DeAnne Brown, center, 18 year old freshman education major, became Miss Eureka last Saturday evening. Banking her with their trophies are the runner-ups in the yearly contest, right, Marilee Ammer, also 18 and a freshman, and, left, Charlene Smither, who was Miss Humboldt of 1954, third place winner. DeAnne will participate in the Miss California statewide pageant this June as she vies for that title.

HUMBOLDT STATE HAS CORNER ON MISS EUREKA MARKET FOR '56

Miss DeAnne Brown, a dark-eyed brunette of 18 from Benbow, was crowned "Miss Eureka of 1956" before a near-capacity crowd at the Junior Chamber of Commerce's annual pageant last Saturday evening.

Marilee Ammer of Fields Landing and Charlene Smither of Eureka were runnerup.

DeAnne, a second semester HSC freshman, is the daughter of Mr. and Mrs. W. D. Brown of Benbow. She will represent Eureka in the Miss California pageant in Santa Cruz in June, a "rock and roll" craze.

In the talent feature, Miss Brown won spontaneous ovations from the crowd with her jivey dances "French Bop" and "Turkey Trot." "French Bop" was a slightly Gallic version of the Ammer's "My heart hit the floor," Miss Brown exclaimed about the winning announcement. "It was such a shock."

The radiant young winner receives a \$100 HSC scholarship, and the two runners-up receive scholarships of \$50 and \$25.

Second place winner Marilee Ammer is the daughter of Mr. and Mrs. M. E. Ammer of Fields Landing. Blonde, blue eyed, and 18 years old, she is a freshman at Humboldt State college.

Charlene Smither, third place winner, is a blonde and green-eyed freshman at Humboldt State. She is the daughter of Mr. and Mrs. J. A. Smither of Eureka.

CLAIRE OR MIKE TO HEAD ASB

Mike Fielding, junior from Eureka, polled more votes than either of his rivals for the presidency of the Humboldt State college student body Wednesday but failed to win the clear majority needed for election. A runoff ballot Friday will pit Fielding and Claire McIntosh, sophomore from Samoa, the runnerup.

Fielding polled 168 votes to 116 for Miss McIntosh and 85 for John J. Dufour, junior from Arcata. Fielding is the candidate of the Octagon-Volunteers party, Dufour the standard bearer for the Right party and Miss McIntosh an independent.

A last-minute entrant in the presidency race, Miss McIntosh is the first woman student to contest the student body presidency in many years.

The student body constitution provides that "a runoff shall be held if no candidate receives a majority of votes cast." No written votes are accepted in a runoff election.

The Octagon-Volunteers won five of the other eight offices. Frank Bettendorf, 272 votes, won the vice presidency over Bob Talbott, 94; Roberta Johnson, 249 won the secretary post over Sylvia Graham, 116; Jim Callison, 241, was elected treasurer over Norm Imeson, 120; Gerald Walsh, 281, won publications commissioner over Frances Stark, 85; Jim Barnes, 268, won activities commissioner over Irv Baney, 93.

Right party candidates who won offices are Jim Arnot, 215, assemblies commissioner over Marilyn Wright, 154; Joe Chapelle, 197, rally commissioner over Jay Eshelman, 168; Henry Cooper Jr., 243, awards commissioner over Bill Williams, 127.

The new officers will be installed later this spring and serve for the 1956-57 school year.

Explanation Of Two-Card System To Be Voted By SC

The proposed two-card system of ASB membership will be put up for student vote on May 14. President C. H. Siemens announced today under provisions of the state law governing student body membership.

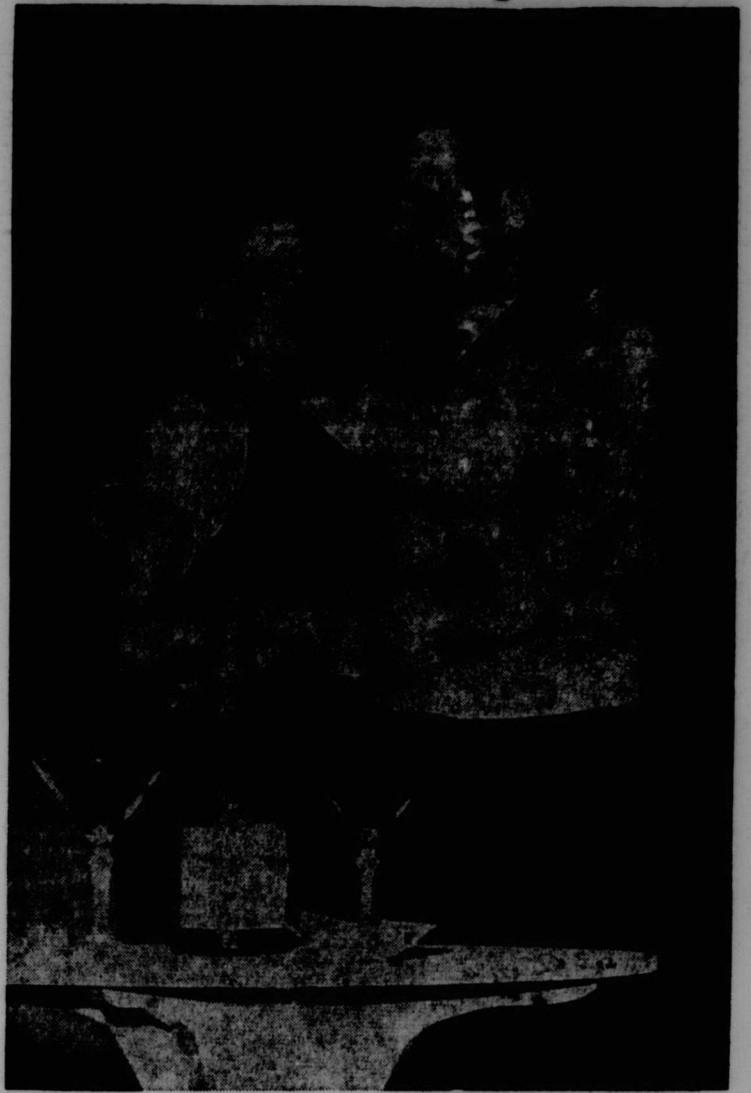

The two-card system would split the present ASB membership system into two divisions, one portion of which would be mandatory.

Opponents of a current provision making membership in the Associated Students mandatory for all club members originally proposed the two-card system. A committee of the student council headed by Bob Jacobson has since worked out details of the plan.

Under the proposed plan, every full-time student would be required to purchase a small membership fee. This would be included in the materials and services fee each semester, and

Two people, Carol Torrence and Herb McLellan, champagne, and two glasses should provide an ideal setting for romance . . . but this particular scene from "Time of Your Life" is misleading. The Saroyan dramatic comedy which plays itself out in a San Francisco bar will be presented tonight, tomorrow night, and the evenings of next Friday and Saturday in the HSC auditorium. Curtain time is 8:10 for this final production of the semester by the College Players.

Compromise Plan On Meal Tickets

The proposed seven-day mandatory meal ticket was modified somewhat this week, following a meeting between president C. H. Siemens and a student clarification committee, made up of members of Green and Gold Key, senior honoraries.

Tentative plans still call for a mandatory seven-day meal ticket, as originally proposed by the President's Council last month. However, the refund requirements will be changed to allow any student absent all

HSC ADOPTS NEW PROGRAM OF GENERAL EDUCATION

A new program of required lower division studies which will affect all students entering HSC next fall has been adopted by the faculty.

The Faculty Committee on General Education completed a year and a half of study with a two-day session in Redwood Park Thursday and Friday April 19 and 20.

During the months the committee has been meeting regularly, studying the many phases of the problem and developing objectives and a program of studies to replace the present system.

State regulations require that students in the state colleges complete a minimum of 45 units of work in General Education as part of their degree programs. A general pattern of distribution is indicated, but each institution develops its own program to meet the requirements.

The major change recommended by the committee was that the requirements be met by courses designed especially to achieve the objectives of general education. Hitherto, a great variety of courses, many designed for other purposes, were accepted toward meeting the requirements.

The new program will call for 12 units in social science, nine units in science, six units in communications, seven units in the

humanities, nine units in the area of personal adjustment, and a choice of one of three elective courses.

For most students, the total number of units required will be 46 or 47, depending on which course has been chosen for the elective. For students who meet special requirements, it will be possible to complete the program in 45 units and to have more elective units.

The program will apply to all students at the college who intend to obtain a degree. It will be binding on all students who enter as freshmen in the fall of 1956 or later. Students who started their programs under the former pattern will be permitted to continue in that pattern.

The Committee met last Friday with the Curriculum Committee of the college and presented the proposal. Following the day long meeting, the Curriculum Com-

Final staging is under way for "The Time of Your Life", the first full-length play written by William Saroyan, which will be presented by the HSC Players tonight, tomorrow night, and May 4 and 5 in the college auditorium.

Setting for the play is "Nick's Pacific Street Saloon, Restaurant and Entertainment Palace at the foot of Embarcadero, in San Francisco". Action takes place during one day in the saloon, and looks into the lives of all who enter.

As in much of his literature, Saroyan is concerned with the individual. Physical or emotional problems of the characters create small themes for the play within the larger narrative.

Although the plan was later abandoned, Saroyan desired, with the first production, to have the play's theme announced over a loud speaker before the curtain rose: "In the time of your life, live . . . so that in that good time there shall be no ugliness or death for yourself or for any life your life touches . . . Seek goodness everywhere, and when it is found, bring it out of its hiding place and let it be free and unashamed."

Four leading roles will be portrayed by Herb McLellan of Eureka, as Joe; Mrs. Carol Torrence, Eureka high school graduate, as Kitty; Frank Bettendorf of Arcata as Nick the bartender; Jon Lawrence from Rio Dell as Tom. The HSC Drama director is Dr. Stanley Glenn.

Journalism Day Set For May 11 Here

The second annual Journalism Day for high school journalism students and publications staff members will be sponsored by Humboldt State college in cooperation with the Eureka Newspapers, Inc., on campus Friday, May 11.

As last year, the program will include a morning round table discussion, a noon luncheon featuring a prominent newspaper personality, and afternoon shop talk sessions on school newspaper and year book problems.

For their essay contributions to Humboldt county historical research, Claudia Wood, center, and Mary Sue Brown, receive scholarships of \$100 and \$50 respectively, from Dr. Hyman Palais of the HSC history department. The awards are given each year from the Barnum Scholarship Fund.

Pictured as they smile over publications prospects for the next year are the Lumberjack and Sempervirens editors for the 1956-1957 HSC term. Fran Stark and Joe Trainor, Jr. were named to the positions at last Friday evening's Press-Radio banquet held at Walt's Steak House in Eureka.

Six radio and journalism students were honored with certificates at last Friday's Press-Radio Banquet. Pictured left to right, top, are Gene Smith, most promising newcomer on the Lumberjack staff; Larry Heise, outstanding newcomer to KHSC; Jean Sylva, lognapper . . . giving a little more than was expected. Seated are Louis Cimmini, who received his award for outstanding service to publications; and Ron Goble, honored for outstanding professional promise. Syd Stibbard, Lumberjack columnist, unable to be present, received an award for excellence in writing.

P-R BANQUET WELL ATTENDED

A talk by Eureka Newspapers columnist Mel Lavine was heard last Friday evening at the Second Annual Press-Radio Awards Banquet held at Walt's Steak House in Eureka.

The banquet was sponsored by the College Press-Radio Club, and was attended by more than 50 college students and members of the press and radio fields.

Lavine outlined the newspaper and wire service activities he came in contact with during his ten-month tour around the world as a correspondent for the Humboldt Times.

During the banquet awards were presented to outstanding students in journalism and radio, and next year's officers were announced for campus publications and the college radio station, KHSC. Dr. William Ladd, head of the radio department, was presented with a special award by his senior radio students.

Also attending the affair were members of Alpha Phi Gamma, national journalism society from Sacramento State College, and Gil Cowan of the Los Angeles Examiner, president emeritus of the fraternity.

Minutes Of The Student Council

The meeting was called to order on April 12, 1956 by vice president Mike Fielding. Members present were Fern Fowler, Marilyn Wright, Larry Flammer, Lewis Sbrana, Frank Bettendorf, Bob Jacobsen, Jim Westman, Bob Furber, Dr. Karshner, Dick Harmer, and Joan Guyn. Guests were Jean Sylva and John Dufour.

OLD BUSINESS:

A motion was made and passed to accept Marilyn Wright as assembly commissioner.

Larry announced that April 20 will be the date for campaign speeches for the A.S.B. candidates.

Bob Jacobsen, for Circle K, reported that the maps for the campus are in the process of being made; the maintenance department is assisting in this project.

Bob Furber, for the Board of Finance, presented a dual card system wherein each student automatically pays \$5 per semester for A.S.B. membership and privileges, and an optional \$6 per fall semester and \$4 per spring semester for an activity card. A motion was made, seconded and passed that we approve these prices so that this proposed plan may be presented to the students this semester.

A motion was also made, seconded, and passed to suggest to the Assembly Bill 827 Committee that a \$.50 discount be allowed on the activity card if it is purchased at the same time as the regular A.S.B. card. A motion was made, seconded, and passed to approve the summer session A.S.B. fees at \$2 for the regular session and \$1 for the post session.

A recommendation on the Assembly Bill 827 was made that this plan be prepared and presented to the Student Council April 26 as it will be presented to the students.

A motion was made, seconded, and passed that the 14th of May be recommended to President Siemens as the date for the election on this new card system.

NEW BUSINESS

John Dufour presented the prices for the Spring Prom as \$1.75 per person without an A.S.B. card and \$1.50 per person with an A.S.B. card. A motion was made, passed, and seconded to approve these prices.

Larry Flammer suggested that Jim Westman take over his duties on the A.S.B. election committee since Larry is working with the Assembly Bill 827 Committee. Jim accepted this responsibility.

Dr. Karshner, in regard to the matter of seven-day meal tickets, reported that results of a survey of meal tickets and refunds in 25 small colleges will soon be presented to the council.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Joan Guyn, Secretary

Mike Fielding

A.S.B. Vice President

April 19, 1956

The meeting was called to order on the above date by Vice President Mike Fielding. Regular members present were Pat Heney, Marilyn Wright, Fern Fowler, Craig Stark, Frank Bettendorf, Bob Jacobson, Larry Flammer, Lewis Sbrana, Bob Fuber, Don Karshner, Dick Harmer, and Joan Guyn. John Dufour was a guest.

A correction to the minutes of the last meeting was called for: The 50 cent discount, under the proposed dual card system (ASB) would be made for buying the full year activity card, valued at \$10. (\$10-\$5.50=\$9.50)

OLD BUSINESS

It was reported that the Board of Control is in the process of being organized for next year.

NEW BUSINESS

The Council agreed to have Jim Westman select a person to conduct I.C.S. meetings in his absence. This substitute is to report I.C.S. happenings to Jim, who will report, in turn, to the Student Council.

OF ALL THINGS

Although I am no longer in the group that will suffer the consequences of the five-or-seven day meal ticket, I can still sympathize with all of them. I am an old Five Day man myself. I had my reasons just as others had theirs, for choosing as I did. There are reason of thrift, of variety, of travel or of just plain bull-headedness, and all are equally valid. But now the Seven Day Meal Ticket looms with the threat of law behind it.

is to be Fran Stark and the Sempervirens editor, Joe Trainor, it was reported.

The Green and Gold Key are to meet April 24 with Dr. Siemens concerning the 7-day meal ticket question.

Frank Bettendorf presented the prices for accommodations for the Spring Retreat at Hotel Benbow; the Board of Finance is to consider these prices in view of a possible additional subsidy for expenses of the Retreat.

Bob Furber reported that letters and equipment for the plaza sign will amount to about \$260. Two hundred dollars has been pledged by the A. S. B. for this sign project.

Lewis Sbrana said that after the ASB election the Rally Commissioner will choose yell-leaders; help on this selection coming from rally members.

A motion was made, seconded, and passed to approve the allocation of \$448 for the spring sports transportation needs. Any part of this allocation not used is to be returned to the ASB treasury.

The Council approved the transfer of \$100 from the Health Trust to the Current Operating Fund to finance campus health services for the rest of the term.

A motion was made, seconded, and passed to accept the following prices for the All Day Picnic, May 16; Non-ASB card holders, \$1, if the dance is not at Camp Bauer, \$1.50 if the dance at Camp Bauer. A suggestion is to be sent to the All Day Picnic Committee recommending that arrangements be made for responsible adults to check ASB cards for this affair.

Dr. Karshner suggested that next year the student body president and graduate manager be sent to various colleges in the state to find out what their plans and activities are for the school year. Larry Flammer is to discuss this matter with the Board of Finance to be able to report more definitely on this matter.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Joan Guyn, ASB secretary
Mike Fielding, Vice President.

What will happen to the system? Will people leave the dorms so as to exercise their voracious and variable appetites, or will they choose their monastic cells and embrace the unbreakable chain of meals that will extend through the next four or five years of their life?

There are a number of time honored ways of dealing with this sort of problem. We can be Democratic, and elect and vote like crazy. We can be fanatical and join the Rum-Riot-And-Revolt school of thought. We can be strong, silent and full of principles and go to South America and leave the school to totter on as best it can. But there is one more way. Like Ulysses, we can be shrewd.

I think a few students should band together and buy a deep-freeze . . . a big one. Then take their seven-day meal tickets and calmly take Saturday's and Sunday's meals and put them into the deep-freeze every week. The next semester they could take their deep-freeze and move into an apartment and live off the Saturdays and Sundays of the previous semester! Absolutely no expense for the second semester if this plan is followed!

Or else you could vote, petition, revolt or leave.

SPRING ROUNDUP TO BE MAY 4

By Jack Legate

Get those glad rags ready, guys and gals. Next Friday, May 4, is Spring Roundup Day, sponsored by the College Y. That's the day all you fellows wear blue jeans and plaid shirts and all you gals wear your best gingham or print dress all day at school. Yes sir, podners, don't forget and wear your "city slicker" clothes that day. No siree!

When your time-piece reads 7:30 that night, you'll begin to do the do-si-do just like the thousands of other Americans do each week. Don't worry about not ever having square-danced before. Chuck Cline, noted caller from Eureka, will teach you just how to do it . . . and it's simple, too. Just head for the gym and walk right in. Nobody's goin' to charge you a cotton-pickin' thing. That's right, podner. It's all FREE! And what's more, there will be free cider and cookies for everyone.

What more can you ask for? A full evening of folk and square dancing with some popular dancing thrown in. Ya' don't need a date that night necessarily. Come on down, anyway. You'll be plumb tuckered out when we get through about 11:00, but I betcha you'll be glad you came.

11 Winners Named At IA Banquet

Eleven high school students won certificates of "outstanding accomplishments" at the second annual HSC Industrial Arts club exhibit this week in Jenkins hall on campus.

Winners from Eureka high were Dick Rush, graphic arts; Bryan Sieber, woodworking (advanced power tools); Charles Howitt, mechanical drawing (first year); Jack Bruner, mechanical drawing (second year); Kay Jacobsen, lettering, and Dale Allen, plastic work.

Arcata high school students who won the highest award were Benny Mills, metal working; Wayne Marcella, wood working; Ray Shepard, wood turning, and Ken Kunzler, drawing. Fortuna Union high school student receiving a certificate was Gene Currier, beginning power tools.

The work of these students and those receiving first and second honors and honorable mention may be seen Friday from 8:30 a.m. to 4 p.m. in Jenkins hall on campus. The exhibit opened on Wednesday. Displays were judged Tuesday evening after a banquet sponsored by the HSC Industrial Arts club in cooperation with the north coast section, California Industrial Education association.

"Bondells" Run Presented At University of Dayton

A production of Dr. John F. Pauley's three-act comedy, "Bondells," will be staged tonight and tomorrow and May 4, 5, 11 and 12 at the University of Dayton.

Hello There!

Last spring the sidewalk running from the entrance of the Administration Building south to the library was dedicated by Dr. Siemans as "Hello Lane."

The bronze plaque dedicating the walk has been placed in the grass at the top of the Administration Building steps as a reminder to present and future students of Humboldt State that friendliness toward all is one of cornerstones upon which the college was built.

To help perpetuate the friendly air of a small campus as the college grows larger, the International Relations Club has placed several signs along the lane in the replica of an axe which says

Dr. Jones To Speak On School Philos.

Presenting major trends of religious and nationalistic influence in the American school system, Dr. Archie H. Jones, HSC assistant professor of history, will talk at an informal meeting Monday, April 23, at the college wildlife building auditorium at 8 p.m. The public is invited. A short coffee period will be held after the talk, preceding an audience discussion period. Calling his talk "Religion and Nationalism in American Educational Thought," Dr. Jones will review influences on the American school by the philosophies of Thomas Jefferson, Horace Mann and John Dewey.

After identifying the contributions of these scholars to traditional American educational thought, Dr. Jones will show the changes made by modern schools.

New patterns of thought have been incorporated into American education. The duty of the school is to preserve, improve and spread democracy and to provide a place where morality, virtue and patriotism are taught, according to Dr. Jones.

"We have always considered it very necessary to teach moral values in the school, but in the twentieth century we have concluded that we should re-make the moral structure of society," Jones said.

The meeting will be the third in a month series of program prepared by members of the college faculty in order to disseminate information and provide discussion periods for the travel and study projects of HSC faculty members.

Student From Korea Visits HSC

Suck Gho Chyung, a Korean student now attending Shasta Junior College, recently visited the HSC campus to present President Cornelius H. Siemens with a book on Korean fish, a gift from his father, Chyung Moon Ki.

The young student is interested in fisheries, and plans to transfer to Humboldt State next fall. He is being sponsored in this country by the Kamloops, Inc., of Redding, a sportsmen's organization.

The father, Chyung Moon Ki, is chief of the General Fisheries Inspection Stations for the Korean government, a member of the Korean Academy, and author of the gift book, which is printed in Korean characters with certain English titles and an English foreword.

The book, entitled "Korean Fishes" embodies the classification (scientific names, standard Korean names, local names, Chinese, Japanese and English names), forms and types, habitation, distribution, and utilization of the 833 species of fishes in all of Korea, according to the foreword.

BARNUM GRANTS AWARDED 2 COEDS

Winners of the Charles R. Barnum history award at HSC were announced this week by college president Cornelius H. Siemens.

The donor of the cash awards was a Eureka businessman and member of the college advisory board until his death in March 1953. Shortly before his death, Mr. Barnum created an endowment to be awarded annually to an HSC student presenting a research paper which would contribute to the history of Humboldt county.

First prize of \$100 was awarded to Miss Claudia Wood of Scotia for her paper on the history of Scotia and the Pacific Lumber Company.

Second prize, \$50, was awarded Mary Sue Brown, of Eureka, for a contribution to the history of Trinidad. Both girls are seniors at the college.

Basis for judging the entries included: research contributing to the history of the county, originality, style, and general treatment, according to members of the HSC faculty, Dr. Hyman Palais and Dr. Ralph Roske, who selected winners.

Miss Wood's parents are Mr. and Mrs. J. R. Wood of Scotia. She is a 1952 graduate of Fortuna Union high school, and is studying history and English.

Initiated Wednesday were 29 Spurs, new members of the college women's service organization.

During the morning the girls polished HSC trophies and at noon were initiated in front of the Co-op.

The new members are Ruth Susmilch, Sylvia Graham, Carol Torrence, Harriet Marsh, Sue Crichton, Barbara Hellberg, Jo-Ann DeFino, Panny Dawson, Arlene Sterner, Erlene Hemenway, Joanne Beer, Joan Mattson, Jackie McLeod, Sally Conklin, Sharon Harper, Cathy Davis, Sandra Peretto, Irene Van Horn, Marijean Bertrand, Edith Sater, Eleanor Nelson, Joy Branaman, Judy Shaw, Evelyn Horn, Helen Olson, Pat Hodges, Pat Clark, Judy Ferguson, and Kay Carlson.

The formal initiation will be held Sunday, May 7 at the Eureka Inn.

TWO-CARD VOTE

(Continued from page 1)

would amount to five dollars per semester or \$9.50 per year.

The membership fee would entitle the bearer to membership in student activities, to receive the Lumberjack, reduced prices at all student activities, and would pay for the student portion of the health program.

Active participants in student body affairs would be required to purchase an activities card, which would entitle the bearer to a substantial reduction in the price of the Sempervirens, free admission to student body activities, and all other benefits now accruing to holders of student body cards.

The activities card would be optional to student body members, but would be required for active participants in all student body activities, such as athletics, dramatics, and student publications. Tentatively established as the price for the activities card has been tentatively established at ten dollars.

The two-card system was designed to meet complaints from some students that many students are not interested in active participation in student affairs, but would pay for some of the benefits of a student body card.

The election will be held under provisions of the state law under which all but two California state colleges now have compulsory student body cards. The proposition allows the director of education to fix the required fee. The director of education will fix only the fee recommended by the college voting, a spokesman said. At Humboldt, a fee of five dollars per semester will be asked.

The election will be open to all full-time students, and will be supervised by faculty members. Secret balloting will be used. Polls will be open from 8 a.m. to 4 p.m. on the election day.

These four students have achieved the highest scholastic averages at HSC, and were honored this week by being placed at the top of the President's List of HSC Scholars. Left to right are Frank Spaid, freshman from Arcata, and Harriet Jo Marsh, freshman from Fortuna, who rank at the top of lower division students; and Mrs. Mary Ann Smith, senior from Crannell, and William Glen Bradley, senior from Oakland, the top-ranking upper division students.

HONOR STUDENTS LISTED BY PRESIDENT SIEMENS

The President's List of Humboldt State College Scholars was released this week by President Cornelius H. Siemens, honoring students who have achieved a grade point index of 2.30 or higher, which is at least a B plus average. The list is based on courses completed at HSC by full-time students through February, 1956.

In the upper division, the two students who have achieved the highest averages are Mrs. Mary Ann Smith, senior business major from Crannell, and William Glen Bradley, senior wildlife management major from Oakland. Twenty-six additional upper division students are on the list.

The two lower division students who have achieved the highest grade point averages are Harriet Jo Marsh, freshman chemistry major from Fortuna, and Frank Spaid, freshman engineering major from Arcata. There are 38 additional lower division students on the list.

President Siemens announced that those earning recognition on the list constitute approximately five percent of the HSC student body, and that the list compares in its qualifications to the kind of scholastic achievement list used by large universities as a basis for election to Phi Beta Kappa, the national honorary fraternity for students in the liberal arts.

Upper division students making the list are Geraldine Abbie Baker of Healdsburg, William Glen Bradley of Oakland, Jack Richard Brewer of Eureka, Erling Jan Daastol of Eureka, Bette Mattison Dobkin of Arcata, Lawrence Ivan Flammer of Bayside, Avis Hanson Fredericks of Arcata, Paul Raymond Gierck of Eureka, Johnny Ray Grammer of Eureka, Joan Lynn Guyn of Fernbridge, Patricia Hitchcock Hanson of Arcata, Leslie Holgerson of Arcata, and Marian Boyer Holverson of Eureka.

Also James C. Joseph of Los Angeles, Jess Roy Lewis of Arcata, Jack Darrell Linn of Oakland, Margaret Holmes McFarland of Arcata, Rolf Emil Mall of Arcata, Diane Arvidson Moehnke of Eureka, Barbara Lewis Parke of Arcata, Jack Bodell Pearce of Eureka, Ann Davenport Peithman of Arcata, Norman J. Scott, Jr., of Arcadia, Norma Louise Shreve of Vallejo, Mary Ann Calvin Smith of Crannell, Craig Marlowe Stark of Bayside, Claudia Jane Wood of Scotia, and Sonya Helena Youssi of Eureka.

Lower division scholars are Wendy Mansfield Alexander of Eureka, Martha Inez Anderson of Arcata, Marshall Gary Barnes of Eureka, Viola Pangburn Barnes of Arcata, Joanne Ella Beer of Arcata, Birdie Ruth Carlson of Arcata, Frances Kay Carlson of Eureka, John David Cherry of Massachusetts, Francis Marlon Clark of Arcata, Todd James Collins of Trinidad, and Charles William Corwin of Eureka.

Also James Lawrence Dodge of Santa Monica, Helen Davis Dunning of Fortuna, Patricia JoAnn

Early of Fortuna, Carolyn Notley Falkenberg of Eureka, Morley Stuart Farquar of Miranda, Emily Constance Glines of Fortuna, Gloria Kiste Hawkins of Orick, Rolf Eugene Hellberg of Eureka, Upton Bruce Henderson of Riverside, Allan Scott Knapp of Sacramento, Joyce Kay Killinger of Arcata, Jerry Zane Long of Crescent City, Harriett Jo Marsh of Fortuna, Joan Barbara Mattson of Crescent City, and Gary Floyd Mauney of Ferndale.

Also John William Phegley of Eureka, Jean Lillian Richards of Arcata, Thomas Harold Richardson of Ferndale, Carol Coombe Robinson of Eureka, Rodney Royce Skelton of Arcata, Gerald Dee Skipper of Eureka, Dorothy Geraldine G. Sousa of Arcata, Frank William Spaid of Arcata, Mary Louise Stewart of Alton, Jack Edwin Throop of Clearlake Highlands, Carol Nearon Torrence of Lima, Ohio, Carol Duane Vitelle of Eureka, Archie Weatherers of Arcata, and Sharon Sylvester Weygand of Fortuna.

MEAL TICKETS

(Continued from page 1)

weekend to receive the same overall price for his meal ticket now paid for a five-day ticket.

Administration representatives pointed out that only two of 20 colleges of similar size do not have a seven-day requirement. Particular stress was laid on the need of providing a balanced diet for dormitory residents, especially for younger students.

The program now under consideration would provide only seven-day meal tickets. Students absent any two consecutive days will be able to receive credit on their next meal ticket of \$1.25 for each day missed. Present refund rules stipulate an absence of three school days before a refund can be given.

Holders of five-day meal tickets are now being charged 75 cents for each weekend day, administration officials said. In effect, students will be able to receive exactly the same services for the same price now paid. However, the initial payment will be for a seven-day ticket instead of the five-day plan now in use.

Younger students may be required to present permission in writing from their parents before taking refunds, other officials said. This is designed to meet protests from parents of freshmen that their children are not receiving a balanced diet during weekends on campus. No such requirements will be asked of upper division students, under present plans.

AGGIE SERIES TOMORROW IN ARCATA

The Lumberjack baseball nine returned home for a doubleheader with the Cal Aggies tomorrow in the Arcata ball park which is a Far Western Conference contest. The first game is scheduled to get underway at 1 p.m.

The Jacks are fresh from a not unsatisfying split with the conference champions and title favorites, Sacramento State on the Hornets' home diamond last week.

Jim Richardson, letterman right hander who beat the Hornets 13-6 in the opener, is Kinzer's choice to pitch the first game against the Aggies. Unless Richardson needs relief, Warren Baker will start the nightcap.

The Aggies were trounced earlier this season by Sacramento but Kinzer noted that the Aggies play against the pick of the northern California teams and "they're always in there to beat you."

Humboldt's win over Sacramento State was the first ever registered by the Lumberjacks over the Hornets and gave the Jacks a great deal of personal satisfaction. At the same time, the games showed up errors that might have been corrected had the Lumberjacks cut their teeth this season on tougher competition.

Kinzer said his team may have suffered a "slight letdown" in the second game, which they lost 10-0, but paid high praise to Sacramento left hander Dave Warnock, who limited the Jacks to a single hit.

Humboldt will spend a lot of time in practice this week developing hitting. Ralph Mayo, who switched from right to left-handed batting this month, now is switch hitting and beginning to meet the ball well, but still needs lots of work.

Kinzer said the team always would concentrate on tactics such as bunting plays with men on first and second.

He said he anticipated no changes in the lineup that has Al Schrader at catcher, captain Phil Huff at first base, Dick Dudley at second, Bob Lawson at shortstop, Jerry Garcea at third, and Mayo, Larry Taylor and Al Deniz in the outfield.

Dave Sturdyvin and Jim Davis give Humboldt one of the strongest one-two hurdle combinations in the conference. Davis, at the right, missed the meet with Shasta last weekend because of a pulled leg muscle but is expected to be ready for tomorrow's meet with Sacramento State.

GLOVEMEN SPLIT WITH SACRAMENTO IN LAST WEEKEND'S TWIN BILL

In their conference opener last weekend, the Lumberjacks took the opening game of a doubleheader from the defending champions, Sacramento State, 13-6, but the Hornets came back to dump Humboldt in the rubber game 10-0. The twin bill was played at Sacramento.

The opening affair was a come from behind win for the Jacks who were behind 5-4 going into the top of the fifth. However a seven run outburst in the fifth buried Sacramento and two more in the seventh sewed up the Jack win. The big blow in the seven run spree was a triple by Bob Lawson with the bases bulging.

Jim Richardson was the winning pitcher, as he gave up seven hits and allowed six runs.

The Hornets roared back in the second game and behind the one hit pitching of Bob Warnock shut out Humboldt 10-0. Phil Huff spoiled Warnock's bid for a not hitter, as he singled in the seventh inning.

Gary Mauney was the losing pitcher for Humboldt and was relieved by Warren Baker.

Jack Tennismen At Chico

Humboldt netters journeyed to Chico yesterday for a weekend round-robin tennis tourney with San Francisco, Cal Aggies, Nevada and Chico. The five man squad will play five singles and two doubles against all teams in the tourney, the winner to receive a trophy.

Five HSC netmen left Thursday by auto for the first of two tourney meets. The winner of the first tourney in Chico will receive a trophy, which is the first trophy offered in a FWC tourney.

Matches at Chico this week will count toward the FWC standings under the round-robin system adopted last December at the conference winter meeting.

Humboldt lost to Southern Oregon last week 7-0 in the worst defeat suffered by a Humboldt team in two years. Humboldt trounced SOC last year and the year before with comfortable margins. HSC had essentially the same team last year when they met Southern Oregon.

DUAL MEET SCHEDULED FOR ARCATA TOMORROW

Humboldt State's trackmen encounter the Sacramento State Hornets tomorrow afternoon in a dual track meet that marks the first time the Sacramento squad has travelled to Humboldt for a cinder meet with the Jacks. Field events will begin at 1:30 and track events at 2 p.m.

Coach Bob Doornink's Lumberjacks will go up against the Hornets fortified with two wins and a second place in three meets this spring. The Jacks will be at full strength for the meet.

Sacramento State will be the fourth conference opponents Humboldt has met this season. The Jacks have bested Nevada and Cal Aggies and lost to Chico. A scheduled meet with San Francisco State was rained out. These meets do not count toward the conference championship but provide teams with invaluable conditioning for the conference meet May 12 at Sacramento.

Jim Davis, freshman hurdler, is recuperating from a pulled leg muscle, and Norm Scott, junior distance man, is favoring a sore leg. Both, however, are expected by Doornink to be in shape for the meet Saturday.

Probable Humboldt entrants in each event are:

100 yard dash—Harman Bonniksen and Kent Stromberg.
220 yard dash—Bonnicksen, Stromberg, and Paul Williams.
440 yard dash—Williams, Bill Henry, and Larry Amos.
880 yard run—Warren Smith, Hank Cooper, Harvey Kesterson.
1 mile—Justin Crosby, Eric Hughes, Scott.
Two mile—Crosby, Hughes, Wayne Smith.
Low hurdles—Davis, Dave Sturdyvin, Terry Wallace.
High hurdles—Davis, Tony Vasquez, Ralph Johnson.
Broad jump—Williams, Ralph Barnum.
High jump—Barnum, Terry Wallace.
Pole vault—Wallace, Curt Bolton.
Javelin—Cooper, Johnson, Harold Maertins.
Discus and shot put—Johnson, Ben Zlatoff, Gordon Moore.
1 mile relay—Bonnicksen, Barnum, Williams, and a fourth man to be selected from among Amos, Henry or Wallace.

Barnum and Williams have placed first and second in the broad jump in every meet this year. Both have consistently bettered Williams' 22 feet, 1 1/4 inches school record of last year in the event, with Barnum currently holding the school record at 22-9 1/4.

There is one more meet scheduled before the big conference meeting on May 12 in Sacramento. This next to the last meet will be held May 5 against Southern Oregon in Arcata and will be the last chance for the Jacks to make any changes or improvements before the conference meet.

CINDERMEN BEAT SHASTA SQUAD

The Lumberjack track squad displayed power in every event as they swept to a 89-33 win over Shasta JC in a track meet held in the Redwood Bowl last Friday afternoon.

Captain Paul Williams led the rout with first places in the 440, 100 and the 220 while copping second in the broad jump and anchoring the relay team. Earl Barnum took top honors in the broad jump and tied in the high jump while Ben Zlatoff won the discus and shot put events for another dual victory.

Humboldt won 12 of the 14 events as Dixon saved Shasta from a complete shutout by winning first places in the pole vault and the 120 yard high hurdles for the junior college squad.

1 mile—Crosby, HSC; Quigley, S; Cleak, S. 4:59.1.
440—Williams, HSC; Barnum, HSC; Thompson, S. :52.8.
100—Williams, HSC; Bonniksen, HSC; Hall, S. :10.4.
120 H. H.—Dixon, S; Vasquez, HSC; Evans, S. :17.4.
880—Kesterson, HSC; Smith, HSC; Cooper, HSC. 2:04.4.
220—Williams, HSC; Bonniksen, HSC; Hall, S. :22.7.
Two Mile—Hughes, HSC; Quigley, S; Muncy, S. 10:43.5.
220 L. H.—Sturdyvin, HSC; Evans, S; Hall, S. :26.6.
Shot put—Zlatoff, HSC; Frembling, S; Moore, HSC; 39' 10 1/2".
High Jump—Barnum-Wallace, HSC; Evans-Frembling, S. 5'6".
Pole Vault—Dixon, S; Wallace, HSC; Frembling, S. 11'.
Discus—Zlatoff, HSC; Moore, HSC; Dixon, S. 118' 1/2".
Broadjump—Barnum, HSC; Williams, HSC; Hall, S. 22'4".
1 mile Relay—HSC (Bonnicksen, Amos, Barnum, Williams). 3:38.7.
