## MEMORANDUM

**To:** Amanda C Hahn  
Yacoub Innabi

**From:** Ethan Gahtan  
Institutional Review Board for the Protection of Human Subjects

**IRB #:** IRB 18-122

**Subject:** The Effects of CT Afferent Stimulation on Orgasm

Thank you for submitting your proposal to the Committee for the Protection of Human Subjects in Research. Upon meeting with a full Institutional Review Board and your subsequent revisions to your research proposal, your research is approved because 1) the benefits to the subjects and the importance of the knowledge to be gained warrant a decision to allow the subjects to accept these risks, 2) the rights and welfare of any such subjects are adequately protected, and 3) a legally effective informed consent will be obtained by adequate and appropriate methods in accordance with the provisions of Federal Regulation 45 CFR 46.

This memo constitutes formal approval of your research proposal. This approval is for one calendar year, and will expire on the Expiration Date. If you find it necessary to continue your data collection beyond this date, please apply for renewed approval in advance of this date to prevent interruptions in your project. If your research plan must be altered, please notify this office according to the policies established for Humboldt State University.

Additionally, should you as the investigator or any of your subjects experience any 'problems which involve an undescribed element of risk' (adverse events in regulatory terms), please immediately inform the IRB of the circumstances.

Thank you for your careful attention to the protection of the human subjects in your research.

**Approval Date:** 2/12/2019

**Expiration Date:** 2/12/2020
