MUSIC-MAKERS OF 6 SCHOOLS HERE FRIDAY

Continuing a tradition more than 25 years old, high school musicians from throughout Humboldt county will gather for a music festival. For the fourth consecutive year the event will be held at HSC scheduled for this Friday.

At that time area high school bands, orchestras, choruses and other vocal and instrumental groups will provide a day of entertainment and music education for each other. High schools in Arcata, Eureka, Crescent City, Ferndale, Fortuna and Miranda will send students to festival.

The vocal and instrumental groups of each of the six schools will spend the morning and the greater part of the afternoon entertaining and learning from each other.

The public is invited to attend the events, which will start at 10 a.m., and continue through the afternoon.

Large high school groups planning to attend include Arcata Union High school a capella choir and mixed chorus directed by Miss Ruth Carroll, and the band and intermediate band directed by Woodrow Thompson; Eureka Junior High school seventh grade a capella choir, girls' Glee club and mixed chorus directed by Mrs. Ella Schalansky, and the band directed by James T. Eads; Eureka Senior High orchestra and band directed by Louis Weichselfelder, and the a capella choir, girls' Glee club and boys Glee club directed by Thomas Hibdon.

Also, the Del Norte High school band, directed by Ralph Goings; Ferndale Union High school chorus and band directed by William Crane; Fortuna High school concert band, orchestra, girls' chorus and mixed choir directed by William Swackhamer; South Fork Union High school senior band and senior choir directed by Raymond Miller, and the senior chorus directed by Sidney Smith.

The gym will house performances of bands, orchestras, Glee clubs and large vocal groups. At the same time, smaller groups, including vocal and instrumental ensembles and solos, will play in the science building auditorium.

Industrial Arts Exhibit Today

The work of outstanding young craftsmen from Humboldt county high schools and from HSC will be on display at the second annual HSC Industrial Arts Show today, Thursday and Friday, April 18, 19 and 20, in Jenkins hall on campus.

Sponsors of the show are members of the HSC Industrial Arts club working on cooperation with the north coast section, California Industrial Education Association.

Club members will host members of the association at a dinner meeting April 18 at 6:30 p.m. in the College Elementary school

FINA FEATURED FRIDAY AT PROM

Jack Fina, well known pianist, composer, and orchestra leader, and his orchestra will play for the HSC semi-formal spring prom at the Home Economics Pavilion, Redwood Acres, Eureka, Friday from 9 p. m. until 1:30 a. m.

The Junior Class, sponsor of the dance, is setting a precedent at the college, for this will be the first time in the college's history that a name orchestra has provided the music for a college function, it was pointed out by John J. Dufour, class president.

Members of the Humboldt State College Alumni Association and their guests may also attend this event by making reservations through Earl Rumble, president of the Alumni Association, or by contacting the Dean of Students office at the college. The Prom is to be semi-formal. The admission is \$1.75 for those who do not hold student body cards. Refreshments will be served.

The members of the student committee working on the Spring Prom are: Hoben Thomas, Diane Woodruff, Larry Mitchell, Braley Pastorino, Fern Fowler, Carolyn Senter, John Dufour, Dean Mc-

after which the educators will judge works on display. Winning entries will receive certificates of merit.

The displays will be open all three days from 8:30 a.m. to 4 p.m. and on Wednesday also from 7 to 9 p.m., said Bob Meeks, club president.

Some of the items on display will be for sale. Funds derived will go toward a scholarship being set up by the club to assist an outstanding student majoring in industrial arts at HSC.

The Ten Talented Fingers of Jack Fina with the Fina orchestra will provide Spring Prom music Friday evening in the home economics pavilion at Redwood Acres. The semi-formal dance sponsored by the Class of '57 marks the first time a headliner has been secured by the college for such a function, reports a class spokesman.

Colum, Claire McIntosh, Bob Talbott and Fred Byrd. Faculty advisors for this dance are Professor Charles Fulkerson of the music department, and Professor Richard Bibler of the art department.

Tomorrow's World

The "World of Tomorrow", was the topic for discussion at the first College Y "bull session" of the year held last Monday night at the home of Mr. Charles Parke. Just as the over-all scope of the "bull session" is unlimited, so was this initial session.

Some felt that even though the more fascinating aspects of the world of tomorrow might be found in scientific developments, it was the sociological impact that will effect the average citizen. Populations will tend to center around the factory.

Our future factory would probably have a conveyor belt entering a building at one end and exiting at the other after passing through no-man's land of mechanical monsters. This would involve a much higher degree of automation than we have today. It is likely that raw materials may be put on the in-going belt, to reach the other end as the finished product.

Next week's session, to be announced in the daily bulletin, will revolve around the Middle East crisis.

FRIDAY

500 HIGH SCHOOL SENIORS VISIT HSC CAMPUS TODAY FOR COLLEGE ORIENTATION

More than 500 high school seniors from northern California were expected to attend today's annual Senior Day program at HSC. Planned to acquaint high school students with the opportunities of college life and education, Senior Day will start with registration at 9:30 a. m., and informal tours of the campus. Guides will be members of the student service organizations, Spokes, Circle K and Intercollegiate Knights.

Representatives from nine high schools are attending, including those of Eureka, Hoopa, Fortuna, Ferndale, Miranda, Leggett, Laytonville, and Covello. Program arrangements are directed by Dr. Bernard Hall, assisted by Dr. Don Seastone, student chairman Jim Barnes, and Roberta Johnson, Sally Conklin and Mike Ladd.

To orient the seniors to the college classroom, students will join and audit regular classes from 11 to 12.

After a hot dog lunch at the college gymnasium, guests will be greeted by HSC Student Body President Larry Flammer and welcomed by President Cornelius Siemens.

Interviews with faculty members of each division within the college are arranged from 1 to 2 p. m. Conferences have been set up for seniors interested in business, education, psychology, fine and applied arts (art, industrial education, music and speech), health and physical education (nursing, physical education for men and for women), language and literature (English, foreign language, journalism), natural science (fisheries and game management, physics and engineering, biological science, forestry, agriculture), and social sciences.

Ending the day in the college auditorium, visiting seniors will hear about next year's Frosh Camp, an orientation program to college study and fun, from Student Director John Dufour. After a short movie about "College: Your Challenge," the guests will hear the Madrigal Singers, who are directed by Music Director, Leon Wagner.

Classes Scheduled For Noontime, Saturdays

Current administration plans call for Saturday morning classes and noon classes at Humboldt State next fall. Reason given for the move is the lack of facilities available to meet the swelling enrollment at HSC.

Dr. Homer Balabanis, Dean of Instruction, revealed that since there will not be enough classrooms available next fall, plans are underway for scheduling classes at 9:00, 10:00 and 11:00 o'clock on Saturday morning.

Dean of Students Don W. Karshner explained that, with increased facilities to be built soon, next year will be the most critical one in the foreseeable future.

Dr. Karshner stated that every attempt will be made to allow student participation in noon activities. Monday, Wednesday, and Friday noon classes will be limited to courses for which other sections are available, and as far as possible Tuesday and Thursday noon classes will be limited to band and athletics.

"We realize that students won't be able to participate in all activities as some have done in the past, and that some choice will have to be made," Dr. Karshner said.

Students Starred Sunday, April 22 In Mu Ep. Concert

The first all-student performance to be sponsored by Mu Epsilon Psi, honorary music society, will be held Sunday, April 22, at 3 p. m. in the Humboldt State college science building auditorium.

Seven students at the college and one Arcata Union High school senior, all accomplished musicians, will present the varied vocal and instrumental program.

Performers will be Miss Jean Richard, Miss Anne Hitt and Keith Anderson, HSC students, and AUHS student Paul Melsher, all of Arcata; Miss Margaret Peterson and Louis Davis of Eureka; Miss Shirley Christy from Fortuna, and Miss Iris Sanders of Trinidad.

Breaking tradition with the student performance, the society usually sponsors visiting guest artists at its concerts. The November program featured Gordon Henrick, New York drama critic and music commentator, and in October the HSC faculty presented the program.

Admission price will be \$1 for adults, 50 cents for high school students.

The program will be: "Children's Corner Suite" by Debussy, Miss Peterson, piano solo; "Divergence No. 11" by Mozart, quartet composed of Miss Hitt, flute, Miss Peterson, oboe, Mr. Anderson, clarinet, and Miss Sanders, bassoon.

Also, "Rugidose Odorose" by Scarlatti, "None But The Lonely Heart" by Tchaikowsky and "On a Hill" by Beach, Miss Richards, also, accompanied by Mr. Felsher; "Concerto for Clarinet" by Brahms, Mr. Anderson, clarinet solo; "In Questa Tomba Oscura" by Beethoven and "Kitty of Coleraine", Irish folk song by Mr. Davis, bass, accompanied by Miss Christy; Miss Jean Richards, violin sonata, accompanied by Mr. Felsher.

ASB Contenders To Appear Friday

The assembly to take place at 11 a.m. Friday will feature the two political factions on campus . . . the Right Party and the Octagon-Volunteers . . . with introduction of the candidates for office in the April 25 ASB election.

Skits and other entertainment will be presented, and qualifications of the aspirants will be made known to the voters.

Right Party candidates are John Dufour, president; Bob Talbott, vice president; Sylvia Graham, secretary; Norm Imeson, treasurer; Joe Chappelle, rally commissioner; Irv Baney, activities commissioner; Jim Arnot, assemblies commissioner; and Fran Stark, publications commissioner.

THE O.V. ROSTER

by Sharky Walsh

The Octagon Party and the Volunteers for Good Government have merged into one party now known as the Octagon-Volunteers Party. This merger results in one party composed of students who realize what the students at HSC want in a good solid school government. Two of the Octagon-Volunteers candidates are residing on the campus, and because of their close association with other students who live on the campus, feel that they are well qualified to represent them.

The OV candidate for Student Body president is Mike Fielding, a Business Education major in his Junior year. At present he is vice president of the Student Body and has served two years on the Board of Finance. He is also Newman club vice president, rep-at-large, Student Council, vice president of the band, a member of the tennis team and the HSC orchestra.

The party's candidate for vice president is Frank Bettendorf. Frank, a Speech major in his Junior year, is a member of the Drama club, Alpha Psi Omega, rep-at-large on the Student Council, and past special events director for KHSC.

Sharky Walsh, a sophomore majoring in Art Education, is the OV candidate for Publicity Commissioner. He is editor for the 1956 Sempervirens yearbook, a Circle "K" member, a photographer for the Lumberjack, past chairman of the Booster club, and a member of the Alpha Phi Gamma Journalistic Fraternity.

Miss Roberta Johnson seeks election to the office of Secretary on the OV ticket. A sophomore majoring in Elementary Education, she is the Secretary of AWS, and of the Sophomore Class, past vice president of the Freshman class, treasurer of the Spokes, Sophomore representative for CSTA, was active on the Frosh Camp committee, worked on the Sno Ball committee and the Popera, and is past secretary of Nelson Hall Women.

Jim Barnes, OV candidate for

The Right Party Asks . . .

By Norm Stewart
Party Co-ordinator

1. Two card system? Is this proposed by the O. V. Party or the Executive Council? We all know that the present Council is O. V. controlled, but who actually started the ball rolling on this? Our information was that a non-partisan group (who later turned to the RIGHT Party) actually began to stir things up. The names of these people are available on request.

2. For the voters' information, the Constitution Revision Committee was a non-partisan ICS group. The chairman of this committee is now an active member of the RIGHT Party.

3. Why are the majority of the planks of the O. V. Party platform so stated that (and WE QUOTE MIKE FIELDING, Presidential candidate of the O. V. Party), "You'll have to elect us to see how it can be done!" We of the RIGHT Party know how to accomplish Incorporation, Greater Separation of Power, to Heat Up The Social Calendar, and put through OUR Two-Card System!

4. We have given you, the students, our platform, our candidates, and our answer to the other party's platform. Now we ask YOU to give us your vote for good honest representative government to VOTE RIGHT.

Activities Commissioner, is a pre-Optometry major and has been active as a member of ICS, vice president of the Knights, chairman for Senior Day 1956, is assistant director for the 1956 Frosh Camp, and was active on the Sno-Ball committee.

Jim Callison, Junior business education major, is the OV candidate for Treasurer. He was general chairman for the Sno-Ball 1956, chairman of the Homecoming Queen contest 1955, treasurer of the class of 1957, a member of the Board of Finance, Frosh Camp Counselor, and worked on the St. Patrick's Dance.

Newly from Annapolis, Maryland, CU student Jay Eshelman is the OV candidate for Rally Commissioner. He is treasurer of CU for 1956, was rep-at-large in 1955, was Homecoming manager for CU in 1955, aided in organizing the Redwood Hall rooting section, and did publicity work for the Newman Club and Mardi Gras for 1956.

Education major, Marilyn Wright from Miranda seeks the office of Assemblies Commissioner with the Octagon-Volunteers. She is presently the acting Assemblies Commissioner, has worked on the All School Picnic, is an officer of the Nelson Hall Women, served on the Frosh Camp Committee, served on the Executive Council for the Nelson Hall Women in 1954 and 1955, is on the Executive Council for the Student Body currently, was official delegate to State Conferences 55 and 56, was secretary of CSTA and ICS 54 and 55, and was Recorder for the Mayor's Conference on Juvenile Delinquency.

Bill Williams, Junior Business Administration major is running for Awards Commissioner with the Octagon-Volunteer. He is a member of the Intercollegiate Knights, is on the Board of Finance with the Student Council, and has been active on the tennis team.

HSC Netters Travel Your Continental Summer

Stymied by the threat of rain last Saturday, Humboldt State and Southern Oregon tennis teams will try to make contact next Friday and Saturday in a two-day joust at Ashland.

The teams originally were scheduled to play only Saturday. Lumberjack coach Hank Yamagata said he hoped to work in a full slate of matches both days, taking six men.

History Exams Slated

Examinations in U. S. history, California state and local government and U. S. constitution will be conducted at Humboldt State college for teachers and others April 27, according to an announcement by Dr. Stanley Spaid, chairman of the division of social sciences.

Interested persons may appear in Dr. Spaid's office, room 113, Administration building, anytime after 9 a. m.

Planning Its Itinerary

BY SHERRY O. HESSLER
Swarthmore College

There are two approaches to squeezing the most out of a summer spent abroad.

One is the see-everything approach, a sort of country-hopping effort to take in as much territory as you can within your time limit. The other is to limit yourself to a certain area, see it thoroughly and take your time about it.

There are many tours available that will take you to many countries in a short space of time. Many take them either because "this is the only trip I'll ever have," or because they "don't want to miss anything." Still others do it as a sort of scouting expedition to find the spots that really appeal to them, and then plan on a more leisurely return another year.

Country-Hopping

Country-hopping can be fun, but it does use up a lot of time just getting from one place to the next. It means restricting yourself to the high spots in most places, and taking the chance that they don't meet expectations.

Museums in series become an ordeal and seeing church after church makes them all look alike.

I tried the limited-area approach two summers ago in Bavaria. By moving in on a "pen pal," I made Straubing my home base. We swam in the enchanting but hardly blue Danube, visited all Straubing's points of interest, including the school. Then we proceeded to radiate into the countryside.

We hiked into the Bavarian wood and there, at a wayside farm, I learned to milk a cow. We cycled to local shrines in the hills and took delight in the quaint architecture. A bus took us to the mountains to look over the Iron Curtain into Czechoslovakia; a car to the mountain lakes, and a hitch-hiked ride on a beer truck to Regensburg, with its medieval Town Hall and dungeons.

Bamberg

I tacked on a few days in Nuremberg and a day in Bamberg. Bamberg is a cathedral town that was the medieval center of learning, and still possesses an extraordinary collection of illuminated manuscripts. Later, there were the art museums and the opera of Munich, an evening at the famous Hofbrauhaus. From Munich you may continue down the Danube to Passau, Salzburg and Vienna before calling it a summer.

Last summer the same approach worked beautifully in Normandy. The two of us spent just a day or two in each of six or seven towns in this northern province of France, after several weeks in Paris. Besides exploring the cathedrals from cellar to loft, we toured the small towns where the townsfolk filled us in on their personal experiences during the Battle of Normandy. Instead of turning around at Bayeux, where we had followed—on a hundred-foot tapestry—the incidents that befell William the Conqueror on his way to Hastings we took a bus to Arromanches to a more modern relic of victory, the beaches where the Allies landed on D-Day.

We spent a leisurely day at storied Rouen, the next at a ruined abbey at Jumieges. Then came Mont St. Michel, which rises from the sea, some days in London, and a criss-cross tour of Southern England that ended an exciting summer.

Summer Study Abroad

Foreign summer schools open to U. S. students are listed in "Summer Study Abroad 1956", pamphlet published today by the Institute of International Education, 1 East 67th street, New York City. The 24-page leaflet lists 180 summer courses at educational institutions in 22 countries, telling where to apply, and giving helpful information on language requirements, admissions procedures, credits, living arrangements and costs, transportation, passports and visas, and scholarships.

YOUR CAMPUS QUESTIONS . . .

Fellow Students,

During the past few weeks there has been, on this campus, some question of the use of student body cards in order to be an active member of a campus club or organization. The problem has been presented to this reporter and other members of the Lumberjack Staff. As author of a series of comprehensive articles I will try to present the reasons for actually supporting sales and using student body tickets on a college campus. These articles are appearing to answer the questions of you, the reader.

Yours truly,
K. K. Barnhill
Assistant Editor

Of what significance is the student body organization on any college campus in California?

To answer this question we must first explain exactly what a student body is. The legal definition of a college student body is stated in the California Educational Code section 20345.5 to 20355.7.

The code states in the first paragraph, "A student body organization may be established at any state college under the supervision of the college officials for the purpose of providing essential activities closely related to, but not normally included as a part of, the regular instructional program of the college." This means the State of California will provide the necessary equipment, instructors and the classrooms for instruction and nothing else.

The essential activities by such an organization shall be designed to contribute to the development of skill and facility in human relations, the development of leadership ability, and the recreational and social needs of students. This is very important to your campus as you can easily see. "The activities may include but shall not be limited to the operation of campus publications, musical organizations, speech and dramatics activities, student government activities, intra-mural and intercollegiate sports, and the sponsorship of clubs and organizations which are designed for students specializing in various major subject matter areas offered by the college." This explains what the student body organization is to your campus clubs and organizations and to other important facets that would not be normally known by college students as a whole.

Often inquiries are made about the actual means of income for the student body on a campus. Here is the means of income as stated in the code. "Such an organization may also operate a campus store, cafeteria, and other projects not inconsistent with the purposes of the college."

Associated Students of H. S. C. operate the college store and fountain, however the cafeteria is operated under the Humboldt State College Foundation.

Your questions will be received with due process and consideration for their content and value.

Doctor Hinshaw Assembly Speaker

Dr. Cecil E. Hinshaw, educator, minister, author and former president of William Penn College, will speak here next Wednesday, April 25, at 11 a. m. before a special assembly. His topic will be "The Struggle For Asia."

Dr. Hinshaw recently traveled through the Far East tension areas and spoke with many leaders of significant movements.

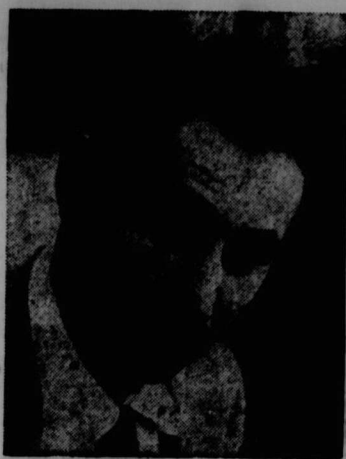

Dr. Hinshaw was graduated from Friends University in Wichita, Kansas, attended the University of Denver, the Iliff School of Theology and Harvard University for his graduate work. He holds a Master of Theology and a Doctor of Theology degree from the Iliff School of Theology, Denver.

Since 1949, he has been lecturing for the American Friends Service Committee and the Fellowship of Reconciliation. During 1954 and 1955 he traveled around the world, attending a conference of Baptists in Finland, and spent many weeks in India, where he paid special attention to the land reform movement being carried on there.

They're Landing, Men!

A U. S. Marine Corps Officer Procurement Team headed by Captain W. J. Skvaril, Officer Procurement Officer, San Francisco, will be on campus at HSC from 9:00 a. m. until 3:00 p. m., April 19 and 20, 1956. They will be located in the Student Union for the purpose of interviewing college men interested in a commission in U. S. Marine Corps via:

1. Platoon Leaders Class Pro-

Mel Lavine

BELOTTI TO SPEAK TO YOUNG GOP

Assemblyman Frank Belotti will be speaker at Friday's noon-time luncheon meeting of the Young Republicans, it was recently reported by Bruce Sweet, president of the organization.

At another meeting to take place tonight in the Nelson Hall little dining room an election of permanent officers will be held, along with discussion of group membership and a program featuring Jim Nealis of the Republican Central Committee. Also heard will be Bruce Sweet and Bob Barnum, vice president of Region 1, Young Republicans of Humboldt county.

gram (PLC); College Freshmen, Sophomores or Juniors.

2. Officer Candidate Course (OCC); College Seniors and Graduates.

3. Aviation Officer Candidate Course (AOCC); College Seniors and Graduates.

Lavine To Speak At Annual P-R Club Dinner

Mel Lavine, reporter and feature writer of the Humboldt Times, Eureka, who has just returned from a ten-months round-the-world trip for his newspaper, will be featured speaker at the second annual awards banquet of the HSC Press-Radio club Friday, 8 p. m., Walt's Steak House.

Lavine will detail his impressions of the work of U. S. news-men abroad.

Students interested in journalism, although not members of the club, may attend the dinner. Tickets, at \$2.50 each, are available from members of the club this week or at the news bureau, upstairs in the Co-op.

Honored guests at the dinner will include Gil Cowan, president emeritus, and Dr. Clyde Parker, national president, of Alpha Phi Gamma, national honorary co-educational fraternity for students in journalism.

Also on the program will be the awarding of certificates to outstanding students in radio KHSC, Lumberjack and Sempervirens.

News editors of the Sempervirens and Lumberjack and directors of KHSC will be named at the dinner.

The Press-Radio club was formed last year and held its first banquet last May, with Richard Litfin, Pacific division manager of United Press associations, as guest speaker.

Mr. Lavine's byline is well known to Times readers of the column "Lumberjack Abroad," which Lavine dispatched from overseas. He also prepared a number of pictorial features, including a picture spread prepared during a month's visit to the middle east hot spot, Palestine.

Debaters Honored

The debate squad of Humboldt State College continued a commendable season by gaining honors at a tournament with members of the speech honorary society, Pi Kappa Delta at College of the Pacific.

Receiving an award for "excellence", the high rating, were Evelyn Penfold of Eureka and Cathy Davis of Seattle, Wash., for debate; Jim Arnot of Eureka and John Mayfield, Ukiah, for debate; and Pete Mathiesen, of Sunnyvale, for extemporaneous speaking. Miss Penfold received two additional excellence ratings, in oratory and in discussion.

Vieing with representatives of eleven California and Nevada schools which are leaders in speech competition, HSC finished fifth in women's competition and eighth in the men's division.

With the exception of HSC, all competing schools were Pacific province members of the national debate society. Province members voted unanimously to recommend that the national chapter committee accept Humboldt's application for membership.

ALPHA PHI GAMMA CHAPTER TO BE INSTALLED FRIDAY

The national president and president emeritus of Alpha Phi Gamma, national honorary fraternity for journalism students, will install the Humboldt State college chapter Friday at 6:30 p. m. in the Radio hut on campus.

Clyde C. Parker

GIL COWAN

Dr. Clyde C. Parker, associate professor of journalism at Sacramento State college, Sacramento, the national president, and Gil Cowan of the editorial staff of the Los Angeles Examiner, president emeritus, will conduct the ceremonies.

In addition, five students from Sacramento State college's Beta Theta chapter of Alpha Phi Gamma will motor to Arcata to act as the installation team. They are Doris Caldwell, president; Fifi Gurvis, second vice president; Kay Kersey, secretary; Norman Kempster, bailiff, and Dianna Lions, a member.

Mr. Cowan has been active in the fraternity's affairs for more than 25 years and has visited most of the 40 chapters during his tenure of office or later. His travels also have taken him to Alaska and South America.

Humboldt's chapter will be the twelfth active chapter in California.

Students invited to membership in the fraternity must have served a minimum of two semesters in editorial or business positions on faculty publications or in the college news bureau.

HSC students invited to membership are Chloe Kiggins, assistant editor, the Lumberjack; Frank Stark, editor, Lumberjack; Anne Johannsen, assistant editor, Sempervirens; Gerald (Sharky) Walsh, editor Sempervirens; Joan Flockhart, former editor of Sempervirens; Ron Goble, special events editor, the Lumberjack; Craig Stark, former editor of the Lumberjack, and Louis Cimini, business manager of both the Lumberjack and Sempervirens.

The new initiates and the guests will attend the annual awards banquet of the HSC Press-Radio club at Walt's Steak House, Eureka, immediately after the initiation ceremonies.

MOTHER'S DAY TEA MAY 5

Plans are underway for the annual Mother's Day tea and fashion show sponsored jointly by the HSC Associated Women Students and the Home Economics club May 5 at Nelson Hall from 2 to 4 p. m. Co-chairmen for the affair are Pat Hanson and Dian Moehnke.

SHRINE ALL STAR FOOTBALL GAME AT HUMBOLDT

Humboldt State's Redwood Bowl will be the setting for the first Northwestern California Shrine All-Star football game which is to be held August 31 and is being sponsored by the Redwood Shrine Club.

The All-Star game will be played by graduated high school seniors from Northern California high schools. The contest is to be patterned after the traditionally famous North-South meeting which is held in Los Angeles every year.

The contest is scheduled to be played on the Humboldt field because high school regulations forbid the use of a prep field for

games that are not directly connected with the high school.

According to Phil Sarboe, athletic director at Humboldt, "Humboldt State can assist directly or indirectly by providing the use of its facilities for the teams." Sarboe said that there is not a rule in the NAIA, of which Humboldt is a member, which would prohibit the use of the college's field for an activity not connected with the association.

Besides offering the use of its field, Humboldt State is planning to house the players and coaches in Redwood Hall. Meals are to be served at the campus cafeteria.

There will be 22 players and two coaches representing both the North and South squads. The two teams will include graduated seniors from Del Norte, Siskiyou, Humboldt, Mendocino, Lake and Sonoma counties.

The North squad will be made up of outstanding players from Del Norte, Hoopa, Weaverville, Arcata and Eureka. Playing for the South will be stars from Fortuna, Ferndale, South Fork, Willits, Fort Bragg, Lakeport, Ukiah and Healdsburg. The two sections are almost equal in population.

The all star game will be an annual affair for future years. Invitations will be sent out to the various participating players as soon as officials of the high schools send their recommendations to the organizing group.

Prep Netmen Beat Junior Jacks

Humboldt State's Junior Jack tennis team was defeated last week by the Fortuna High school netmen 5-3, in matches played on the Jacks home court.

Nick Jncich, seeded number one for Fortuna, defeated Humboldt State's Gary Holmes, 8-6 and 6-2. In the second match Mike McGovern, HSC, downed Rich Barsanti, 6-2 and 7-5. The Jacks took the third match as Gary Barlow decisioned his brother Don Barlow, 6-4 and 6-3.

In other matches Fortuna won as follows:

Barton Crews beat Ron Barkley, 6-4 and 6-3; Keith Woods won over Gene Smith 9-7, 3-6 and 6-3; Paul Brudman won over Bob Massey, 6-1 and 6-4.

Fortuna won the first doubles matches with Jancich and Barsanti defeating Holes and Johnston 6-8, 6-4 and 6-4. Jacks took the second contest 6-4 and 6-4 with Barkley and McGovern beating Barlow and Crews.

Humboldt State's chances of winning the championship depend heavily on the performance of Jerry Garcea, who recently returned from the service.

SARBOE WANTS GRID RULES MORE STANDARDIZED

Small college coaches throughout the nation are being polled by the NAIA this month on Phil Sarboe's recommendation that NAIA and high school football rules be standardized.

The questionnaire being circulated by the NAIA Coaches association is the outgrowth of a meeting at Kansas City last month, in which Sarboe pushed his plan for integrating high school and college grid rules.

Sarboe was one of three coaches who wrote the questionnaire in cooperation with Al Duer, NAIA executive secretary.

Coaches are asked whether they favor setting up a football coaches section within the present NAIA Coaches association and a special rules committee within the new framework.

They then are queried as to whether they feel the new rules committee should meet with the High School Federation to discuss the standardization and integration of high school and small-college football rules.

Coaches were asked to give special consideration to the problems of integrating rules, keeping in mind the following:

"a) That most colleges in the NAIA play freshman who are oriented in the Federation rules.

"b) that many NAIA schools do not have spring practice.

"c) that most NAIA members

train our graduates to become high school coaches; therefore, the psychology, philosophy, and strategy learned in college would be of more value to these prospective coaches immediately;

"d) that more young officials should be available for college games in all areas, thus lowering travel expenses;

"e) that the problems of the high school and college coach would be more similar in nature and could, therefore, participate in clinics for officials and coaches to a greater advantage for all concerned."

Trackmen Meet Shasta JC

JACKS ENGAGE HORNETS IN OPENER

The Lumberjacks officially open their Far Western Conference season next Saturday with a doubleheader against last year's champion Sacramento State on the Hornets home diamond. The twin bill will begin at 1 p. m.

Last year Sacramento knocked off the Jacks twice, 20-5 and 6-3. These losses at the hands of Sacramento removed Humboldt from the number one position, which they were holding at the time and the Hornets went on to nab the championship.

Sacramento's big gun last year was their pitcher J. C. Masters who is not with them this season. However, Coach Hal Wolfe, has indicated that he has several competent chuckers who can throw with the best of them.

So far this year, Humboldt has won six games, all at the expense of Oregon Tech, and lost four. The Jacks have fifteen games remaining on their schedule with ten of these against conference opponents.

Coach Eed Kinzer announced Monday that he has shifted Ralph Mayo to the outfield and placed Dick Dudley on second base. Mayo has started swinging from the left side of the plate rather than the right side where he hit over 300 last year. Mayo has been in somewhat of a batting slump so far this season, and Kinzer thinks a change to the southpaw stance will be the answer.

Kinzer is taking a 14 man traveling squad with him to Sacramento. They are Al Schrader, catcher; Phil Huff, first base; Dick Dudley, second base; Bob Lawson, shortstop; Jerry Garcea, third base; Larry Taylor, left field; Ralph Mayo, right field; Al Deniz, center field; Carl Carlson, utility; and pitchers Jim Richardson who is scheduled to

Coach Eed Kinzer is shown giving some advice to the Jacks big first baseman Phil Huff. Huff is a valuable asset to the team, as he is capable of breaking up the ball game at any time with one of his home runs.

Jack Diamond Nine Sweep Series From Oregon Tech Recently

Humboldt State's baseball team made it six straight over Oregon Tech, as they swept a three game series from the Oregon boys last weekend at the Arcata Ball Park.

In the series opened on Friday night, the Jacks eked out a 1-0 decision over Tech. Oregon went to pieces the next day, as Humboldt took both games of a wild doubleheader, 11-6 in the first and 21-3 in the second encounter.

Gary Mauney threw a four hitter at Oregon in the Friday night game while fanning 7 and allowing four free passes. Tech pitcher, Lefty Tykeson allowed only one hit, a single by Al Schrader, but walked 7 men while striking out seven.

Phil Huff scored the lone Jack run via a free pass, stolen base, passed ball and a cut off play that backfired.

Jim Richardson allowed eight hits in the first game of a doubleheader, walked four and struck out two. The Jacks pounded nine hits off the slants of Oregon pitching.

Oregon contributed to their own downfall, as they committed five errors. Al Schrader and Bob Lawson led Humboldt hitters with two hits apiece.

In the second game, eight errors by the Oregon defense and a neat three hit pitching job by

pitch the opening game, Jack Wilbur, Gary Mauney, Warren Baker and Gerry Carlson.

The Junior Jacks meet a Hoopa team Saturday afternoon at Hoopa. Pitching for Humboldt will be Tom Retzlaff and Jack Maze.

Warren Baker spelled defeat for the winless Tech squad. Baker gave up six walks and whiffed three.

The Jacks collected 12 hits in their 21 run scoring spree. They jumped off to a quick six run lead in the first innings and added six more in the second frame, then came back to clinch the victory with another six points in the sixth inning.

Bob Lawson had three hits in five at bats while Dick Dudley contributed four hits in five tries to the lopsided win.

Hoopsters Eighth In Defense

Humboldt State's Far Western Conference co-championship basketball team ranked eighth among the nation's small colleges in team defense, final NAIA statistics showed this week.

In compiling a 17-10 record, the Lumberjacks held opponents to an average of only 62.7 points a game, the statistics showed. No other Far Western conference team was ranked among the top 50 leaders in defense, although Southern Oregon was 36.

Humboldt ranked forty-eighth in team free throw percentage, hitting with 445 throws in 658 attempts for an average of .676. George Ibarreta, Humboldt's leading scorer and all-conference player, was forty-sixth among individual free throw leaders with 110 free throws in 138 attempts for a .797 average.

DUAL MEET SCHEDULED FOR JACK OVAL ON FRIDAY

After an unexpected rest last weekend, result of rain canceling the San Francisco meet, the Lumberjack track team resumes competition Friday, in a meet with Shasta Junior College in the Redwood Bowl. The meet is scheduled to get under way at 11 a.m.

The Jacks were scheduled to meet Shasta last year, but because of foul weather the meet was postponed. After several unsuccessful attempts to re-schedule the meeting it was finally called off all together and set for this season.

So Humboldt goes into this meet Friday with very little inkling of the strength of Shasta.

Coach Bob Doornink pointed out that he expects to be strong in the high jump, broad jump, low hurdles, 100 yard dash, 220 and the mile which have been the Jacks strong points so far this year. He said however, that Jim Davis, number one hurdler in both the low and high competition, has a pulled leg muscle and may not be ready.

Commenting on the results so far this season, Coach Doornink says he is pleased with the performances turned in by Paul Williams who in the last meet with Cal Aggies and USF scored firsts in the 440, 220 and a second in the broad jump. Earl Barnum has also been outstanding, says Doornink, as he took first in the broad jump during the last meet and also is strong in the high jump.

Eric Hughes has also turned in a very creditable job, continued Doornink. Hughes took a first in the two mile and copped second in the mile.

The team as a whole is a big improvement over last year's squad and with the exception of a couple of field events boasts some of the top trackmen in the conference.

Jack Track Meet Rained Out

Humboldt State Tracksters did not travel to San Francisco last Saturday because of a last minute decision by the officials at San Francisco concerning wet track conditions.

However the weather took a change for the better and the meet was held between San Francisco and Nevada. Nevada was not warned of the conditions and came to the meet without notice of weather conditions.

VINUM TOPS AT FRISCO MEET

Jim Vinum, HSC Freshman golfer, topped the field of twenty participants at the recent Far West Conference meet in San Francisco. Humboldt, San Francisco, Sacramento and the California Aggies all competed in the meet last Friday.

The Lumberjacks lost to San Francisco 12½ to 2½, to Sacramento 10 to 5, and to the Aggies 9 to 6.

The golfers will not have a meet this week, but will meet at Sacramento for another FWC tourney on May 13.

WAA NET TEAM VICTORS

The Women's Athletic Association tennis team played Fortuna High School in an informal meet last Thursday on the HSC courts. The WAA won three singles matches and one doubles for a 4-2 triumph.

AND HIS ORCHESTRA

Home Ec Pavilion
Redwood Acres
Fri., Apr. 20, 9-1:30

William Saroyan, one of California's best known playwrights, was already known as a short story writer when the Group Theatre of Fresno introduced his play, "My Heart's in the Highlands," in April, 1939.

Born in 1908, Saroyan knocked about for many years as an itinerant worker before he started his literary career. His first story was published in "Short Story" magazine in 1934 and later in the same year he had enough material for his first volume of short stories. Some of his later novels include "My Name Is Aram," "The Human Comedy," and "The Adventures of Wesley Jackson."

He was awarded the Pulitzer prize for "The Time of Your Life," but refused it on the grounds "that this particular piece was no better than his other dramatic work or different from it."

SPRING ROUNDUP

Jeans, plaid shirts, andingham or print dresses will be the style for Humboldt collegiates on May 4, the day of the College "Y" sponsored Spring Roundup. In the evening, 7:30, folk and

Contract Awarded For WL Additions

A \$124,467 contract was awarded this week by the state to the Singleton Company of Eureka for completion of the HSC Wildlife Building facilities, according to word received from Sacramento.

The new construction will complete wildlife facilities, including a circulating water system for the fish hatchery, additional troughs, concrete outdoor fish rearing ponds, a long concrete fish raceway, a small lake at the corner of 17th and Union streets, pheasant pens, brooder house, fur animal shed, deer run, roads and parking area, incinerator, and landscaping.

"With the addition of this construction project, Humboldt State College will have the most complete and modern wildlife and fisheries classrooms, laboratories and special facilities of any college or university in the United States," president Cornelius H. Siemens said this week.

Completion of the contract is scheduled by the opening of the fall semester, with a formal dedication of the entire new plant to be held about October 1, 1956.

square dancing will take place in the gym. Leader will be Chuck Cline of Eureka. Chairman of the event is Jack Legate, recreation commissioner of the campus organization.

The V. A. Answers Your Questions

The Veterans Administration today answered questions asked by large numbers of World War II veterans about the forthcoming July 25, 1956, termination of the World War II GI Bill training program.

Under present law, the 12 year old training program draws to a close on that date for all but a small handful of World War II veterans.

The question asked most frequently is: "If I have unused GI training entitlement, can I use it after July 25?"

VA's answer is "no." Under the law, no GI training may be provided after July 25, even though a veteran might have remaining entitlement.

Another question is: "If a veteran is in the middle of a summer term at school, can he complete it even though it would carry him past July 25?"

Here again, VA's answer is "no," for the law cuts off the program definitely on July 25, and does not make provisions for veterans who may be in mid-course.

Veterans taking GI correspondence courses have asked VA: "Must I mail my final lesson to the correspondence school before that date?"

VA's answer is that the veteran must mail his final lesson to the school before midnight, July 25. The school, however, may service the lesson and return it to the veteran afterward.

Still another question is: "If a veteran's GI entitlement expires after he has reached the midpoint of a term or semester, he normally is allowed to continue to the end of the term or semester at Government expense. Will this rule still apply, in light of the July 25 termination date?"

VA's answer: "It will not." Instead, the veteran will be permitted to continue his training to July 25 — but not beyond.

Finally, veterans have been asking whether the July 25 date nine years from the end of their enlistment period to wind up their training.

All other World War II veterans are subject to the July 25 wind-up of the GI program.

During the life of the World War II GI Bill more than 7,800,000 veterans — or one out of every two who served in World War II — received GI training benefits. Presently, World War II GI trainees number 70,000, applies to all World War II veterans.

VA's reply is that there are a few exceptions.

Veterans who enlisted between October 6, 1945, and October 5, 1946, under the Armed Forces Voluntary Recruitment Act, have

"CAMPUS PARTY LINE"

By Jan

Another month has flown by and here I am back with more fashion scoops and news from round campus!

Congrats' to HANK COOPER (Popera King.) He looked so sharp in his gold crown that we think he should wear it all the time! Also a big thanks to all who worked so hard to make the Popera a huge success!

Hawaii's calling . . . and you'll see what I mean when you visit the Sport Shop, second floor Daly's Eureka . . . looks like a miniature island with only the palm trees missing . . . with its wonderful new KAMEHAMEHA PLAYCLOTHES selection that just arrived direct from Honolulu! Splashy prints colored like island flowers; sunsetting styles . . . all borrowed from island lore to make you alluring! You'll find swim suits, pedal pusher sets, tea timers, dresses, and elastic-waist-band skirts . . . prices \$4.95 to \$17.95.

We wonder what other reason MARTHA FEELY, DEANNE BROWN, AND MARILOU MARSH, had when they called on MR. WATKINS (English prof.) and his wife a few weeks ago? I know where you can get some dandy red apples MARTHA!!

Hope you're all planning to attend the MISS EUREKA contest this week-end . . . not everyday a college has six beautiful gals representing it!

Hey fellows! . . . Daly's just received a big assortment of JANTZEN and CATALINA swimwear . . . and are there ever some beauties!! Matched sets, skin divers, boxer bikinis . . . Many new styles never before shown. Wide variety of colors . . . sizes 28 to 42 in checks, dots, prints, stripes and solids . . . prices \$3.95 to \$13.95 in Men's Store, Daly's Eureka.

We know that school is swiftly coming to an end . . . that you have "tons" of homework and hours left on those term papers . . . but no matter how far behind you are . . . take a few hours off and go to the SPRING PROM . . . this Friday night, Redwood Acres, Home Economics Pavilion. You surely don't want to miss dancing to JACK FINA and His Orchestra . . . even the profs' should understand your taking time out for this big event!!

Since cotton skirts and blouses are all the rage on Campus now . . . you'll want to know about Daly's new cotton blouses by such famous names as WHITE STAG, BOBBIE JAMES, AND SHIP 'N SHORE. Every style you could possibly want . . . to top off off your skirts . . . dozens of colors in prints, plaids and solid. They're so easy on the budget too . . . \$2.98 to \$3.95, sizes 30 to 38, Sports Shop, second floor.

Gotta rush . . . but just a word of advice before I go . . . Flattery is like perfume . . . inhale, but don't swallow!!
