The Queen of My Heart

Walid Abdallah

My mother, the queen of my heart
Eternal love that will never depart

You gave me life and soul
Your name is on my heart wall

I see the world with your eyes
You are the true love that never lies

You feel my pain before I say
I love you more every day

Whenever I feel lonely and desperate
You're always there, you're never late

Your love is always there for free
Without you, I would never be

Mom was the first word I said
The first thought in my head

You have every beat my heart sends
You're the backbone that never bends

When you smile, I feel secure
When I am sick, you are the cure

Stay with me and never say bye
Without you, my heart will die
