Festive Program Is Planned

Schedule Of Events

- 1 p. m.—Student-Faculty Talent Show (Sequoia Theater). 10 cent admission charge.
- 2:30 p. m. — Intramural Swim Meet (College Pool).
- 3 p. m.—Movie (Founders Auditorium. Relays (Redwood Bowl).
- 5:30 p. m. — Dinner (Tennis Courts) Meal tickets honored.
- 7 p. m.—Spring Sing (Sequoia Square).
- 9 p. m. — Dance (Sequoia Square).

Field Events To Be Held At Redwood Bowl

A part of Lumberjack Day that should prove unusual as well as exciting is the various field events.

Starting at 3 p. m. in Redwood Bowl, the field events promise the spectator, as well as the participants, a thoroughly enjoyable time.

A sack race, three-legged race, suitcase race, and a wheelbarrow race, are open to both men and women contestants.

Special events open to men only are the pie-eating contest, egg throwing contest and a "special" javelin and discus throwing contest.

Prizes will be awarded to the winning individuals of each event.

In a special event, the men of Delta Sigma Phi will be on hand to defend their "tug of war" title, acquired at last year's festivities.

Chairman of the field events for this year is Bill Guimond, senior education major from Coeur D'Alene, Ida. Guimond will serve as Master of Ceremonies for the contests. Serving as field judges for the various events will be members of "field events" committee, Mike Berry, Roy Able, Alex Pulaska, Dick Poole, Dave Bean, John Bley.

Participants will be chosen from the audience.

Big Feed Set This Evening

The campus feed will be held on the tennis courts beginning at 5:30 p. m. tonight. No dinners will be served in Nelson Hall.

Menu for the special Lumberjack Day dinner is hot dogs, baked beans, relishes, ice cream, cookies, and milk, coffee or Coke.

Charge to non-residents of the dormitories is 90 cents. Meal tickets will be honored. Bleachers will be set up on the tennis courts for convenience of diners.

In case of rain, dinner will be served in Nelson Hall cafeteria.

BASEBALLERS

The Humboldt State baseball team completed an Easter Week road trip with a 3-6 record, downing the Presidio twice and Chico State Wildcats.

Who will win the trophy at the songfest today? Spurs Marilyn Hager and Sharon Holmes hold the trophy to be presented to the winning group. The presentation will be made at intermission of tonight's dance, which follows the Spring Sing.

Six Organizations Compete Tonight In First Spring Sing Program

The first all-campus Spring Sing will be sponsored by the Spurs, sophomore women's service society, tonight at 7 p. m. in the Sequoia Square, as part of Lumberjack Day events.

Six organizations will participate. The groups and their chairmen are Delta Sigma Phi fraternity, Bill Turner; Delta Zeta sorority, Donna Peeples and Karla Kaski; Sunset Hall, third floor, Tamara Cossi, Sara Hallin and Carole Cress; Sunset Hall, second floor, Jan Reynolds; Newman Club, Judy Johnston and Mary Jean Campbell; Tau Kappa Epsilon fraternity, Roger Olson.

An engraved traveling trophy will be awarded by the Spurs to the winning group. Permanent possession of the cup will be awarded to any group that wins three consecutive Sings. The Spurs plan to make the Spring Sing an annual event, with hopes that it will become a campus tradition.

The trophy will be presented at intermission of the Lumberjack Day dance, which is to follow the songfest. The dance also will be held on Sequoia Square.

The Spur convention at Pacific Lutheran College in Tacoma was the place the idea for the songfest was conceived. Three Humboldt Spurs, Billie Frasier, Rosalie Waits and Nancy Arguedas, attended the convention there last November and were impressed by the songfest PLC sponsored. A number of other campuses also have songfests of this type, which are among the major student

events of the year.

Master of ceremonies for tonight's program will be Bill Turner. Judges will be Dr. Leon Wagner, associate professor of music

Classes To Dismiss This Afternoon; Talent Show Opens Events At 1 p.m.

The second annual Lumberjack Day officially begins here on the Humboldt State College campus at noon today as classes are dismissed and the day's scheduled festivities get underway. Lumberjack Day replaces the former All-School Picnic.

Teams, Singles To Compete In Swimming Fest

The second annual intramural swim meet will take place today at 2:30 p. m. in the College pool.

The swimming fest will be handled like the previous intramural sports with the winner receiving points to be added to their intramural competition total.

Points will be given for individual and team efforts. In individual competition five points will be given for first place, three for second place, two for third place, and one for fourth place.

In team competition which is made up of relays, ten points is given for first place, six for second, four for third, and two for fourth.

Redwood Hall captured the 1959 event by amassing 39 points to defeat Block H who had 30 points and the Delta Sigma Phi fraternity who had 20.

The meet will be open to all men students of Humboldt State College. An entrant does not need to have a team affiliation in order to enter the contest.

STEVENSON WAS HERE

Adlai Stevenson, the 1952 and 1956 Democratic presidential standard bearer, was a guest speaker at the 1956 All-School Picnic, predecessor of Lumberjack Day. The candidate spoke at Camp Bauer in Korb and took a hefty cut at a softball during the day's festivities. He was stumping California for the presidential nomination.

A Day For Bermudas And Pedal Pushers

Lumberjack Day, being held for the second year, is a day we hope will become traditional on campus. The relays, dinner, talent show and Spring Sing are events designed to bring all Humboldt students together as a social group and to preserve the informal friendliness that has become Humboldt's deserved reputation.

The first event on this spring, the talent show, will cost each student the nominal admission price of one dime. This money will go into the Student Emergency Fund, which at present is depleted. In the past four students who lost belongings in a fire were among those helped by this fund, and it is situations like this for which the fund has been set up.

The dinner tonight is free to students holding meal tickets and will be served at cost - 90 cents - to others. Unfortunately, enrollment of Humboldt State has grown so large it is no longer possible for the student body card to support a free dinner.

However, the other events are offered entirely without charge, and the members of your Lumberjack Day committee sincerely hope you will all come and enjoy everything we have planned.

— Glendyne Baldwin
Lumberjack Day Chairman

Leading off the afternoon's events is the student-faculty show at 1 p. m. in the Sequoia Theater. There will be 15 different acts, plus 20 minutes of faculty talent. An admission fee of 10 cents will be charged, which will be added to the Student Emergency Fund.

Following the student-faculty show the physical education department will sponsor an intramural swim meet in the pool at 2:30 p. m.

The frog jumping contest, sponsored by the Delta Sigma Phi Fraternity, will be held after the swim meet at Redwood Bowl.

At 3 p. m. there will be a free movie shown in Founder's Hall Auditorium.

Also at 3 p. m., the field events will be scheduled for Redwood Bowl. Some of the included events are: sack race, three-legged race, suitcase race, and wheelbarrow race. These events are open to both men and women contestants. Prizes will be awarded to the winners of the events.

The campus feed will be held on the tennis courts, with serving beginning at 5:30 p. m. There will be no dinners served in Nelson Hall tonight, but the residents meal tickets will be honored. Non-residents will be charged 90 cents for the meal.

The first Spring Sing will take place on the Sequoia Square at 7 p. m. All clubs and organizations were invited to participate in this event. Six groups are planning to compete for the engraved trophy tonight.

Concluding the day's celebration will be the outdoor dance, which will be held on the Sequoia Square at 9 p. m. Orchestra music will be provided. The Spring Sing trophy will be awarded during the intermission of the dance.

Pierson Receives \$5,000 Award

Edwin W. Pierson, associate professor of forestry, has been awarded a \$5,000 fellowship from the Foundation for American Research Management.

He plans to use the fellowship for research in management of the redwoods, and will study aspects of selective cutting and related conservation methods. After a year of thesis research here, he will go to Oregon State College in 1961-62 for a year of further graduate study.

Is This Leadership?

The Student Council, just before Easter vacation, decided to remove the 2.0 amendment proposal from the ballot this year. The issue arose when Ron Anderson, Forestry Club president, proposed an alternative amendment and stated that "the Forestry Club and Conservation Unlimited will actively oppose the amendment as it now reads. The principle of the amendment is sound, but needs rephrasing and sent to ICS for consideration by the various clubs on the campus."

It is a fact that the amendment was never presented to ICS for consideration, although the amendment affects the clubs represented in ICS. The clubs therefore had no chance to discuss it as a group. The amendment, as it now reads, would be applicable to any executive officer of any club, so that the refreshments chairman and other minor officials would need a 2.0 to participate as officers in club activities.

However, the most interesting aspect of the discussion was not the shortcomings of the amendment itself, but the sudden reversal of opinion by the majority of the Council members on the issue. They dismissed the alternative amendment because of a constitutional time limitation and voted to table the whole issue. The proposed constitutional amendment might have contained some weaknesses, and perhaps Forestry Club's alternative amendment would have solved the defects.

Since it was not possible to adopt the alternative amendment, the original amendment, which had been adopted by 19 of the 20 Council members, most certainly should have gone to a vote of the student body. It is readily apparent to the observant that the Council suddenly developed a case of cold feet in the face of a minority voting bloc, and switched sides on the issue.

It is entirely within the province of Student Council to encourage higher academic standards, especially when the issue is important to the welfare of the college. It is highly commendable when these steps are taken in the interests of the students, and it is something less than commendable when these steps are retracted for political reasons.

If the college is to grow, we need leaders firm in their convictions, who are unafraid to put these beliefs before the student body for their consideration. Let us hope that the future members of Student Council will be ready to support their beliefs in the face of minority opposition, despite the consequences political and personal. —Bill Hayward

Clubs Request Executive Body To Drop Proposal

A proposed amendment to the ASB constitution, which was to have appeared on the ballot Friday, was withdrawn by the Executive Council at its meeting of April 8. The motion to withdraw the proposal was accepted by a 6-4 vote of the Council.

The amendment, as proposed, would require a cumulative grade average of 2.0, or a C, of any student holding, or running for, an executive office in a campus organization. A current provision of the constitution requires a 2.0 average for officers of the Association.

Ron Anderson and Bob Merritt, representing the Forestry Club, appeared at the Council meeting to request the withdrawal. Their argument stated that the clubs had not been consulted on the proposal and that it was too restrictive. They felt the grade requirement should not be cumulative but cover only the previous semester.

Anderson further stated that the Forestry Club would campaign for the measure's defeat. He suggested that it be further considered next year by the Inter-club Senate. Merritt, author of the proposal, agreed that it should be withdrawn for further consideration.

Discussion by Council members pointed out that the amendment had been carefully considered last semester by the Council and a committee headed by Merritt. Several officers felt that the measure should remain on the ballot so the members of the ASB could properly bring their views to bear and settle the matter.

Spring Sing

(Continued from Page 1)
and director of the college choir; Mrs. Mary Ann Smith, college registrar, and Miss Ruth Carroll, Arcata High School choral director.

Judging will be done on the following point system: musical quality, up to 35 points; overall presentation (formation, costumes, etc.) 10 points; participation (more than one half of membership of group), 10 points; original lyrics (a copy of lyrics and the number of the song are to be in possession of judges), 10 points; original score (copy of the music also to be in possession of judges), 10 points, and any unusual feature, five points.

Each group will sing two songs, one a song selected or written by the organization and the other a Humboldt State College song.

'Spring Fling' Tops Off Day

Topping off the Lumberjack Day festivities will be a free dance with the theme of Spring Fling. This affair will begin at 9 p.m. on the square in front of Sequoia Theatre and will continue until midnight. Bermuda's will be the dress of the evening.

Decorations for the dance will exemplify the spring theme with a fountain, candlelight and ivy.

Music will be furnished by the Melodiers, a popular dance band which has played at many of Humboldt's previous dances.

During one of the dance intermissions winners of the Spring Sing will be announced by Spurs.

FOUR RECORDS BROKEN

Four Humboldt State track and field records were broken the past two weekends. Rick Scott broke the mile standard and freshman Ken Simmons snapped the two-mile mark. Dean Carrier erased the low hurdle record and the HSC relay team broke the mile record at the Santa Barbara Easter Relays.

22 Students In Race For Elections Friday, Monday

Associated Student Body elections are scheduled for this Friday, April 22, and Monday, April 25. The polls will be open from 8 a. m. to 4 p. m. in the foyer of Founder's Hall and in the Coop. A voting booth will also be placed in the Cafeteria on both days from 11:30 a. m. until 1:30 p. m. A runoff election will be held if necessary Wednesday, April 27.

All members of the Association may vote by presenting their ASB cards at the voting booths.

Three students who filed petitions to run for ASB offices have dropped out of the race. They are Hugh Clark, who was running for Publications Commissioner, Pat Meneweather, Assemblies Commissioner, Jim Moranda, Treasurer.

Two complete parties and two independent candidates are in the race. The two independent candidates are Dennis Cahill, President; Doug Kane, Vice President. The two parties are the Octagon Volunteers headed by Joe Mayfield, and the Lumberjack Leaders under the leadership of Paul Asp.

Running with Mayfield on the O. V. Party are Ross Stromber, Vice President; Lynn Richter, Secretary; Joe Romero, Treasurer; Linda Dolf, Activities Commissioner; Tony Karachale, Organiza-

tions Commissioner; Donna Cleveland, Publications Commissioner; Bill Turner, Rally Commissioner; and Bill Crichton, Awards Commissioner.

Running with Asp on the Lumberjack Leaders ticket are Dick Maynard, Vice President; Nancy Mendes, Secretary; Bob Merritt, Treasurer; Betty Bird, Activities Commissioner; Roger Olsen, Organizations Commissioner; Mary Ann Miner, Publications Commissioner; Neil Evans, Assemblies Commissioner; Bud Kolding, Rally Commissioner; and Gary Peterson, Awards Commissioner.

An amendment concerning Class officers being on the Executive Council will be presented to the ASB for approval. If passed each class officer will be a voting member on the Executive Council. The amendment dealing with a 2.0 cumulative average required of any student holding, or running for an executive office in a campus organization was withdrawn from the ballot.

Students, Faculty On Talent Show

A "real-ly big shew" is in store at the big student-faculty talent show today at 1 p. m. in Sequoia Auditorium, the opening event of 1960 Lumberjack Day. A ten cent admission fee will be charged.

Fifteen acts, including 20 minutes of faculty talent, are on the bill. The faculty acts are being saved as "the big surprise" and will not be revealed before the show.

Among the other acts will be the ever popular Irving Kitchenberg, chief clerk of the maintenance department, who was for many years a professional banjo player. Kitchenberg has been a star performer in many college events, including the late All-Day Picnic, which is being replaced by Lumberjack Day.

Student acts will include Pete Carpino and his combo; Kenna Koenig, song stylist; a "lecture recital on poetry and the culinary arts" by Bob Graham; bongo drum playing by Pat Meneweather; dances by Mary Hitt and Sharon Amberson.

A tumbling show and a skit by the Delta Zeta sorority will round out the program.

ANNOUNCING

AIR FORCE
OFFICER
TRAINING
SCHOOL
FOR COLLEGE
GRADUATES

Three-month course leads to a commission as a Second Lieutenant. If you are graduating this June, you may be eligible for admission to the new Air Force Officer Training School. Successful completion of the three-month course wins you a commission, and a head-start on a bright, rewarding future in the Aerospace Age.

The School is open to men and women college graduates with certain technological and administrative skills. If you are selected for the School, you will receive Staff Sergeant pay while a trainee. Graduated officers may later apply for advanced training and graduate study at government expense. Male officers may also apply for flight training as pilots or navigators.

For the career-minded young officer, the Air Force way of life can be stimulating, exciting and full of meaning. He will be serving himself, his family and his nation. This is the Aerospace Age. It is a time when a career in Air Force blue has so much to offer the young man or woman who qualifies.

The Air Force is seeking only a select group of college graduates for admission into Officer Training School. However, we'd be happy to send detailed information to any senior who is interested. Just write: Officer Training School Information, Dept. SCL04, Box 7608, Washington 4, D.C.

There's a place for tomorrow's leaders on the Aerospace Team.
