Game Tomorrow Night At Albee Stadium

Football opener for the Lumberjacks is Saturday night against the invading Owls from Oretech, Oregon. Still an unknown quantity, the 1952 edition of the Paul Bunyan gridders will take to the field at Albee Stadium in Eureka with 19 returning lettermen as the nucleus for a new team. Kickoff time is slated for 8 p. m.

V. 25,

ARCATA, CALIF., FRIDAY, SEPT. 12, 1952 #1

COUNCIL TO RECONSIDER \$39,150 BUDGET

Meeting in session for the last time in the school year, the Executive Council gathered in the student council room with Jim Yoakum, vice-president, presiding. The budget with a tentative total of \$39,150.00 was approved with the following conditions: the board of finance will make an over-all 18 per cent cut on all requests until the complete budget is accepted in the fall and second, all clubs and departments are to be notified that the budget requests are subject to change or deletion until the final budget is drawn up.

The new board of finance was given the authority to meet during the summer in preparation for the beginning of the fall term.

Lumberjack Band Calls Candidates

First call for the Lumberjack Band went out today to all students who can play an instrument and would like to take part in the HSC games this fall. No auditions are necessary. The first rehearsal for the 1952-53 band will be held in the CES auditorium this afternoon (Friday) at 4 p. m.

Senior Len Cook will be student director of the Band. Mr. Leland Barlow will be in charge of formations; Mr. Charles Fulkerson will be musical director. The organization will play during all home football games and also will make a trip to play for the Cal Aggie game at Davis. A pep band will play for rallies.

Students who play but do not own instruments are encouraged to see one of the directors about using a college instrument. Band carries one unit of credit, meeting Tuesday and Friday afternoons.

PIANO STUDY OFFERED

Persons interested in learning to play the piano or who would like to carry on with previous study may register for Music 70 or 170. These courses in class piano carry one unit of credit, and the fee is covered by the regular tuition.

LITTLE SYMPHONY ANNOUNCES FIRST REHEARSAL WEDNESDAY

The Humboldt Little Symphony will hold its first rehearsal on Wednesday, September 17 at 7:30 p. m. in the CES auditorium. Anyone interested in joining is encouraged to see Mr. Charles Fulkerson, conductor. String players are especially needed. College students may receive one unit of credit. Others living in the community are also cordially invited to join the symphony.

DICK HARMER

Versatile Leader, That New Prexy

From the dusty archives comes some little-known information about Dick Harmer, president-elect of the HSC student body for 1952-53.

A thumb-nail sketch should include the fact that he is short of stature, but long on student leadership experiences.

At Crescent City High School, 80 miles north of HSC, Dick was Student Body President, played football and baseball, served as president of the athletic club and sandwiched in duties as editor of the school newspaper.

On the Lumberjack campus his fellow Knights last spring elected him to the top position of Honorable Duke in the Intercollegiate Knights, a men's service organization. During the past school year Dick served on the ASB Executive Council, gaining insight into campus problems. Also at the hill-top school he has been a consistent performer on the diamond as utility infielder at third base and letter-winner for the Jacks. This month he served as general chairman of the Junior-Senior prom and the all-college picnic today.

A volatile gentleman in the Coop, Dick Harmer has been a leader in initiating many constructive programs on the campus.

ASB Cards Go On Sale For New College Year

Student Body Cards for the new academic year went on sale in the gymnasium during registration at 9 a. m. this morning. They will also be available at the ASB office in the "Coop" building after today.

Although purchase of the student body cards is not compulsory, 97.7 per cent of HSC students bought cards last semester. Mr. Frank Stegall, student executive manager, lists the advantages to students holding the cards: (1) free admission to athletic contests, concerts and plays. (2) Free copies of the Lumberjack and Semper-virens yearbook. (3) Reduced prices on fountain items in the Coop and (4) discount on merchandise at some stores in the area (stores to be announced later).

Students who do not have ASB cards will also be charged a "service charge" of 10 per cent in the book store, in accordance with a policy established by the Executive Council of the Student Body last spring.

New Faculty Total 17; 2 Return From Leave

Seventeen new faculty members have joined the ranks of Humboldt State College in addition to two others who have returned from a year of campus leave.

Faculty members of last year who are being replaced are Mrs. Birger Johnson, Mrs. Shirley D. Thompson, Mr. Walter Beaver, Mr. L. I. Carlson, Miss Etta Handy, Mr. Howard Finston, Dr. Burton Henry, Dr. Leonard L. Christensen, Miss Mell Trump Dunlap, Mrs. Gayle C. Merklin, Mr. Robert Freeman, Mr. John Berry.

Also missing from the HSC campus this year will be Mr. William Himstreet, assistant professor of business administration, who will be on leave to study for his doctorate at the University of Southern California. Mr. Charles Roscoe will be on leave for 1952-53 to work for his State engineering credentials.

Returning to Humboldt State

PROBABLE STARTERS

Returning sophomores Jerry Garcea and Ray Mechals, senior Dennis Kinser at quarterback from last year's backfield will probably be in the starting lineup, although Mechals will be at an end post this time. Bob Eggers will get the call at another end. Wes Willits and Red Petterson, lettermen at tackles, will see plenty of action. At the guards Bob Syvertson, senior, and Jim Ingram, or Gene Marks, sophomore, will probably start the Owl game.

Letterman Gene McKamey or newcomer Jim McAuley will be at center. In the backfield at the opening whistle besides the redoubtable Garcea and heaver Kinser, newcomers might take over the fullback and right half posts. Jim Alexander, a freshman from Chicago, is a speeding twister who might get the call at the half. Dale Thomas from Toppénish, Wash., and letterman Hank Yamagata have seen action at that spot also.

With veteran Keith Darling sidelined with a charley horse, the leading fullback candidates are Sam Washington, Chicago, a converted tackle; Jim Marvel, Ferndale; and Gale Drake, Eureka.

OWL TALENT UNKNOWN

What the Oregon Tech Owls have as a football threat is not certain at this point since they are untested, like the Jacks. However, HSC fans will recall the opener at Redwood Bowl between the two teams last year, which the locals won 19-12 in a close game. (More Stories on Page 3)

after a year's leave of absence are Mr. Melvin Schuler, assistant professor of art, and Dr. Kasper Ingebritson, assistant professor of education.

Dr. Harold K. Parker, newly assigned dean of students, heads the list of new faculty. For the past two years he has served in that capacity at Monterey Peninsula College. He holds a doctorate degree in Guidance and Counseling from Stanford University. Dr. Parker replaces Dr. Christensen who will do government work in Alabama.

Registration

Enrollment at HSC has surged ahead this semester, according to the registrar's office.

Two hundred and twenty new students appeared to take the required entrance examinations last Monday. Late registrants and transfer students are expected to bring the total to 275 new students.

A two dollar registration fee will be charged to all students registering late, stated Mrs. Myrtle McKittrick, registrar.

The entering freshman class is exceptionally large this semester according to Mr. Maurice Hicklin, chairman of the English division, who reported that 194 students took the freshman English test on Monday.

CLASSES TO MEET

Classes will meet for the first time on Monday, September 15. Officials in the registrar's office have sent a warning to students that October 10 will be the last day that classes may be dropped without penalty. After this date students dropping a course will receive an automatic withdrawal F.

Announce Tryouts for New Play and Radio

First play to be presented by the Humboldt State College Players will be Thornton Wilder's American classic, "Our Town." Students who are interested in trying out are urged to sign up for Dramatic Workshop (Speech 25 or 125) for one or two credits. The play has 24 speaking parts and another ten without lines.

Tryouts are set for Wednesday September 24 at 4 p. m. in the college auditorium. All students are invited to attend the tryouts whether or not they take Dramatic Workshop. Rehearsals will be arranged to avoid conflicts in class schedules.

Radio sports announcers will have an opportunity to audition for football and basketball announcing. Candidates should be familiar with the sports.

Radio stations in Eureka are completing plans to broadcast special programs promoting HSC football this fall.

On Saturday (tomorrow) at 10:30 a. m. KHUM will air the first in a series of radio programs from the campus. Entitled "Football Forecast" the program will feature prognostications of games in the area with Mel Hurd, '51 guard at the mike. He will interview Bob Syvertson, Ray Mechals and Larry Widmer, of this year's squad.

KIEM radio station will carry several grid broadcasts. Carol Braun will introduce football to the feminine listeners and Dr. Don Karshner, head of the Division of Fine Arts, will give his impressions of this year's team on an evening news broadcast.

... The President's Welcome ...

I know I speak for Humboldt State in extending a friendly welcome to all new students coming from near or from far. Here you will be challenged with varied and important opportunities - in the classrooms, the laboratories, the faculty conferences, in student activities, in sports, and in new friendships. I hope you accept the challenge and derive something truly worthwhile out of your college experience.

The entire college staff stands ready to help you succeed. Only in this great county of ours does such an opportunity for higher education exist. Therefore, make the most of it - the benefits will serve you well all your life.

Good luck to each of you.

MAPPING PLANS for the academic year is the work of this quartet of newly elected officers of the HSC Associated Student Body. In the May 5 balloting Adrian Mendes (left) polled the most votes in his successful bid for vice-president; Pat Crowe, a returnee to the campus this semester is the new secretary; Tom Turner will supervise finances as treasurer; and Dick Harmer (right) will direct the work of the Executive Council as ASB president.

Two Arab Students Propose 'Hello Walk' College Groups Arrive From Jordan By Student Editor Elect New Officers

From the far off kingdom of the Jordan, two young Moslems have arrived this week at Humboldt State College to study engineering. Their arrival represents the culmination of months of preparation, efforts to secure sufficient money, and a long journey by rail, sea, air in order to reach the college of their choice. Both are graduates of Rashidiya College in Jerusalem (which corresponds to an American high school).

Abdulkadir El Qadi (who will be called "Qadi"), 18 years old, was the first to arrive. He plans to study electrical engineering. His home was in the Hebron district of Palestine. While in school, he lived in one of the camps maintained for the Arab refugees who were compelled to move from their homes at the time of the partition of the Holy Land. "Qadi" has been highly recommended by his teachers as a young man of excellent character and ability.

Ali Abdul-Latif (who wishes to be called "Ali") is 20 years of age. He traveled here leisurely, spending some time sightseeing in Cairo and Paris. He crossed the United States by train and was impressed with the magnitude of the country. After "Ali's" graduation from Rashidiya College, he taught school for one year in the elementary grades. He plans to study mechanical engineering and is especially interested in mathematics. His hobby is acting and he has had training as a blacksmith and welder.

HSC STUDENT IN KOREA

With the 7th Infantry Div. in Korea—PFC Albin Anderson, son of Mr. and Mrs. Albin G. Anderson, 1322 Vernon St., Eureka, Calif., recently returned to the 7th Infantry Division in Korea after a five-day rest and recuperation leave in Japan. He attended Humboldt State College.

In an effort to find out if the pen is mighty mightier than the sword, the Lumberjack hereby urges the Executive Council of the Associated Student Body to designate some area of the campus as "Hello Walk". This suggestion went the rounds last year without action.

Whereas most colleges and universities have a "Hello Walk" with penalties from a Kangaroo Kourt for not saying hello; and whereas there are approximately 250 new students feeling strange and uncertain on the campus, the Lumberjack suggests that the Council proclaim such a "Hello Walk" at their first meeting.

Where should it be? The Lumberjack says why not the stairs leading to the Administration Building?

DAN WHITE

KOREA G. I. BILL PLAN OUTLINED

Calling all Korean veterans—Here's how to go about getting the benefits provided in your new GI Bill of Rights:

First, you are considered a Korean vet if you were on active duty after June 27, 1950, if you were discharged under conditions other than dishonorable and if you served at least 90 days—unless you got out sooner for a service-connected disability.

First step is to decide your educational or vocational goal. It can be getting a specific diploma or degree, graduation from a professional school or learning such trades as steamfitter or carpenter.

Decide Goal

Next you must make sure that you will be accepted by the high school, college, professional school or vocational school which you plan to attend. You should also make sure that the school you select has been properly accredited by the State authorities. Most public institutions and established schools will be automatically approved for several months.

Some schools might not be approved at all. Approval for World War II veteran training does not constitute automatic approval for Korean vet training. Standards are more rigid under the new bill and all schools have to reapply.

When your goal is decided and your school is selected you must fill out an application blank which

CONSERVATION UNLIMITED

Conservation Unlimited President Arnold Torrigino has announced the results of the election for club officers for the fall semester.

Gerald Wetmore, senior wildlifer, received the bid for presidency of the organization. Bill Kinch, biological science major, was elected vice-president.

Other officers elected were Frank Schobel, corresponding secretary; Vic Oglesby, recording secretary; Joe Eakins, treasurer; Dick Ransom, Sergeant-At-Arms.

NELSON HALL WOMEN

At the annual dorm dinner last spring the new women officers for Nelson Hall for the fall semester were revealed. Janice McClaskey, president; Jackie Stein, vice president; Liz Martinelli, secretary; Arlis Oman, treasurer; and Barbara Hall, fire chief.

As a sidelight to the dinner two engagements were announced, that of Liz Martinelli to Ted Holmgren, and outgoing President Joan Palmer to Adriane Mendes.

SPOKES NAME LEADERS

New officers for the Spokes, girl affiliates of the Intercollegiate Knights are: President, Marcia Bartlett; Vice President, Arlis Oman; Secretary, Becky Balabanis; Treasurer, Pat Ball; Parliamentarian, Anne Colosimo; Historian, Yvonne Morrison. These officers will take their office this fall.

BECK LEADS CHOIR

Choir election results, show Jerry Beck as the new Prexy for this year. Supporting him will be Earl Rumble, vice-president; Elsie Nelson, secretary-treasurer; Men's Social Chairman, Kenneth Poyfaire; Woman's Social Chairman, Yvonne Morrison; and Librarian, Rebecca Balabanis. The election was held May 16.

you can get at any VA office after the Middle of August or from the schools, veterans organizations or Red Cross office. Form is self-explanatory. Copy of your service record or photostat must be sent along with it. For most Army vets the information is on the back of your discharge papers. For most Navy vets it's a special paper which has been given to you.

When your course is approved and your eligibility is established VA sends you a Certificate For Education and you are ready to go.

Opener Against Owls To Be A Rough Test

Football Outlook In '52 Hinges On Replacements

Prospects for the Lumberjack gridiron fortunes for 1952 can be considered with more certainty than was the case in Phil Sarboe's first year at the helm in 1951. With more games on schedule — and tougher ones — the Red Bunyan choppers will look to the 23 returning lettermen to give experience and a stabilizing influence to the many newcomers to the squad. Last year the team was predominantly a freshman one; this year it is composed of freshmen and sophomores, not the last word in intercollegiate football experience. However, in the face of some excellent talent among the newcomers, the veterans must fight for positions.

Two links in the chain of eleven which HSC has to replace or strengthen are in the center of the line and the halfback positions. The loss of Captain and center Chuck Martzall, the four guards, Walt Greene, Roy Cockrum, Fuzzy Lampela, and Mel Hurd and end Rich Harris is a serious one.

Phil Sarboe in his first years as football coach for the Lumberjacks presented Humboldt State College with its first successful season since 1948. In 1951 the Hilltoppers won four games, lost three, and tied one in eight games of spectacular football. They finished second in the Far Western Conference to the '52 champions, California Aggies, who beat the Jacks, 27-13.

Far Western Conference				
Team	W	L	T	Pct.
Cal Aggies	3	0	0	1.000
HSC	2	1	0	.667
Chico S.	1	2	0	.333
SOC	0	3	0	.000

LETTERMEN

Returning lettermen to greet the coaching staff of Humboldt are: Centers Gene McKamey and Steve Kezelsky; Guards, Bob Syvertson, Gene Marks; Tackles, "Red" Peterson, Wes Willits, Don Ratzlaff; Ends, Glenn Wallace, Bob Eggers, Bob Dunaway; Halfbacks, Jerry Garcea, Eldon Watts, Hank Yamagata, Dick Stacy, Tim Corrigan; Quarterbacks, Dennis Kinser, Bob Kezelsky, Ray Mechals; Fullbacks, Keith Darling.

Big Gene McKamey or newcomer Jim McAuley should fill the bill at the pivot post, but the guard slots will be more difficult. Bob Syvertson returns but will need help from the less-experienced subs and newcomers, who will be under the tutelage of line coach "Sturdy" Sturdivant, himself an outstanding guard at WSC. Kiper, Ingram, Marks and Widmer are promising contestants for the starting guards.

At the tackles Wes Willits, a junior, has the weight and experience to be a rugged performer. Red Peterson is an excellent blocker at the other tackle. Backing them up will be a junior, Don Ratzlaff, and some big freshmen, Benson, Chapman, and others, who have yet to prove their mettle.

Pass-Catching Ends

At the ends the Hilltoppers have good offensive material with the pass-catching trio of Bob Eggers, Bob Dunaway and Glenn Wallace, all basketball players. Ray Mechals has been converted to a flank post this year. The defensive picture focuses around Eggers who should

Opener Win In '51 Over Oregon Tech Recalled For Jacks

In Humboldt's win over Oregon Tech in 1951, Bob Eggers at the right flank, scored the first touchdown on a surprise play when he caught a deflected Owl pass early in the game and ran 51 yards for six points. Eldon Watts, sub quarterback, added the point from placement.

Later in the same quarter Quarterback Dennis Kinser rifled an aerial from his own 47 marker to Halfback Jerry Schroeder for another score. The point after was blocked.

Final six points for the Lumberjacks was chalked up in the third quarter by the same pass combination of Kinser to Schroeder. The play covered 37 yards. Oregon Tech's two touchdowns were made on long pass plays, the second with two Lumberjacks swarming the receiver.

All except Schroeder of the above mentioned Jacks return to the HSC football spotlight.

develop into a great all-around player.

In the backfield of Sarboe's Transformation, the Staters lost four excellent players when Jerry Schroeder, Ray Kozuik, Dick Stacy, and Bob Girsback failed to return because of graduation or family obligations at home. Schroeder was a key player in both the running and passing game of '51 whose talents will be sorely missed. Kozuik was one of the hardest running backs for picking up that extra yard when needed.

If a scatback can be found among the high school graduates, it will be a bonanza for Phil Sarboe. Who the halfbacks will be in the '52 offense will be the chief problem of Sarboe and will probably take more than one game to prove under fire. Jim Alexander from Chicago has looked good in practice.

At the quarterback post the Jacks are strong with the three-year veteran Denny Kinser back to throw them and in fine condition 140-pound Jerry Garcea, who can throw and run with the best of them. The prospect is that Garcea will play one of the half slots on offensive and safety on defense.

With the short nine days of contact work prior to the opening game, the Lumberjacks have a tough assignment to duplicate their opening win of last year over the Oregon Tech Owls 19-12. The Lumberjacks will certainly be giving the fans the 1951

... DEFENSIVE STARS ...

CATCHING FUNTS from position of safety on defense is a specialty of letterman Jerry Garcea, diminutive half from Spokane, where he was all-city captain. He is a pre-dentistry major. Ray Mechals (right) was the standout of the Jack squad last fall as linebacker on defense; Ray comes from Ocosta, Wash., although Eureka is now his home. He is working for his teaching credentials. He stands 6' 2" and weighs 190, which he can use to advantage from his position at end this fall.

Bride, William Mueller, Bob Peltenberg, Richard Petterson, George Psaras, Don Ratzlaff, Jerry Smith, George Stewart, Dick Stacy, James Sumerlin, Bob Syvertson, Dale Thomas, Bob Tiller, Joe Viracola, Glenn Wallace, Sam Washington, Eldon Watts, Larry Widmer, Morris Wilson, Wes Willits and Hank Yamagata.

KICK-OFF DINNER

The annual Kick-Off Dinner for the Lumberjack football team was held Wednesday at the Bayside Grange. The affair was sponsored by the Arcata Chamber of Commerce and the Alumni Association of the College. President C. H. Siemens, football coach Phil Sarboe and many faculty members from the college were in attendance.

Introducing the Coaches

LUMBERJACK

FRIDAY, SEPT. 12, 1952

Page 4

Little Man On Campus

by Biblen

PHIL SARBOE is a nationally-known football coach from his five years as mentor for the Washington State Cougars. During his playing days he was quarterback and halfback for WSC and a professional football and baseball player. This season his Thursday evening sports broadcasts over radio station KIEM gives insight into many of the technical aspects of football formations, on west coast football in particular.

"STURDY" STURDIVANT was a star guard and linebacker under Sarboe at WSC. He lettered four years against tough Pacific Coast competition. WSC missed the Rose Bowl one year by a hair. Sturdy is an ardent hunter and fisher, but a luckless one.

ART STEGEMAN, industrial arts instructor, is a former high school coach and star end for the Nebraska State Teachers College. He will nail the ends to do a flanking job for the Lumberjacks.

"O. K., Men — This grassy field will give us a good chance to try our Hidden ball play!"

PERSONALITIES

GENE MCKANEY (left) is a letterman who will be vying for the pivot post in the Red Bunyan lineup. He captained his high school team in Sonoma. LOU CIMINI (center) is again football manager for the Jacks, a "promoter" from New York. BOB EGGERS (right) from Chewelah, Wash., scored 18 points for the Jacks in '51 and was an outstanding defensive player.

CATCHERS

GLENN WALLACE (top) and BOB DUNAWAY are the Hill-toppers two basketball-pass-catching ends. Wallace tallied 18 and Dunaway 12 markers last year. Dunaway is president of the senior class.

ACTION

PASSER

OWLS from Oregon Tech will be glad to hear that Jerry Schroeder graduated. Here the fleet halfback is shown off on a ten yard gallop in the 19-12 win over the Owls last fall. He scored two touchdowns on pass catches. Jerry now teaches eighth grade in Fortuna.

DENNIS KINSER is a senior this year, on the throwing end of many touchdown passes in '51. He will handle the ball on most plays from Sarboe's T-formation. He hails from Eureka and is married.

LUMBERJACK LINEMEN

WATCH THE LINE PLAY! That's where the game is won or lost, coaches say. A practice session is pictured above with assistant coaches Sturdivant and Stegeman instructing the "beef" of HSC grid-ders to outcharge the enemy seven.
