No. 29

### Saroyan Presents Colorful Canvas Of Characters

Tickets are now on sale for William Saroyan's, "The Time of Your Life." The Humboldt Player's spring production, presented last Friday and Saturday, will again be given tonight and tomorrow night. Tickets are free for Student Body card holders and \$1 for others. Seats may be reserved in the Fine and Applied Arts office, room 122.

The play is set in Nicks Pacific Street Saloon, Restaurant and Entertainment Palace in San Francisco. Although the establishment is inhabited by many peculiar and amusing personalities, perhaps the most unusual is the Western character, Kit Carson, as portrayed by Carl Eifler. He is one of the last of the real frontiersmen, whose vivid descriptions of his adventures as a cowboy and prospector, in the Southwest, mark him as a tall tale teller extraordinary.

Another quite different character is Blick, head of the San Francisco vice squad. Bill Busch plays this intolerant character, who is responsible for the conflict in the play.

Other habitués of Nick's place include the usual drunks and sailor, a generous character who drinks champagne from morning till midnight, an intellectual longshoreman, a slick piano player, and a young dancer.

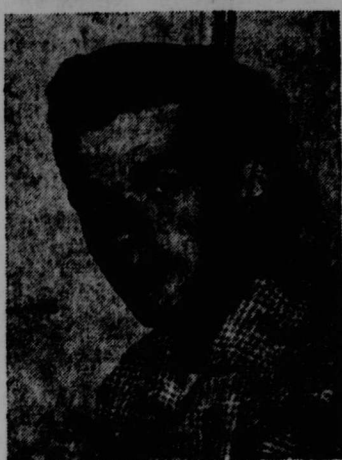

This play marks the final presentation by Humboldt for the school year. This is Saroyan at his best.

### Alpha Phi Gamma Announce Officers

Gerald (Sharky) Walsh was elected president of the newly installed Beta Mu chapter of Alpha Phi Gamma, national honorary journalism fraternity, at its organizational meeting last week.

Other officers are Louis Cimini, vice president, Frances Stark, second vice president; Chloe Kiggins, secretary, Mrs. Mary Baker will act as balliff and as faculty sponsor with Dr. Milton Hollstein, publications manager.

### NEW PREXY

Mike Fielding is the new ASB president. A candidate on the Octagon-Volunteers ticket, he was favored over Independent Claire Macintosh in a runoff election held last Friday. Fielding has served as vice-president of the Student Body for the 1955-56 school year.

### Pakistani Dinners To Be Served

Authentic foods of Pakistan will be served at a smorgasbord type dinner Sunday, May 6, at the Native Sons of the Golden West hall, 623-3rd street, Eureka. Dinner will be served at 1 p. m., 4 p. m. and 6 p. m.

Sponsor is the Humboldt Unitarian Fellowship. HSC students working on the committee are Beverly Dahlen, Glenn Bradley, Al Lufkin and Keith Bryant.

Tickets at \$2 apiece for adults and \$1 for children, may be bought from Dean Galloway in the library or at the door.

### 1957 CLASS NOMINATES NEW OFFICERS TODAY

The Class of 1957 will meet today to nominate Class officers for next year. An election will be held next Wednesday by secret ballot.

The officers for this year have been John J. Dufour, president; Braley Pastorino, vice president; Fern Fowler, secretary; Jim Callison, treasurer; and Bob Talbott, Inter-Club Senate Representative.

### "SUMMER STOCK" FASHION SHOW SAT., 2:30 P. M.

Mothers of HSC students have been invited to attend a tea and fashion show tomorrow at 2:30 p. m. at Nelson Hall.

Clothing made by women college students and by the eighth grade boys and girls at College Elementary School will be modeled. Tea and refreshments will be prepared by college home economics classes.

With "Summer Stock" as their theme, the sponsoring groups, college Home Economics Club and the Associated Women Students, are planning to greet at least 300 college mothers.

HSC male students who are members of Intercollegiate Knights will escort models during the fashion show, with "Happy" Haft as narrator. Vocalist Lou Hill, pianist Marilyn Georgeson and dramatist Herb McLellan will provide the program.

### Choir, Madrigal To Sing Tuesday

Thirty HSC music students will perform for academic audiences at Del Norte County high school, Crescent City, on Tuesday, May 8.

Appearing at 12:30 and at 2 p. m., the college choir of 30 selected voices will be conducted by Dr. Leon Wagner. The choir will present a repertoire of 14 songs, including sacred and secular pieces written from the sixteenth to the twentieth centuries and folk songs, some arranged by Dr. Wagner.

Two smaller vocal groups, the Madrigal Singers and a student quartet, will also sing. The HSC Madrigal Singers are patterned after the madrigals which originated in the fifteenth century as four-part, a capella singing for after-dinner entertainment.

### HSC APPEARANCE TO BE MADE BY BISHOP'S COMPANY MAY 9

The Bishop's Company, a small touring company of players who believe that drama again belongs in the church, will appear at Humboldt State College Wednesday, May 9.

Performing in an adaptation of "Cry, the Beloved Country" by Alan Paton, the group will appear at 6:30 p. m. and at 8:30 p. m. in the college auditorium. Tickets are on sale at the college drama office and by members of the forensic squad for \$1 for adults and 50 cents for children.

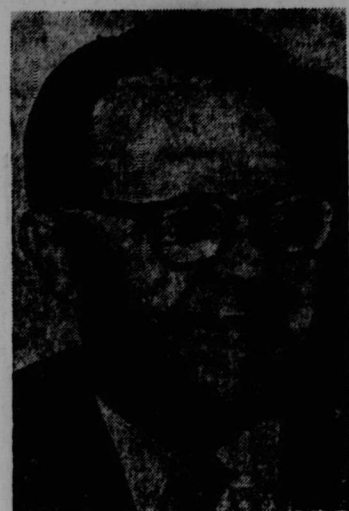

The hero of the story, which was a best-selling novel, is an old, humble Zulu parson in the South Africa hill country. He sets out for Johannesburg, "the city of evil" in search of his only son. Finally he finds the boy in prison, the murderer of a white man who had devoted his life to justice for the black race.

This is the fourth consecutive annual appearance locally by the company, the first time sponsored by the college. Last year the group produced "The Devil and Daniel Webster" by Stephen Vincent Benet.

The founder of the group, Mrs. Phyllis Beardsley, was born in Eureka and attended Humboldt

### A. P. BUREAU CHIEF ROBERT EUNSON TO SPEAK MAY 11, JOURNALISM DAY

Robert Eunson, famed war and foreign correspondent and new chief of the Associated Press bureau in San Francisco, will be speaker at the second annual Humboldt State College Journalism Day Friday, May 11, on campus.

ROBERT EUNSON

### Readings To Be Featured At 11 a. m. Assembly

Today's 11 a. m. assembly marks the first in what the HSC forensics squad hopes to make an annual program in interpretive readings.

Presented free for the student body, the varied program will feature the writings of such well known artists as James Thurber, Ernie Pyle and George Orwell.

Interpreting the humorous Thurber piece entitled "University Days" is Herb McLellan of Eureka, while Jean Parker, also of Eureka, is reading a story about a romance with a surprise ending "Appointment With Love."

France is the locale of the selection read by Bob Chedwid-den, also of Eureka; it is concerned with funerals. . . first class through sixth class. Larry Helse's moving story about the death of a beloved soldier in the last war, presents correspondent Ernie Pyle at his descriptive best.

Continuing in a serious vein, Lynn Pryer interprets a selection from George Orwell's controversial book, "1948".

And finally, Frank Bettendorf cavorts through a story about a lesson in logic given by a young law student to his not-so-bright girl friend.

Milton Dobkin, assistant professor of speech and debate coach, will introduce the speakers and selections for the assembly.

Mr. Eunson will address high school journalism students from throughout the redwood empire at a luncheon in Nelson Hall as highlight of a full day's activities for the fledgling journalists.

Journalism Day is sponsored by the college in cooperation with the Eureka Newspapers, Inc.

Mr. Eunson became bureau chief in San Francisco after 13 years with AP, mostly overseas. He joined the Associated Press in Phoenix, Ariz., in July, 1943, and was assigned the General Douglas MacArthur's headquarters in the southwest Pacific theater.

For a year he covered every phase of the war in that area. In a landing at Arawe he nearly lost his life when a typewriter was blown out of his hands, but he carried on in the coverage of the battle.

After a year in the south Pacific he was transferred to the European Theater of Operations, covered the western front and advanced with the allies to the Elbe. At war's end he became chief of the AP bureau in Brussels, then second in command at the AP bureau in Paris. In 1949 he became chief of the Tokyo bureau.

Born in Billings, Mont., he came to California in 1920. He dates his entrance into the newspaper business back to the time he became a newsboy the night Jack Dempsey knocked out Luis Firpo, Sept. 14, 1923.

### Clement Miller To Speak To Young Democrats

Clement W. Miller, Democratic candidate for U. S. Congressman from this district, will be guest of honor next week when the Humboldt State College Young Democrats will hold their organizational meeting.

Miller will speak informally to the group when it meets on Thursday at 4 p. m. in the little dining room of Nelson Hall. All interested students and faculty, whether Democrats or not, are invited to attend the meeting and hear Miller.

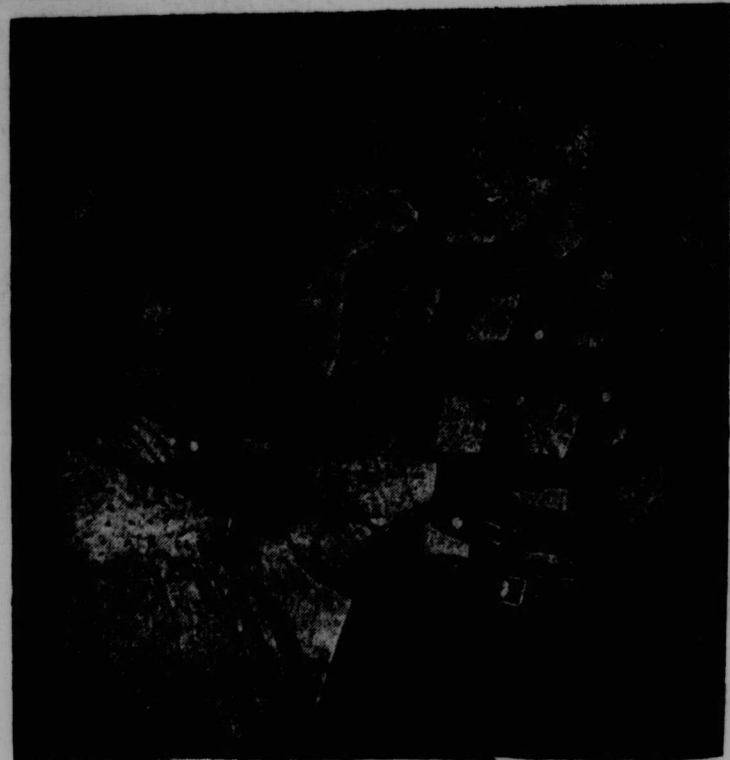

The group will elect officers and lay tentative plans for 1956-57 activities at the meeting. Any students or faculty members interested will be welcomed, according to Dr. William Wasserman, adviser.

### Sigma Xi Promotes Dr. Wasserman

Dr. William Wasserman, assistant professor of chemistry, has recently been promoted to full membership in the Society of the Sigma Xi, national honorary society for the encouragement of research in science, by action of the University of Southern California Chapter. The same chapter elected him to associate membership in 1949.

In addition to holding membership in Sigma Xi, Dr. Wasserman is a member of Phi Lambda Upsilon, national chemistry honorary, full membership in the American Chemical Society, its Division of Organic Chemistry and California Section. He is also a fellow of the Chemical Society (London).

Dr. Wasserman will be at U. S. C. this summer supervising a research project for the National Cancer Institute.

Jack (Tex) Legate, center, shows the correct promenade position to Larry Flammer and Sally Conklin as they prepare for the spring roundup dance tonight at 7:30 in the college gym, sponsored by the College Y. The dance and refreshments are free.

So it looks like we'll have to drop your course."

## New Faculty Members Appointed

President Cornelius H. Siemens announced this week the names of six more new faculty members who have been appointed to the HSC teaching staff for the 1956-57 school year.

Five of the newly appointed personnel will fill completely new positions, and one is replacement for a faculty member on leave of absence. The expanding curriculum of the college, and its

continued increase in enrollment each year, are reflected in the 23 new positions which are being added to the faculty next year, increasing the teaching staff to some 116 members.

Dr. George H. Allen has been appointed junior vocational instructor in fisheries for next year, replacing Associate Professor John DeWitt who is away on leave doing advanced graduate study at Oregon State College. Dr. Allen holds the bachelor of science degree from the University of Wyoming, and receives this spring the doctor of philosophy degree from the University of Washington, where he holds the position of research instructor in the department of oceanography.

Glenn Berry, a Californian who graduated magna cum laude from Pomona College in 1951, has been named instructor in art. Berry has been studying at the Art Institute of Chicago, and will this June receive the degrees of bachelor of fine arts and master of fine arts.

Paul J. Jensen will come to HSC in September as assistant professor of speech pathology. He holds the bachelor of arts and master of arts degrees from the State University of Iowa, and for two years has been the speech correctionist for Sycamore Com-

munity Schools in Iowa.

Dr. Jack R. Netcher, a former major league baseball player, has been appointed assistant professor of health and physical education. Dr. Netcher received the bachelor of science degree from Carson-Newman College, the master of science degree from the University of Tennessee, and the doctor of health and safety degree from Indiana University.

Dr. John Blair Russell has been named assistant professor of chemistry, and will come to HSC from a position as instructor and research associate at Cornell University. He holds the bachelor of arts degree from Oberlin College, and receives his doctor of philosophy degree this spring from Cornell.

Dr. Ralph E. Samuelson, new assistant professor of English, received the bachelor of arts degree from the University of Washington and the master of arts degree from Columbia University in New York.

## HSC GRADUATE CITED AS HERO

The U. S. Department of Interior's highest honor, the Distinguished Service Award, has been granted to a 1955 graduate of Humboldt State college's wildlife management program, John R. Herse.

Herse was cited "for a heroic deed in saving two lives at personal risk beyond the call of duty" on Lake Mead. The incident occurred last August, while Herse was employed as a seasonal park ranger there.

He has received the award at a secretary's award convocation in Washington, D. C.

The citation, signed by Secretary Douglas McKay, specifies:

"On August 19, 1955, Seasonal Park Ranger Herse, Lake Mead National Recreation Area, Nevada, helped to save two women from drowning in Lake Mead. While attempting to reach shore during a violent storm on the lake, a small boat capsized, throwing its five occupants into the water. Herse, who was on patrol at the time, witnessed the predicament of the two women and the two lifeguards who were struggling to save them in the face of high waves, rain, hail, and heavy winds. Stripping off his outer clothing, he swam to aid the lifeguards and helped them bring the two women ashore. He then discerned that a male member of the party was still clinging to the capsized boat and that one of the lifeguards was swimming out to him. With the aid of a paddleboard, he also attempted to reach the man but was defeated by the storm and was washed ashore some distance from the scene of the accident."

Herse enrolled at Humboldt State in September 1953, after attending Glendale and Los Angeles city colleges two years. He is the son of R. L. Herse of Glendale, California.

## YOUR CAMPUS QUESTIONS - -

Dear Readers,

Last week I asked you, the readers, to send in your questions to me, and I in turn told you that I would try to answer them with all the accuracy that could be mustered. Well your response was slow but good. The general trend of questions were in this order.

### WHAT ARE THE RESPONSIBILITIES OF OUR STUDENT BODY ON THIS CAMPUS?

This is a good question and deserves more time than we can spend, at the present time.

I will first say that I will substitute liabilities in the place of responsibilities, as it has a much more suiting connotation for this column.

In order to understand the exact liabilities of a student body we must ascertain the amount of co-operation provided by the State of California. The state provides our campus with the necessary instructional equipment, namely, the instructor and the place of instruction. This is the extent of the state's participation on our campus and in other schools that are under state jurisdiction. The state provides a law, California Educational Code, Section 20345.5, that implicates the student body organization on our campus with this statement, "A student body organization may sell the books needed for various courses in our curriculum. This means more convenience for you the student."

What happens to the revenue gained for this course? The revenue gained from the bookstore in turn travels to the coffers of the student body treasury to be used for other activities.

What are these activities? "The activities conducted by such an organization shall be designed to contribute to the development of skill and facility in human relations, the development of leadership ability, and the recreational social needs of students."

What are the main activities supported by the student body on this campus?

Activities supported on our college campus are: student publications, musical organizations, speech and dramatic works, student government, intramural and intercollegiate sports, and the sponsorship of clubs and organizations.

Thank you for your co-operation, continue to send your questions.

K.K.B.

## COLLEGE VALUES TO BE DISCUSSED MAY 11

Dr. Sears R. Jayne, assistant professor of English at the University of California at Berkeley, will speak on "Armor for Don Quixote" at the spring Chi Sigma Epsilon assembly next Friday,

May 11, at 11 a. m. in the College Auditorium.

Dr. Jayne, a colorful and popular speaker, will discuss the values of a college education following announcement of the newly elected members of Chi Sigma Epsilon, the upper division honor society.

## Minutes of the Student Council

The meeting was called to order on April 28, 1956, by President Larry Flammer. Regular members present were Pat Heney, Bob Furber, Lewis Sbrana, Jim Westman, Frank Bettendorf, George Ibarreta, Don Karahner, Dick Harmer, Bob Jacobson, and Jean Guyn.

A motion was made, seconded, and passed to approve the prices proposed by Milton Dobkin and the forensic squad for tickets to the Bishop's Company performances of "Cry, The Beloved Country." The prices were approved at \$.75 for A. S. B. members, \$1 for non members of the A. S. B. if there are two performances; \$1 for A. S. B. members and \$1.50 for non members of there is only one performance.

In reply to the letter sent to Dr. Siemens concerning the proposed A. S. B. dual card system, the council was read a letter from the president which approved May 14, from 8 a. m. to 4 p. m., as the date for the election on this new card. The letter also described the ballot to be used in the election.

A letter was read from the Wurlitzer Company which explained a contest being held among college jazz groups and requested the H. S. C. participate. The jazz groups record their selection and send the record to the Wurlitzer people to be judged. A motion was made, seconded, and passed that H. S. C. sponsor a group to enter into this competition.

Dean McColum, chairman for the All-Dry-School Picnic reported that arrangements would be made for responsible persons to check A. S. B. cards at Camp Bauer. A motion was made, seconded, and passed to charge non-A. S. B. card holders \$1 to attend the picnic. A motion was made, seconded, and passed to admit the children of H. S. C. students free to the picnic and the faculty children under 12 free if their parents have purchased A. S. B. cards.

Larry Flammer reported that seven people have signed up for next year's Board of Control.

In the absence of Jim Westman, Jim Barnes has been appointed

### LEGAL NOTICE

#### NOTICE ELECTION TO BE HELD

At the suggestion of both non-members and members of the Associated Student Body, an election will be held to determine whether the regularly enrolled students of Humboldt State College wish to install a two-card system of paying student body fees.

WHEN: Monday, May 14, 1956, 8:00 a.m. to 4:00 p.m.

WHERE: Main hall of the Administration Building.

WHO: All Humboldt State College students who are enrolled for 6½ or more units will be eligible to vote.

Further information will appear on the bulletin boards.

temporary chairman of I. C. S.

At a recent meeting of the Gold and Green Key and Dr. Siemens, a plan was proposed to solve the problem of the seven-day meal ticket wherein everyone would purchase the seven-day ticket, but would be given a refund of two thirds for every consecutive two days missed to apply toward the next month's meal ticket.

Bob Jacobson, in behalf of Circle K and the Public Relations Committee, presented a master plan of the college which shows the new buildings to be erected in the next two or three years.

Gene Syiva, in behalf of Assembly Bill 827, requested that Pat Heney, Fern Fowler, and Jean Guyn be on an indoctrination committee to explain the dual A. S. B. card system to women's groups on campus.

A motion was made, seconded, and passed to accept the wording as proposed on the notices of the election, May 14, on the dual A. S. B. card system.

Larry Flammer, Mike Fielding, and Dick Harmer are to meet with the Chamber of Commerce in Arcata to discuss the possibility of moving the Plaza sign, for H. S. C. events, to some new location.

There being no further business, the meeting was adjourned.

## Circle "K" Circle

The Circle K Club of Humboldt State has recently been unofficially "crowned" the most active Circle K Club, according to the district officer. Since last spring we have completed more projects than any other club.

You have not forgotten the Safety Belt Drive already have you? Last Saturday was the first day of installation of these belts. North Arcata Kiwanis members began work at 10:00 a.m., installing brightly colored belts for only fifteen dollars per set. They are able to do it for so little, because it is a service to you. Don't become imbedded in a twisted steel frame — Hold your ground with a safety belt.

Respectfully submitted,  
Larry Flammer,  
A. S. B. President  
Joan Guyn,  
Secretary.

## FACULTY SHOW PLANS UNDERWAY FOR MAY 6

Semper Virile will be the theme of the 1956 annual faculty show to be held May 16, it was announced this week.

Emcee of the skit session and variety show will be Gerald Partain, assistant professor of forestry, who will be assisted by chairmen Dr. Giles Sinclair, Dr. Warren Houck, Dr. John Baker, Miss Hazel Hagne, Mrs. Raphaela Kingsbury, and Charles Fulkerson. Volunteer hams of the faculty may get in touch with any one of them, a release states, and old jokes are sorely needed.

# Jacks In League Series

Hank Cooper is the number one javelin thrower for the Lumberjack track squad. He also proved himself able to run a fast 440, as he was a member of the Jacks winning relay team last weekend and surprised many people with his fine showing.

## TRACK MEET WITH RAIDERS

The Lumberjack track squad will try for win number four tomorrow afternoon, as they go up against Southern Oregon's Red Raiders in the Redwood Bowl with the field events beginning at 1:30 and track events at 2 p.m.

The Red Raiders will bring a well-rounded team to Arcata and will be favored overall. Coach Dan Bulkley had nine good sprinters out early this year and nine middle-distance men including Chuck Crandall, OCC 880 winner and also a miler.

Bill Hollingsworth, SOC's high scoring basketball forward, has threatened two SOC and OCC track records in the high jump and pole vault. Dick Smith, 210-pounder who played end on last season's co-champion football team, unofficially broke three school and two conference records the first day of practice in the shot put, javelin and discus.

Distance men include three cross country runners who were undefeated last fall, Glen Allison, Dick Gustafson and George Olson.

Humboldt also has shown consistently strong performances in track events. Hank Cooper unlimbered his ailing arm to toss the javelin 162 feet, good enough for a first, in last Saturday's win over Sacramento State, and should improve that toss this week. However, showings in field events have been erratic.

Cooper also surprised the crowd at Redwood bowl last week with his strong showing in the mile relay.

## Baseballers Meet Red Raiders In Doubleheader

The Jacks take a brief interlude from the pressure of the conference race next Tuesday, when they meet Southern Oregon in a return doubleheader in the Arcata ball park. The first game of the twin bill is scheduled to get underway at 6 p.m.

This is the last half of a home and home series between the two clubs which met earlier this season at Ashland. In the first double bill, the Red Raiders waxed Humboldt by the scores of 4-0 and 19-12.

Last year Southern Oregon won three out of five games played against the Jacks and would like nothing more than to extend their series advantage. On the other hand Humboldt pictures this as a revenge series and will go all out to defeat their rivals from north of the border.

The Jacks have shown considerable improvement over their early season series with Southern Oregon and have a better than even chance of reversing the results of that doubleheader. Starting pitchers for the twin bill have not yet been decided upon.

## JACKS TAKE TWO FROM AGGIES

The Lumberjack downed the Cal Aggies in both ends of a doubleheader last Saturday afternoon in the Arcata Ball Park, 3-2 and 26-13.

Jim Richardson pitched a neat five hitter in the first game as he struck out six and walked only one. Al Deniz provided the winning punch as he drove in all three of the Jack runs.

Deniz and Al Schrader each got two hits in three trips as they lead a ten hit Lumberjack attack.

The second game was a wild free swinging affair that saw the Jacks rap out 21 hits off a parade of Aggie chuckers. Gary Mauney received credit for the win as he took over for Warren Baker in the second inning.

The Jacks biggest inning was the fifth frame when they tallied eleven runs, sparked by Bob Lawson's bases loaded home run. Lawson had a perfect three for three performance at the plate.

**MERCHANTS BEAT JACKS**  
Humboldt met the Crescent City Merchants last Sunday afternoon, at Crescent City, and were defeated by the Redwood League club 9-3.

Crescent City scored three runs in the seventh that iced the contest. Before the eventful seventh it was a tight 4-3 ball game but Humboldt pitcher Jack Wilbur weakened and the roof fell in.

The Jacks collected eight hits off the slants of Mel Prichard. Dick Dudley and Jerry Garcea each got two hits for the collegians. Warren Baker relieved Wilbur in the seventh with the bases loaded and retired the side.

**INTRAMURAL SOFTBALL**  
All persons interested in forming intramural softball league are asked to contact Phil Sarboe, intramural director. Sarboe urges that interested parties should contact him during the next week or as soon as possible.

# SPORTS

LUMBERJACK

Fri., May 4, 1956

## NEVADA TWIN BILL SLATED TOMORROW IN ARCATA

The Lumberjack baseball crew jumps back into the thick of the tight Far Western Conference race tomorrow when they meet the University of Nevada in a twin bill in the Arcata ball park. The first game is scheduled for 6 p.m.

Jim Richardson, who has won two of Humboldt's three conference games, will go in the opener and Gary Mauney, Ferndale freshman, is the likely choice to hurl the nightcap.

Probable Wolf Pack lineup will be Bob Ferrari at catcher, John Flynn at first, Jim Corica at second, Fred Jesser at third, Pat O'Halloran at shortstop, Tom McClasky in left, Roger Truonday in center and Fran DeBois in right. Coach Jake Lawler will be able to call on Brian Whalen, Stanley Pomin or Flynn for the pitching chores. The Lumberjacks Monday night had a light practice featuring a talk session on the week end games.

Coach Ced Kinser said his team worked this week principally on hitting and on fielding errors of judgement. He pointed out the team's errors lately have been confined almost entirely to judgement miscues, as one might expect from a young team. Fielding practice is to help the individual fielder's weaknesses. This type of practice already has paid off handsomely in the outfield, which Kinser considers vastly improved.

The Lumberpack lineup will continue to have Al Schrader as catcher, Phil Huff at first, Dick Dudley at second, Bob Lawson at shortstop, Jerry Garcea at third, and Larry Taylor, Ralph Mayo and Al Deniz in the outfield. Humboldt takes a 3-1 league record and high hopes for a conference title into this week's games. The Jacks won twice last weekend over the Cal Aggies, 3-2 and 26-13.

## Cindermen Defeat Sacramento

Humboldt State tracksters continued their winning ways last Saturday afternoon as they defeated Sacramento State 74-57 in a meet held at Arcata.

Top man for Humboldt was Paul Williams who took firsts in the 440 and 220, second in the 100 and broad jump and anchored the Jacks winning relay team. Others on the relay team were Harman Bonnicksen, Hank Cooper and Earl Barnum.

Earl Barnum set a new school record in the broad jump as he leaped 22 feet 11 inches which is five inches more than the old record set by Williams last year. Barnum has been jumping consistently over 22 feet all this year.

Harmon Bonnicksen won the hundred yard dash in 10.3 and Harvey Kesterson outran everyone in the 880 with the time of 2:03.3. Hank Cooper captured the javelin throw for Humboldt with a toss of 162'7".

## JACKS WIN 13-3 OVER BEALE

The Jacks dumped the Camp Beale Flyers last Tuesday 13-3 in a game played at the Arcata ball park.

The Lumberjacks iced the ball game in the second inning as they poured nine runs across the plate. Phil Huff started the trouble with a powerful 320 foot home run. A succession of hit batsmen, errors and Jack hits contributed to the Flyers downfall.

Camp Beale scored two runs in the fifth inning and coupled with a run in the first frame made the score 9-3.

Humboldt made it 12-3 in the sixth inning on a pair of singles by Phil Huff and Larry Taylor and a double by Allan Schrader. The Jacks collected their final marker in the seventh when Huff tripled and Schrader hit a sacrifice fly to deep right.

Winning pitcher for Humboldt was Gerry Carlson who scattered 10 hits, struck out eight and walked four. Three pitchers worked for the Flyers with Rubin being charged with the defeat.

Phil Huff lead the Jack fourteen hit attack with three hits; a single, triple and home run, in five trips to the plate.

The fielding gem of the day was turned in by Jack center fielder Al Deniz, who made a running catch of a sinking fly ball, turned and rifled a perfect strike to first baseman Huff to double off the runner on first.
