

11th Annual Sno-Ball Set Saturday

Janice Gundlach

Delia Johnson

Neale Ann Barnes

Carolyn Brown

Barbara Maffia

Rose Holmquist

Crowning of Sempervirens Sweetheart will be featured at the 11th annual Sno-Ball tomorrow night from 9 p.m. to 1 a.m. in the Eureka Inn. The ASB-sponsored formal will revolve around the Christmas theme "Mistletoe Magic."

The Sweetheart has been selected from six HSC coeds, announced last week by Sempervirens editor Ron Kunstal, by the cast of the "Hawaii Eye" on the basis of photographs of the candidates. She will be

crowned during the 11 p.m. intermission.

The Outstanding Man and Woman of the Year and Senior Man and Woman of the Year will also be revealed during intermission activities. Master of ceremonies for the presentation of awards will be ASB vice president Dick Maynard. The winners of these awards are chosen by a secret faculty and administration committee.

Rose Holmquist, a senior nursing transfer from Immaculate

Heart, was recently elected HSC Homecoming Queen. She hails from Pomona.

Barbara Maffia, is a senior elementary education major from Eureka. She presently holds the post of ASB corresponding secretary.

Carolyn Brown is a freshman business education major from Eureka. During high school she was active in class activities and in student council.

Neale Ann Barnes, chemistry major from Fortuna, is also a

freshman and was active in Girls League and GAA during high school.

Lelia Johnson is a freshman art major from Arcata. In high school she was active in Girls' League and was a Homecoming princess.

Janice Gundlach, freshman secretarial science major from Eureka, was active in Glee Club and Spanish Club in high school.

Bids for the formal, which is the only ASB-sponsored dance during the school year, are free

to ASB card holders and may be picked up today in the Activities Office, the Cafeteria and the lobby of Founders Hall. Bids may also be obtained at the door. Cost to non-card holders is \$1 per person.

Marcia Johnson is chairman of the affair, assisted by Helen Wilson, bids; Dave Crane, refreshments; Ron Kunstal, Sempervirens; Mary Dunlap, decorations; and Doris Bodes, publicity.

'The Importance Of Being Earnest' Opens Tonight In Studio Theater

"The Importance of Being Earnest" opens tonight and continues until Thursday in the Studio Theater with curtain time at 8:15. The play, written by Oscar Wilde, is directed by Dr. Jerry Turner.

This play is being presented in the round with little furniture. Dr. Turner said that he chose to do the play in this manner to show that Humboldt can produce a play without using the elaborate facilities of the Sequoia Theater.

The author of the play is the subject of two current movies about his life as an eccentric scholar. They are titled "Oscar Wilde" and "The Trail of Oscar Wilde."

The play, "The Importance of Being Earnest," was recently revived on Broadway as a musical comedy entitled "Earnest in Love."

The plot centers around the very mixed up love affairs in which two girls are in love with Earnest, only to find that there is no Earnest. It is further complicated by the fact that two men are masquerading as Earnest.

The costumes are mid-Nineteenth century, except they are not made of dull grays and browns, such as were worn at that time, but are in vibrant colors. Mrs. Lynn Pauley, with the help of 12 assistants, has constructed 14 costumes. One costume, belonging to Lady Bracknell, played by Mrs. Marilyn Beckwith, is a rust colored taffeta covered with black lace and with a bustle in back. Other costumes are in pink, green, and other gay colors.

Jack Senteney (foreground) as Jack Worthing, and William Livingston as Canon Chasuble carry leading roles in Oscar Wilde's comedy "The Importance of Being Earnest," to be first-curtained tonight in arena fashion at the Studio Theater. Subsequent performances will run through Dec. 14.

Starlighting Ceremony Set For Sunday

The traditional starlighting ceremony, marking the beginning of the Christmas season on campus, will be conducted by the HSC Spurs Sunday at 7 p.m. on the steps of Founders Hall.

The traditional reading of the short story, "The Littlest Angel" will be done by Spur Carolyn Doyle. Tryouts were held to determine the reader of the familiar Christmas story. At a critical moment in the story, the star atop the entrance of Founders Hall will be illuminated.

The starlighting ceremony traditionally includes the playing of

(CONTINUED ON PAGE 3)

Enterprise Meeting Set Wednesday

A general student body meeting will be held Wednesday at 7 p.m. in the Sequoia Theater to discuss Lumberjack Enterprises.

The following is a story written by Dr. Lawrence Turner, and requested to be run without comment.

It follows:

In order to provide a more efficient and better coordinated organization to handle the vending, sales and food enterprises on campus, plans are underway to organize a new non-profit corporation to be called Lumberjack Enterprises. The organization will be similar to corporations on other state college campuses of which the Hornet Foundation at Sacramento, Forty-Niner Stores at Long Beach, and Aztec Stores, Inc. at San Diego are examples. The primary purpose of the new corporation is to establish a business agency on campus to manage the businesses on campus. The corporation will assume the management of the Cafeteria, the CES Cafeteria, the book store, vending machines, and other sales ventures on campus. It is not contemplated that it will be concerned with athletics.

The corporation will be managed by a board of directors consisting of four members of the College Administrative Staff, two members of the faculty, and three students. The terms of faculty and student members are two years, and they are subject to re-appointment. Student members will be selected by the members of the board upon nomination by the Student Executive Council. The By-Laws of the corporation will direct an annual appropriation to the budget of the Student Body from the net proceeds of the operations. This would serve the same purpose as the present appropriation.

(Continued on Page 6)

Hilltop Calendar Of Coming Events

Friday, Dec. 9 — "The Importance of Being Earnest" at 8:15 p.m. in the Studio Theater. Admission: free with ASB cards, \$1, general admission. Tickets should be reserved.

Saturday, Dec. 10 — HSC-Lenoir Rhyne NAIA Holiday Bowl, transmitted at 5 p.m. on station KINS, KIEM. Sno-Ball formal from 9 p.m. to 1 a.m. at the Eureka Inn. Admission: free with ASB cards, \$1 without card. Bids may be picked up at Founders Hall, Activities Office and Cafeteria today and at the door.

"The Importance of Being Earnest" at 8:15 in Studio Theater.

Sunday, Dec. 11 — Spur Starlighting at 7 p.m. on steps of Founders Hall. Christmas concert at 8 p.m. in the Men's Gym.

Wednesday, Dec. 14 — German Christmas play at 1 p.m. in the Founders Hall Auditorium.

Friday, Dec. 16 — Christmas vacation. Instruction resumes Tuesday, Jan. 3.

State Is Poor Businessman; Causing Bad Publicity...

The state of California, through its legislature has created its own business, that of selling permits for college parking lots. This business has obviously failed for two reasons and has given the various state colleges bad publicity.

The business has failed because of lack of patronage. Paved parking lots lie between half and three-quarters full during the peak of the day while surrounding areas are swamped with a snarl of cars. Secondly, many 'shysters' have found devious ways to beat the rap, so to speak, by taking photo prints of the permit stickers, by trading stickers - - - this is the plan of the older, one or two class a week student and suggested by some high college administrative officials - - - and by playing the chance, gambling that the officer will not cover a lot while they are parking there.

Whether the price of the permits is too high, or it is wrong to have paid parking, or student and faculty morals are bad is not the question for us to answer. It is up to the state of California to decide what is wrong with its self-created business and correct it.

And while we contend the state is not conscious of good business by its hit and miss attitude, we must add that the publicity HSC receives is worse.

How do people who cannot find parking space near their homes feel? They must get quite upset when their driveway is blocked by some "darn college student". "What's wrong with them anyway? We pay taxes and that college parking lot is half full and yet they park here?"

The state causes this problem but the students and Humboldt State receive the blame.

Then there are many guests and visitors on this campus each week. These people, who HSC desires to receive a good impression, are "tagged" by an officer simply doing his job.

The remedy to both the bad business aspects and the poor public relations caused by paid parking cannot be made quickly, but we maintain an assembly or senate committee in Sacramento should study it and take some obviously needed action.

LETTERS to the EDITOR

"To whom it may concern,
"Certain petulant and insatiable gentlemen have attempted to abuse the LUMBERJACK'S assiduous staff. Yet there is at least one column, FIN AND FUR, that remains beyond reproach. The reason why FIN AND FUR enjoys an aloofness from the normal column, and why Sandy Wilbur distinguishes himself among an estoteric group of fine columnists is simple. In Sandy's column there are no attempted stratagems to subtly enamor the reader's allegiance to the author.

"There is no attempt to askeance diversify the context of the column to show the writer's similarity in style to a more famous writer, drinking ability, or/and his promiscuous ability with famous quotations as well as hackneyed cliches.

"Last summer I worked as a typist in a federal forestry office. When the foresters would hand in their weekly fire suppression and land sale reports, I would continually have to revise and reword the context of their reports. Consequently, I felt that all forestry majors were indolent, unread cancers of a lost epoch. Then I became associated with Sandy's column. An exceedingly straightforward work containing not equivocal circumlocution but rather, meaningful brevity. A column portraying not a blatantly egoistic writer but instead, an altruistically admonishing personality. Hail to Sandy Wilbur and to all natural resour-

Ron Coulter Elected Junior Prexy

Ron Coulter, forest management major from Felton, was elected junior class president in the recent elections. Vice president for the class this year will be Rod Myatt, a physical education and biology major from Modesto.

Richard Griffith, a physical education major from Santa Cruz, was elected secretary-treasurer. Jack Moore, a business major from Arcata, completed the list of officers as ICS representative.

The other candidates in the election were Gerry Henson for president; John Bobell and Carole Slack for vice president; Sharon Canepa for secretary-treasurer; and Gary Boyle, Bohe Lopes, and George Pardee for ICS representative.

Dean Kate Buchanan said that junior and senior class elections were not held until late November, three months after the opening of school and after more than half of the first semester was completed because no one took the initiative.

These are the silver wings of a U. S. Air Force Navigator. As a flying officer on the Aerospace team, he has chosen a career of leadership, a career that has meaning, rewards and executive opportunity.

The Aviation Cadet Program is the gateway to this career. To qualify for this rigorous and professional training, a high school diploma is required; however, two or more years of college are highly desirable. Upon completion of the program the Air Force encourages the new officer to earn his degree so he can better handle the responsibilities of his position. This includes full pay and allowances while taking off-duty courses under the Bootstrap education program. The Air Force will pay a substantial part of all tuition costs. After having attained enough credits so that he can complete course work and residence requirements for a college degree in 6 months or less, he is eligible to apply for temporary duty at the school of his choice.

If you think you have what it takes to earn the silver wings of an Air Force Navigator, see your local Air Force Recruiter. Ask him about Aviation Cadet Navigator training and the benefits which are available to a flying officer in the Air Force. Or fill in and mail this coupon.

There's a place for tomorrow's
leaders on the
Aerospace Team.

Early Publication Asked

Survey Suggest Humboldt Not Join USNSA Group

By CLIFF HAWTHORNE

Reports of activities from various chairmen, setting of dates for future events and the discussion of an earlier publication date for the Lumberjack highlighted a routine business meeting of the ASB Student Council, Dec. 1.

Listed as the only item of new business, meeting chairman vice-president Dick Maynard introduced an open proposal for an earlier day of publication for the Lumberjack.

Representative at large Key Gerdes said she knew from experience that it would work a hardship on the staff and create more problems than it would solve to print the paper earlier.

Council faculty advisor Dean Don Karshner pointed out that often things that he wants students to know are of no use in the Lumberjack because of its present Friday delivery.

Lumberjack editor Hugh Clark told the group that he felt there was no better date for publication than the present one. He added that the printing problem would have to be considered as well as expenses involved.

No action was taken.

Organizations Commissioner Roger Olsen reported on a survey he had taken on USNSA—United States National Student Association. He said with the exception of one school, UCLA, all reports he received from a large number of colleges he contacted suggested that Humboldt State not join this group.

The reports said that the schools cannot justify what representatives say at national meetings, that expenses of joining are too great and that the Pacific Student President's Association frowns on the organization.

He added that Stanford Univer-

sity voted by a 3-1 margin not to join the group. UCLA said its reason for staying as a member of the group was to "help get it back where it belongs".

In other action the council... Heard homecoming chairman Paul Asp report this year's three-day celebration came out in the red.

Listened to a World University Service report from Miss Gerdes. She was granted financing for sending two delegates to the Northern California convention at Stanford Dec. 10. The possibility of HSC hosting such a convention next spring was discussed.

Asked that students having suggestions for the constitution revision committee make them to chairman Helen Wilson.

Discussed a second company to be considered in the setting up of school rings.

Began work on a 1961 student directory, deciding it was too late to get one for this school year.

Appointed sophomore class president Dave Crane as election chairman for the Jan. 9 Representative at Large elections.

Decided the council-sponsored Jazz clinic-concert would not be a financial success as was originally hoped because of the NAIA football playoff game the same day.

Set Dec. 15 as an assembly for an astronomer, not naming the time or place.

Announced varsity football, Who's Who and council awards would be made Jan. 14 at the HSC-San Francisco State basketball game.

Greeted Ron Coulter as a new member. Coulter was recently elected junior class president.

Announced Dec. 12 as an open meeting to discuss the proposed Lumberjack Enterprises with both pros and cons from student body members being accepted.

Learned that while the National Association of Intercollegiate Athletics would pay for all expenses of the playoff game, but the student body would not receive any profit from the match. Dean Karshner also told the group that the NAIA was the sponsor of the game, not Humboldt State.

Faculty Wives To Sell Cards

Humboldt State College Faculty Wives Club members will be selling UNICEF Christmas cards every Tuesday, Wednesday and Thursday until Christmas in the cafeteria.

Off-campus the cards will be sold at the Bank of America in Arcata, and at Brizards on Friday evening and Saturday. The cards have been designed by famous artists.

Christmas Program Scheduled Dec. 16

An entire evening of Christmas programming is scheduled to be broadcast over KHSC-FM on Dec. 16.

A special Christmas musical program begins the evening's entertainment at 6:30. This is to be followed at 7 p.m. by the dramatization, "A Child Is Born," performed by a specially selected cast of ten HSC students. A recorded presentation of "Amahl and the Night Visitors" by Menotti, brings the Christmas programming to a close at 9 p.m.

KHSC-FM will remain off the air following this special Christmas presentation until Jan. 3 when classes are resumed.

Intercollegiate Knights Initiate Six Members

Six HSC men were initiated into the Intercollegiate Knights at formal ceremonies Friday at Stafford Inn. Those initiated were John Dillon, John Backlund, Mike Snapp, John Warren, Alvin Spears and Richard Johnson.

Following dinner Backlund received a plaque honoring him as the most outstanding pledge of the semester. The Most Unworthy Knight trophy went to Leo Lawrence. Honorable Duke Don Daniels was also presented a pipe and pouch for his accomplishments as Duke.

Among entertainment provided by high school and college students was a speech by the only Honorary Knight of the Yurok Chapter, Ray Caspar, owner of the Stafford Inn.

German Play Top Feature Of Holiday Program

"Das Krippenspiel" will be presented by the German class of Humboldt in a special Christmas assembly Wednesday in Founder's Hall at 1 p.m. The Madrigal Singers, under the direction of Dr. Leon Wagner, will present some little known Christmas carols from other countries.

The play centers around the biblical story of Christmas with dialogue completely in German. The play will be preceded by a brief sketch which will explain the play.

The play will be directed by Dr. Glenda Rickter and will star Bill Livingston as King Herod, Richard Rickter as the devil, Phyllis Ferroni as Mary, and Bill Caldwell as Joseph.

Also in the cast are Mary Parker as the Innkeeper's wife, Wilhelmine Pryor as an angel, Otto Linberger as Caspar, Carol Ramstad as Melchior, Sara Hallin as Baltasar, Peter Hackhofer as Simanle, Julie Fulkerson as Hansel, Ingrid Gurcke as Woferl, Ray Owen as Death, Geraldine Fletcher as Scribe, David Howell as the first servant, and Bill McCabe as second servant.

ASSEMBLY SLATED

Dr. Halton C. Arp will present an assembly on the subject of "Time scale and Cosmology" on Thursday at 1 p.m. in Sequoia Theater. Dr. Arp is an assistant astronomer at Mt. Wilson and Palomar Observatories.

Starlighting Sunday

(Continued from Page 1) the chimes by Dr. Lawrence Turner, executive dean, and the singing of Christmas carols by the A Cappella choir.

Chairman for the seventh annual starlighting is Rosalie Prince, assisted by committeemen Betsy Joyce, Janet Miller, Karen McDonald, Marcia Maloy, Kay Lanier, Barbara Munther, Tyralee Bell, Evelyn Davis and Belinda Thompson. Faculty advisor for the committee is Mrs. Katherine Corbett.

The starlighting, which will be MC'ed by Carlotta Anderson, precedes the annual Christmas concert in the Men's Gymnasium at 8 p.m. The concert features the HSC and Arcata High School bands and choruses.

Christmas Art Sale To Be Held Wednesday Night

The annual Christmas art sale and auction will be held Wednesday evening in the Art Building following a three day display of the art pieces marked either for auction or by their sale price, which will run from five cents to five dollars.

Purchasers will form a line in west hall of the Art Building, according to art professor Melvin Schuler. The sale will begin at 7 p.m. and sales will be limited to one per person.

The auction will follow the sale at approximately 8:30. Schuler said. Dr. Edward Steele, of the speech department, will act as auctioneer.

Painting, pottery, drawings, and sculpture contributed by art students and faculty will be sold to create a \$100 art scholarship. Remaining proceeds of the sale will go into the art lecture fund.

Wrestlers Vie In First Home Meet Saturday

The Humboldt State Lumberjacks host their first home wrestling match of the season, meeting the Southern Oregon College of Education team in the Men's Gym tomorrow at 1:30.

Humboldt will be without its regular coach, Dr. Ralph Hassman, who is with the football team in Florida. Dr. Larry Kerker will act as coach.

Wrestling for Humboldt are 123 pound Darwin Schager, 130 pound Ron daSilva, 137 pound Howard Covington. In the 147 pound go it will be either Chuck Finch or Tony Chess. The one that doesn't wrestle in the meet will wrestle in an exhibition. 157 pound Jerry Clason, 167 pound Gene Vejtassa, 177 pound Al Hagerstrand and heavyweight John Bobell or Bill Vines will also be in the meet.

Fall Hilltopper Issue To Go On Sale Monday

"Hilltopper" will go on sale Monday morning if no major disasters occur. Distribution points will be in the cafeteria and the foyer of Founder's Hall," editor Ron Sells said.

Hilltopper is Humboldt State's feature magazine and is compiled by the students in the journalism department. It is published once each semester.

Ron Sells has interviewed several former students who are in their first year of teaching and has written a feature about the problems they encountered.

William Abbey, a 47-year-old freshman, has written an article about the pathetic circumstances of Koreans and Chinese in Japan at the close of World War II. He gained his material as an on the spot public relations man in the army.

Richard Schmechel, business administration major from Eureka, has interviewed Dr. Lincoln Chao, a new faculty member this year, and has written an article concerning the education system in pre-communist China.

Donna Cleveland Turner, well known cheerleader and Hilltopper art editor, has poked fun with cartoons at a few social functions traditionally found on campus during the Christmas season.

Whitmire, Roberts Spark Win Over Whitworth; Record Crowd Of 10,000

The Humboldt State Lumberjacks won the Western Regional Championship and a berth in the NAIA Holiday Bowl in St. Petersburg, Fla., Saturday, defeating the Whitworth Pirates of Spokane, Wash. before a record breaking crowd of some 10,000 in Eureka's Albee Stadium.

The crowd filed into this bowl to fill the 7500 seats and lined the hillsides, as they watched the Lumberjacks win their 20th straight, their 11th this year, and put themselves in the record books as the greatest football team in the history of the college.

Quarterback Fred Whitmire and end Drew Roberts were named the games outstanding back and linemen respectively at a post-game banquet at the Humboldt State Cafeteria.

After a quick HSC touchdown in the early moments of play the game soon turned into a jarring battle of the lines.

Humboldt took the opening kickoff 74 yards in four plays for the first TD. Manuel Vasquez took the kickoff on the 12 and returned it to the 22. After an off-side penalty Whitmire hit Roberts for a nine yard gain.

One play later Whitmire threw 37 yards to Roberts who gathered the pigskin in on the Whitworth 37 and raced into the end zone untouched. This was the first touchdown pass scored against the Pirates this season.

Late in the initial the Hilltoppers started a drive that went 65 yards to the visitors three yard line, but a fumble nullified

the scoring opportunity.

Ed White boomed through the Pirate defensive line for 54 yards to the one yard line in the second quarter but an in-motion penalty threw the run away.

Humboldt received the second half kickoff and after an exchange of punts started its second drive from the Pirate 45 for what was later to prove to be the winning touchdown.

After a 15 yard penalty, Whitmire, on third down arched a 34 yard strike to end Ron Remington on the Whitworth five. On the first play from scrimmage Stephens blasted into paydirt. Vasquez booted from placement as Humboldt went ahead 13-0.

Early in the fourth period Dennis Giuntini punted to the Pirate's 14 where the Whitworth eleven started a drive of short but sure yardage to score.

Whitworth went 86 yards in 21 plays with Dennis Spurlock hitting halfback Les Rurey for the tally. The scoreboard clock showed 3:50 left in the contest when Tom Black added the extra point.

This proved too short as the Lumberjacks took the ensuing kickoff and successfully hung on to the ball. The key play in the stall was an eight yard Whitmire to Roberts pass for a first down.

'Jack Wrestlers Drop 21-11 Opener to Aggies

The Cal Aggie Mustangs opened the wrestling season with a 21-11 win over the Humboldt State Lumberjacks in Davis Friday evening.

In the featured heavyweight match, John Bobell took a win over rival Bob Brown. The two were deadlocked at 8-8 on points, with the Lumberjack winning on riding time.

Cal Aggie John Green won the 123-pound go by forfeit when FWC champion Darwin Schager missed the weigh-ins. In an exhibition match, Schager pinned Green in 1:20 of the second round.

Ron daSilva pinned Mustang Ken Griffith in 2:23 of the second round in a half nelson. The 130-pound 'Jack was leading on points when he received the decision.

Don McClellan posted a 6-2 decision over Howard Covington in the 137 pound go despite the latter's two escapes. Chuck Finch decided Gilbert Moss 4-2 on a take down in the first and second rounds.

Mustang John Ayerza pinned Jerry Clason and teammate Larry Palm followed with a third round pin over Tony Chess.

In the big upset of the night, Bill Moore of Cal Tgiges took an upset win over FWC champion Al Hagerstrand in the 177 pound match.

Humboldt Meets Lenoir Rhyne

HSC Tries For National Small College Grid Crown In Florida Holiday Bowl

The third and final act of the 1960 Humboldt State football season begins and ends tomorrow night in St. Petersburg, Fla., at 8 p.m. (5 p.m. P.C.T.) when the Humboldt State Lumberjacks meet the Lenoir Rhyne Bears for the NAIA national small college football championship.

The Lumberjacks completed act two Saturday when they defeated the Whitworth Pirates 13-7 for the Western Regional Division Championship and the right to meet the winner of the Eastern Division in Florida.

Act one ended when the 'Jacks completed their first undefeated and untied season in history. They fulfilled this by trouncing the Lewis and Clark Pioneers 34-0 on Thanksgiving Day to finish the regular season.

The Jacks opened play Sept. 17 when they beat Linfield College (33-0). They upended Eastern Washington College (25-6), and the first act was under way. They continued, beating University of San Diego (20-0), and were over the first big hurdle when they dumped San Francisco State (21-18).

The 'Jacks then came from behind to win the next three, Sacra-

mento State (30-9), Cal Aggies (31-6), and University of Hawaii (29-15).

The Lumberjacks never quit, winning the Homecoming game over Chico State (33-6). Then the Jacks battled snow and weather to down Nevada (22-6) and win the FWC championship.

Tomorrow's game will end the most successful season in the history of the institution regardless of whether the 'Jacks win or lose. Lenoir Rhyne also has an undefeated and untied regular season play. They tied Northern Michigan 20-20, but gained more yardage—25 yards—to capture the Eastern playoff.

Jim Nealis of the Pacific Telephone and Telegraph Company announced early this week that radio station KIEM, Eureka, will carry a play-by-play broadcast of the game. The Telephone Company will sponsor the game as a public service, starting at 5 p.m.

The HSC Lumberjack basketball quintets are billed for two-night stands in Redding and Klamath Falls, Ore. this weekend. The varsity faces Oregon Tech. while the Junior Jacks meet the Shasta Junior College Knights.

HSC

Intramurals

DUANE ONETO

Tennis Slated

Intramural tennis, the first at Humboldt State, continues under the direction of Marv Fregi. The double elimination tourney is in the second round, and should finish in the near future if the weather allows.

It has taken a half a semester to get the first round in, but Fregi hopes for some good weather in order to speed play up.

Intramural volleyball entered its first week of play Monday, and all is going well.

We hope all you intramural fans follow the suggestion put forth by Hugh Clark in "What's What." Our name is going to be on the telegram.

Humboldt Puts 20 Players On All FWC Teams

The Humboldt State Lumberjack football team placed 20 players on the Far Western All-Conference team. There were 10 players on the first offensive and defensive teams.

Those making the first offensive team were Drew Roberts, Vester Flanagan, Pete Carpino, Parker Pollock, Ed White, Cecil Stephens and Fred Whitmire. No one made the second team.

Three players made the first team on defense. They were Matt Kelly, Jim Walker, and Manuel Simas. Those making the second team were Ron Peterson, Sal Siino and Dan Herrera.

Honorable mentions were Al Frakes, Earl and Bill Love, Bill Kuhlman, Frenk Aiello, Jim Barker and Dennis Giuntini.

Cagers Drop Opening Pair To Powerful Presidio Five

The Presidio of San Francisco Toreros took victories of 58-36 and 67-65 over the Humboldt State Lumberjacks in a two game stand Thursday and Friday evenings.

Humboldt State's Junior Jacks lost their opening game to the Arcata High Tiger heavyweights 51-50, Thursday, then came back to take a 51-48 win Friday.

It was a case of first game jitters for the 'Jacks in the opener as they were only in contention for little more than the first five minutes as they held a 2-2 tie with the Presidio.

But the soldiers started moving and led by ten minute scores of 12-5, 30-16, and 46-20. Charley Franklin, Ron Horn and Walt Torrence led the winners with 21, 19 and 16 points.

The second game was an entirely different affair as it took a set shot by Franklin and two free throws by Jack Sergott to give the powerful Toreros the win in the last 16 seconds.

With 1:16 left in the game Torrance hit on a short jump shot to tie the game at 63-63. Franklin hit with a set, then HSC lost the ball as the 'Jacks fouled to get possession. Forward Felix Rogers drove in for a lay in in the last second of play.

Center Larry Krupka hampered the Lumberjacks when he picked up three quick fouls in the first ten minutes of play, and was able to only play less than half the game.

The first stanza saw the two ball clubs battle to a 14-14 deadlock. Presidio came back to take a 37-34 score at the half. Krupka returned to the lineup at the end of intermission and sparked Humboldt to a 51-50 edge at the end

St. Mary's Drops Humboldt, 72-38

The St. Mary's Gaels handed the Humboldt State Lumberjacks their third straight loss, a 72-38 trouncing Monday in Moraga.

Humboldt was literally held scoreless throughout the first 12 minutes of action as the Gaels put their second string in after taking a 28-1 lead.

Joe Taylor hit a short jump shot against the second string, the only field goal scored against St. Mary's the first half. The winners held a 40-11 bulge at the intermission.

of three.

HSC hit 26 out of 53 for a little less than 50 percent. The Presidio connected on 26 out of 76 for 34 per cent. The Toreros won the battle of the boards 39-28.

Franklin, Torrance and Horn led the winners with 25, 17 and 15 points. Rogers and Crichton hit 17 and 12 respectively for Humboldt.

Tonight and tomorrow the Jacks travel to Klamath Falls to play Oregon Technical Institute at 8 p. m.

What's What!

—by Hugh Clark—

Telegram To Lumberjacks In Florida To Be Sent Today . .

The story still isn't over, although it would have been last Nov. 24, if it hadn't been such a truly good one. At least we know it will come to an end this Saturday.

In beginning, this story was no different than that of any across the nation, but it grew, became more different and better each succeeding weekend.

According to the national wire services of UPI and AP the story can be equalled by only about 14 colleges or universities. And less than that, perhaps none, can claim 20 perfect autumn weekends.

We are, of course, referring to Humboldt's great undefeated, untied team, its championship and winning streak which started obscurely enough in mid September of 1959 when Humboldt kayoed weak and little Oregon College of Education in an uninspired effort which netted a 18-7 victory.

Although that was number one, we prefer to believe the real start was a week later when the Lumberjacks got a lease on life, coming back to win a 14-13 triumph with no time left in the game against the powerful Seattle Ramblers. A pass interference penalty gave Humboldt one play with the game completed, as far as the scoreboard clock was concerned, and as we well know Freddie Whitmire flipped a touchdown pass to Tom DeMercurio, and Jim Walker added the conversion. Less than half of some 4500 original fans, who had remained for the finish, went wild. They haven't stopped.

One win has followed another until at the present time the Lumberjacks have recorded 20 in a row. Who would have thought a year and three months ago that a collection of some promising transfers, some good material up from the Junior Jacks of 1958 and a handful of veterans would raise HSC's gridiron standards to the highest ever?

There's only one thing left for the team to capture, thus reaching the acme of small college football . . . that is to win the NAIA Championship Holiday Bowl in St. Petersburg, Florida, tomorrow night (about 5 p.m. our time).

If the 'Jacks win, HSC will have won its first national championship in anything since the institution opened back in 1913 as a normal school for two-year elementary teachers.

No, the debaters, the tennis players, the basketball team or anyone else has ever won such a team honor. Of course, the football team hasn't yet won, regardless of the fact we sincerely believe it can and just might. The tools are at hand, and the team probably will enter the game no less than toss ups.

* * * *

Surely would be nice if the Lumberjack band, the cheerleaders, songqueens and students at large could make the nearly 3000 mile trek to the winter vacation land. But the game is during school time, a rooter's plane would have cost a minimum of \$190 per passenger, and what small college student has that kind of money?

But we would think it a nice gesture if a large number of students, say some 1000 or more all contributed a dime and their name to a short telegram which would be signed by each contributor.

The team has left, but we are going to be in the Lumberjack office this afternoon and will have someone in the cafeteria all day. This evening we will send the telegram whether it has one person's signature or 1800.

At times the team has probably wondered if the school is really behind it. This may not be the best, but it is one way of showing it is.

What about it?

* * * *

The start of what we hope will be the longest telegram sent from Humboldt County and certainly Humboldt State follows:

Coaches and players, our Lumberjacks, Go Get 'em!

'JACKS OF THE WEEK

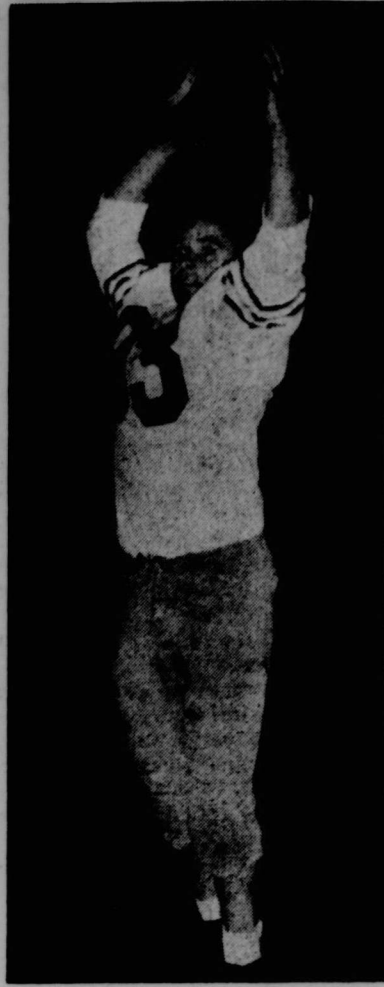

Drew Roberts was picked Jack of the Week for his fine receiving in the Whitworth game. The sophomore end caught seven passes and one for a touchdown. Roberts is Little All-Coast and All-Conference as well as second in the nation in receiving. He was named Most Valuable Line-man in the Western Regional Playoff Game in Eureka last Saturday.

'Jacks Honored In AP, UPI All-Coast Picks

The Humboldt State Lumberjacks placed six players on the Little All-Coast football team announced by the Associated Press, and five players and one coach on the Little All-Coast team released by United Press International.

Vester Flanagan headed the selections receiving first team positions on both polls. The junior tackle was also named to a second team berth on the All-Coast team.

Ed White, junior fullback received a place on the AP first team and a second team spot on the UPI. White's backfield mate, Cecil Stephens was placed on the

Fred Whitmire, Little All-Coast, and All-Conference quarterback, has been selected Jack of the Week for his fine performance in the NAIA Western Regional Playoff game in Eureka Saturday. The signal caller threw 15 passes and completed 10. He threw one touchdown pass, the only one thrown against Whitworth this year, and set up another. He received the Most Valuable Back award in the game.

AP second team.

Lumberjack quarterback Fred Whitmire was first team in the UPI poll and honorable mention on the AP. Whitmire's favorite target Drew Roberts was first team UPI and second team AP.

Manuel Simas, defensive stand-out, was placed on the AP's second team, and Parker Pollock received a second team spot on the UPI.

Coach Phil Sarboe was selected Little All-Coast Coach of the Year by the UPI.

priation from the book store and the fountain.

Some of the advantages of the proposed new system are:

1. All of the money making enterprises on campus will be coordinated under a single organization set up for business purposes.
2. Students will have a direct voice in the management of the corporation on a par individually with any other member of the faculty.
3. The business enterprises will be on a sounder legal basis as operated by a legally constituted non-profit corporation rather than by a series of association ventures.
4. The plan has been found very satisfactory in other state colleges.
