some needy family by the College Wives, it was decided at the Oct. 10 meeting of the club. Co-chairmen for the sale are Lee Tillinghast and Janice Wilson.

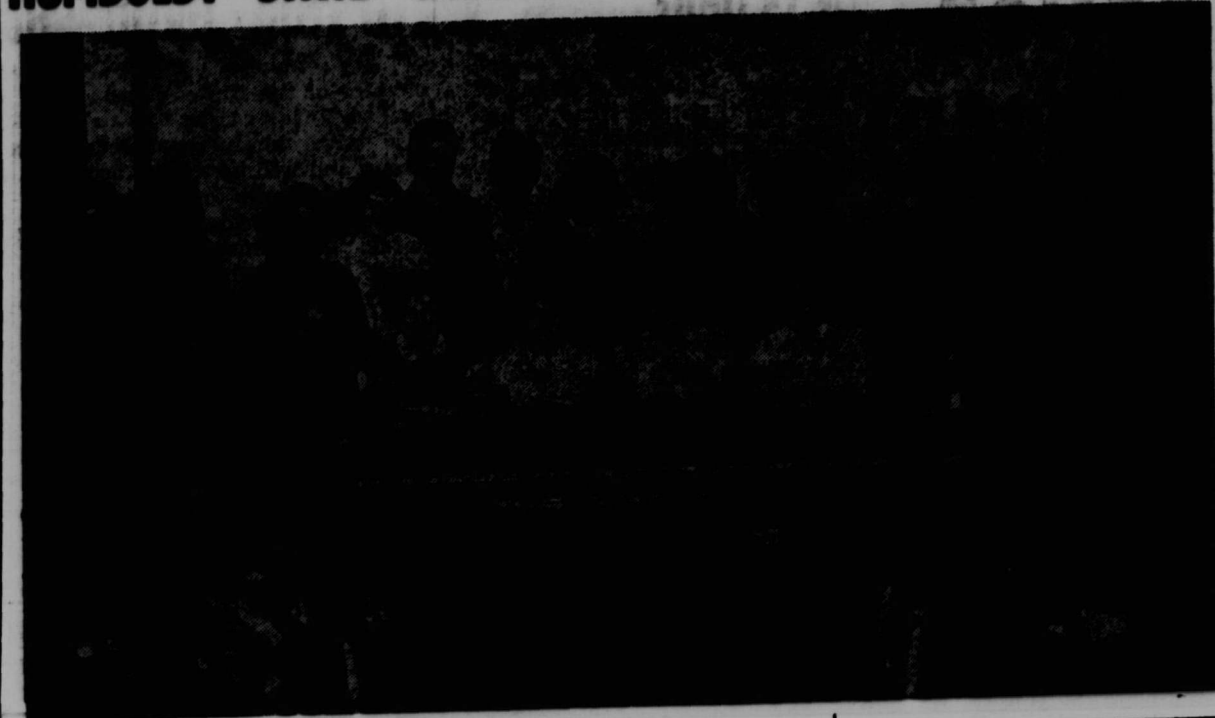

Officers elected for this college year include: Peggy Mullis, president; Chris Sheridan, vice-president; and Dorothy Evans, secretary-treasurer.

A craft group, under Chris Sheridan, will work on Christmas gifts in the fields of textile and glass painting, and crematics. Meetings of this group will be held the first and third Thursday nights of each month.

Refreshments were served to the group. Two war-brides, one from Italy and another from Scotland, were guests at the meeting. Volunteers for the refreshments for the next regular meeting were Kay Kastner, Virginia Rumble, and Ida Pedrotti.

Norma Gentry, who attended Humboldt State College, is entering her junior year at San Jose State.

HUMBOLDT STATE CHRISTIAN ROUND TABLE GROUP

Pictured above are the HSC students who attended the first meeting of the Christian Round Table discussion group. The meeting was held in the little dining room at Nelson Hall. Rev. George Fort acts as moderator.

BRUCE ROBERTS

Faculty Advisor

Bruce Roberts, assistant professor of physical sciences, was chosen recently by the members of the Christian Round Table, to be the advisor of the group.

Talk Given By President Siemens At Hotel Benbow

"Growing Is Our Profession" was the topic of an address by Dr. Cornelius H. Siemens, president of Humboldt State College, on Saturday October 14, at Hotel Benbow.

Dr. Siemens spoke to the California Teachers Association Leadership Training Conference of Northern California, which met at Hotel Benbow on October 13, 14, and 15.

Bob Montgomery Heard On KHUM

Rod Shepherd, director of the Humboldt State College radio department, urges all interested students to listen to Robert Montgomery give undesired publicity to various underworld citizens in the United States.

Montgomery broadcasts at 8:45 p. m., on Thursdays, over radio station KHUM.

Janet Oppenheimer and Lloyd Yount are teaching at Trinity

Talented Residents At Redwood Hall; Officers Elected

For the first time in several years, the majority of Redwood Hall residents are freshmen and new students. Along with the new faces, a good deal of musical talent has shown itself at the hall, according to Malcomb Buchanan, president of the hall. "Rip" Ripine of the Samoa Islands and his guitar, a well known team; Al Braud and his trombone; and Ernie Harrison and Dick Harmer, the duet singers of the hall, are numbered among the talented.

Residents of the hall held an election of officers recently. Those elected were Malcomb Buchanan, president; Harold Neville, vice president; Harry Damrell, secretary-treasurer; and Melvin Klein, head resident.

Caravan Rally Held

A caravan-rally was held on October 6 preceding the Humboldt-Chico football game. The rally was held by the rally committee and chairman for the affair was Craig Stark.

The group, composed of over fifty H. S. C. students, met at the college where their autos were decorated. They then were escorted to Eureka by the State Police. At Eureka the group left their autos to form a serpentine which wound its way through various streets and stores, including the Eureka theatre.

The rally then returned to the Minor Theatre in Arcata where the pep band played several pieces and the group participated in yells.

Nancy Balabanis Elected Prexy Of Christian Round-up

At their meeting Oct. 10 in the College Elementary school library, members of the Christian Round Table elected officers for the fall semester. Nancy Balabanis was elected president of the organization for protestant college students.

Other officers are Ripini Ripini, vice president; Pauline Demogalla, secretary; and Charlotte Marks and Jean Nichols, publicity.

Rev. George Fort, moderator, urges all protestant students to attend the discussion sessions which are being held in the CES library every Tuesday evening.

Co-op Committee Named By Prexy

Merwyn Rickey, A. S. B. president, appointed a Co-op Executive Committee at a recent meeting of the student council in the small dining room at Nelson Hall.

The committee will be responsible for managerial functions of the student co-op. Members of the committee are Don Bouey, A. S. B. treasurer; William Jackson, and Mrs. Margaret Brookins.

DeMolay Chapters To Meet In Arcata

The Arcata DeMolay Chapter will act as host on November 4-5 to the Eureka, Fortuna and Crescent City chapters in a Pee-Wee District Conclave. This will be the first such conclave to be held in this district.

The local DeMolay plan to decorate Arcata and to house all brothers attending from out of town.

New Coordinating Group Formed To Assist Student Organizations; Kent Merrill Appointed Director

Group Proposes To Coordinate All Student Activities

Kent Merrill was appointed by A. S. B. president, Merwyn Rickey to the position of Director of Student Activities, with the student council's approval.

Merrill appeared at the October 6 council meeting and presented an overall plan for the formation of a new organization for coordinating student body activities.

ORGANIZATION PURPOSE

The purpose of the organization, according to Merrill, is to improve the quality and increase the efficiency of student body activities.

COMMITTEE HEADS

The director of student activities will head a committee composed of a financial advisor, technical advisor, director of public relations, publicity director, personnel director and faculty or legal advisor.

This entire committee will be expressly for the use of the student body. Any group, or organization, sponsoring a dance, picnic, barbecue, etc., has the right to call on the coordinating committee, under Merrill, for aid in putting on its event.

FINANCIAL ADVISOR

The financial advisor will be able to supply information to the organization sponsoring an event, concerning the estimated costs of the various activities.

TECHNICAL ADVISOR

The availability of facilities and equipment will be under the jurisdiction of the technical advisor. He will be able to either secure, or tell the group where to find certain technical equipment such as a P. A. system, lights, cameras, and phonographs.

PUBLIC RELATIONS

It will be the duty of the director of public relations to coordinate community, faculty and student activities.

A. W. Ericson Co.

KHSC Radio Hut Recent Addition

Humboldt State College's new and modern addition by way of campus buildings is the KHSC radio building. It is a remodeled six room house situated across the parking area from the main building.

The building contains a reception room, large studio, director's office, small studio for class work and dramatic programs and a transcription and record room for announcers and disc jockeys.

The reception room is situated at the front entrance and is decorated with a huge plant box, combed plywood walls and an oddly-shaped driftwood log. An aura of the ultra modern is thereby attained.

Monks cloth drapes cover the walls throughout the building which furnish the correct acoustical effects. The walls have been covered with cushion tone acoustatex board and Masonite Waynes-coat. Double pane soundproof windows connect all of the rooms for observation and control.

Special carpets cover the floors for studio silence. Warning lights are placed in the rooms to indicate when a show is on the air.

M. A. Parry, HSC graduate student, recently completed the installation of the complicated master console unit.

Also available to radio students is a boom-microphone stand similar to those used in professional radio stations.

Roy Shepherd, radio class instructor and KHSC director, made scaled drawing of the plans for the many features of the building. These drawings were submitted to the architect. In addition, several special record cases were designed by Shepherd.

Shepherd stated that Humboldt State College is one of the few colleges to offer complete professional studio training in radio work to students. He added that the new KHSC studio was designed for maximum efficiency and operation.

PUBLICITY DIRECTOR

The publicity director will coordinate all phases of publicity relative to student activities. He will care for a posted activity calendar which will enable students to plan for coming events.

PERSONNEL DIRECTOR

The personnel director will classify and provide specialists to aid in presenting student functions. He will have a catalogue of various students who are adept at specialized jobs, such as a master of ceremonies or an after dinner speaker.

The sixth head on the committee will either be a faculty or legal advisor who is in the position to advise student groups on various rules and regulations pertinent to the affair.

Wayne Gentry, a graduate of Arcata High School and a former student at Humboldt State College, is in his senior year at the University of California.

Frosh To Sponsor Candy-Cookie Sale

Meeting for their orientation class October 3, members of the freshman class voted to draw up a constitution and to sponsor a candy and cookie sale to raise money. Committee chairmen, who had been appointed previously by class president Bob Waters, were announced.

Appointed to the constitution committee to form the document were Evelyn Bonini, Beverly Pickering, Darlene Taylor, Tere Robinson, Donna Cole, Jean Nichols and Jim Jordan.

Chairmen of the standing committees are: social, Rebecca Balabanis and Dolores Burton; publicity, Jean Nichols; photography, Tere Robinson; and finance, Dwain Haines. Kristine Brown as class treasurer, will be a member of the finance committee.

Freshmen who are interested in joining a committee may write to box 401 telling their names and the committees to which they wish to belong.

Science Building To Be Finished By First Of Year

A three story biological science building will be under construction on the Humboldt State College campus by the first of the year, President Cornelius Siemens has announced. The building will be furnished with modern instructional equipment.

Containing 350,000 square feet of floor space, the building will be located east of Jenkins Hall. A physical science unit will be added later.

Dr. Harry D. MacGinitie, chairman of the natural science division, has been planning for this building many years, President Siemens said, and is looking forward with great anticipation to moving out of the natural science department's present cramped quarters and inadequate laboratories.

It is hoped the new building will be finished by September, 1951.

Music Scholarship Winners Named

Music Scholarship qm —18 Results of the music scholarship tryouts held Oct. 5 in the C. E. S. auditorium and sponsored by the Humboldt County Federation of Women's clubs were announced by the music department Oct. 9.

Winners of one year's private lessons are Bill Crane, trumpet; Dan Gurnee, piano; Yvonne Morrison, voice; Shirley Pitlock, voice; Glenn Skelton, sax; and Ed Solenberger, flute.

Judges for the contest were Leland Barlow, Charles Fulkerson, and James Mearns. Other students who tried out were Lee Gentry, Dewey Dolf and Viola Zelmer.

Dues Announced For NEA Members

Dues for membership in the National Education Association can now be paid at the College Elementary School, it has been announced by Dr. Kasper Ingebritson, director of elementary education.

There is a special rate of two dollars and fifty cents for college students, Dr. Ingebritson said, and he stated that all future teachers should belong to the organization.

Queen Selection Procedure Named; Alumni To Choose

The sophomore class, headed by Leonard Cook, president, is in charge of the preparations for the selection of the queen for Homecoming slated for November 3-4.

An assembly will be held on October 25 at which time the queens sponsored by student organizations or classes will appear before the entire student body.

QUEEN SELECTION

The queen will be selected by a committee of alumni, supplemented by prominent local people. The committee will consist of five persons.

Queen candidates will parade before the entire student body, at the assembly, after which the judges will take them individually to a private room where they will be judged for personality, poise, beauty, speaking ability and measurements.

The judges will announce the winner before the close of the assembly.

QUEEN TO REIGN

The queen, and her court, will reign over the entire week of Homecoming. She will be crowned at an assembly to be held Friday evening, November 3.

The queen will be guest of honor at any and all festivities that are sponsored either by the Alumni Association or the student body. She and her court will have seats of honor at the Southern Oregon-Humboldt football game slated for Saturday afternoon, November 4.

Brennan Memorial Now On Display In HSC Library

The Bob Brennan Memorial Library is now on display in the Main Library.

Bob, a Humboldt State College senior, was killed in an automobile accident on March 22, 1948.

The memorial library was started soon after Bob's death by donations from Alpha Psi Omega, HSC honorary dramatic society, to which Bob belonged, and the Newman club. Since the college library received the initial donations, other organizations and some individuals, including Bob's father, who has since died, have added to the library.

Most of the memorial books are on drama and radio, the subjects in which Bob was majoring.

The book plate was designed for the library by Reese Bullen, assistant professor of art.

Two-Story Library Will Be Completed By September '51

The old wooden structure south of the Administration building, which has served for thirty-four years as a part of Humboldt State College, is soon to be torn down, it has been revealed by the office of President Cornelius Siemens. In its place will be erected the modern two story library building which has been in various stages of planning during the past five years. The reinforced concrete building will have 16,000 square feet of floor space, which will be occupied by a reading room, book stock areas, a large reserve book room, and various special-purpose rooms.

The new library should be completed in time for the fall semester of 1951, the president's office stated.

A microscope, so powerful it enables a man to see a single molecule of matter as small as one twenty fifth millionth of an inch in diameter, has been built in Germany. Cost? \$24.

CES Supervisors Return From San Diego

Sarah R. Cornelius, assistant professor of education, and Hazel Hagne, acting supervisor of the upper grades of the College Elementary School, returned recently from San Diego, where they attended a conference on the direction and improvement of instruction and child welfare.

Called by Dr. Roy Simpson, state superintendent of public instruction, the conference was attended by representatives of the California School Supervisors Association and of the Association of Supervisors of Child Welfare and Attendance.

Among the speakers who appeared before the conference was Helen Heffernan, assistant chief of the state's division of instruction. She spoke on "Creative Supervision". Betty Roadman, actress, lecturer, and world traveler, also addressed the assembly. Her topic was "Democracy in Action."

A thorough discussion of the theme of the conference, "Education for the Creative Personality", was achieved in small group sessions, with each group studying one or more aspects of the subject. Miss Cornelius served as a group leader, and Miss Hagne acted as a group observer.

The highlight of the meeting was a panel discussion, led by Jay Connor, associate chief of the state's division of instruction.

Lumberjacks Battle S.F. Friday

HUMBOLDT LUMBERJACK

WED. OCT. 18, 1950

IT SAYS HERE

..... in fine print

By CRAIG STARK, Lumberjack Sports Editor

Basketball, the intramural variety, has already gotten under way on the Humboldt State campus, anticipating the regular casaba season by over a month. Six teams, made up of anywhere from five to ten players each are already competing, playing their games at noon in the gym.

The games are fine, Athletic Director Jack Whetstone says, but something not so fine is the attendance. The only people who ever show up at these games are the players, the officials, and one or two students who wander in and out during the game.

That's not good. Intramural basketball, while it's not the most polished variety of the hardwood sport, is still surprisingly well played, and hard-fought.

The players give everything they have, and sometimes a little more, to win their games. The fast break, the most spectacular portion of basketball, has been introduced by varsity members playing on the intramural teams.

Oh yes, varsity players, in fact nearly the entire varsity, are playing in three intramural games. They've been limited to one or two per team, but they're still there. Their presence makes for a faster, smoother performance, as well as high scoring.

The intramural leagues are often the proving grounds for future basketball stars on the varsity. Many varsity stars have been uncovered in intramural leagues at other schools, and more than a few at Humboldt.

Then, there are more than a few upperclassmen who could have become good basketball players on the varsity, if they didn't have to work, or study when they were freshmen and sophomores. These boys, some of the best natural ball-players in the school, delight in intramural games, and can be counted on to give the varsity boys a rough time.

And freshman and transfer students will be in the intramural games, trying to prove themselves in the eyes of the varsity boys and director Jack Whetstone, who also happens to be the basketball coach.

So if you'd like to see a hard-fought, fast basketball game for free, try the gym at noon. And don't forget, when you see some spectacular play, that intramurals are the varsity's proving grounds.

Stalers to Meet Gaters in Night Tilt in Bay Area

Humboldt State college's football Lumberjacks, bloody but unbowed after two successive defeats, head for the southland and a game with their toughest conference opponent of the season against San Francisco State on Friday night.

The Lumberjacks will leave by car at 6 a. m. Friday morning.

The Golden Gaters, under the expert tutelage of Joe Verducci, ex St. Mary's head coach, have two lopsided wins and one loss to their credit, but have shown explosive scoring power thus far.

The Gaters have a big heavy line and a small, fast backfield that can scoot from anywhere on the field. The Gaters walloped Cal Tech 35 to 7, Southern Oregon 35 to 20, and lost last week to Whittier's power-laden Poets 41 to 20.

Big threats for the Gaters will be quarterback Sam DeVito, and halfbacks Bob Keropian and Rudy Smith.

Last year, the Gaters squeaked through with a 26 to 20 win over Humboldt in the Redwood Bowl, using many of the same players who will meet the Lumberjacks Friday night.

The Lumberjacks, in their best physical shape since their opener, will have two players on the doubtful list. End Ray Lorenzen saw little action against the Aggies last weekend, but will probably be back for the State game. Quarterback Wally Landis, a last minute casualty before the Aggie game, will probably be in action, but Dr. Herbert Moore, the team physician is still non-committal. Fullback Ken Dunaway, out since the opener, came back to play about half the game against the Aggies and should be in good shape for the State tilt.

Probable Humboldt starting lineup for the tilt will be ends Bob Matthews and Ray Lorenzen and Bill Cooke; tackles Chuck Martzall and Dave Dana; Guards Alme Allen and Bob Syvertson; quarterback Wally Landis or Fuzz Lampella; halfbacks Les Ivancich and Ken Gipson; and fullback Ken Dunaway.

Braud Named To Head Ski Club

Al Braud, elected president of the Ski Club during their meeting Oct. 11 in Nelson Hall, has issued an appeal to all students who are interested to join the club and learn to ski.

Other officers elected were Frank White, vice president; Lois Carlson, secretary, and Arthur Pierce, treasurer. Dr. Wm. Lanphere is the group's advisor.

Club members are working on repairs to the HSC ski lodge located on Berry Summit off Highway 299.

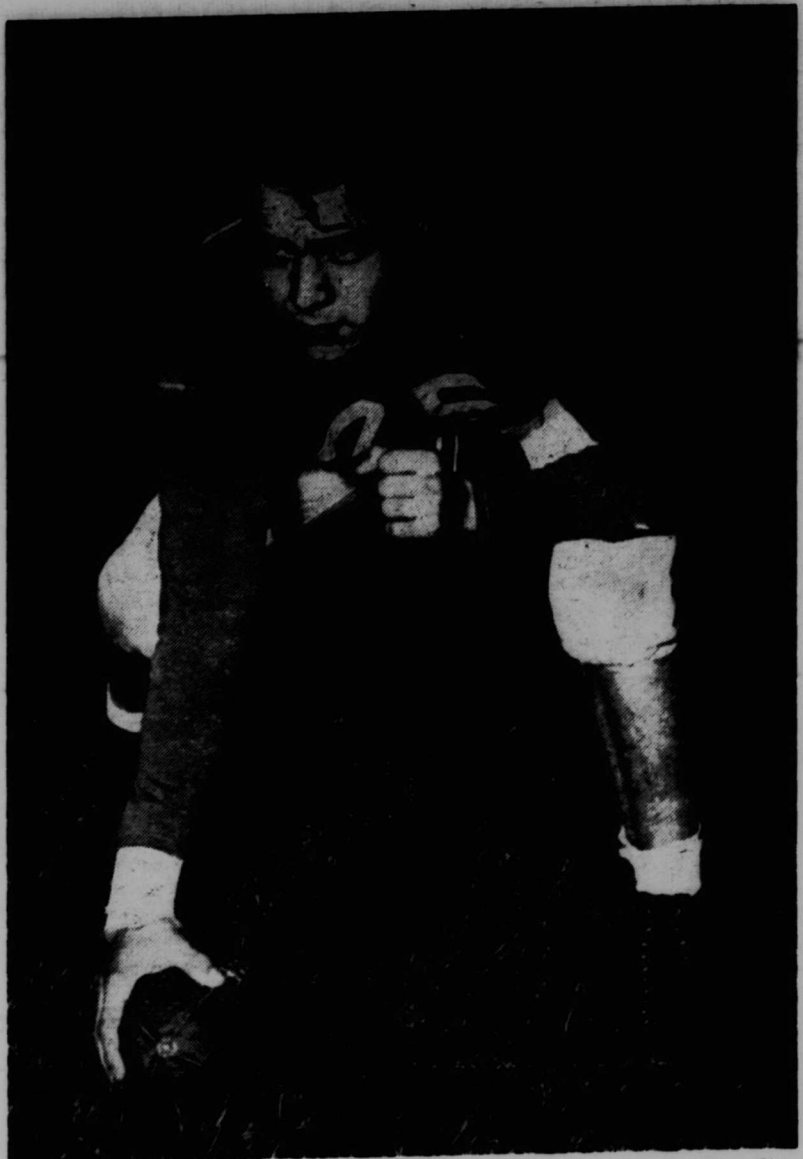

"Club membership is \$10 a year and those wishing to ski weekends but not join the group must pay a special rate," said president Braud.

Martzall Named As Junior Class Head

Charles Martzall was elected president of the junior class at a recent meeting of the group. Other officers elected were Rod Frost, vice president; Martha Lynn, secretary; and Sonia Soules, treasurer.

Charles Fulkerson, music professor, was chosen as advisor for the class. Some discussion followed concerning the possibility of making attendance of class meetings compulsory.

SPORTS

One of Humboldt State's brightest line stars, Big Caesar Fiamma will be at center this Friday night when the Lumberjacks tangle with the potent San Francisco State Golden Gaters in San Francisco. A 190 pound sophomore, Caesar was an outstanding prospect last season, and is one of the leading pivot men in the conference this year.

College News Bureau

The College News Bureau is the official agency for disseminating college news to local newspapers and radio stations. Thurston Womack, director of the News Bureau, asks that either he or Martha Lynn be contacted by all persons or organizations wishing publicity. News items may be placed in faculty box 38 or brought to the News Bureau in office 201-1.

ART WORK STARTED

Melvin Schuler, assistant professor of art, is putting his class to work on the line drawings for the 1950 Sempervirens.

FOOTBALL DANCE

The Humboldt State College rally committee sponsored the dance following the Humboldt-Chico game held at Nelson hall. Donna Sherman was chairman of the dance and Ann Loeb decorated the hall for the affair. Patrons at the dance included Dr. and Mrs. Cornelius Siemens, Mr. and Mrs. Jack Norton, Mr. and Mrs. Jack Whetstone, Miss Kay Gott, and James Mearns.

One Greek psychiatrist said, love is a continuation of the fairy tales of our childhood.

Chico State Halts Humboldt In Conference Opener 39-6

While the bands played and the rooting sections chanted "The Hankies on the turf," Referee Horace Taylor and twenty-two ball players marched up and down the field as Chico State college's speedy Wildcats hammered out a 39 to 6 victory over Humboldt's nervous aggregation in the Redwood Bowl October 7.

The Wildcats, using defensive alertness and speed, scored three times in the first quarter, on a blocked kick and two intercepted passes to take a lead which was never threatened.

At the start of the tilt, it looked like Humboldt might annex long-awaited victory, when little Les Ivancich snared a pass from Harley Felure and galloped 58 yards, only to be pulled down from behind on the Chico ten.

The Lumberjacks crashed their way to the Wildcat one foot line before a fumble, one of many for the Lumberjacks that evening, stopped the drive.

It was the last time the Staters threatened until the fourth quarter when a series of pass plays culminated in a six yard toss from Felure to Cooke for the lone Humboldt touchdown.

It was a rough night, both for Humboldt, Chico and the referees. Whistleblowing came as regularly as clockwork until Referee Horace Taylor had tramped 240 yards up and down the field against both teams.

In spite of the lopsided score, the statistics showed an even game. Chico gained 153 yards on the ground, but lost 77 of those yards right back again. Humboldt's ground total was almost nonexistent, but the Lumberjacks racked up 173 yards through the air, forty more than victorious Chico.

Intramural BB Sked Revealed

Play has begun in the first round of intramural basketball, director Jack Whetstone announced today. Six teams are entered in the league, and will play until November 18, when the first round will end.

Teams entered in the league are Redwood Hall, House of Rice, Eureka, Arcata, the Wildlifers, and Woodticks (PE 51). The complete schedule for the league is as follows: October 16, Arcata vs Redwood Hall; October 18, Eureka vs House of Rice; 19, Wildlifers vs the Woodticks; 23, Woodticks vs Arcata; 25 Redwood Hall vs Eureka; 26, Wildlifers vs House of Rice; 30, Arcata vs Wildlifers. November 1, Woodticks vs Eureka; 2, Redwood Hall vs House of Rice; 6, House of Rice vs Arcata; 8, Wildlifers vs Eureka; 9, Woodticks vs Redwood Hall; 13, Redwood Hall vs Willifers; 15, Eureka vs Arcata; and on November 18, the Woodticks vs House of Rice.

Many Vacancies Now Available In Local Vicinity

One room for a teacher or older student.

Three rooms for men only - reasonable.

One room for two men.

One room for either man or woman - \$28 a month.

Kitchen privileges - one room for either one or two girls.

Cottage for a couple - \$45 a month.

One room for two men - priced right.

Couple wanted for empty cottage - \$40 a month.

Vacancies for ten girls at Nelson Hall.

Single room for single man.

Two vacancies left at Redwood Hall - very reasonable.

An apartment right just for three men - \$75 per month.

Congenial apartment - \$50 for one, \$60 for two.

Room and board for two men or women students.

Cottage for one couple - \$65.

Two rooms for four women-\$20 per month apiece.

One room for female student - \$28 a month.

One room for two men only - \$20 a piece per month.

Male student only - one room, \$25 a month.

An apartment for couple - \$60 per month.

Nice room for single male student - \$20 monthly.

Information on any of the above vacancies may be found in the Housing Office; Room 134 in the Administration Building.

NOTICE TO TRANSFER

Any student planning to transfer to the University of California at Berkeley who wishes to be admitted to supervised teaching for the second semester must file their applications by November 1, 1950.

On the gold coast of Africa, women look upon polygamy with favor. It means lightening of their burdens to them.

So Be It

A man is a man, for all of that;

Of this you may be sure;

And woman, too, will have to do - -

But who could ask for more?
"vgw"

Cal Aggies Take 40-2 Win At Davis

Striking suddenly and swiftly on the ground, the Cal Aggies scored twice in the first quarter and twice each in the 3rd and 4th quarters to take a decisive 40 to 2 victory over Humboldt's Lumberjacks at Davis last weekend.

The Aggies showed an explosive ground attack, with two plays, a pitchout and a delayed buck doing almost all the damage for the defending conference champs.

Humboldt's aerial attack was almost magnificent, but the Lumberjack ground game, with the exception of one good run by Ken Dunaway, was almost non-existent. The Lumberjacks completed 16 out of 33 passes during the tilt. Bob Matthews, the lanky Humboldt end, caught eight of the passes himself, including a 38 yard toss by Harley Felure.

The Aggies struck swiftly and from far out for almost all of their scores. Only one Mustang score came as the result of a sustained drive. One was set up by a Humboldt fumble, and the final score came as a Humboldt fourth-quarter gamble failed to pay off.

The Lumberjacks made their big drive of the game in the second quarter, driving to the Aggie one foot line before a much bigger Aggie forward wall held. The Lumberjacks got some consolation, however, when Bill Cooke caught Bill McAdam of the Aggies trying to kick and pulled him down in his own end zone for a safety and Humboldt's lone score of the game.

The Lumberjacks threatened several times in the second half, but each time the Aggie line held before the Lumberjacks could crash into the end zone. Although the score was lopsided, the principal difference in the game were the last key blocks. Whereas the Aggies could make theirs, paving the way for a long scoring run, Humboldt's three long runs were stopped before the Lumberjacks could reach paydirt.

Ron Hanna was the big gun for the Aggies, scoring four touchdowns for the victory hungry Mustang aggregation, including a 50 yard run for their first score.

14 New Buildings Planned For HSC

Recent developments in the Humboldt State College master plan were announced by President Cornelius H. Siemens.

Completion of the plans have been made possible through the foresight and effort of Dr. Homer P. Balabanis, dean of arts and sciences, with the assistance of the faculty.

The plans call for the construction of fourteen new buildings on the campus. Included in the building program will be a new men's gym, swimming pool, new baseball field and bleachers, and a new women's playfield.

The sites for these new additions are now being purchased to the south of the campus as far as Seventeenth Street between Pine and Union Streets.

The completed campus will feature a quad west of the Administration building. Other structures include a fine and applied art building, an auditorium which will seat 850 people, a new administration building, student union, cafeteria, and home economics building.

Other additions will include a new men's dormitory, a wildlife and fisheries building, with brood stock ponds and bird pens located along Jolly Giant Creek. An enlarged parking area will be provided at the entrance of the new campus on the recently widened Plaza Avenue.

Dr. Siemens estimated the com-

pletion of the master plan for the H. S. C. campus will entail a six million dollar expenditure over the next ten years.

He and She

Man and woman,
Once they're mated,
Loathe the life
To which they're fated.

"vgw"

"PURE" LUCK?

Modestly stating it as "pure" luck, Dr. Fred Glover told of his killing a 150 pound black bear and a three point whitetail buck on the north fork of Mad River last Sunday, which goes to show it takes a Wildlifer to get the "Wildlife".

THIRTEEN CANDIDATES CHOSEN FOR SEMPERVIRENS SWEETHEART CONTEST

The Sempervirens staff recently chose thirteen Humboldt State co-eds, whom they considered the most beautiful and photogenic, to be contestants in the yearbook's annual 'Sempervirens Sweetheart' contest.

Dawn English, Helen Brumfield, Marcia Bartlett, Nancy Balabanis, Helen Gross, Pat McKinnon, Ann Colosimo, Betty Walter, Virginia Anderson, Kristine Brown, Peggy Hunt, Ella Guthridge and Nancy Ford were selected to be candidates.

Negotiations are now underway with Jon Whitcomb, nationally known magazine cover artist, to judge the photographs. Hal Matson, San Francisco yearbook photographer, may take the pictures, although plans are not definite yet.

Last year Nancy Jacobson, sophomore student, won the contest which was judged by John Robert Powers.

Six Scholarships Awarded Musicians

Winners of six scholarships given to Humboldt State College music students were announced by Leland Barlow, assistant professor of music.

Four of the scholarships are given by the Humboldt County Federation of Women's Clubs. Winners are Ed Solenberger, flute; Dan Gurnee, piano; Shirley Pitlock, soprano; and William Crane Jr., cornet. The scholarships are supported by the proceeds of the Tulip Tea held each spring on the campus.

Two other scholarships, given by the HSC music faculty, were awarded to Glenn Skelton, saxophone, and Yvonne Morrison, contralto.

All scholarships provide for a year's private instruction.

Grace Luther and Douglas Keith, who were married last month are enrolled at Chico State College.

Jo Stafford Offers Prizes In Contest

Prizes of \$125, \$75, and \$50 are being offered by singer Jo Stafford for college student collections of American folklore.

Hector Lee, folklore professor at Chico State College is chairman of a national committee appointed by the American Folklore Society to conduct the contest. The collections should be in Lee's hands before Jan. 15, 1951, in publishable form.

The judges request that collections be gathered from primary sources and be submitted as original research. Manuscripts are to be accompanied by letters saying when, where, and how the material was collected, along with a listing of bibliographical information.

Manuscripts are to be typewritten and double-spaced.

CSTA Appoints Committees

The California Student Teachers' Association held its first monthly meeting of the 1950-51 school year at night recently in the College Elementary School Library. A short business meeting was held, during which president Kenneth Laudenschlager appointed standing committees for the year.

Dr. Albert Graves, director of secondary education, and Dr. Burton Henry, dean of men, were guest speakers. Dr. Graves spoke on the teacher's responsibility of belonging to professional organizations. Dr. Henry gave an address on "The Teacher and Social Change". Both speakers conducted question periods following their speeches.

Refreshments were served.

Future Business Discussed By AWS

The Associated Women Students held an informal meeting in the C. E. S. auditorium Oct. 11 at 10:30 a. m. to discuss future activities.

The group decided to hold a breakfast at Council Crest in the near future. Also plans were made for cleaning up the girls rest room in the main building.

Officers for this year are Jean Heise, president; Lois Carlson, vice president; Betty Walter, recording secretary; June Harville, corresponding secretary; Marianne Merrick, treasurer; Martha Lynn,

Large Size Paper For HSC Students

This is the first eight page tabloid in many years to be published by the staff of the Humboldt State LUMBERJACK. The student council approved its publication at its October 3 meeting.

The LUMBERJACK is constantly striving to enlarge and improve its service to the students of Humboldt State College. Any Humboldt collegiate faction wishing publicity should contact either of the LUMBERJACK editors, or Thurston Womack, the advisor.

CES Workshop To Be Revamped

Members of the Education 133B class, under the direction of Dr. Kasper Ingrebritson, director of elementary education, are formulating plans to revamp the College Elementary School wood-working shop into a general workshop, which will be available to college personnel taking classes in the school and to CES pupils and personnel.

The shop, Dr. Ingrebritson, said, was built in the days when the trend in education favored departmentalizing elementary schools, but since that time educational research and experience has proved that elementary school pupils fare better if they are under the guidance of only one teacher for the entire day.

In view of the recent trend, Dr. Ingrebritson added, the shop has not been utilized enough to warrant its existence as a wood-working shop, as such. Although the shop will continue to be used for woodworking, Dr. Ingrebritson stated that by instituting a few minor changes, the shop will become a valuable working area for other activities, such as painting, clay modeling, and poster and map making.

Four Cranes In Little Symphony

Contributing much to the success of the Humboldt Little Symphony Orchestra, Humboldt County's community orchestra, are 4 members of the Crane family of Ferndale.

Mr. William B. Crane Sr., who teaches music at the elementary school as well as the High School in Ferndale, plays the cello. Mrs. Crane plays the viola. William Crane Jr., a senior music major at Humboldt State College, plays the violin. Their daughter, Mrs. Alice Crane Verret, a junior student at H. S. C., majoring in home economics and minoring in music, plays the French horn.

The elder Cranes have been playing in the orchestra, except for the war years, since 1934. The last member expected to join the Little Symphony is another son, a senior at Ferndale High School, who plays the trombone.

MUSICIANS INVITED

Musicians in the county are invited to attend rehearsals held each Wednesday evening in the College Elementary School Auditorium in Arcata.

The conductor of the orchestra is Charles Fulkerson, assistant professor of music at Humboldt State College.

FISHERIES STUDENTS TO HOLD SEMINARS

John DeWitt, assistant professor of biological sciences is presenting seminars for fisheries students, Fridays at 7 p. m.

The purpose of these is to give fisheries students a source of material concerning civil service examinations and information that is important to his classes.

Faculty members and members of the Division of Fish and Game will be guest speakers.

publicity chairman; Kate Buchanan, advisor.

RECONSTRUCTION OF VARSITY HALL SLATED; CO-OP, BOOKSTORE, HEALTH UNIT, PUBLICATIONS TO SHARE SITE

Dr. Cornelius Siemens, president of the college, announced at the student council meeting held October 10 that Varsity Hall will be reconstructed to house student body activities.

The school co-op and bookstore will be moved to the hall and will be placed on the first floor, according to tentative plans. The health unit which is now on the first floor will be moved up to the second floor.

Sharing the second floor with the health unit will be the offices of the LUMBERJACK and the SEMPERVIRENS. The public relations office will also be placed on the second floor.

It was also announced that the student body office will also be moved to the new location, as will the offices of the student heads.

Dr. Siemens did not specify a definite date for the move to take place, although residents in the hall have received their notice of departure.

Dr. Siemens stated that a major goal of this move is the centralization of all student functions in one building.

Meet Held For Education Majors

A meeting of all candidates for teaching credentials who are juniors, seniors, or graduate students was held Monday, Oct. 16, at 4 p. m., in the College Elementary School auditorium, it has been announced by Dr. Ivan C. Milhous, dean of the school of education.

A new administrative code ruling requiring that all students who wish to become teachers must file an application to become a candidate after they have completed two years of college work made the meeting necessary, Dr. Milhous stated.

A complete explanation of the directive was provided at the meeting and all necessary forms were given candidates, he said.

Chance For Co-ed To Work In N. Y.

A salaried month in the New York office of Mademoiselle magazine to write and edit the 1951 College issue is the grand prize for twenty top contestants in the College Board Contest for which tryout applications must be postmarked no later than Nov. 1.

As a College Board member, undergraduates will test their qualifications on three assignments sent to them during the college year. Ten cash prizes will be awarded best entries in each assignment. Outstanding College Board members will receive a special letter about their contest work to be used for job-hunting.

For information on what to include in the data sheet, and in writing about your chosen field of art, fiction and features, or fashion, merchandising, promotion, contact student box 297.

Bob Oliveira, a graduate of Humboldt State College, is now studying music at Columbia University in New York City.

Art Collection To Be Shown At HSC

A collection of drawings in all media will be exhibited soon in the HSC social unit, the first art exhibit to be held this year.

The exhibit drawings were made by Fidel Callesh, HSC graduate student. They will be shown starting on Oct. 30.

Graduate Ass'n Proposed For HSC

Several graduate students met last Wednesday evening in the social unit to make plans for the formation of a Graduate Association. Miss Kate Buchanan, dean of women, met with the group.

A committee was appointed to send out a questionnaire to all graduate students asking when meetings of the Association should be held and what activities the club should sponsor. Members of the committee are George Lempe, Viola Selmar and Ralph Kraus.

PREXY TAKES SECOND

President Cornelius Siemens tied for second place at the Mission Valley Golf Course last week while in San Diego attending the California Association of School Administrators.

Cram — Mathematical term, denoting the impossibility of dividing twelve week's work by one evening and six benzedrine tablets.
