Making New Friends

“Side by side or miles apart, dear friends are always close to the heart.”

One of the most treasured joys in travelling is the new people and friends that you will meet along the way. Through the Center for International Programs, we are honored to have many opportunities to meet so many wonderful people from all over the world. Friendship has no borders and we are so lucky to meet people from all over the world. We hope that you enjoy sharing your experience at Humboldt State University with all of the new people that you meet!

Spring Break is quickly approaching (March 16 - 20), which allows for a wonderful opportunity to try something new. Studying abroad in California gives you access to countless beautiful, interesting, and exciting places and activities! While you’re here at HSU, we hope that you take advantage of all that this state has to offer. Of course, if you want to travel, you’ll need a way to get to where you’re going. Here are some resources you can use to see more of California!

**Jack’s Pass**

Your HSU student ID also serves as a bus pass, called Jack Pass, which allows you to travel by bus all over Humboldt County! The Jack Pass works for our three bus systems: the Redwood Transit System, the Eureka Transit System, and the Arcata & Mad River Transit System. Use your pass for an easy way to travel around Arcata, to go to the beach in Trinidad, go to Downtown Eureka, or even to go as far as Scotia!

**Zipcar**

If you’re planning on going somewhere that a bus can’t take you or you just want the comfort and convenience of driving a car, this is a fabulous resource for travel! HSU offers 2 Zipcars on campus, which are available to anyone over 18 years old with a driving license – international driving licenses included! After joining with Zipcar at [http://www.zipcar.com/humboldtstate](http://www.zipcar.com/humboldtstate), students can rent one of the cars for just $8 an hour or $66 a day. These rates include insurance and free gas for 180 miles. Learn more about using the Zipcar here: [http://www2.humboldt.edu/green/resources/zipcar.php](http://www2.humboldt.edu/green/resources/zipcar.php).

**Amtrak**

Amtrak is a train and bus transportation system that can take you all over California and the U.S. at large! It offers affordable options for transportation and has stations in both Arcata and Eureka. Visit the website at [http://www.amtrak.com/home](http://www.amtrak.com/home) and see where Amtrak will take you!

**Arcata Airport**

If you are looking to travel by plane, Arcata offers an airport as well! The airport is located just north of Arcata in McKinleyville and offers flights through United Airlines. You can fly from this airport to Portland, San Francisco, or Sacramento. For more information on flying out of the Arcata airport, visit this website: [http://humboldtgov.org/1396/Aviation?page=airport_and_airline_information.htm](http://humboldtgov.org/1396/Aviation?page=airport_and_airline_information.htm). Wherever you’re going, we hope you’re having fun! Take advantage of your time abroad and get out, be safe and explore!
