# Thank You for Coming

Janna K. Trowbridge

Just because someone stops loving you  
    doesn't mean you have to stop loving them  
I will always love you  
Because  
I hand out pieces of my heart like party favors  
Thank you for coming into my life—here take this  
    A unique and special piece of me chosen specifically for you  
It's an open invitation, all are welcome  
To the girl I flew to the moon with every day on the swings in third grade  
    Here—for you  
To the boy who turned my backyard into an ever changing landscape of  
adventure  
    Please—for you  
To all who have since left my party  
You still have pieces of me that I will remember you by  
So, to the boy who first told me I was beautiful and worthy and enough  
Who has since gone to many other parties and received many other goodie  
bags  
I hope—you tuck mine away somewhere safe  
That when you need to be reminded that you are beautiful and worthy and  
enough  
You can take it out and listen as it gently whispers all the things you need to  
hear  
All the things a heart can never forget
