

HUMBOLDT LUMBERJACK

WED., NOV. 15, 1950 #5

Student Recruitment Group Named Greater Humboldt Comm.

Group Proposes To Boost Student Attendance At HSC

Organization of the newly formed Greater Humboldt Committee was held at the first meeting of the group last week. Dr. Stanley Spaid, assistant professor of history, spoke concerning the aims and purposes of this group.

Carl Jensen was selected as chairman of the committee. Jensen announced that the next meeting will be held Friday, Nov. 17, at 12 o'clock in the social unit. He urged all interested persons to attend this meeting.

Dr. Spaid outlined several possible aims which the group may undertake for this first year. The foremost purpose which was brought out in group discussion was the possibility of a large campus day at Humboldt State college, comparable to campus days held at other colleges.

Another possibility was that of having HSC present assemblies at the various high schools in Humboldt and Del Norte counties.

The main purpose of the Greater Humboldt committee, according to Dr. Spaid, is to build up the attendance at Humboldt and to boost the morale of students already attending school here.

Members of the new committee at present are Pat Roscoe, Caesar Fiamma, Anne Kavanaugh, Malcolm Buchanan, Nancy Jacobson, Virginia Nelson, Harry Damrell, Gene Masters, Barbara Hackett, Millicent McVay, Marriane Merrick, Jean Nichols, Dale Ingvaldsen, Bill West, George Eue, Jim Connors, Pat Quackenbush, Donna Sherman and Carl Jensen.

Military Training To Be Discussed By Panel Tonight

The pros and cons of Universal Military Training will be discussed by a panel at the College Auditorium, tonight at 7:30 p. m., according to Dr. Hyman Palais, chairman of the division of social sciences. The panel will consist of an attorney, a minister, a professor, and a Legion executive.

Merwyn Rickey, student body president, will be the moderator. After a presentation of both sides of the question, Rickey will give the audience a chance to participate by asking questions and discussing the various aspects. Students will be given the opportunity to clarify their thinking on this subject as well as on the question of selective service.

Dr. Palais urges all students to attend and to bring friends who may be interested; the public is invited, and there is no charge. Since the question of UMT will probably be the first item of business taken up by the new Congress, an informed public opinion is essential.

DR. HENRY LEADS PANEL

Dr. Burton Henry led a youth panel at the Arcata Union High School P. T. A. meeting Nov. 8. The panel discussion was on students' views on school and home life.

Adolescent Series At AUHS

series of four discussions on adolescent psychology at the Arcata Union High School P. T. A. The series which started Oct. 30, will extend through Nov. 20.

Sadie Hawkins Day Dance, Fri.

Courtesy of Humboldt Standard

Mu Epsilon Psi Sponsors Turn-Around At Danish Hall

It's the women who pay and "may the best man lose" Friday when the annual Sadie Hawkins Day dance is held at Danish Hall from 9 p. m. until midnight to the music of "Woody" Thompson's Redwood Woodchucks.

Dogpatch characters like Joe Btfsplk, Available Jones, Wolf Gal, Moonbeam McSwine, Smilin' Zack, Adam Lazonga, as well as Daisy Mae, Lil' Abner, Mammy and Pappy are expected and free dinners will be awarded to the best dressed man, woman and couple.

Tickets are now on sale to the Mu Epsilon Psi sponsored dance at \$1.50 per couple and \$1.00 for stags, with Mu Epsilon Psi members admitted at the reduced rate of \$1.00 for the couples or stags.

The refreshments menu may include such Dogpatch favorites as Salomey Special (Hammus Alabammas), Preserved Turnips --- Frosted Cupcakes With Gumdrop Leaves, Skunk Hollow Sandwiches, and Kickapoo Joy Juice but to keep everybody healthy and happy something a little more palatable will probably be served.

Turkey Dinner At Nelson Hall Slated for Nov. 21

Tuesday, Nov. 21 is the date set for the annual Thanksgiving dinner at Nelson Hall Cafeteria for all students who have meal tickets.

White tablecloths will cover the tables, and a turkey dinner, prepared under the supervision of Mrs. Ora Uptegrove, will be served cafeteria style.

The meal will be served at the regular dinner hours, from 5:30 to 6:30 p. m.

All geysers, such as Old Faithful, are actually volcanoes in miniature.

Honor Assembly Being Planned by Chi Signa Epsilon

An Honor Assembly, sponsored by the Chi Sigma Epsilon, will be held Nov. 22 at 10:30 a. m. in the HSC auditorium, providing the auditorium is completed.

Doris Westberg, president of the senior honor society, will be mistress of ceremonies and introduce the society members. Introduction of new members, award winners and scholarship winners will also be made.

Several musical numbers will be given by an Irish ballad singer and by the College Choir.

"The Drinking Song" is considered a classic because its composer was Thurston.

Apple Polishing — Process by which a C is made into a B or a flunk into an incomplete.

An HSC Debt

The publishing of the Humboldt State LUMBERJACK is made possible through a subsidy received from the school budget and the revenue brought in by the advertisers in the paper.

The cost of publishing is mostly met by the advertising revenue and without advertisers the school paper would be defunct. Evidently the student body has a debt to the merchants who advertise.

Students are able to repay this debt by patronizing our advertisers. Students, when patronizing an advertiser, should mention the fact that his advertisement was seen in the HSC LUMBERJACK.

This is not merely a smart commercial tactic, but it engenders good will between the school and the merchants.

CAA Advisor To Give Air-Age Workshop

Students, Faculty To Observe Landings, Take-offs at Airport

At today's student body meeting, the first to be held in the College Auditorium since its redecoration, W. O. Johnson, advisor in aviation education, Civil Aeronautics Administration, will talk. His topic will be "From Oxcart to Wings".

Appearing at the assembly under the sponsorship of the HSC chapter of the California Student Teachers Association, Johnson will be accompanied by John Brinegar, consultant in secondary education for the California Department of Education.

Johnson will be on the college campus today, tomorrow, Friday, and Saturday for the purpose of meeting and conferring with faculty members and students on the subject of "Air Age Education."

During Johnson's stay on the HSC campus, he will be available to any class or group interested in air age education, it has been announced by Kenneth Laudenschlager, president of the college chapter of STA.

On Friday evening and Saturday morning, Johnson will conduct an Air Age Education Workshop, sponsored jointly by the Office of the County Superintendent of Schools and the college chapter of CSTA. The workshop will be held at the college and at the Dows Prairie Airport.

At 4 p. m., Friday, in the college Elementary School Auditorium, county teachers and HSC student teachers will be introduced to the problems involved in air age education. At 6:15 p. m., dinner will be served in Nelson Hall for members of the workshop, and at 7:30 p. m., the group will witness a demonstration of landing aids and field operations at the Dows Prairie Airport.

The general workshop session will start at 9:30 a. m., Saturday, and William H. Levings, director of the Humboldt County Department of Aviation, who made arrangements for the Dows Prairie Airport demonstration, is making arrangements for participants of the workshop to get flight experience at the Humboldt County Airport. Reservations for the flight experience will probably be taken at the Friday evening meeting.

Homecoming Queen Opens "Gateway"

"Gateway to Humboldt", the new highway leading to the Humboldt State Campus, was dedicated Friday, Nov. 3, when Helen Gross, homecoming queen, and Robert Matthews, long time member of the HSC Advisory Board, cut the green and gold ribbons.

President Cornelius Siemens introduced the speakers. State Senator A. W. Way, Congressman Hubert B. Scudder, Mayor Allen Ham and Arcata Chamber of Commerce President E. Stromberg spoke. Also introduced by President Siemens were Mrs. Way, wife of the senator; Mr. Ramsey, State Highway official; Forrest Waters, past president of the HSC alumni; Mrs. Mildred Sears, present president of the alumni; and Vernon Hunt, member of the Advisory board for 22 years.

The Arcata High School band and drill team performed for the dedication.

LOSE A LIT BOOK?

Among the lost and found items on display at the College Elementary School is a textbook, APPROACH TO LITERATURE.

The Census Bureau estimates that the population of continental U. S. is now more the 151,000,000.

JOHN ROMANDY

John Christopher Romandy, a beloved and worthy student of Humboldt State college, was the victim of a tragic motorcycle accident at the steps of the administration building Saturday.

Humboldt will long remember John as the spirited cheer leader at school functions. He was active in the boosting of school spirit and lent his enthusiasm in the Rally Committee and the Greater Humboldt Group.

A sophomore at Humboldt, John, 20, was the son of Mr. and Mrs. John R. Romandy of South Pasadena. John graduated from South Pasadena high school. He spent his first year of college at John Muir Junior College and transferred to HSC in September, 1950.

Although a new student at Humboldt, John made many friends and will long be remembered.

Al Braud Is New Rally Chairman

Al Braud, a junior, became the new chairman of the Rally Committee at the start of the basketball season, replacing Millicent McVay, who was the committee's leader during the football season.

Miss McVay's resignation was accepted by the Student Council, and upon her recommendation, the Council appointed Braud to fill the vacancy. The new chairman has announced plans to make the hoop season filled with Rally Committee activity.

Business Careers Club To Hold First Meet

Many guest speakers will be present at the first meeting of the Business Careers Club to be held Thursday, November 16, at 7:30 p. m. in the College Social Unit. The speakers will meet and talk with all students interested in positions in the business world and especially in this region.

The speakers represent the different phases of the economic life of Humboldt, according to Dr. Hyman Palais, chairman of the division of social sciences. The Business Careers Club hopes to acquaint the students with the employment opportunities in this area, as well as with the attitudes of businessment. Prospective employers will have an opportunity to meet students personally and ascertain their capabilities, stated Dr. Palais.

All students of HSC who are interested are invited to attend. Refreshments will be served.

Kent Merrill Speaks at Meet

Kent Merrill HSC student, discussed the newly organized Coordinating Committee during an open meeting of the HSC student body, held recently in the College Elementary School Auditorium. The members of the committee were introduced to the assembly. They include Tom Turner, financial adviser; Leslie Jones, technical adviser; Jim Connors, publicity director; and Donna Cole, personnel director.

Led by Leland Barlow, associate professor of music, the assembly sang school songs, Charles Fulkerson, assistant professor of music, provided piano accompaniment for singers.

Student body president Merwyn Rickey presided at the meeting.

MEMO

TO: ALL LUMBERJACKS
FROM: PRESIDENT'S OFFICE
RE: ATHLETICS

It seems that one of those unfounded and unnecessary rumors has gotten about that Humboldt State College was thinking of dropping football. Nothing could be farther from the truth. As a regional State College serving North West California, football is a natural and necessary part of our college program. Only when the general population and the studentbody requests that it be dropped will the college think of it. Of course, the support of this activity by the public and the students may possibly become so weak that it will force the college to discontinue a sport like football, which is necessarily expensive.

It will be the endeavor of the college administration to build the athletic program in those sports that are desired by both the players and spectators. Next year we will plan the strongest football program possible. The new administration is interested in learning over a three year period:

- What extent this area will support a vigorous football program.
- To what extent the students will participate and assist in strengthening the athletic program.
- To what extent the general public will attend good football games and give the program its moral and financial support.

In addition to recruiting a sufficient number of good players and planning a first class program in football in terms of a schedule, trips, equipment, etc., it is necessary to plan additional color for the games. This means we must field a band in attractive uniforms. It means we must have a well organized rooting section with trained yell leaders and song queens. It means we must develop a studentbody spirit that will preclude the entire community and be evident throughout an entire game -- win or lose.

These things are all possible at Humboldt State College. It will be directly up to the students and the public to determine whether they want such a first class program or not. Ample opportunity to express this determination will be provided in the coming months.

Cornelius H. Siemens
President

LETTER TO THE EDITOR

In the last issue of the Lumberjack, I suggested that students and faculty members meet and discuss problems concerning education at this school. Judging from the many reactions to the article, I am aware that I did not make myself clear. I hope to correct this misunderstanding in this article.

- When talking among themselves, students often complain about courses, or policies of faculty members that they do not understand.
- I am sure that informal discussions between faculty and students would help to solve some of these problems.

M. S. Rickey.

Large Attendance For Wed. Assembly

Humboldt State College students filled the College Elementary School auditorium to capacity last Wednesday morning for the

first all-musical assembly of the year.

First on the program was community singing led by Charles Fulkerson, assistant professor of music. Fulkerson, his wife, Jean, and Esther Thompson then played a trio on the piano, cello and violin respectively.

There was a trumpet solo by Bill Crane and a saxophone solo by Glenn Skelton, accompanied by James Mearns, assistant professor of music. The "jazz is our hobby" three, composed of Jack Weeks, bass, Duane Gurnee, clarinet, and Charles Fulkerson, piano, played several selections.

CINCH NOTICES

Mrs. Myrtle McKittrick registrar, wishes to remind all students that next week "cinch" notices will be out.

Six Home Ec Representatives Attend Annual Workshop

THIS and THAT

By JACKIE STONE

SADIE HAWKINS -- AND HER DAY.

Sadie Hawkins Day was started more than a dozen years ago merely as a gag. It became a fad, progressed into a habit and now is an annual affair at high schools and colleges from Maine to California. It all came about through ultradramatic measures taken by one Hakzebiah Hawkins, first mayor of Dogpatch, a man who had more power than Boulder Dam. He was determined to get a husband for his homely daughter, Sadie -- the homeliest gal in all them hills.

All the eligible males had eluded Sadie's clutches until Pappy Hawkins not only resorted to law, but wrote it himself. He decreed that a foot race be run between all unwed men and maidens, and that any man caught by a girl must marry her. Well, Sadie Hawkins showed a burst of speed and got her man -- and Dogpatch got a new holiday.

The career of HORACE "POP" JENKINS, professor of industrial education, who has been at HSC since 1915, was featured in an article appearing in the October "Trumpet", bay area art magazine.

BETTY EVERETT, former HSC art student, daughter of Mrs. Helen Everett, HSC librarian, is now employed at Gump's, San Francisco's famed art center.

FERN STAHL, another former Humboldt, is now employed as receptionist and librarian in a San Francisco law office.

According to WILLIAM HIRSTREET, instructor in business administration, HSC was not even notified of the annual Congress of American Industry meeting to which a San Francisco State senior chosen to represent California college students -- this delegate was supposedly chosen from among candidates from ALL colleges in California. The Congress will be held in New York City, Dec. 6 to 8, with expenses of the delegates paid by the National Association of Manufacturers.

Thought for mid-terms -- Confucius said, "The more you know, the more luck you will have".

To those who pay 7c per cup of coffee -- everyone is invited to join the Coffee Sippers Club, free java daily, at the Redwood Cafe in Fortuna.

A woman's heart, like the moon, is always changing, and there is always a man in it. Punch.

Eddie Oliveira, who graduated from Humboldt State College last June, is now assistant coach at Arcata High School football team.

Most people get ahead in life, but they don't use it.

Attending the 7th annual workshop of the American Home Economics Department held at the College of Pacific from Nov. 10 to 12 were Betty Tyler, HSC Home Economics Club president; Jane Martin, Donna and Delores Pope, Pat McKinnon and Mrs. Gayle Merklin, the club's advisor.

The group left on Nov. 9 for Stockton where they stayed at the Stockton Hotel.

Theme of the workshop was "One hundred years of home economics." Group discussions and a banquet were staged for representatives of the 26 colleges and universities who attended the conference. Also a tour of the college campus was given.

Last year the conference was held at Davis, California.

ON THE SHELVES

By VERNON WHALEN

GEORGE R. STEWART

THE YEAR OF THE OATH

By George R. Stewart.

Written about what is probably the most controversial subject of the day, the loyalty oath, this is the account of the fight for academic freedom at the University of California. The "year of the oath" at U. C. began in May, 1949, when the regents of the university required all members of the faculty to sign a special oath. The requirement of the oath, it seemed to the professors, implied that they might be Communists. For this and other reasons, they objected, although they had never objected to signing the oath of allegiance required of California State officials and the President of the United States.

The regents, however, had the power to maintain a "sign-or-get-out" ultimatum.

During its course the controversy became much more than a local California issue. Partly by narrative, partly by commentary, George R. Stewart, in collaboration with other professors of U.C., here presents the issues involved and the drama of the hard-fought and long-drawn struggle which still rages.

HAYWOOD PATTERSON SCOTTSBORO BOY

By Haywood Patterson and Earl Conrad.

On March 25, 1931, nine Negro boys, unemployed and looking for work, were riding on a train that was passing through a Southern town. They got into a fight with some white hobos and knocked them off the train. To get even, the whites reported that the Negroes had raped two white prostitutes whom they knew to be riding on that same freight train. Thus began the Scottsboro Case. Haywood Patterson was one of the Negroes. He recently escaped from prison, and is now being hunted by the state in which he was convicted for a crime—a crime which he says he did not commit.

President Siemens Announces New HSC Advisory Board

The new Humboldt State College Advisory Board has been announced by Dr. H. Siemens, president of the college. Recommendations for the ten member board were made by Dr. Siemens to Dr. Roy E. Simpson, state superintendent of public instruction and director of education. Dr. Simpson has approved the nominations. Although final confirmation will await the January meeting of the State Board of Education, the Advisory Board will meet soon to discuss matters of vital interest to the college.

The new membership includes all persons who were serving on the HSC Improvement Association which was organized in 1928. Two of the present members J. J. Krohn, president of the California Barrel Company, and Dr. Vernon Hunt, Eureka orthodontist, were charter members of the Improvement Association and have served continuously for the past twenty-two years.

Other members are Charles Barnum, Eureka realtor, Robert W. Matthews, manager, Brizard-Matthews Machinery, Gordon Manary, manager, Pacific Lumber Company, Scotia; and Chester W. Connick, vice-president, Bank of America, Eureka.

Additional members include Donald O'Kane, president and general manager, Eureka Newspapers, Inc.; Henry Westbrook, rancher, Smith River; Edwin Goodwin, attorney, Huber and Goodwin, Eureka; and Harold O. Robertson, rancher and insurance broker, Garberville.

"I am very pleased with the new membership," said Dr. Siemens. "This group of successful businessmen should be of great assistance in helping the college

administration better serve the north coast counties in the higher education of its youth and adults."

Christensen Visits SF State Campus; Co-op Coffee - 7c

When Dr. Leonard Christensen attended the dean's conference in San Francisco recently, he visited the San Francisco State College campus. He found that their co-op served seven cent coffee just as ours. Dr. Christensen reported that he picked up several good ideas for Humboldt State college's co-op, one being membership in the Far Western College Bookstore Association which does group buying and thereby saves money on standard school supplies.

Dr. Christensen also investigated SF State's method of handling the large volume of business at the bookstore during the opening of every semester.

Dr. Christensen talked with the manager of a large soda fountain in San Francisco and discussed methods and equipment for improving the services in the new HSC co-op soon to be installed in Varsity Hall.

Dr. Christensen talked with the manager of a large soda fountain in San Francisco and discussed methods and equipment for improving the services in the new HSC co-op soon to be installed in Varsity Hall.

Pop Jenkins joined the HSC faculty in 1915 and has seen the college through two world wars and a major depression. His first classes were held in what is now the Hammond Lumber Co. in Arcata. When he moved to the present site of the college, it was to occupy "temporary classrooms."

Last spring the new industrial arts building, named Jenkins Hall in honor of Pop Jenkins, was completed and Pop began his classes in the new building this fall. The old "temporary" buildings will soon be razed to make way for the new college library.

Masters Directs One Act Play

JEAN MASTERS

Jean Masters, a senior majoring in speech and drama, is the director of a one act play, "Andante" by Leslie Coult, which will be presented Dec. 13 in the HSC auditorium if it is completed by that date.

Bob Collyer, a freshman from Crescent City, will take the lead role of David Lawrence, a violinist. Marion Wurche, a junior from Garberville, will portray his wife, Martha. Seen as their son will be Paul Balabanis, a freshman from Arcata.

Others in the cast are Leslie Jones, actor, and Lenore McKimmens, as Alice the maid.

"Andante" tells the story of a great vocalist who, because of a hand injury, has become cynical about life.

Bids for Library To Start Soon

President Cornelius H. Siemens of Humboldt State College received word this week from the State department of finance and architecture that bids for the new library and science buildings will start at the earliest possible date.

Doubt as to whether construction of these buildings could be carried out as originally planned arose recently when the Estimating Section of the Division of Architecture reported that the total project would cost \$800,000. The original appropriation in 1948 was \$500,000, which was increased in 1949 to \$660,000, a sum \$140,000 short of present estimates.

Both Stanton Willard, architectural advisor, and James Dean, state director of finance, have approved the final plans for complete buildings, with the further statement that "at such time as bids have been received and a definite need for augmentation has developed, the problem will be considered further by the Public Works Board."

Dr. Siemens, HSC president, feels that the Sacramento Department will not force the college to reduce the size of these buildings, which have been planned on the basis of present needs only.

Article by Siemens Appears in J. C. Journal

Dr. Cornelius Siemens, president of Humboldt State College, is co-author of an article, "Exploring Teaching as a Career With Junior College Students," appearing in the current issue of the JUNIOR COLLEGE JOURNAL.

While director of Compton College, Dr. Siemens collaborated with Gordon Aumack, Compton College counselor, in investigating the feasibility of offering teacher preparation courses in junior colleges.

Season Ticket Refunds At ASB Office

Refunds will be made to holders of season football tickets for all unused tickets, it was announced this week by the HSC administration. This action was taken as a result of the cancellation of the Cal Rambler -- HSC football game.

Applications for refunds may be made in person or by mail by presenting or sending the unused portion of the ticket to the office of the associated students.

Library Receives Valuable Collection Of George B. Shaw

The HSC library has received a collection of several hundred books, some of which are very valuable, it has been announced by Mrs. Helen Everett, college librarian.

Donated to the library by Mrs. Lillian J. Henderson of Eureka, the collection includes many music books and a St. Lawrence Edition of the collected works of George Bernard Shaw. This edition is considered to be the finest edition of Shaw's works ever published, Mrs. Everett said.

Over Million Asked For Construction On HSC Campus

Dr. Cornelius H. Siemens, president of Humboldt State college, left Tuesday for Sacramento where he will attend the annual budget hearing for state colleges.

Dr. Siemens will propose additional services and personnel for the 1951-52 college budget. The new operation is requiring an 18 per cent increase over last year. The total operation allocation requested is \$612,000. An additional \$1,217,000 is being asked for new construction.

Dr. Siemens will also attend the fall meeting of the state colleges. Major policies affecting the state colleges will be acted upon at the meeting.

SHOWS MOVIES

Mrs. Dorothy Matsinger, wife of the principal of the Samoa High school from which Ripine Ripine and Tapuni Iolu graduated last spring, visited the Humboldt State college campus recently and brought with her many slides and movies of the south Pacific island.

Mrs. Matsinger showed the slides and movies to a group of HSC students Saturday evening, Oct. 21, in the social unit. The films were all in color.

According to the Census Bureau, our population is increasing at the rate of more than half a million a month.

Four HSC Students Attend Southern Convention

June Harville, William West, Harry Damrell, and Vernon Whalen, all HSC teacher-trainees, returned recently from Stockton, where they attended a California Student Teachers Association regional workshop. Held on the campus of College of Pacific, the workshop was called for the purpose of formulating recommendations which are to be presented to the state convention of the CSTA, to be held in Los Angeles in December, 1950.

West served as chairman of a committee on "Teacher Vocational Guidance," while Miss Harville served on a committee studying "Teacher Education and Professional Standards." Damrell was a member of the "Ethics" committee, and Whalen attended sessions of the committee on "International Relations."

The workshop was under the direction of Mary Ball, assistant secretary of the California Teachers Association. General meetings held during the workshop were presided over by John Clark of Chico State College, who is state president of the CSTA.

Casaba Squad Opens Season

THE HUMBOLDT LUMBERJACK

WED., NOV. 15, 1950

SPORTS

IT SAYS HERE

..... in fine print

By CRAIG STARK, Lumberjack Sports Editor

Are you having trouble getting to sleep nights? Maybe you need some exercise.

If such is the case, take in a basketball practice any night of the week or Sunday afternoon. It's guaranteed to make you tired just watching.

Humboldt State's basketballers may not be the world's best on the standpoint of past reputation, but no one can say they're not working. Coach Jack Whetstone couldn't accomplish much more by way of exercise if they gave him a whip.

Took in a basketball practice the other night. Haven't seen one since. Still recuperating from that one.

The average practice session, on paper, lasts from 8 to 10 at night. If you want to keep up with the rest of the squad you get on the floor at 7:30. If Whetstone lets you go before 10:30, he's unusually kind.

For about two-thirds of the time, the practice looks about the same as any other. Right and left handed lay-up drills, fast break patterns, set shot and free throw practices, 20 or 30 wind sprints the length of the floor and back, and so on.

But, come about 9:30, things change. Depending on what night it is, now comes either boxing or

judo, with a little tumbling mixed in.

Kind of a strange thing to find at a basketball practice? Perhaps, but if you analyze the footwork of boxing and defensive basketball, you'll find a startling likeness.

The primary rule of playing defensive basketball is "never cross your legs". If you cross your legs while you're boxing, you get murdered.

Judo accomplishes the same thing in a different manner. Tumbling teaches you to fall right, a very important item in basketball. That floor is hard, and players sometimes hit it surprisingly often in a college game.

On paper, the Humboldt State basketball team doesn't have much, when compared with Chico State and Southern Oregon, both of whom have their 1949-50 clubs virtually intact.

"We have to build from the ground up," Humboldt coach Jack Whetstone said at the start of his official practice. "Some of our players are totally lacking in experience."

If hard work and a willingness to learn can pay off in one short season, Humboldt State's basketball team will be a "toughie" in conference play.

Cal Rambler Tilt Canceled By Athletic Board

President C. H. Siemens has announced the cancellation of the Humboldt State-Cal Rambler game slated for Armistice Day, November 11.

The official announcement revealing the cancellation is as follows: "A conference of the football coach, Ted Staffler, Athletic Director, Jack Whetstone, college physician Dr. Herbert L. Moore, and Dr. Cornelius H. Siemens, resulted in the decision that the game Saturday with the Cal Ramblers would have to be called off. Dr. Moore reported that at least seven of the first string players were on the injured list and could not be cleared for play on Saturday.

"In fact, he stated that only 15 members of the squad were in physical condition to play. It was decided that the game should not be played, even though the remaining players were willing to carry on.

"I am sorry that the decision had to be made," Dr. Siemens said "but I am convinced it is in the best interest of the football squad. This cancellation should in no way be interpreted as a move to eliminate football at Humboldt State. On the contrary, plans are already being made for a stronger season next year."

Southern Oregon Murders Humboldt Homecoming 55-7

Humboldt's Homecoming, as well as the Lumberjacks last chance to upset a conference foe came to an abrupt end, when the Raiders of Southern Oregon ground out a 55-7 decision over the green and gold.

Scoring in every quarter, the Raiders ran up a 48-0 score before a pass from Kinser to Matthews, good for 30 yards, set up the lone tally for the Lumberjacks. Another pass from Kinser to Ivancich put the ball on the five yard over tackle for pay dirt, and six points. Felure also kicked the extra point.

Harry Kannasto, John Barger, and Henry Smith were outstanding for the Raiders.

Kid Dunaway's smashing head-on tackle in the first quarter proved costly. He left the game never to return, and his loss was seriously felt by the Lumberjack squad.

Ivancich, Kinser, and Felure were the offensive stars for HSC, while Lampella played an excellent defensive game.

Nelson Hall Dumps WAA in Volleyball

The Nelson Hall team won the volleyball game played against the WAA on Nov. 7 in the gym with a score of 24-23. Team captains were Marianne Merrick for the WAA and Lois Miller for Nelson Hall.

Miss Kay Gott, girls physical education instructor, acted as referee and the score keeper was Irma Watts, president of the WAA.

Lumberjack Frosh Meet South Fork; Varsity Clashes With Alumni Team

Humboldt State's basketball Lumberjacks, with quite a bit of practice but only a few veterans, get their first tests of the infant 1950-51 seasons next Saturday and Tuesday nights in practice games slated for the Humboldt State gym.

The Lumberjack frosh squad will meet the defending champions of the Humboldt-Del Norte high school league, South Fork high's towering Cubs, in the feature event of Saturday night's twin bill. In the preliminary, the Lumberjack varsity squad will be divided into two parts for an inter-squad game, the first game-condition scrimmage of the year for the Lumberjacks.

The Lumberjack varsity gets its first big test of the year on Tuesday night, meeting a power-laden Alumni squad headed by Eddie Oliveira and Bob Marsh of last year's Varsity.

The Lumberjacks, blessed with only four returning lettermen, will have a tough row to hoe in Far Western Conference play. Two teams, Southern Oregon and Chico, have virtually their entire roster back intact, plus some sought-after freshmen. San Francisco State and the Cal Aggies are also reported to have an outstanding crop of returning lettermen.

The frosh squad roster for their tilt with the South Fork high team will include scooters Ken Bushey, Gayle Harshman and Jim Smith. Goons, Jerry Anderson, Bob Lockhart, Roy Haberstock, Ed Davenport, Tapuni Ioelu, Richard Baker, Bill Cooke, Doug Carter and Jerry Beck.

Lining up for the gold team in the varsity scrimmage will be scooters Ron Fredericks, Dick

Oliver and Wally Maciel. Goons Caesar Fiamma, John Westgate, Bob Allen, Bob Matthews and Walt Greene. At scooters on the white team will be Ken Dunaway, Norm Disher, Jack Retz. Goons Harold Neville, George Gruell, Dave Dana and Bob Miranda.
