1st day — 364 days follow

New Year's Day

52°F. 7:30 a.m. - Showers.

14-15 gual, 9:15.

Did house cleaning and laundry,
getting ready for Tom being here a
couple of weeks - arriving Sunday afternoon.

Bill took a walk between showers.

Quiet evening - reading; some TV.

53°F. 7:35 a.m.

1994

2nd day - 363 days follow

Rained during night.

WCDC Board meeting 10-12:30 at Lucy Diggins. Worked on strategy for presentation at BOS meeting Tuesday afternoon.

Meanwhile Tom had arrived! We made him as comfortable as possible in the living room - and moved the studio couch in for the duration - possibly 2 weeks.

Tom talked with his friend from Boston (expected here Thursday) - his mother phoned, also.

Watched TV football in afternoon
Dinner around 7:45 with Tom at the table.

Bill did some grocery shopping in late afternoon.

1994

3rd day - 362 days follow 51°F. 7:10 a.m.

Var. clouds. Dense, dense fog around river valleys and bay. (17 grains)

Picked up Sylvia de Rooy at 9:20 to drive her to General Hospital in Eureka by 10. She had another friend to drive her back home.

Shopped for groceries for Tom in Arcata, picked up a replacement ink cartridge for the printer, had Kinko's Xerox photo - and returned home for lunch.

Tom did not have a good night - and phoned his doctor - who said it was O.K. to take more pain pills. He also talked with his mother.

Bill took a mid-day walk - Sunny at Moonstone until the fog came in to blanket us for the afternoon.

Did laundry.

Made "Goop" for dinner. Brad Bishop joined us at 6:45.

Around 9:30 he took Tom to Café Moca hot tubs in Arcata - returned about 11:30.

Gerry called about SS. Jeremiah O'Brien "D day" application acknowledged. He was getting more hopeful about being able to participate.

Nargo phoned on Chapter business.

1994

123rd day - 242 days follow 53°F. 6:45 a.m.

Cloudy - Rain in forecast.

* Haircut in Arcata, 10:00 a.m.

Toyota gave out on me, just as I parked near Jerry's Storehouse. After haircut, I walked to German Motors of Arcata (10th & K) and phoned 3A. Walked back to car to wait for 3A, which was only about 10-15 minutes. Towed car to garage and left it to be looked at. Called Bill at home to come into town to "rescue" me.

Home for lunch. Phoned message for Brad.

Light rain began falling around 2. Bill went into Eureka - to DMV. Helmut at German Motors phoned - Toyota needs a lot of work; lots of money (\$800+).

Brad phoned - will contact Tom's friends - and come here Thursday to "talk about things".

Marni phoned that Bob Ramey and Steve Saunders plan to take more trees at 8th Ave. and Kingdom Road.

Rain continued during evening.

 letter of support to be FAXed to him tomorrow.

Received phone calls from John Collins
 and Brad Bishop regarding time for beach
 gathering for Tom.

5:30 at Bill Devall's; rode with him to
 Dye Lagoon State Park. Others arrived. At
 6:15 we walked south to a beautiful rocky area,
 away from other beach visitors, where the waves
 were crashing in. Skies had cleared. No wind.
 Bill D. and I scattered Tom's ashes on an
 outgoing wave. It was a fitting place for all
 of us to say goodbye to Tom - at his favorite
 beach for agate hunting. A few spoke.

Back to Bill's for a delightful dinner and
 sharing remembrances. On hand were Brad,
 John, Peter Horner & friend Linda, Ned Simmons, Bert

Read some '90, '92, '93 New Yorkers from magazine rack, after taking a walk, with aide, down hallways.

Lovely day.

1994 222nd day — 143 days follow

Chris and Joe Olson arrived early. We were underway when I was released at 9:30.

Easy drive to Redding. Only used air conditioner about last 12 miles into town. They stayed with me through the lengthy admissions process — paper work.

Then, I was hustled to the 3rd floor cardiac catheter unit.

Procedure took about 45 min. Told with Dr. Olson there only for the "picture taking." I asked to view the video results. About $\frac{1}{2}$ of my heart blocked — could not repair! Will be released tomorrow!

Phoned Jean in Red Bluff. She would drive me back to her home, then on Friday, drive me home in the coal of the morning.

Smile phoned for results and plans.

Around 12:40 Sylvia picked me up to go to court
at 1:30 - WDC vs. County and Joe Cook (TRO petition hearing).
Superior Ct. #3. Judge J. Michael Brown. A long
wait until WDC's attorney Mark Harris and colleague
Dorey Diamond were heard. It all took about 15-20
minutes, then was held over until Oct. 14 for further
action. It was bizarre! Suddenly, we all learn
that the Cook property has been sold - in secret!
Tom Whiteley and "co-hosts" in audience. Marni, Lori,
Sylvia and I were moral support for Mark & co.
Errands at Valley West and McHenryville.
Home by 4:30.

1994 323rd day — 42 days follow 34°F. 6:30 a.m. FROST!

Left for Acata 7:55 to meet Diane Beck at 8:15 in
 Uniontown parking area. Crispy in morning sunshine
 waiting. She arrived about 35 minutes late — due to
 strange (wine) behavior of minivan (Alzada).
 Stopped at Harris St. station for a check, then
 went on — non stop to Wheel's Env. Center,
 arriving on time for 12 o'clock ExLom meeting.
 Maples along highway were striking yellow
 against green backgrounds, and carpets of
 leaves were stunning. Mountain toyon berries
 were glistening on So. Fk. Sol river banks.

Meeting ended 5:50. It went well and I
 said a "kind of" farewell to Chapter ExLom
 after 22 years of serving in some capacity.

Trouble! Stopped at Lovelo turnoff to adjust
 seat belt, then car would not engage any gear.
 Cold, clear moonlight. 3A from Laytonville
 towed us into town. Nothing open Sunday.
 Located comfortable motel and settled in with
 paper, books, fresh French bread, fruit and wine.

Diane contacted house mate Pat to serve
 us tomorrow. Van would be left until
 Monday for needed work. Transmission fluid
 was O.K.

Called Bill to explain situation and remind
 him to take his medication.
