Title: The Effects of Video Modeling and Video Feedback on Object Control Skills for Individuals with Autism Spectrum Disorder

Thank you for submitting your application to the Committee for the Protection of Human Subjects in Research. I am able to provide expedited review of your proposal by Federal Regulation 45 CFR 46.110 because your research:

will involve the collection of data from voice, video, digital, or image recordings made for research purposes.

The anniversary date of your research is **11/10/2022**. By HSU policy, all data collection related to this protocol must stop on the anniversary date, unless a renewal/annual report is submitted. In order to prevent any interruption in your research, please submit a renewal/annual report in time for the IRB to process, review, and extend the Expedited designation (at least one month).

Important Notes:

- Any alterations to your research plan must be reviewed and approved by the IRB prior to implementation.
 - Change to survey questions
 - Number of subjects
 - Location of data collection,
 - Any other pertinent information
- If Expedited approval is not extended prior to the anniversary date, investigators must stop all data collection related to this proposal.
- Any adverse events or unanticipated problems involving risks to subjects or others must be reported immediately to the IRB (irb@humboldt.edu).
