LUMBERJACK BASEBALLERS SPLIT IN FINAL GAMES WITH S. F. STATE

Pulling together after a disastrous first game, the Humboldt State baseball team took a tight 3 to 1 victory over San Francisco State, in a conference doubleheader played May 9. The Gaters took the first game 15 to 2, gathering 13 hits off two HSC hurlers.

Kenny Dunaway's weary arm finally gave out in the first tilt, as San Francisco teed off for 12 hits. Big Russ Vatsdal subdued the Gaters in the sixth and seventh, but the damage had been done.

The two opposing pitchers found each other slants to their liking in the first game, however. SF pitcher Earl Clayton unloaded a grand slam homer in the top of the first while Kenny Dunaway retaliated with a towering triple into left in the bottom of the first.

Wally "Muggs" Maciel was never in better form as he hurled the Lumberjacks to a five-hit 3 to 1 victory in the second game. Cliff Prelow helped Maciel and his batting average with two for three in the second game.

Dunaway Leads HSC Batters

Cloutin' Kenny Dunaway, the shortstop-pitcher who did everything but return foul balls, led the Humboldt State Lumberjacks in almost every hitting department, according to figures compiled by the Lumberjack Sports department.

Dunaway smashed a sizzling .424 for the season, including four doubles, a triple and a homer in twelve games. Cliff Prelow took top scoring honors, denting the plate thirteen times in twelve games. The diminutive second sacker also pilfered 12 bases in 12 contests to lead in the stolen base department.

BASEBALL TEAM HOLDS BANQUET

Looking comfortably down from the dizzy heights of third place in the Far Western Conference highest finish of any Humboldt team during the 1949-50 school year, the Lumberjacks baseball team celebrated the end of its season with a banquet at the Bella Vista Inn last night.

Coach Ted Staffler and his baseballers, who won four and lost six games over the season, enjoyed a hearty meal before beginning training again for the all-star high school game, to be played Friday, May 19.

Frosh Thincads Take Interclass

Despite six firsts by a determined sophomore track team, the freshman class of Humboldt State College walked off with top honors in an interclass meet held in the Redwood Bowl last Thursday. The frosh took only three first places, but piled up their winning margin by placing seconds and thirds in ten events. The final point tally was: Frosh 37 points, Sophomores 30, Seniors 28 and Juniors 12.

Speed demon Les Ivanchich and Walt Greene tried to win the meet for the sophomores by themselves. Ivanchich took three firsts and Greene two.

Senior Ralph Goldsmith was the Gay Bryan of the day, however. The stocky senior placed in no less than four events, in addition to running on the winning relay team.

Place winners were: 100; Ivanchich (so), Goldsmith (se), Seiler (f). 220; Ivanchich (so), Rall (fr), Goldsmith (se). 440; Ivanchich (so), Seiler (fr), Dory (f). 880; Berglund (f), Goldsmith (se). Third place winners in the Far Western Conference, the Humboldt State baseball team plays its annual post season game again at the High School All-Stars Friday night in the Arcata Ball Park. From left to right, front row, Jerry Zattola, Wally Maciel, Jere Schmin, Dave Dana, Kenny Dunaway, Dale Sorenson, Bob Matthews, Cash Davis. Back row: Coach Ted Staffler, Bob Thompson, Bob Richmond, Chuck Martzall, Don Barkhurst, Glen Briggs, Cliff Prelow and manager George Wildridge.

Spring Grid Practice Opens

Not satisfied with sweating out three months in the fall, the Humboldt State football team has opened spring practice, prepping for the 1950 football season.

Six games have been scheduled for the 1950 season, as well as an open date which will probably be filled later. The season will open on October 1, with the Humboldt State meeting Cal Poly of San Dimas in a Sunday afternoon game in Eureka's Albee Stadium.

Eighteen aspiring and prepping young men from last season's luckless squad began practice for next season last Thursday, with well-padded huddles and a grim determination to better the '49 record.

Ted Staffler, beginning his second season at the helm of the Lumberjacks, will utilize the spring session to make his team familiar with a new formation, making the start of the season in the fall much easier because the bulk of the squad will already know their plays.

The biggest hole left in the Lumberjack squad by departing players is in the tackle spots. Only Chuck Martzall and Rich Harris have played the spot, and Harris could also be used at end. The entire line is poor in reserves, although the other positions are graced with more vets. Backs are more plentiful, although last year's lack of a couple of big blocking backs will still be felt.

The 1950 football schedule: October 1, Cal Poly of San Dimas at Albee Stadium; October 7, Chico State here, October 13, Cal Aggies at Davis, October 21, San Francisco State here, October 28, open date; November 4, Southern Oregon here (Homecoming) and November 11, (Armistice Day) Cal Ramblers in Redwood Bowl.

FOOTBALL TEAM HOLDS BANQUET

Bella Vista Inn was the recent scene of the annual football banquet. Coaches Ted Staffler, Jack Norton, Jack Whetstone, and Joe Forbes, director of health and physical education, along with H. S. C. football team members, attended the dinner.

Voted captains of the football team for last year were Tom Viracola and Tom Seufert, because of their leadership on the field. Both players were elected unanimously. Master of ceremonies for the evening was Tom Viracola. The players viewed movies on highlights of the 1949 football season, and a picture on boxing. The pictures were shown through the courtesy of Louis Manville.

BASEBALLERS DROP TWIN BILL TO CHICO

The left handed slants of Mel Dalrymple, Chico State's mound ace, baffled the Humboldt State Lumberjacks in both games of a doubleheader in Chico May 4. Dalrymple won the first game by successfully scattering six hits winning 5 to 1 then squelched a Humboldt uprising in the seventh inning of the second game, saving a 5 to 2 victory for Walt Butcher. Kenny Dunaway, despite a sore arm, hurled a neat three hitter in the first game, but was troubled by wildness, and unnering Chico fielding with Humboldt at bat.

Walt Butcher seemingly had the situation well in hand for the Wildcats in the last inning of the second game. Then Dave Dana

Following up a brilliant pitching duel with a one-sided slugfest, the Humboldt State college Lumberjacks blasted the Red Raiders of Southern Oregon twice, 3 to 2, and 13 to 0, in a conference doubleheader played in Crescent City May 1.

Humboldt State pitchers Kenny Dunaway and Wally Maciel turned in a pair of brilliant mound jobs. Dunaway hurled a four hitter in the first game, Maciel poured his fast ball through the strike zone for three hit shutout in the second game.

Catcher Dave Dana led the hitting in the second game, garnering three bingles in four attempts. Cliff Prelow added to the carnage with a long homer and double, while pitcher Wally Maciel helped his own cause with a triple.

Centerfield Jerry Zattola came through with a smashing double to left field in the second inning of the first contest, driving in two runs. Little Cliff Prelow's ghost-like base running scored the winning run in the next inning.

Flye Reelected To Music Post

Richard C. Flye, assistant professor of music at Humboldt State has been re-elected as state chairman for the Teachers Training Committee in Music Education. Flye recently returned from the California Music Educators Convention in Los Angeles, where he presided as chairman of the Teachers Education Committee. The committee, composed of representatives from each of the music department of the colleges of California, is at present making

triple into left field, Wally Maciel and Cliff Prelow followed up with solid singles, and he was in trouble. Dalrymple came on again to retire the side, on two strikeouts and a pop to second base.

To Meet Preps In Night Tilt

The Humboldt State college Lumberjacks, fresh from a grueling Far Western Conference schedule, meet what may be their toughest opponents of the year this Friday night, when they tangle with a picked group of high school all-stars, in the third annual High School All-Star Game in the Arcata Ball Park.

Nineteen youngsters, selected by the coaches of the circuit, will oppose the more experienced collegians in an arc tilt. Game time will be 8:00 o'clock.

Humboldt has a spotless record in the annual classic, having won the first two games in the series. The initial game, in 1948, saw the collegians eke out a 5 to 3 victory over a tough prep team. Last year, the collegians turned the tilt into a slugfest, winning a wild contest 16 to 6.

This year's game promises to be closer. Four veterans of last year's game will be in the garb of the All-Stars when the game gets under way.

Humboldt will play the tilt without the services of Little Cliff Prelow, whose inspirational work during the regular season, was in a large measure responsible for the high finish of the Lumberjacks.

The three northern schools of the league, Eureka, Arcata, and Del Norte, completely dominate in the all star selections, released for the first time in today's Lumberjack.

Only two players from outside the "big three" cracked the charmed circle. Hoopa shortstop Jug Davis, brother to Humboldt's Cash, was named to the first string shortstop position, while teammate Arnold Ferris got a second string outfield berth.

Two teams and three pitchers were named to the All-Star list, making a total of nineteen players for the tilt. Each pitcher will hurl three innings.

Although first and second teams were named on the all-star team, the coach of the combination, Chuck D'Autremont of the champion Del Norte Warriors, will have complete freedom in naming his starting team.

First team selections for the All-Stars include Arcata high's Al Deniz at first base, repeater from Del Norte high, Ken Kellis at second. Sonny May, another repeater from Del Norte high, got the nod at second base, with frosh Jug Davis at shortstop. Arcata high's Lou Simas and Don Vanni will patrol the outfield with Eureka's Dennis Magnusson. Catcher for the stars will be Sam Finley of Eureka, the only unanimous choice. Pitchers include Eureka's Cal Phelps and Larry Paynter, and Don Morgan of Del Norte.

Second team selections were; Gerald Himango of Eureka on first base, Adam Smith of Fortuna on second; Jim Roff of Arcata at third and Del Norte's Fowler at shortstop. Kryla and Baird of Eureka will team with Arnold Ferris of Hoopa in the outfield. Trone of Del Norte will handle the second team catching chores.

JACK WEEKS

JACK WEEKS' CLARINET SONATA FEATURED AT RECENT RECITAL

Jack Weeks, Humboldt State College music student, recently completed a sonata for clarinet which was featured in the recital on May 8, in the College Elementary School auditorium. The sonata was played by Duane Gurnee, clarinetist to whom the sonata is dedicated, and William Woods, pianist. Both of whom are advanced music students here at college.

Between writing sonatas and going to school himself, Weeks also teaches a course in modern instrumental-arranging this semester.

Physicals Necessary For Credentials

Attention! All student who are to receive a credential either through Humboldt State College or by direct application to the State in June, July, or August must have their physical examinations before the end of the semester. Necessary forms may be obtained in the registrar's office.

Faculty Wives Honor Mrs. Gist

The Humboldt State College Faculty wives met on the evening of May 9 at the home of Mrs. William Jackson in a farewell party honoring Mrs. Arthur Gist. After the business meeting Mrs. Leland Barlow presented Mrs. Gist with a silver platter from the group.

Mrs. Gist thanked the group on behalf of both herself and President Gist, and announced that they would be leaving at the end of June to make their home in the east bay area.

Hostesses for the affair were Mrs. William Jackson, Mrs. William Himstreet, Mrs. Alexander McMillan, Mrs. John DeWitt, Mrs. Jack Norton, Mrs. Don Karshner, and Mrs. Thurston Womack.

'Accent On Youth'

Lloyd Yount, Marene Murphy, and Harry Damrell will step into the lights of the Humboldt State Arena Theatre this Thursday, Friday and Saturday when "Accent on Youth" is presented in the little gymnasium.

In Humboldt's first full length arena show Lloyd Yount will play Steven Gaye; Marene Murphy, Linda Brown; Harry Damrell, Dickie Reynolds; Anne Kavanaugh, Genevieve Lang; Dick West, Fogdell; Locke McCorkle, Frank Galloway; Carol Beck, Miss Darling; Dewey Dolf, Butch; and Harry Gift, Chuck.

The cast, under the direction of Leon Pike, converted the quonset gymnasium into an arena theatre for the occasion by adding seats, lights and curtains.

Students may obtain their tickets by presenting their student body cards at the Associated Students Office. The play will be presented May 18, 19, and 20 at 8:15 p. m.

The director and cast of "Accent on Youth" wishes to take this opportunity to thank the Division of Health and Physical Education for their cooperation in the production.

SENIORS

All Seniors are requested to check in with Mrs. Brookings in the student body office for final arrangements on caps and gowns and senior class fees. The five dollar fee should be paid by Friday, May 21. It includes payment for the dinner-dance party, senior breakfast, class picnic, and class donation.

Seniors desiring to bring guests to the dinner-dance should pay the extra fee now at the Student Body Office. Guests for the picnic may be paid for at Camp Bauer.

Bay Area College Show Movies Here

Bay Area College — 24 Several experimental motion pictures were shown at the Humboldt State College C. E. S. auditorium last Friday night. The films were produced by the "Form in Motion" class of the California College of Arts and Crafts, Oakland, and were concerned with the exploration of the motion picture film as an art medium.

The program, sponsored by the art class included nine short movies: "Abstract Interlude," a collective effort of the class; "Tapestry," by Fidel Caliesch; "Jangles," by Don Crockett; "Rambling," by Ray Coates; "Champagne," Bob Magasio; "The Two Squares," by Bob Jackson; "Notes by Coates," Ray Coates.

Also featured were two short comedies: "How to Paint a Landscape in Water Color," and "Ceramics."

Baccalaureate Ceremony, May 24, Picnic Begins Activities; Commencement Climaxes

Senior Week will get under way Sunday, June 4, following the Baccalaureate ceremony May 28, and extend until June 9. Activities will begin with a picnic at Camp Bauer Sunday morning and continue through the week with the following events: Alumni Tea, Swimming Party, Dinner-Dance, Senior and Parent Faculty Buffet, Commencement Breakfast, Commencement, and the Senior Reception.

The Baccalaureate Ceremony, scheduled for 2 p. m. Sunday, May 28, will be held in the "Quad" or CES auditorium, depending on the weather. Decorations for the affair will be provided by the Junior class.

The Senior Picnic is slated for 10 a. m., June 4, at Camp Bauer. Seniors may bring guests and pay expenses at the picnic.

The Alumni Tea will be held in the Social Unit from 3:30 to 5 p. m. in the afternoon.

Seniors have planned a Swimming Party at the Eureka High School for Monday afternoon, June 5, pending permission to use the pool.

The Eureka Inn will be the scene of a semi-formal Dinner-Dance Party Tuesday, June 6, at 7:30 p. m. Seniors are reminded that they should pay for their guests now at the Student Body Office.

A Senior and Parent Faculty Buffet will be held at Nelson Hall Tuesday afternoon, June 6. The time will be announced later.

Senior Commencement Breakfast, planned for 10 a. m., Wednesday, June 7, will be held at Jenkins Hall, when the Senior plaque will be presented to Pop Jenkins.

According to Mrs. Myrtle McKittrick, the master's degree will be given this year for the 1st time. Ninety-four seniors will graduate and five will qualify for the M. A.

Commencement Exercises are to begin at 8 p. m., Wednesday evening, in the Gym. Dr. Balabanis, vice-president of HSC, will officiate and present the degrees.

Principal speaker at commencement will be Roy E. Simpson, superintendent of public instruction, and director of education from the State Department of Education, Sacramento. Phil Simon has been elected class speaker.

Senior class officers are Eddy Oliviera, president; Malcolm Buchanan, vice-president; Jane Saunders, secretary; Janet Oppenheimer, chairman of activities; and Jack Craft, chairman of Baccalaureate Court.

The Senior Reception is scheduled to be held in the Industrial Arts building following commencement.

Ferndale Hi CSF Visits HSC Campus

Yesterday, May 16th, the California Scholarship Federation students from Ferndale High School, were the guests of Humboldt State College. They were welcomed and showed about the campus by students and faculty of HSC.

Dr. Christenson told them about the scholastic standards of our college, and reviewed our long-range building program. Student body president Rickey and Chi Sigma Epsilon prexy Don Bouey also gave short welcoming talks.

Missing Library Books

A recent inspection of Redwood Hall revealed facts that are difficult to admit. There are thieves among us. Sixty-nine books were recovered in Redwood Hall. Books that were missing from our library with no record of being checked out. Books that ranged in price from seventy cents to ten dollars making a total of \$233.00.

This is just a portion of the books remaining unaccounted for. Helen Everett, Librarian, states that there are still 456 library books missing with no record of their whereabouts. This means that individuals have deliberately or absent-mindedly taken books from the library without first being checked out in the proper manner. If these books are not returned, they will eventually have to be replaced. The money used for book replacement will be taken from the new book fund. This means fewer new books for our library while at the same time students are deprived of the use of the missing books . . . sometimes for months.

This is a serious problem. It affects everyone of us individually. Book stealing, temporarily or permanently, is an utterly selfish thing to do. Everyone is hurt but the thief.

Something must be done about this. The threat of closed book stacks or severe punishment for the culprit isn't the answer. The solution to the library problem lies with the individual student. Our library is based on a system of honor. Let's be wise enough to realize the advantages we have in the library and use them accordingly. Let's not cheat ourselves.

H. S. C. CLUBS GO UNDERGROUND

The "No Spirit Forces" have accomplished an overwhelming defeat of the weakened "School Spirit" regiments according to the latest reports compiled in the Lumberjack poll.

TWO CLUBS STILL FIGHT IN OPEN

The former G. I. Wives, soon to be called Humboldt wives, and the Pre-law club are still holding meetings in the open and brazenly replied to a request for news reports by the Lumberjacks despite the danger of being called "Co-operationists" by the general student body who seem to be collaborating freely with the "Keep Humboldt dead" group.

There have been rumors that other organizations in favor of student interest in activities of the school really exist but as yet these rumors are unconfirmed since there has been no reply to the Lumberjacks request for news.

Apparently the group "Too Damn Lazy to Reply" infiltrated and sold out the majority of the organizations allowing the "No Spirit" group an easy victory.

Any reports contrary to this supposition may be placed in Box No. 537. (All such correspondence will be kept strictly confidential in order to avoid embarrassment and possible persecution of "More Spirit" sympathizers).

Spring Concert Is Held In Eureka

Last Monday, May 15, the annual Spring Concert of Humboldt State College was held at 8:15 p. m. at the Eureka Auditorium. This was a Bach bi-centennial memorial concert, with two major works by the composer.

Highlights of the program were presentations of Concerto for Two Violins, and Cantata No. 140 by Bach. The Concerto, an excellent example of Baroque concerto grosso, was played by Esther Thompson, part-time music instructor, and Carmen Pursley, who has been playing for about 15 years.

In Cantata No. 140, Sleepers Wake, the music department did a great job in presenting the College Chorus, College Choir and orchestra. The soloists, Don Stevens, Shirley Pitlock, and Leland Barlow were of excellent voice. Don Stevens, tenor, is a senior music major. He has had experience as a member of the Navy's Blue-Jacket Choir, and as soloists in many groups in Eureka. Shirley Pitlock, soprano, is a sophomore music major and Leland Barlow is our baritone music instructor.

Also included in the evening's performance was

Chorale "How Brightly Shines the Morning Star" by Bach. It is almost traditional that our little symphony concerts start with this for the past number of years.

Symphony No. 25 in G Minor by Mozart, which is one of Mozart's earliest symphonies.

Orchestral Suite from the movie of documentary film "The Plow That Broke the Plains, by Thompson.

Last on the program was the lively and popular Hoe-Down from the contemporary ballet, "Rodeo" by Copland. The theme for this piece of music is the spunky toe-tapping tune of the county fiddlers.

Doubt of any sort cannot be removed except by action.

VARSITY HALL HAS BUSY WEEKEND

By DICK HARMER

Varsity Hall Society, a newly organized club composed of the men who reside in Varsity Hall, recently held their annual gathering to elect their new officers for the fall semester.

The fifteen members and their advisor, Coach Jack "Baldy" Whetstone, gathered at the Big 4 Friday, May 5, to commence their weekend festivities. After supper the group held their elections for new officers. When the ballots were counted, after many outstanding campaign speeches, the following results were announced: President, Frank White; Vice President, Dwayne Wright; Secretary, Bill Rall; Treasurer, Dick Harmer; Sergeant at Arms, Walter Greene, Social Chairman, Bob Stone; and for Sanitary Commissioner, Varsity Hall elected their most worthy head resident, Jack Whetstone.

Many people are not acquainted with the residents of Varsity Hall. Here is a list of the fifteen students in the hall: Ken Bushey, Don Erickson, Walter Greene, Dick Harmer, Ernest Harrison, Bill Monroe, Bill Richards, Homer Robinson, Herb Rogers, Bob Seiler, Bob Stone, Russ Vatsndal, Frank White, and Dwayne Wright.

After their supper meeting Friday night at the Big 4, the members decided on the program for the remainder of the weekend.

Saturday morning at 7:00 a. m., they were invited to breakfast in the recreation room of Varsity Hall. This breakfast was prepared by Mrs. Jack Whetstone, who has acted as a second mother to all of the men during the past school year. When breakfast was concluded, the group proceeded to Bayside Golf Club where they enjoyed a round of golf.

Luncheon was served by Mrs. Whetstone at Varsity Hall again. She prepared a meal consisting of baked ham, potato salad, fruit cocktail, coffee, and all of the trimmings that go with a delicious meal.

Upon the conclusion of lunch, the men enjoyed an afternoon of

Home Ec Sponsors Fashion Show

By MARLENE COMMONS

Guys and gals galore turned out for the fashion show held in the C. E. S. building Friday, May 5, at 10:00 a. m. The gals, of course, were there to view the latest fashions (and maybe criticize a few too) but as to the fellows, well the only explanation that I can think of for their presence is that maybe somebody started a rumor that bathing suits were going to be modeled . . . huh, fellows?

The fashion show, which was sponsored by the Home Economics classes in Clothing Construction, was supervised by Mrs. Thelma Graves, and the clothes shown were modeled by the girls who made them.

Summer's on it's way (honest!) and so all eyes were turned to the welcome summery fashions. Everything from sophisticated afternoon dresses in whispering silks with accompanying jackets to denim pushers and flashy cotton shirts were shown. A wide variety of fabrics and styles were represented in these summer fashions: dotted swiss, brocade, faille, cotton, crepe, gabardines, rayons, silks, and light woolsens. The colors were bright; they ranged from a lovely green and grey silk print, and they made a nice contrast to the white cotton blouses and circle skirts.

The skirts were full and swiny and seemed to be shorter than last year's models; necks were both high and low, and large pockets and many buttons were featured on the skirts and jackets. Warm weather fashions ranged from beach coats to off-the-shoulder formals and for the month of June, a complete bridal costume was shown in the traditional white satin and lace as well as bridesmaid's and flower-girls' dresses in soft pastel taffetas.

The girls also showed a number of dresses in fall and winter fashions in soft woolsens, crepes, satins, corduroy, and wool jersey which they made last fall. These dresses featured fine workmanship in expensive materials and many of the gals looked like they had just stepped out of "Mademoiselle". Stylish and practical wool skirt and blouse combinations vied with extremely dressy date dresses and finely tailored suits.

One of the high spots in the fashion show was tiny four year old Judy Kohler, who modeled a hooped skirt dress and matching bonnet made by her mother.

So, although the fellows didn't see any bathing suits or play-clothes even they agreed that the hour was well spent 'cause the H. S. C. coeds were real "eye-openers" in their smoothly fitting togs.

As Fleas See It --

"They're at it again, every year its the same thing. They absolutely go wild . . . sometimes I wonder about human beings. What are they coming to anyway? Look at 'em, all dressed in those blue tights . . . what are they called? . . . Oh, yes, levis. . . by Levine?"

"No, stupid, Levinsky." "Anyway its a good job of camouflage . . . can't tell who's male and who isn't. Look, there goes one of the faculty . . . I think! Today, I frankly wouldn't know who's who around here. It isn't safe. Shall we hop into somebody's cuff and take a ride to Camp Bauer? It ought to be interesting."

"Okey, but this time will you please check all the ramifications before you go swimming in somebody's bottle, make it coke this time . . . the effect isn't so lasting." "Now listen chum, you promised not to mention that again. Besides how was I to know what it was? Anyway I always wanted to take a bubble bath."

"Well, I'll be . . . there are some people working . . . must have a sun-stroke."

"There's always one in every crowd . . . what say we get out of here before they slop some paint on us. Here comes a likely looking cuff."

"You're on, chum. Camp Bauer here we come. Here's to bigger and better bubble-baths."

The meaning of song goes deep . . . a kind of inarticulate, unfathomable speech, which leads us to the edge of the infinite and lets us for a moment gaze into that. . . . Thomas Carlyle

bowling at the local bowling alley. Everyone bowled 3 lines during the course of the afternoon. The high game was bowled by Russ Vatsndal, who came through with a powerful 178.

The weekend festivities were concluded Saturday night with a steak dinner at the Bella Vista.

Varsity Hall has been active this past year on various school activities and is considered one of the best organizations in Humboldt State College.

SOCIAL NOTES

By J. E. O.

Long time no write local news and happenings for this scratch sheet. However, here we are with big paper, big column, and loads of news. (Notice the use of news instead of dirt?).

Ah, spring is here and many wallets have sprung open and engagement rings purchased. Those females who are sporting evidence of future happiness and males who are enjoying same are:

Daniel Gurnes & Marilyn Nagel, Robert Azevedo & Viola Batt, Roger Smith & Alice Chegwidden, Neil Frost & Marlene Murphy, Paul Jensen & Doris Westberg, Harry Gift & Marilee Cole, Douglas Keith & Grace Luther, Mary Cerny & Ted Brown, Raphael Belluominin & Janice Burlaga, Joseph Verret & Alice Crane, Kenneth Henally & Carol McKeown, George Turner & Elaine Wymore, Robert Crittenden & Dorothy Simmons, Dick Oliver & Joyce McLeod, Hermie Kroeger & Berger Johnson, Nancy Nunn & "Spike" Naylor. Bob Rodger and Marianne Hill. Never know who the next one will be!

Last night a shower was given in honor of the bride-elect Nancy Nunn, at the home of Jan Oppenheimer. Fun was had by all of the twenty females there and helpful were afforded galore. Now Nancy's hints, household and otherwise, were afforded galore. Now Nancy's main trouble is how to get the loot from Arcata to L. A. and then to parts unknown. Oh, well, the trouble is worth it.

A new but swell affair held this semester was the Faculty Women Breakfast for the senior women at the Eureka Inn. The brunch, for it wasn't until 11 a. m., was informal and enjoyed by all. All were out in their spring pretties, each with a corsage of spring flowers. Let's hope it becomes an annual affair, for is there a better way for the seniors to remember

Tulip Tea Raises Scholarship Fund

The Federated Women's Clubs of Humboldt county held its annual Tulip Tea from 2:30 to 5 p. m. at Nelson Hall, April 29, to raise money for scholarships to Humboldt State college. Mrs. Robert Dickson of Loleta, was general chairman of the Tulip Tea committee of the County Federation of Women's Clubs.

Over 250 people attended the program. Each of the participating clubs had a representative who helped serve.

Enough money was raised by the clubs to furnish four \$50.00 scholarships for private music lessons within the college.

A Recession is a period when you tighten your belt. In a depression you have no belt to tighten, and when you have no pants to hold up its a panic.

The women faculty than over a nice warm cup of coffee?

A problem which has been troubling me, others also, is why all college functions must end, or do end, so early. Gosh, you'd think they'd realize we've grown up and don't have to be in bed by midnight. One professor's wife stated that it isn't worth getting all dressed up in a formal . . . just to dance until 12 p. m. Tonight all closes down at 9 p. m. 'Course there's classes tomorrow so that's understandable, but why weekend dance must end at midnight is still beyond me.

Best now I sign off so I can unpack my bathing suit out of moth balls and get the gear ready for the picnic. If everything is only half as fine at the deans have it arranged the day can't help but be a success. So bring along the family and friends and see you all at Camp Bauer.

Final Exams Schedule

A schedule for final examinations has recently been released from the office of the Registrar. In most cases the room in which the class has been meeting throughout the semester will be used for the examination. Exceptions which have been made to permit alternate seating are listed below. Courses with laboratory should give their finals according to the hour of the lecture, with the exception of courses that are entirely laboratory work; they should meet in accordance with the first hour of the laboratory. Unless classes were placed at a definite hour in the schedule, the instructors should check with the Office of the Registrar with regard to rooms.

Fear Of Failure, A Mental Index

A Yale university scientist said recently that a person who is afraid of failure and refuses to accept important responsibility is probably mentally ill.

Dr. Leo W. Simmons, associate professor of sociology, said a person so "loaded down" with ambitions that cannot be fulfilled is also in line to becoming a mental case. A third type, he said, is the man with a fixed idea that interferes with his capacity to do the jobs at hand.

"Mental illness takes many forms," he said, "but wastage of life and effort is a common characteristic. One of the important lessons that came out of the war experience, is that most so-called normal persons will tend to break down under sufficiently severe and prolonged stress and strain."

Simmons said that 10,000 additional trained psychiatrists are needed in this country.

During the war there was a necessary neglect of routine care of mental cases, and these have piled up. There are large numbers of ex-service men and women with 'unseen war wounds' who are now mentally or emotionally disabled. There are more than a million chronic alcoholics, some developing within a setting of war stress.

Karshners Fete Drama Students

The senior and graduate Speech and Drama majors at Humboldt State College were entertained Wednesday evening by Dr. and Mrs. Don Karshner at their home in Arcata. Refreshments were served after an informal evening of games and entertainment.

Among the guests were Mr. and Mrs. Darrell Altimus, Mr. and Mrs. Pat Hofferbert, Mr. and Mrs. Pete Albonico, Zatha Tallman Loretta Allen, Jack Craft, Leon Pike, Meredith Beck, Jane Morgan, Wilbur Jensen, John Van Duzer, and Douglas Dupen.

All too often a clear conscience is the result of a bad memory.
