PROFESSORS HICKLIN, ARNOLD, TO RETIRE THIS YEAR

An HSC Alumni Founder's Day banquet will be held at 7 p. m. Friday, April 6, in the Nelson Hall dining room in honor of Professors Maurice Hicklin and Homer Arnold, both of whom are retiring at the semester's end after more than 30 years on the College faculty.

English Professor Served 31 Years

After 31 years at HSC, Professor Maurice Hicklin, head of the Division of Language and Literature, is retiring.

Before he came to HSC, then called Humboldt State Teacher's College, in June 1925, Mr. Hicklin had served during World War I with the U.S. Army, and had had wide and varied experience as a journalist. He owned his own newspaper for a short time in Columbia, Mo.

During his first years on the Humboldt faculty he instructed in English and news writing, ran the news bureau, and supervised the Lumberjack staff.

His activities have not been limited to the English and literature end of things, however. A marks man himself, during World War II, Professor Hicklin coached a team in riflery — an activity which, incidentally, he hopes to have more time for from now on, this and golf.

In 1946 the veteran and beloved professor was made chairman of the Language and Literature Division, a position he will hold until the semester's end, June, 1956.

"The thirty-one years have been some of the happiest of my life," comments Mr. Hicklin, "mainly because I've enjoyed the work and the people I've worked with."

"If I go into any store, anywhere in Arcata or Eureka, any place around here, I'm sure to meet a former student."

"As to future plans, I guess I'll just take it easy awhile. Mrs. Hicklin and I have been extremely happy here at Humboldt. The thing that has appealed to us so much has been the friendliness of the people, not only at the College, but in the community, and so, for that reason we plan to stay right here."

"We may do a bit of traveling but, as the lady from Boston said when a friend asked her where she was going, 'Why should I go anyplace? I'm already there!'"

STUDY GRANTS FOR IRAN

The University of Teheran is offering American students two fellowships for graduate study or research in Iran during 1956-57, it was announced today by Kenneth Holland, President of the Institute of International Education, 1 East 67th Street, New York City.

42 Subjects Given By Prof. Arnold

After 35 years of teaching 42 different courses of "anything they found I'd had in college myself," Professor Homer L. Arnold is leaving HSC.

His retirement plans include revising his syllabus into a philosophy textbook, pursue his hobby of lapidary, and perhaps, travel a bit around Southern California, Florida, and Mexico with Mrs. Arnold, and mainly, "To take it easy a bit — something I haven't done in a long time."

Coming to Humboldt Normal School in the fall of 1921, Mr. Arnold took the first classes, mathematics and philosophy, to be taught in the not yet completed Administration building.

In the years to follow Humboldt made good use of the broad educational background of its new instructor. He held a Bachelor of Science degree from Indiana State Teacher's College, a Bachelor of Arts from the University of Indiana, and a Master of Arts from University of Chicago, and had had additional graduate work at Chicago, Stanford, and Michigan.

The courses taught by Professor Arnold through the years have ranged from education, philosophy, and mathematics to surveying and aerial navigation, just before the outbreak of World War II.

His surveying classes continued for 21 years, "Yes," he recalls, "We did all the WPA surveying for the football field during the 15 years it was under construction, and also surveyed for the ball park in downtown Arcata, which was another WPA project."

"Although one waits for retirement for a long time," comments Professor Arnold, "now that mine is almost here, I know I'm going to hate to leave. We came here when things were pretty discouraging at Humboldt, and we've watched it grow in size and curricula. I know that no matter how much I take it easy, and how far we travel, part of me is going to remain at Humboldt."

Hey! "Hay Hop!"

The Nelson Hall Women and the Redwood Hall Men are getting together to sponsor the "Hay Hop" April 7 at the Arcata Labor Temple. This is a strictly stag affair to foster friendly relations between the two living groups, and lots of mixers and novelty routines are slated. Refreshments will be served, and the Dale Ingvarsen Quartet will provide music to hop to.

VOTERS FAVOR NEW STUDENT CONSTITUTION

Humboldt State College student voters gave a proposed new student body constitution an overwhelming vote of approval in the constitutional election held Wednesday. The balloting recorded 278 in favor of the constitution, 34 against and 35 approving with reservations.

Slightly more than 51 per cent of the eligible voters took part in the election, well over the one-third required to make the election valid. Eighty per cent of those voting approved the new document.

Principal opposition to the constitution was caused by article 1, section ten. This section made provision of a free yearbook optional rather than mandatory. A total of 23 voters opposed this section.

The new constitution will take effect immediately, vice-president Mike Fielding said. The spring elections will be held under the provisions of the new pact, which provides for a fifth student commissioner and clearer requirements for runoff elections.

Arnot, Shaver To Debate For HSC With Nordic Team

Tryouts for a two-man audience debate, with a touring European team, were held last week with Jim Arnot and Jim Shaver winning in open competition over John Mayfield and Norm Stewart. The debate with the Scandinavian team will be held at a local hotel at the price of \$3.35 a plate.

The HSC debaters will appear in the audience debate sponsored by the Knife and Fork Club, local organization at the Vance Hotel Monday, April 16 at 7 p. m.

Jim Arnot, HSC pre-law junior, has been a standout this year in all debate activities on and off campus. Jim is also president of the proposed Phi Kappa Delta chapter now being sought after on this campus. Jim is originally from Los Angeles and has resided in Eureka the past nine years.

Jim Shaver, Sophomore from Los Angeles, is also an active debater on campus and represented the school in various tournaments during the past two years. Jim took part in the debates last semester at Humboldt, Western States Association at Pacific Lutheran College, and was a contestant in the Linfield Tournament of Champions at McMinnville Ore. this semester.

Dr., Mrs. Siemens Visitors At Cal

HSC President Cornelius H. Siemens is in Berkeley today attending the University of California convocation honoring Dr. Gordon H. Sproul on completion of a quarter-century as president of the vast University.

Dr. and Mrs. Siemens are attending many official and social functions as guests of the university and of President and Mrs. Sproul.

Pictured as they appear in the sequence, "Dance Is A Language," to be presented in two performances to HSC audiences in the auditorium, are members of the Eugene Loring Dance Players Troup. Carol McGahan, Jane Earl, Judy Moorehouse, Joanne Miyamoto, Carol Warner, Pat Aylward, and Ruth Earl.

New-Zealander Tells Of Pheasant Problems

Dr. Kaj Westerskov, biologist with the department of internal affairs of New Zealand, told Humboldt State wildlife students Monday afternoon in the Wildlife auditorium of pheasant problems of New Zealand.

Starting a two and one half months tour of the United States, Dr. Westerskov stopped over for a day here en route from Portland to San Francisco.

He told the wildlifers of a four-year study of pheasant populations in New Zealand, pointing out that pheasants were found to be not well suited to New Zealand conditions. Although the first pheasants were introduced in New Zealand in 1842, the islands have a very low pheasant population compared with that of the United States and Europe, he said.

Illustrating his talk with slides of charts, maps and photographs, Dr. Westerskov pointed out that the remedies might be in introducing subspecies or new game birds or in modifying the pheasant habitat. He said the California quail replaces the pheasant in New Zealand's scrubby country and the chukar partridge takes over in higher areas. The Hungarian partridge ultimately might be introduced to replace the pheasant on the grasslands, he said.

Landis To Speak

Dr. Judson Landis, outstanding authority of family life education and professor of home economics at the University of California at Berkeley, will spend two days on the HSC campus as featured speaker of Marriage Education Week, to be held April 10 through 13.

Dance Parlance Demonstrations Apr. 3 In Aud.

A group of 12 dancers, led by the noted young Hollywood dancer and choreographer Eugene Loring, will present a varied program themed "Language of the Dance", ranging from traditional ballet to modern jive at the Humboldt State College auditorium Tuesday, April 3, at 8:15 p. m.

Putting his company through a continuous demonstration of dance forms, Mr. Loring will explain and comment on the dances as they are executed. Many of the dances will be executed from a three-dimensional perspective, with the same patterns shown simultaneously from back, side and front.

Mr. Loring directs the American School of Dance in Los Angeles. He is a pioneer choreographer as demonstrated in his modern dance styles exhibited in the ballet "Billy the Kid", according to John Van Duzer, HSC associate professor of speech drama and program chairman.

A choreographer for several motion pictures, Mr. Loring's most recent Broadway show is "Silk Stockings", soon to be presented in Los Angeles and San Francisco.

Admission is \$1, with tickets available from the division of fine and applied arts at the college. Reserved seats may be obtained by calling Vandyke 2-1771, extension 42.

Mr. Loring organized his program in 1953 at the request of the Pacific Art Assn. Convention at UCLA and has repeated the performance each season.

Student body card holders will be admitted free to the afternoon performance. To other students admission will be one dollar.

Shown last Saturday at the Student Wives sponsored style show, "A Colleen's Dream," were these outfits from Kent's of Eureka. Modeling a polka-dot casual dress worn with a navy blue duster is Mrs. Curtis Bolton, while club secretary Mrs. David McLean appears in a dress of lively and colorful cotton with a neckline designed for the summer sunshine. Vice-president Mrs. Jerry Moore has a secret. Her all-occasion ensemble is really a bare-the-shoulder sheath in check fabric with a matching over jacket and white lace collar detail. Hats displayed at the fashion show were loaned by the Alice Faye Shoppe in Eureka.

Minutes of the Student Council

The meeting was called to order by vice-president, Mike Fielding. Regular members present were: Pat Heney, Fern Fowler, Bob Furber, Lewis Sbrana, Jim Westman, George Ibarreta, Larry Flammer, Bob Jacobson, Dick Harmer, Dr. Karshner, and Joan Guyn.

OLD BUSINESS:

This was a special meeting to which presidents, or other representatives, of clubs and organizations on campus were invited. The purpose of the meeting was to call attention to the Board of Finances recent survey, which revealed that non-student body card holders are participating in certain clubs here on campus whose constitutions stipulate that they must be ASB card holders to be members.

The following clubs and organizations were represented: Ski Club, Assembly Bill 327 Committee, Sophomore Class, Block H. Conservation Unlimited, Redwood Hall, Industrial Arts Club, International Relations Club, Veteran's Club, Engineering Club, Intercollegiate Knights, Home Economics Club, Press-Radio Club, Newman Club, and Spurs.

During the discussion several possible solutions to this problem

were proposed. One suggestion was that an associate membership to clubs be permissible so that certain members would be exempt from purchasing cards. Associate membership of a club to the ASB was also suggested. The plan of another western college was presented, in which two student body cards were made available — one card for \$5, covered such essentials as hospitalization and library services; the other card for \$20 was more nearly an activity card which provided for reduced rates and support for athletic and social events on campus.

It was decided to call another such meeting on the Thursday (April 5) following Easter vacation, in order to give those representatives present time to present these suggestions to their respective organizations and perhaps submit other solutions at this later meeting. It was also hoped that a much larger representation of the campus organizations would be present at a future meeting.

NEW BUSINESS:

It was reported that Circle K is working with Dr. Turner on a project to have maps of the campus made available at various locations around the college.

Jim Westman, for L.C.S. reported that a committee is working on aspects of carrying out traditional events on campus; he mentioned the possibility of having different campus clubs and organizations responsible for arranging these events.

Dr. Karshner said that the Arcata Rotary Club is having a luncheon April 11 for the HSC basketball team.

The Student Leaders Conference was mentioned, but due

Stipends Granted To Two Seniors

Two Humboldt State students recently were awarded graduate assistantships in Oregon, effective next fall.

Craig Stark, senior social science major, will attend the University of Oregon next year as an assistant in economics. His position is one of six that were offered and will involve extensive research in the social science field.

CRAIG
STARK

Bruce Wyatt, senior fisheries major, awarded a two-year fellowship at Oregon State College, will while earning his Master's degree, work with the Oregon Co-operative Wildlife Research Unit on a project which will, he believes, involve trout management.

BRUCE

C.S. JOB DATA

Students who accept Federal civil service jobs, and later leave the Federal service to enter the military service, will have job-restoration rights on completion of their military tour of duty, Albert W. Blood.

This year, over 800 Federal jobs throughout the country will be offered to successful candidates in the Federal Service Entrance Examination, including positions in general administration, social security administration, production planning, personnel management, statistics, investigation, agriculture, technology, forestry, marketing, and other fields.

to lack of time this business was postponed.

The meeting was adjourned. Respectively submitted, Joan Guyn, Secretary, Mike Fielding, Vice-President Associated Students

OF ALL THINGS

Is the word "club" or is it "organization" . . . ? Maybe that could be the root of the matter. An organization by the nature of its title considers itself to be organized, which presupposes a goal or an aim or at least some sort of cliché-turned-battle-cry.

In almost every school there is the sound and the fury that there are vital things happening all the time, but that no one is paying as much attention as they should. This cry is leveled at the mass of the student body. They are accused of a lack-luster life and moral turpitude. When directly questioned these exponents of passive resistance usually reveal that either the event was not interesting enough, or that they had something more interesting to occupy them.

Well what's wrong with that? As we are not only descended from Adam and Eve, but also from the Empirical Philosophers, we should admit that if a dance or some other social event was given, and was not well-attended, the result would be that either it was the wrong thing, or it was given at the wrong time, or both, perhaps. Individual thinking or the effects of it are always welcomed at any college.

Harvard has quite a tradition (excuse the phrase) of cultivating individual thinking. Consider the end of the big game for Harvard when the score was tied in the last few minutes, and a chance for another touchdown for Harvard was near. The roar of "We want a touchdown . . ." was immediately silenced by a well-bred voice in their midst saying "I say fellows . . . do we REALLY want a touchdown . . . ?" We ought to make every event prove itself valuable. If the things we have do not bring in the crowds we want, we should figure out something that will.

And if people persist in trying to whip up things that don't seem interesting, you might begin with the phrase "I say, fellows"

"CAMPUS PARTY LINE"

By Jan

Hurray!! Today's the day . . . vacation at last! Just think, we'll have an entire week to work on our term papers! And the extra minutes can be utilized cramming for mid-terms. Lucky us!

What a tremendous success the ST. PATRICK'S DAY DANCE was, and BOB TALBOTT really put in the work on it! We hear there were 632 paid attendees not to count the others . . . Guess that's the luck of the Irish!

Humboldt County is the home of the redwoods and HSC is home of the honeys . . . did you know that we have five beautiful gals in the contest for Miss Eureka of '56? Good luck to DEANNE BROWN, CHARLINE SMITHER, MARILEE AMMER, PAT CLARK, LOU HILL and JEAN PARKER . . . We'll be rooting for you gals!

TEENA PAGE and KAY JUNIOR dresses in colorful prints and pastels are really fashion wise now! In this era of the "lady-like-look," these glorious prints and solid pastels speak of femininity. Daly's Patio Shop, Second Floor is featuring these embossed or plain cottons, drip-dry fabrics and linen weaves at \$8.95 to \$14.95. Some of these drop-waist, sheath and full-skirted styles you've seen in SEVENTEEN. There's a style and color just perfect for you and your wardrobe!

To add fluff and rustle to your full skirts, Daly's Lingerie Department, Second Floor has bouffant nylon petticoats decked with lace and ruffles. Some with long torso waists, others very full . . . You'll like the new nylon horse hair permanent finish petticoats to float your skirts around you. Colors of blue, yellow, white, pink, and black. All sizes, \$3.95 to \$11.95.

We like this "MANCHESTER OAKS" definition of a CUT: being where your class isn't when it is . . . !

Man! The torso-look is the thing for men now too. It's the new torso-T-Shirts by Munsingwear made especially to wear under the newest in "style-for-spring" short sleeve sport shirts! . . . No more T-Shirt sleeves hanging out and no more bulges and binding. You'll find them in the MEN'S SHOP, street floor, Daly's Eureka.

LARRY FLAMMER and SALLY CONKLIN just agreed to agree. He's the lad with the cap and the car. She's the pert little blonde you always see in the center of a crowd. We all think it couldn't happen to a nicer couple . . . and have you set the wedding date yet?

Frantic BARNEY BELLER SHIRTS with the new and exclusive "Cross-Over" front are now available in the MEN'S SHOP at Daly's. The popular MEXICAN WEDDING pattern is white with custom-look stitching in red. TOUCH OF GOLD is a print shirt with gold accent. Exclusively at Daly's . . . Prices are \$6.95 to \$10.98 in popular new shades of powder blue, gold, mint and startling white . . . Don't trample each other in the rush, boys!

It's 30 again and this is your gel Jan leaving you with this happy little thought: Why study? Flunk now and avoid the end-of-the-term rush!

CLUB OF THE WEEK

INTER CLUB SENATE

The Inter Club Senate is made up of appointed representatives from all HSC clubs and organizations. The Activities Commissioner on the ASB Council is the chairman of ICS. He calls the meetings to order and turns the chair over to a pre-selected presiding officer, from the group. The Senate was formed to better coordinate the clubs of the college and to discuss subjects of general interest to students of HSC.

The Senate has no executive power, but it serves as a sounding board for the ASB Council in that it is a cross-section of the student body. The Senate can make recommendations to the Council and serves as an investigating and research body on subjects pertinent to the students.

Each week the agenda is prepared by the selected presiding officer in conference with the group's adviser. So far the hour has run out far ahead of the discussion material! Unfinished business is continued at the following meeting.

Typical subjects discussed by the Senate include: a campus clean-up committee, reorganization of the Booster Committee, public relations, prices at the coop, revision of the ASB constitution, lights for the tennis courts, and loud speakers for the dormitories and the coop.

Clubs which do not have a representative attending ICS are urged to send one; the Senate meets every Tuesday at 8:00 p.m. in the Radio Bldg. Visitors are welcome at any meeting.

The Editors Mail

Dear Students of HSC:

On behalf of the Class of 1957 I would like to take this opportunity to thank those who helped make the Saint Patrick's Day Dance a success. First I would like to thank Bob Talbott and Fred Byrd for their help and advice in the planning and on through to the completion of the dance.

For their excellent help in preparing the publicity for the dance I would like to thank the following: Pat Hartley, Norm Imeson, Claire McIntosh, Dean McColum, Shirley March, Gayle Reynolds, Jean Sylva, Jim Westman Dotty Wilkenloh and Diane Woodruff. For helping in the Box Office my thanks to: Jim Callison, Mike Fielding, and Irv Baney.

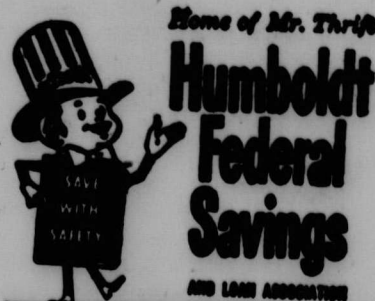

For helping at the door, my thanks to: Hank Cooper, Caesar Fiamma, and Charles Tubbs. Thanks to Diane Betts for helping with correspondence and Joe Trainor for obtaining necessary supplies.

This letter would not be complete without thanking the students who did their part in making this dance a success by attending the dance.

Sincerely,
John J. Dufour

President, Class of 1957

P.S. Almost 700 people attended the dance.

7-Day Meal-Tickets Sold From Now On

Five-day meal tickets for Nelson Hall Cafeteria will be discontinued next semester, and only regular seven-day tickets will be sold, due to recent action by the President's Council.

The council's action was prompted by the increasing pressure of away-from-home students desiring dormitory residence, and the necessity of Saturday classes and noon and evening classes next year.

The majority of students will remain on campus weekends to attend Saturday classes and to participate in school activities heretofore held during noon and evening hours. It is felt that a seven-day meal ticket will insure a well-balanced diet for students living away from home.

VET'S CORNER

Congratulations, Class of '57! Rumer has it that you cleared \$340 on your 20-30 tie-in to the St. Patrick's Day Benefit dance.

Maybe now some of the other organizations will take heed on how to make money on a function instead of pouring it down the drain.

I hope everyone drives a lot over the Easter vacation. If so, wait till April 7 for your lube jobs, wash jobs, etc. Also be sure to let that gas tank drain dry and come in for a refill to the Mobil station on the corner of 8th and G streets in Arcata and see the sumptuous, lovely, wind-shield-wiping lasses.

An emergency meeting of the Veteran's Club will be called at 11 a.m. today in room 110 of the Administration building. HAPPY EASTER—

—Fred Byrd

Jacks Open Track Season

JACKS IN THREE WAY MEET WITH CHICO - NEVADA

The Lumberjack track squad officially open their 1956 season tomorrow, as a group of 22 Jack thinclads and coach Bob Doornink travel to Chico to meet the Wildcats and Nevada in a triple header.

Coach Doornink has been putting his squad through the paces during the past several weeks and should be in top condition for this ensuing meet. Last Friday the Jacks met Arcata and Eureka high schools in an informal affair and showed unusually good early season form, as they took several firsts at the meet.

Winning their respective events for Humboldt State were Norman Scott, mile; Paul Williams, 440 and broad jump; Harmon Bonnikson, 100; Warren Baker and Terry Wallace tied, pole vault; Ben Zlateroff, shot put; Jim Davis, high hurdles and low hurdles.

The Chico meet will open Humboldt's track season a full six weeks before last year's season got under way, which was delayed because of bad weather. The defending conference champions, the Wildcats of Chico are favored to win the meet tomorrow, however, Humboldt and Nevada are both expected to be much stronger than they were last year.

Last year the Jack tracksters had three meets, including the conference meet, and failed to finish better than last in any of them. However, with a bigger squad and better material, Coach Bob Doornink hopes to improve last year's record.

Participating in tomorrow's meet at Chico will be the following Humboldt State trackmen: Larry Amos, Warren Baker, Har-

mon Bonnikson, Earl Barnum, Henry Cooper, James Davis, Bill Henry, Erick Hughes, Ralph Johnson, Harvey Kesterson, Lawrence Marcell, Jim Mengle, Gordon Moore, Joe Myers, Norman Scott, Wayne Smith, Kent Stormberg, Dave Sturdyvin, Tony Vasquez, Terry Wallace, Paul Williams and Ben Zlateroff.

New Gym To Be Started In April

Dr. Lawrence E. Turner, executive dean, conferred with State Division of Architecture staff members in Sacramento Thursday and Friday on last minute details of working plans for three new HSC buildings which will be let out to bid soon.

Construction is to start in April on the new men's gymnasium, the art - home economics building, and the music building. All three are expected to be ready for the fall semester of 1957.

Completion of the Wildlife Building outdoor facilities, including fish hatcheries, raceways and the fur shed, is slated to begin this month and be ready for use by the new Division of Natural Resources next September, according to Dean Turner.

The latest HSC item to be added to the Governor's Budget for this session of the legislature, according to Dean Turner, is an appropriation of \$50,000 for working drawings for the new speech arts building so that construction can begin early in 1957 for occupancy by the fall of 1958. The legislature will vote on the budget later this spring.

JACK TENNIS MEN IN SIX MEETS

Six major meets in addition to matches with local high school teams have been arranged for Humboldt State college's 1956 tennis squad.

Coach Hank Yamagata announced that a match tentatively arranged with Southern Oregon on April 14 will open the slate at Ashland. Other matches:

April 20-21, vs. San Francisco State, Nevada and Sacramento State at Sacramento.

April 27-28, vs. Cal Aggies, Nevada and Chico State at Chico.

April 29, vs. Shasta junior college at Redding.

May 4-5, vs. Sacramento State, Cal Aggies and San Francisco State at San Francisco.

May 11-12, Far Western conference singles and doubles tournament at Sacramento.

Thirteen netters are working out daily under Yamagata. They are Bob Agnew, Ron Barkley, Gary Barlow, Mike Fielding, Gary Holmes, Ed Johnston, John Marcuz, Bill Shaw, Bill Williams, Jim Callison, John Borel, Mike McGovern and Myron Massey. Agnew, Fielding, Marcuz and Williams are lettermen.

Wildlife Senior On Deer Project

How soon after a forest has been logged do deer return to eat? Finding the answer to that question is taking the weekends of William Hines of Eureka, senior wildlife student at Humboldt State College.

In studying deer browsing habits, Hines wants to find out which native plants deer prefer and how quickly the plants furnish abundant food after the area has been logged.

WOMEN HOOPSTERS ENGAGE IN RECENT TOURNEY

The Humboldt State Women's Athletic Association basketball team returned to Arcata from the annual Santa Rosa Sports Day with two wins and one defeat. The tournament was held in the Santa Rosa JC gymnasium last Saturday.

The eight teams represented included Santa Rosa JC, Chico, Humboldt, Oakland College, West Contra Costa, East Contra Costa, and CC of S.F. All games were cut from thirty-two to sixteen minutes to insure completion of the tournament's twelve game schedule.

In the first game Humboldt defeated Chico State 18-15, Barbara Guckeen, HSC, was the games' high scorer with seven points. In the second game Santa Rosa JC defeated Humboldt 12-8. Ann Hitt lead the Humboldt scoring with four points.

In their third and final game Humboldt defeated Napa College 15-8, with Lynn Worswick scoring seven. The Humboldt WAA team scored 41 points to their opponents' 25 in the entire three game series.

Those making the trip from Humboldt included Ann Hitt, Barbara Guckeen, Lynn Worswick, Elsie Thornton, Charlotte Mason, Carolyn Goldsmith, Ruth Summich, Karen Soules, Karen Paulsen, Joan Macro, Annie Gwerder, and Dr. Louise Watson, assistant professor of physical education.

Intramural Finals Next Month

The playoffs to decide the 1955-56 intramural basketball champion will begin with a two game semi-final playoff on April 6, with the final game scheduled for April 10 in the Humboldt State gymnasium, announced director of intramurals, Phil Sarboe recently.

The four teams that finished the season with the best won-lost records will participate in the tournament. They are Married Men, and Nelson 1, both with four wins and one loss records; and Alpha and Redwood 2, with 3 wins and 2 loss records each.

The final standings of league A are as follows: Married Men, Alpha and Redwood 2 tied, Block H, Arcata and 513. The finals in League B are Nelson 1, CY, Redwood 1, Nelson 2 and Gamma tied, and I. K.

The winner of the tournament will have their name engraved on a trophy.

SARBOE VICE PRESIDENT OF NAIA COACH GROUP

Phil Sarboe, athletic director at Humboldt State College, recently returned from the NAIA football conference which was held in conjunction with the NAIA basketball tournament in Kansas City where he was elected second vice president of the National Coaches Association of the NAIA.

This position of second vice president of the organization places Sarboe in line for the presidency in three years. Sarboe said that if things work out there is a strong possibility that he would be president in three years.

One of the most important resolutions made at the conference, was one put forth by Sarboe, who recommended that there be a uniform set of football rules for high school and college football. The idea received considerable support at the conference and was accepted by the group as a whole.

The executive committee of the association will study it over and decide whether to make a change next year during the conference which will be in March.

Coach Phil Sarboe said that if the change is made things will be better for everyone concerned, especially the officials.

As it is now, said Sarboe, officials who officiate both high school and college football games sometimes get mixed up and confuse the two sets of rules. This makes it necessary to bring officials up from the Bay area, which is quite expensive, says Sarboe.

Golf Meet Today At Bayside

Coach Franny Givins leads his golf team into their meet with Portland State today at 10 a.m. This is the first season that Givins will mentor the HSC golf team.

With the meet with Portland today Franny Givins takes over the golf squad for the first time. He will be working with five promising golfers, although the team as a whole is green. Jim Vinum, a freshman, is the most promising newcomer. Veterans back this year are Joe Kramer, Bob Rice and Alan Hendrickson. Another freshman, Bob Archibald, rounds out the team. Lost this season are Dennis Biese, captain Bob Glende and John Halbach.

Golfsters will have five meets this year including the Far West Conference Meet in Sacramento with Chico, Cal Aggies, Nevada, San Francisco and Sacramento, the host team, in May.
