

HSC vs. Nevada Saturday

Annual Conservation Week March 5-9

C.U. Club Will Have Display During C.U. Week

Displays of fish, game and forestry management will be shown in the Administration building hall during the 7th annual Conservation Week sponsored by Conservation Unlimited from March 5 through 9.

Local schools and clubs also will participate in Conservation Week. A special CU meeting will be held Wednesday, March 7, at 7:30 p.m. in the main auditorium, and two Walt Disney films, "Seal-Island," and "Nature's Half Acre," as well as "Deer of California," a film sponsored by the California Department of Fish and Game, will be shown.

Speaker at the Friday assembly will be Henry Hjersman, a biologist and conservationist with the CDFG.

Highlighting the weeks activities will be the annual Conservation Banquet and dance to be held at the Eureka Inn at 7:30 p.m. Saturday, March 10. The main speaker for this event will be Robert Jones, Regional Director, Region 2, Department of Fish and Game. Dale Ingvarsen and his Quartet will provide music for dancing.

Reservations for the banquet and dance may be made through any member of the Wildlife Department.

CONSERVATION WEEK CALENDAR

- March 3—Work party on CU Club house.
- March 5—Official beginning of Conservation Week.
- March 7—C.U. meeting showing Walt Disney movies, "Seal Island and Nature's Half Acre," Cal. Fish and Game picture "Deer of California."
- March 9—Conservation Week Assembly. The speaker, Mr. Henry Hjersman, California Fish and Game Biologist.
- March 10—Conservation Unlimited's banquet and dance. 7:30 p.m., Eureka Inn. Mr. Robert Jones, Regional Director California Fish and Game.
- March 5-9—Conservation Education showing at local schools.

Debate Squad Attend Meet

Milton Dobkin assistant professor of speech, and the HSC debate squad of nine members journeyed last Wednesday to Linfield College for the annual Linfield Tournament. The members of the team will enter in nearly all events offered at the tournament.

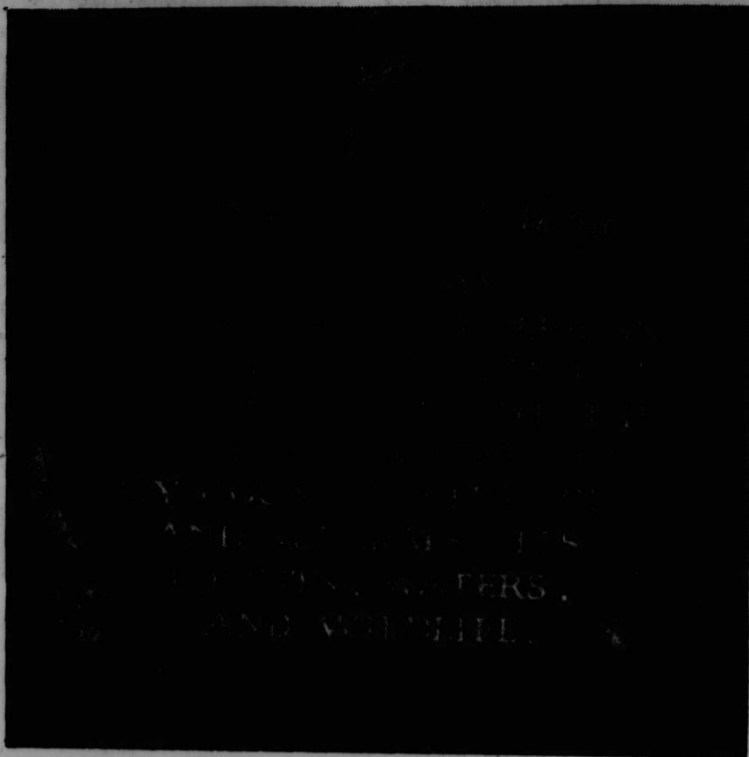

"The members and myself, on the Linfield trip, will return sometime next Sunday evening," Dobkin said last Tuesday.

There will be four teams entered in junior debate and one in individual events. Dobkin and Bob Chegwiddden, team member in individual events, will judge in the tournament.

The team who took the trip are; John Mayfield and Jim Arnot; Jim Shaver and Pete Mathiesen; Freda Wood and Kay Carlson; Carol Molinder and Kathy Davis; Bob Chegwiddden.

Application For Phi Kappa Delta

"An application for a charter has been made by several students and faculty members to the Charter Committee of Phi Kappa Delta," said Dobkin last week. "We have a 50-50 chance of receiving the charter at this time, because of the young debate program at this college."

Chansons De Paris Heard On KHSC

Humboldt State's campus radio station, KHSC, has recently added a number of transcription services to enhance its daily schedule of programming.

From the French Broadcasting System KHSC receives the program "Songs of France"; this in addition to another FBS release, "Masterworks from France" featuring classical music by top French artists.

From the Norwegian Information Service comes the program, "Folk Music of Norway" and "The Spirit of the Vikings"; from the Netherlands, "Music of the Netherlands".

The British Broadcasting Company's "Take It From Here" can also now be heard over the local campus outlet.

These are just a few of the many programs received from some 18 different transcription agencies for release on KHSC. After being aired the programs are added to the permanent transcription library. These transcription programs, along with some forty records received monthly from Capital Records, provides the station with the variety of popular, classical, and folk music heard in the campus area at 700 on your radio dial.

PHYSICS PROF MADE OFFICER

Dr. George Barnes, assistant professor of physics at Humboldt State College, was elected executive officer of the new Northern California Association of Physics Teachers at an organization meeting recently at San Francisco State College.

Dr. Barnes will serve until a constitution is adopted by the group at the next meeting, scheduled for Saturday, May 26, at Stanford University.

About 30 representatives from 11 California and Nevada colleges and universities and several Bay Area government and industry research laboratories attended the organization session.

HSC Publications Staffs Attend Convention

Six members of the staffs of the Lumberjack and Sempervirens are travelling to Long Beach today for the annual California Intercollegiate Press Association convention.

The group is being accompanied by Dr. Milton Hollstein, assistant professor of journalism and publications manager.

Representing Humboldt State at the convention will be Frances Stark, editor of the Lumberjack; Keith Barnhill, assistant editor; Lynn Pryer, drama editor; Louis Cimini, business manager, and Gene A. Smith, sports editor. Representing the Sempervirens will be Cimini and Mrs. Anne Johannsen, associate editor.

Winner To Play Southern Team

The co-owners of the Far Western Conference crown, Humboldt State College and the Nevada Wolfpack engage in a one game playoff to determine who is to meet the Southern representative in the district NAIA playoff. The Nevada-Humboldt game will be held tomorrow night in the Eureka high school gymnasium at 8 p.m.

Nevada gained half interest in the league crown by whipping the Cal Aggies in both games of last weekend's two game series. These two wins gave the Wolfpack an overall season record of 11 wins and 11 losses, and a league mark of 7-3.

In a previous two game series with Nevada in Reno this season, Humboldt came out on the short end in both games. However tomorrow night's game will be played on the Jacks home court, in this case the Eureka high school gym because the

HSC court is shorter than regulation length, and should prove to be somewhat of an advantage to Humboldt.

If Humboldt can overcome Nevada's Wolfpack tomorrow night, the Jacks will play the southern division representative, either San Diego State or Cal Poly who have yet to play off, on March 7 in the Eureka high gym. The winner of this game will then leave for Kansas city the next day, and compete in the NAIA National tourney, which is opening on March 11.

The San Francisco Officials Association will assign the officials for the game tomorrow night and they will send up San Francisco officials. Since the game is an official NAIA playoff game and they are paying the expenses, that organization will receive all the proceeds of the playoff game.

Probable starting lineup for Humboldt State will be Larry Taylor, Paul Shields, Joe Myers, George Ibarreta and Hank Cooper. Warren Baker and Glenn Wallace will probably also see considerable action.

PETTY - PICKED SWEETHEART TO BE NAMED TONIGHT

The annual Sweetheart Ball, sponsored by the Sempervirens yearbook staff, will be held on March 9 with many feature events sharing the spotlight during the evening.

The feature event of the evening will be the presentation of the Sempervirens Sweetheart award to the sweetheart picked by Mr. George Petty, the creator of the world famous Petty Girl of Esquire magazine, who picked the girl out of seven pretty Humboldt coe-ds.

The dance will take place at the Eureka Inn from 9 to 1 with the presentation of several awards taking place some time during the dance.

The presentation of Man and Woman of the Year; announce-

ment of the First Annual Snapshot Contest winner; a special floor show put on by the Jerry Moore Quintet.

The tickets will be on sale at the yearbook office, upstairs in the Coop, and may be obtained from any of the staff members; a ticket booth will be set up in the main hall soon, also they may be purchased at the door.

The Sempervirens Staff promises an exciting program with featured local talent. The dance music will be provided by the Jerry Moore Quintet.

PATRONIZE OUR ADVERTISERS . . . THEY PATRONIZE US!

Pictured at last Friday's assembly when their memberships in the campus Gold and Green Key societies were announced are Bill Jones, senior education major; Jim Nameth, junior business education major; Pat Hammond, English major, a junior; Rose Linser, home economics junior; Ray Cesaretti, elementary education major, a senior; and John Dufour, junior business administration major. Not shown are three other new members: Senior Harriett Hubert, music-education major; Junior Fern Fowler, also majoring in music-education; and Mike Fielding, business education major. All have been active in extra-curricular school activities, and have scholarship averages of 1.5 or above. New members now in their junior year will not be voters in the organization until they become seniors. The Gold Key is for selected senior women, and the Green Key for senior men. Other members of the honorary organizations are Dale Ingvarsen, Larry Flammer, Craig Stark, Ron Goble, George Ibarreta, Jean Guyn, Jean Flockhart, Gori Baker, Joyce Jacobs, and Joline Benites.

WE ASSIGN THE PROF!

TO. Dr. Palais, Prof. of History.

ASSIGNMENT: It has been said by some that we can predict the future from events of the past. As a history expert, will you please present us with a ten-year prognostication of events to come to add us in planning our future, if any?

Since history is a record of what has happened in the past, let us listen to a tale of the muse of history, Chlo:

A British General, visiting Washington, D. C., for the first time, saw some pictures depicting the War of 1812.

"Whom were you fighting then?" he asked.

"You, sir," mumbled the guide. "Don't you remember, the British burned Washington?"

"Burned Washington!" The General was thunderstruck. "We burned Joan of Arc, I know, but never Washington!"

But about predicting the future: History can teach us about the complexity of human behavior and of human institutions. It helps us to understand how human beings got to be what they are. Consequently, we are sometimes tempted to believe that by knowing the direction of human evolution in the past we can extend the curve and know exactly what will happen in the future. This belief is sometimes known as the doctrine of historicism.

Very simply, however, we do not know enough about history

THE CIRCLE "K" CLUB NEWS

This weeks Circle "K" meeting had an added attraction to members and their guests. Mr. Tom Bair of Arcata spoke on "horse racing". Mr. Bair is running for assemblyman from this district.

Robert Waters of Arcata, age 23, was in an automobile accident, and is now in the Trinity hospital. Bob is an active member of Circle "K", and a well known student.

In the past to be able to predict the future. We cannot say because Athens failed against Sparta, a democracy will always fail against a more authoritarian state; we cannot say that because Greco-Roman civilization declined and fell, our current western civilization will decline and fall; we cannot say that because Bourbon kings were restored in France and Stuart kings in England after great revolutions in those countries, that Romanov tsars will ultimately be restored in Russia.

So, not as an historian, but as the seventh son of a seventh son would predict . . .

Humboldt State College will probably have an enrollment of 2000 students in 1966. Since the present proportion of two men to each woman student will likely continue, it would seem that any girl who wants to marry a Humboldt man should come to HUMBOLDT.

.. Hyman Palais

OVERSEAS STUDY CHANCES OFFERED BY NYC INSTITUTE

Foreign Study For Americans

Opportunities for foreign study in seventeen countries are listed in *Foreign Study Guide, 1966-67*, a pamphlet published today by the Institute of International Education, 1 East 67th Street, New York City.

Fellowships at the University of Ceylon and the Free University of Berlin, scholarships for summer study in Austria and England, study awards for artists, musicians and active labor union members are described in the 26-page booklet. Other awards administered by the Institute are also listed.

General eligibility requirements for the fellowships and scholarships, designed mainly for graduate students, are U. S. citizenship; proof of good academic record and capacity for independent study; good character, personality, and adaptability; and good health. Ability to read, write and speak the language of the country of study is a requirement for most competitions.

A private donor will give six grants for study in Spain. Other countries in which awards are available are Austria, Brazil, Ceylon, Cuba, Denmark, Great Britain, France, Germany, Iran, Israel, Italy, the Netherlands, Sweden and Switzerland. Competitions have closed for awards in Colombia and Mexico.

SUMMER STUDIES IN BRITAIN ARE OFFERED TOO

Summer study at British universities is open to American students in 1966, according to an announcement made today by Kenneth Holland, president of the Institute of International Education, 1 East 67th Street, New York City.

Six-week courses will be offered at Oxford, at Stratford-on-Avon, and at the capital cities of London and Edinburgh.

A limited number of scholarships will be available to American students. Award and admission application forms may be secured from the Institute of International Education in New York City or from its regional offices in Chicago, Denver, Houston, Los Angeles, San Francisco and Washington.

Closing date for applications is March 31, 1966.

Courses to be offered next summer are: Shakespeare and Elizabethan Drama, the University of Birmingham course given at Stratford; Literature and Art from the mid-16th to the mid-19th centuries, including the intellectual background to the Romantic Movement, at the University of London; Literature, Politics and the Arts in Seventeenth-Century England, at the University of Oxford; and The European Inheritance given by the Scottish Universities at the University of Edinburgh.

The Class of '67 is going "all out" in planning of its Spring Prom to be held April 20, reports Junior class president John Dufour. Arrangements are underway to get Jack Fina and his orchestra!

PANEL FEATURED AT CSTA MEET

A special program presented at a recent CSTA meeting held at Redwood park featured a panel discussion entitled, "How May You Know Now?"

The moderator was Dr. Harry Griffith, and panel members were W. Harold Farquar, district superintendent of Southern Humboldt schools; Don Nielson, California Education club representative of Arcata High school; Nadine Thompson, CES representative from Fortuna High school; Wayne Harvey, CES representative of South Fork high school; and Harriet Hubert of Humboldt State College. Teacher recruitment was the subject discussed.

Special guests at the meeting were members of the Phi Delta Kappa fraternity, sponsors of the CES clubs.

The club voted to donate ten dollars to the Frosh Camp program of the college.

It was also reported that HSC CSTA members will be represented at a Northern California Professional Problems conference to be held March 10 at the college of arts and crafts in Oakland. The next project of the group will be a cake sale to raise money for restoration of the grammar school in the town of Columbia so that it will be an authentic example of a Gold Rush school.

Thirteen members of the organization volunteered to serve at the Lafayette school dinner held last Wednesday evening.

Following the business meeting and the panel, refreshments were served with Jane Wyllie in charge. Roberta Johnson was program chairman, assisted by Dr. Kaspar Ingebritson.

VET'S CORNER

Last Wednesday night's (Feb. 22) meeting at the Big Four Inn, saw the inauguration of the new look of the Veterans Club in that the general meeting broke up into the smaller committee meetings which adjourned as they saw fit.

It was decided at this meeting to publicize the April 7th "Station for a Day" Veterans project to the utmost of this club's ability. This will of course necessitate each and every members thinking and acting at all times on this matter during their free time.

Once again we would like to ask the HSC Student Body and faculty to deplete their gasoline supply, run low on oil, put off that grease job, don't wash that car, but DO patronize the 7th and G Mobilgas station on April 7, 1966.

Won't you help too?

—Fred Byrd

QUESTIONS AND ANSWERS

Q—I want to get a GI business loan that would not involve real estate. I understand it's possible for this loan to be insured by VA, rather than guaranteed. What is the maximum interest rate on insured GI business loans?

A—The interest rate on insured nonrealty loans may not exceed a three per cent discount rate, or an equivalent simple interest rate of 5.7 per cent a year.

Q—I have just been discharged from service, and I want to apply for a GI term insurance policy within my 120-day deadline. Will I have to take a physical examination to get this insurance?

A—No. A physical examination is not required. However, you must apply and pay your first premium within the 120-day period.

The Beggar's Opera - Review

BY LYNN PRYER

The "human nature is constant" exponent will miss a fine opportunity to win valuable points from the negative side of the question, if he fails to treat all concerned to a festive, fun filled evening with The Beggar's Opera, continuing tonight in the college auditorium.

Although fashions change ten times in an equal number of years and words lose popularity and meaning in a generation, there are those human qualities in the opera, which defy time itself.

John Gay lived and wrote two hundred and fifty years ago for an audience composed of beggars and royalty. The mirror so daringly held by Gay, reflected a true, but inoffensive image of each.

Today, two and one half cen-

turies later, the Humboldt Players are again holding the looking glass, in which so many have gazed. The image, though visible, is ill defined.

A comic opera, running two and one half hours, containing no less than fifty songs, and a fairly complicated plot, must move or be crushed by it's own weight.

Viewing the two . . . dialogue and song . . . separately, there is a feeling of satisfaction. The piece appears labored when seen as a whole.

The unobtrusive, leveled set, furnished a suitable background for the costume magic of Mrs. Lynn Pauley. It is unfortunate, however, that the isosceles triangle and the levels of the set could not have been used more to break up several stark, straight lines in the blocking.

The talented and enthusiastic cast of 27 include Frank Snald, Pat Hammond, Bob Lloyd, Joline Benites, and Dorothy Sousa of Arcata; and Louis Davis and Herb McLellan from Eureka.

Scripters Wanted

An intensive campaign to find scripts by recognized or promising new playwrights will be undertaken by TV to Broadway Production, a new producing firm established by Oscar S. Lerman.

Lerman points out that there are thousands of talented writers throughout the country who never even get the opportunity of having their scripts read. Television networks and advertising agencies responsible for some programs, he adds, will not accept a script unless submitted by an agent.

Before submitting scripts, an application may be secured by writing to TV to Broadway Productions, Suite 609 147 West 42 Street, N.Y.C., and enclosing a self-addressed, stamped envelope.

Minutes of the Student Council

The meeting was called to order on the above date by vice-president, Mike Fielding. Those present were Fern Fowler, Larry Flammer, Bob Jacobson, Bob Furber, Lewis Sbrana, Craig Stark, Dick Harmer, Dr. Karshner, John Dufour, a guest, and Joan Guya.

Old Business

Larry Flammer, who was to have reported the parking problem near the science building to maintenance, is to see Dr. Turner about this.

There was further discussion concerning the student court report submitted by John Dufour from I. C. S. A motion was finally made, seconded, and passed to delete No. 323 under article VIII of the Proposed A. S. B. Constitution, which states that the Board of Control shall serve with the Dean of Students as a judicial board to handle student discipline problems.

A motion was made, seconded, and passed to approve the suggestion presented by Larry Flammer, on behalf of the Constitution Publicity Committee, that there be three voting booths for A. S. B. elections.

A motion was made, seconded, and passed to ask permission to use a public address system a week prior to the A. S. B. election, during the 10-minute break between classes, and during the noon hour.

A motion was made, seconded, and passed to accept the suggested voting procedures presented by Mike Fielding, with the inclusion of one stipulation: I. C. S. members are to be qualified to sit at the election booths, in addition to I. C. S. members.

New Business

Jim Westman is to be contacted and requested to report on the progress of I. C. S.'s committee for publicity of universal student body cards.

Bob Jacobson, reporting in behalf of the Public Relations Program, said there is to be another meeting with Dr. Turner March 1 in regards to this program.

The A. S. B. President moved that the date for the election on the proposed revisions of the A. S. B. constitution be Wed., March 21. The motion was passed. Larry's publicity committee is to take charge of arrangements for this election.

Dick Harmer informed Lewis Sbrana, one of the committee to make plans for the Spring Student Body Retreat, that George Thompson at the Eureka Inn could be contacted to make reservations at Benbow. A motion was made, seconded, and passed to approve May 5 and 6 as the tentative dates for the retreat.

Craig Stark reported that the

Far Western Conference play-off is to be held here March 3. Bob Furber, for Board of Finance, presented the prices for the Sempervirens Dance March 8. A motion was made, seconded, and passed to approve the following prices: singles with A. S. B. cards \$1, couples \$1.75; singles without A. S. B. cards, \$1.25, couples, \$2.

Dr. Karshner asked whether the council wanted him to secure the film which shows the Wisconsin Student Union, in order for students to get an idea of what our potentials may be at H. S. C. in respect to a new student union building. The council was in favor of having Dr. Karshner secure this film.

The meeting was adjourned.

Respectfully submitted,
MIKE FIELDING
Vice-president
Associated Student Body
JOAN GUYA
Secretary

CLUB OF THE WEEK

The ASSOCIATED WOMEN STUDENTS has been chosen as the club to initiate this column, which will appear periodically in the LUMBERJACK. Every HSC coed, holding a Student Body Card is automatically a member of AWS, thus the Associated Women Students is the largest club in membership on the campus.

The purpose in this woman's organization is to promote participation in college activities and a spirit of unity, cooperation, and friendliness among all students.

The AWS traditionally sponsors the annual Mothers' Day Tea in the spring, to which the mothers of all students are invited. A Get-Acquainted coffee hour the second week of the first semester for new women students was sponsored this year, and will probably become an annual activity. The club also held a very successful cake sale.

The Fashion Show, held just before Christmas, with members of AWS as the models, was the most colorful and entertaining event of the first semester.

The New Year was the inspiration for the first Leap Year Dance to be given at HSC. The women students chose their dates for the evening and PAID THE BILL! (There is a concentrated demand for more of this kind of dance on campus!)

For the past two years the AWS has sent delegates to the State Convention of AWS of California colleges and universities, and has profited greatly from this experience.

Officers are elected for a college year; elections take place late in the spring semester. Office in the AWS is one of the highest honors that can come to a college woman. Present officers are: Dian Arvidson Moehnke, president; Fern Fowler, vice president; Roberta Johnson, Rec. Sec.; Fran Singleton, Corr. Sec.; Sylvia Harris, ICS Rep.; Mrs. Kathryn Corbett, Adviser.

COLOR STRESSED FOR SW

The Student Wives met Thurs., March 1 at the home of Mrs. Lawrence Turner to hear H. S. Loft, of Loft and Ward Furniture, discuss interior decoration. He placed special emphasis on color combinations for successful effect. A question period followed. Plans for a March 17 fashion show are underway.

New Constitution Up For Approval In March 21 Vote

A new constitution for the Associated Students of Humboldt State college, including several important changes and clarifications of some controversial sections of the old constitution, will be presented to student voters on March 21. ASB president Larry Flammer announced today.

If approved by the required two-thirds majority of students voting, the proposed constitution would replace the present document immediately.

Plans for revision of the constitution, which have been under way for some time, were given an additional spur last spring when a question on write-in votes on a run-off ballot threw the entire student body into an uproar of controversy.

The proposed constitution, drawn up by the Inter-Club Senate and revised by the ASB Executive Council, makes this point specifically clear: write-in votes will be accepted during the regular election, but not in a run-off election.

Provisions are also made in the by-laws for rulings on the legality of elections, to be made by the Board of Control, and on the legality of petitions to contest an election.

A fifth commissioner would be added to the Executive Council if the proposed constitution is approved. The awards commissioner would hold specific responsibility for organizing student assemblies and encouraging interest in them. Like the present four student commissioners, the awards commissioner would be a voting member of the ASB Executive Council.

Further election changes specify that run-off elections must be held within five school days of the regular elections. A provision to hold votes for two weeks is included.

In another innovation, members of the Inter-Club Senate would be authorized to supervise election polls. This will enable election officials to maintain more than one election booth during ASB elections.

March Deadline For Sel. Service Tests At HSC

CHICAGO—College students interested in taking the Selective Service College Qualification Test have until midnight, Monday, March 5, 1956, to submit application, it was announced today by Dr. E. Nedd Girard test supervisor. The test center in this area is Humboldt State College.

The purpose of the testing program is to provide evidence for local Selective Service boards so they may consider student deferments for military registrants.

To be eligible to apply for the test, scheduled to be given April 19 to college students in 875 test centers throughout the United States, Alaska, the Canal Zone, Hawaii, and Puerto Rico, a student must intend to request deferment as a student, be satisfactorily pursuing a full-time course of instruction, and must not have previously taken the test.

Students interested in taking the test to qualify for possible draft deferment in order to continue their college education are urged to have their completed application postmarked no later than midnight, March 5. Appli-

LITTLE MAN ON CAMPUS

by Dick Biber

"Yes" to both your questions -- This IS a required course and there IS a way out of it.

OF ALL THINGS

Because I wrote one week about a Tradition Committee and their actions, and because I have been consequently defending my position as I have talked with others, I have been thinking more and more about the subject. I had stated that traditions grow naturally, and I believe that they are here and used before we know it or can talk about it.

However, it has been suggested that the ground must be there before the seed can sprout. A different approach to be thought of. What could we do to prepare the way for a really-truly-Jim-dandy tradition? Although it really goes against my grain to cold-bloodedly plot and plan to trap a tradition, the idea fascinated me.

After-day-dreaming out of 187564 windows and drinking

45673 cups of tea, I came up with some sort of a solution. My pride was lessened because the idea wasn't original with me, but was remembered from a tangent a professor took off on during the course of a lecture. This is what it boils down to . . .

UMBRELLA RACKS.

And why not? Trying to go to college through ninety three inches of rain a year (well, close to that . . .) surely should have the compensation of umbrella racks in the right places. The more umbrella racks, the more umbrellas would show up. It might turn into a fad born of necessity. Everyone would have their umbrella. We would be known as the college with umbrellas. Our hands would be cramped and our elbows would be crooked but our books and our beanies would be dry. I hope one (or both) of the jazzy political parties will have this as part of their platform. Someone ought to start it.

—By Syd

PT&T FILM AT ASSEMBLY

A twenty minute film will be presented at this morning's assembly by the Pacific Telephone and Telegraph Company. Following the film there will be a discussion period during which a representative from PT&T will answer questions concerning the new dial system that will go into effect in Arcata this month.

SHELL INTERVIEWS TUESDAY

On Tuesday, March 6, representatives from Shell Oil will be on the campus to interview candidates who may be interested in a position with their company. The particular areas which are open at this time are those of the Financial (Comptroller and Treasurer), Sales and Marketing Operations (Distribution and Engineering) Department. Application blanks may be obtained in the Placement Office, Room 209, where appointments for interviews should be made.

cations dated for March 5 will not be accepted.

For additional information, applications, and addresses of test centers, students should consult any Selective Service board.

JACKS COMPLETE SCHEDULE WITH WINS OVER SOCE

The Lumberjacks closed out their basketball schedule last weekend in a blaze of glory, as they took two games from their arch rivals from across the border, by the scores of 53-49 in the first contest and 66-58 in the second game.

In the meantime, Nevada's Wolfpack devoured the Cal Aggies, in both games of their two game series to gain a tie for the Far Western Conference crown. Humboldt will meet Nevada in Eureka to decide who will represent the conference in the NAIA playoffs with the southern representative.

The first game of the two game series with the Red Raiders started out as a rather slow, methodical contest with each team getting seven field goals in the first half. However, Southern Oregon had the edge in free throws and held a 22-15 lead at halftime.

The Jacks came roaring out of the halftime intermission and quickly knotted the score at 25-25. Southern Oregon once again took control of the ball and slowly built up a substantial lead that kept Humboldt out of reach until the third quarter.

Humboldt came to life once more and took the lead 44-43. From then until the end of the game, the lead changed hands several times before Hank Cooper put the Jacks ahead 51-48 with 20 seconds left to play.

The last couple of seconds of the ball game featured some extra curricular activity that brought both benches and many fans onto the floor. However, the only damage incurred was an eye cut to one of the Raider players.

Humboldt had less trouble with the Raiders from Oregon in the second game, as the Jacks built up an 18-14 first period lead and held a 34-28 lead at halftime. Southern Oregon came back after the half and tied it up 36-36, but the Jacks stepped up the pace and retained their lead.

The Raiders made their bid in the last period when they went ahead of Humboldt 47-46. The lead was short lived however, as Paul Shields turned the tide in behalf of Humboldt and the Jacks quickly built up a 13 point advantage to coast to victory.

George Ibarreta led the scoring for Humboldt both nights, as he scored 18 points the first and 17 in the second game.

(First Game)

HUMBOLDT STATE

Player	FG	FT	PF	Pts.
Myers	3	0	3	6
Baker	0	0	1	0

Halftime score: HSC 34-28.

Henderson Is Top Grid Scholar

Upton Henderson, sophomore guard from Riverside, California, will receive the Humboldt State college football team's "Mr. Scholar" award after the 1956 football season, Athletic Director Phil Sarboe announced.

The award each fall is based on grade point average compiled in the previous football season, since grades are not reported until after fall semester.

Henderson compiled a 2.43, or B plus, average in the demanding game management course at Humboldt. Married and a veteran, he enrolled at Humboldt after a year at Riverside junior college. He was a leading reserve on the HSC team last year.

Henderson is the son of Mr. and Mrs. Bruce Henderson of 6619 Pedely road, Riverside.

Runners-up for the award were Warren Smith, junior fullback from Snoqualmie, Wash., who is majoring in physical education with a minor in history, and Henry Cooper, Jr., junior half-back from Eureka, who is majoring in physical education with a minor in biological sciences. Smith had an average of 2.35 and Cooper of 2.03. Cooper was the winner of last fall's "Most Inspirational Player" award.

Smith is the son of Mr. and Mrs. Clinton Smith, who now resides in Arcata, and Cooper is the son of Mr. and Mrs. Henry Cooper Sr., 3732 Little Fairfield, Eureka.

March 2

INTRAMURAL BASKETBALL DELAYED TWO WEEKS FOR FIRE REPAIRS.

After a delay of two weeks, the intramural hoop teams began the second half of their league schedule last week, announced Phil Sarboe, director of intramurals.

For the first time in Humboldt State's history, a trophy has been set up with the champion intramural basketball team to have its name engraved on the cup at the end of the season. In years to follow. Subsequent intramural champions will also have their names on the cup, so as to make a permanent record of these teams.

The officials for the intramural basketball games are George Ibarreta, Jim Babcock and Charles Hale. Scorer is Phil Sarboe and Warren Baker is the time keeper.
