**Subject:** DETERMINING RISK FOR DISTURBANCE: SEABIRD, PINNIPED AND HUMAN SPATIAL USE ALONG THE TRINIDAD COAST

Thank you for submitting your proposal for review.

Pursuant to the federal definition of research and human subjects, we have determined that your proposal does not fall under the purview of IRB oversight. Therefore, the Humboldt State University Institutional Review Board (IRB) has classified your research as Not Human Subjects Research, and there is nothing further that you need to do.

If, at a later date, your project parameters change to include research subject to regulation, you may submit another application for human subjects review or contact the IRB Coordinator at 707-826-5165 to determine if submission is necessary.
